Re: Letter of Interest Regarding Service on the Permanent Guardianship Commission

Dear Ms. Brown:

On August 2, 2017, the Supreme Court of the State of Nevada ("Supreme Court") issued ADKT 507 creating permanent Guardianship Commission and requesting that persons interested in serving on the Guardianship Commission submit letters of interest to the Clerk of the Supreme Court.

I am a District Judge in the Second Judicial District Court of the State of Nevada and am responsible for the Juvenile Division of the Second Judicial District. As part of the juvenile division, I oversee the minor guardianship docket, and, aside from a limited number of cases that have been transferred to other judicial departments, I hear and am responsible for every minor guardianship case in Washoe County. Washoe County has approximately 1,200 minors who are currently subject to a guardianship and are thus under my jurisdiction.

In addition to overseeing the minor guardianship docket, I also have experience with adult guardianship cases. Prior to becoming the presiding judge of the juvenile division, I oversaw the adult guardianship docket for the Second Judicial District for approximately two years. In 2015, I was appointed to the statewide guardianship commission referenced in ADKT 507 and was responsible, with others, for drafting the new minor guardianship statute. In addition, I supported the creation of a permanent guardianship commission in order to continue the work we started with the 2015-2016 commission.

I would like to express my interest in serving on the permanent Guardianship Commission. If you have any questions, or need any further information, please do not hesitate to contact me at your convenience.

Best regards,
