Re: Application for Permanent Guardianship Commission

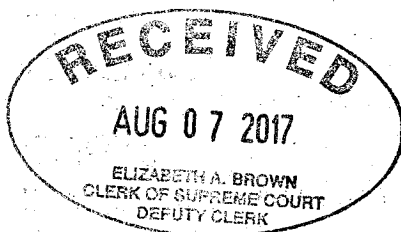

Greetings Tracie,

Please add my name to the list of folks requesting consideration for appointment to the Permanent Guardianship Commission. I have practiced guardianship law for over ten years and participated in well over 200 cases. I am in private practice as an elder law attorney in Reno, Nevada, where I have practiced law since 1977. Please let me know if further information is required.

Sincerely,

John C. Smith
