## ORDER DIRECTING TRANSMISSION OF RECORD AND GRANTING MOTION FOR SUPPLEMENTAL BRIEFING

This is an appeal from a district court order granting, in part, a pretrial petition for a writ of habeas corpus. NRS 34.575(3) provides that when such an appeal is taken, the clerk of the district court shall forthwith certify and transmit the record on appeal to the Supreme Court and, if the appellant or respondent demands it, transcripts of the proceedings in district court.

Accordingly, the clerk of the district court shall have 30 days from the date of this order to transmit to the clerk of this court a certified copy of the complete district court record of the proceedings below on respondent's petition.

Respondent has filed a motion for supplemental briefing. Although NRS 34.575(3) contemplates that we may resolve this appeal based upon review of the record without briefing, we have concluded that briefing may assist in the resolution of this appeal, *see* NRS 34.575(3), and we grant appellant's unopposed motion.

Appellant shall have 60 days from the date of this order to file and serve an opening brief. Respondent shall have 30 days from the filing of the opening brief to file and serve an answering brief. Appellant shall

SUPREME COURT OF NEVADA

have 30 days from the filing of the answering brief to file any reply brief. All briefs must comply with the provisions of NRAP 28, 28.2, and 32. Because this court has ordered a copy of the record on appeal, the parties may cite to the record in their briefs and need not file an appendix. We caution the parties that failure to comply with this order may result in the imposition of sanctions. See NRAP 31(d).

It is so ORDERED.
