9                   **MOTION TO CONSOLIDATE FAST TRACK CASES**

10           Appellant, LINDSIE NEWMAN, through her court-appointed counsel,  
11           KARIN L. KRIEZENBECK, Nevada State Public Defender, and SALLY  
12           DESOTO, Chief Appellate Deputy, moves this court to consolidate case nos.  
13           67763 and 67756. Both cases involve the same issue—sentencing discretion  
14           and Due Process violations at sentencing—and the cases are intertwined to such  
15           a degree that one case cannot be analyzed without reference to the other.

16           This motion is based on NRAP 27.

17                   DATED this 23rd day of April, 2013.
