16 Pursuant to NRS 12.015, and based on the following Affidavit, I request permission from

AFFIDAVIT IN SUPPORT OF MOTION TO PROCEED ON  
APPEAL IN FORMA PAUPERIS

STATE OF NEVADA

ss.

COUNTY OF CLARK

I, Jennifer Gordon being first duly sworn, depose and say that I am the Defendant in the above-entitled case; that in support of my motion to proceed on appeal without being required to prepay fees, cost or give security therefor, I state that because of my poverty I am unable to pay the costs of said proceeding or to give security therefor; that I believe I am entitled to redress; and that the issues which I desire to present on appeal are the following:

- Did it violate the Defendant's due process rights when the Court sua sponte introduced for the first time documentary evidence to the litigants at the start of a evidentiary hearing leaving the litigants no time to prepare for the validity, veracity, or credibility of the evidence, over the objection of the Defendant and a request for a continuance?
- Is it error for the Court to expand the scope of an evidentiary hearing, i.e. turning a motion hearing into an evidentiary hearing on the day of the motion hearing that was being held in conjunction with a limited scope evidentiary hearing, without prior notice to the litigants?
- Did the District Court err when it changed the Defendant's custodial rights, i.e. gave the Plaintiff more visitation time and made a ruling that the Defendant's boyfriend was not allowed around the subject minor children unsupervised even though the Defendant and her boyfriend have a child together and live together, all without a full and fair hearing?
- Did the Court commit any other error that rises to the level of an abuse of discretion?

I further swear that the responses which I have made to the questions and instructions below relating to my ability to pay the cost of prosecuting the appeal are true.

- 1 1. I am not presently employed and have not been employed since March 30, 2013. My  
2 income while I was employed was approx. \$6000 a month gross income and I was paid  
3 on a weekly basis at \$33 per hour, and approx \$1000 a week net income. I initially took  
4 time off for maternity but since have not been able to return to work because of the  
5 restrictions against my fiancé from the order filed March 20, 2015, that makes it  
6 impossible for us both to be employed.  
7  
8 2. In the past twelve months I have not received any income from a business, profession,  
9 or other form of self-employment, or in the form of rent payments, interest, dividends,  
10 or other source. My sole source of income is my fiancé.  
11  
12 3. I do share partial ownership on a checking and a savings account with my fiance.  
13 However, there is no "value" to either account.  
14  
15 4. I co-own two vehicles with my fiancé: 1997 Cadillac Deville, and a 2000 Chevrolet  
16 Express 3500.  
17  
18 5. My fiancé of 5 years is our sole provider. We, together, support 6 children on his one  
19 income. There are 3 children which are solely his, 2 are solely mine and we have a 20  
20 month old child together. I am a "mother" to ALL of the children in the house.

21 I understand that a false statement or answer to any question in this affidavit will subject me to  
22 penalties for perjury.

Mr. Bellon alleged that Defendant has ignored previous Court Orders. He claimed that Defendant's boyfriend has continued to inflict corporal punishment on the children although the Court has previously Ordered him not to discipline the children in any way. Plaintiff requested compensatory time with the children. Court advised that it has reviewed the record that resulted in the prior Judge's ruling and found nothing inappropriate. COURT ORDERED, Defendant's Motion is DENIED. COURT FURTHER ORDERED, Plaintiff's Countermotion with regard to Attorney's Fees is DENIED as the Court Finds that Defendant's Motion was filed in good faith. Plaintiff's request for compensatory time is DENIED as this issue is not properly before the Court. Mr. Bellon shall prepare the Order. This case will be closed upon submission of the Order. ;*

*EVIDENTIARY HEARING: OSC DEFENDANT FILED/WHY WARRANT WAS ISSUED FOR PLAINTIFF AND PROBATION DEPARTMENT COMMUNICATION WITH DEFENDANT/CHILD SUPPORT...DEFENDANT'S*

**CASE SUMMARY****CASE NO. D-10-430639-D**

MOTION FOR CHANGE OF CUSTODY...PLAINTIFF'S OPPOSITION AND COUNTERMOTION TO MODIFY CHILD SUPPORT, FOR ATTORNEY FEES AND RELATE RELIEF...ORDER TO SHOW CAUSE: OSC RE: PLAINTIFF'S VIOLATION OF 11/1/10 ORDER, 9/16/13 ORDER, AND 6/19/14 DA'S ORDER RESET FROM 10/3/14 Gary Zernich, Bar #7693, appeared in a pro bono capacity to represent Defendant. The Court met with Mr. Bellon and Mr. Zernich OFF THE RECORD prior to the hearing. The Court noted Defendant's Motion was being heard this date. The Motion asked the Court to reduce Plaintiff's custodial time, based on Plaintiff having spent twenty-three (23) days in jail, a warrant being issued against him, and allegations of him being an absconder. The Court said it had set an Evidentiary Hearing to hear testimony from the probation officer to find out exactly what happened. Testimony presented. Exhibits offered and admitted. (See worksheets). The Court noted Plaintiff was on disability and he was requesting his child support be modified. As an offer of proof, Mr. Bellon said there were child support arrearages from previous orders, and there would be further arrearages accruing from May, 2014. Mr. Bellon said Plaintiff was injured on the job in January, 2014, at which time he was collecting Workmen's Compensation, the full amount of his child support was taken out of his Workmen's Compensation until April, 2014, when the benefits stopped. Plaintiff did pay child support in July; however, he has arrearages for May, June, August, and September. Plaintiff notified the District Attorney's Office when his benefits were stopped. Plaintiff has filed an appeal and has a hearing scheduled on 10/13/14, if Plaintiff's benefits are reinstated, he will be paid retroactively. Mr. Bellon said the District Attorney filed in this case for Plaintiff's child support to be reduced, when Plaintiff advised them he was out of work. Mr. Zernich asked the Court to sentence Plaintiff to ten (10) days in jail for his failure to comply with the Court's order by not bringing his medical records to Court, and for failing to pay his child support. Mr. Bellon said Plaintiff had not willfully withheld his child support payments. Mr. Bellon added he remembered reading the Court's order, and did not realize Plaintiff was required to provide his medical records - he said he did not instruct Plaintiff to bring the records with him. After reviewing Defendant's exhibit C, COURT ORDERED, through August 2014, there were child support arrearages of \$28,879.69, which shall be REDUCED TO JUDGMENT, this amount includes interest and penalties. The Court FINDS as of October, 2014, Plaintiff is out of work; therefore, his child support is TEMPORARILY reduced to \$200.00 per month. The Court is not going to find him in contempt at this time for being unable to work. Plaintiff is under an affirmative duty to notify Defendant when he is cleared for work and he is working again, and provide her with a copy of his first pay stub, so that his child support can be recalculated. If Plaintiff fails to do this he will be in CONTEMPT, which shall be punishable by five (5) days in jail. If Plaintiff's disability benefits are reinstated, his child support will be 25% of his disability. Plaintiff is under an affirmative duty to notify Defendant when his benefits are reinstated. The Court FURTHER FINDS Plaintiff testified he was injured in January 2014, and immediately sought medical attention, and was unable to work after that time, which is the basis for the Court's FINDING he cannot work. Plaintiff received disability benefits through April, 2014, Mr. Bellon made offers of proof Plaintiff's injury was challenged, and his benefits were stopped. Plaintiff is challenging this decision. Closing arguments. The Court FINDS it understands Plaintiff had a warrant out for him; however, it was clear the Probation Officer who took over his case did not have a conversation with Plaintiff explaining what his new requirements were when he took over the case. The Court advised Defendant it would have been helpful if she had called Plaintiff and advised him he had an outstanding warrant. Counsel waived the FINDINGS OF FACT and CONCLUSIONS OF LAW with respect to the Court's denial of Defendant's request for sole legal custody. The Court reviewed the child interviews it conducted on 9/3/14. The Court said it had been distressed by Weston's admission he was disciplined by being punched in the arm and punched in the stomach by Defendant's boyfriend. The Court was also disturbed to learn in spite of a prior order in 2011, Weston, was still in wrestling. The Court also ordered in 2011, Defendant's boyfriend was not to discipline Weston or Chevy in any way. Defendant said Weston was not punished by being punched. ;

The Court said counsel had had an opportunity to review the CPS records prior to the hearing, and the children were consistent with regard to physical punishment in the house. The CPS worker and the detective both believed when they interviewed another child from the residence the child had been coached. The Court advised Defendant it had been ready to change custody this date, based on the child interview, and the CPS report, where the same information was provided to a CPS investigator. Defendant denied any allegation of abuse. The Court said it was bound to protect the children, if Defendant was unable to protect them. COURT FURTHER ORDERED, the following: 1. As to Defendant's Motion for SOLE LEGAL CUSTODY, that request is DENIED. 2. The Court understands Plaintiff had a warrant out for him. It is clear the Probation Officer did not tell Plaintiff what his requirements were when he took over the case; however, it is clear he never had 3. Based on the parties' continuing failure to effectively communicate, if Defendant communicates a request to Plaintiff and he himself does not respond by email or text within forty-eight (48) hours she has permission to go ahead with what she asked him for. Plaintiff cannot rely on his wife to communicate with Defendant, he needs to respond. If Plaintiff does respond and does not agree to the request made by Defendant, she does not have permission to proceed. 4. Weston is now involved with the school band, and if the band goes out of town on Plaintiff's time, he will still have permission to go. 5. Defendant shall notify Plaintiff when she makes appointments for the minor children. Defendant shall notify Plaintiff of the appointment on the day she sets it, not wait until the day of the appointment to notify him. Plaintiff may not change the children's appointments once they have been set by Defendant. 6. If Plaintiff takes the children out of town again without notifying Defendant of his itinerary, an order will be made he cannot take the children out of State again. While he is on probation, Plaintiff must provide Defendant with proof he has permission to travel out of town. 7. The Court FINDS it has serious concerns with regard to the CPS report, and the Court's interview with the children. The Court believes Weston when he says that Mom's boyfriend, Matzi, is punching him in the stomach and the arm. 8. Defendant is ordered not to leave the children in the care of her boyfriend. If there is credible evidence she has left the children alone with her boyfriend, this

CASE NO. D-10-430639-D

would be a basis for a change of custody. Defendant's boyfriend is ordered not to discipline the children, and Defendant is not to use any kind of object on the children as a form of discipline. 9. Both parties shall take the ABC's of Parenting, to learn how to better discipline their children, within the next sixty (60) days. The Court believes it would be a good idea if Matzi also attended the classes. 10. Plaintiff has permission to have an unemotional discussion with his boys that if they ever feel they are being abused, or physically hurt, they need to tell someone at school. It would be fair for Plaintiff to have a safety word with the children so if they are having a telephone conversation and they use the safety word, he can decide what to do. 11. Plaintiff's visitation with the children will be extended to four weekends per month, from Friday at 6:00 p.m., to Sunday at 6:00 p.m. Defendant can have every fifth weekend. If Defendant wants to plan a trip with the children, she is allowed to give Plaintiff two weeks' notice she wants to have a weekend, and she can do that four (4) times per year, if she is engaged in an activity with the children, which will give her eight (8) weekends per year with the children, the rest of the time is Plaintiff's. 12. This is a PERMANENT ORDER. The Court explained this order was sui sponte from the Court, based on the children's interviews, which were supported by the CPS record, as far as the Court is concerned. An investigation was conducted with the children being interviewed by a Detective and a CPS worker. The Court is not concerned the investigation was unsubstantiated, since CPS has its own guidelines, and the Court looks at that investigation in a different light. 13. Mr. Bellon shall prepare the Order. Mr. Zernich shall sign off as to form and content. CASE CLOSED with Order. Since Mr. Bellon did not admit any exhibits, the folder of exhibits he submitted was returned to him at the end of the hearing. ;

PLAINTIFF'S OPPOSITION AND COUNTERMOTION TO MODIFY CHILD SUPPORT, FOR ATTORNEY FEES AND RELATED RELIEF...ORDER TO SHOW CAUSE...DEFENDANT'S MOTION TO MODIFY CUSTODY, VISITATION AND/OR CHILD SUPPORT Parties SWORN and TESTIFIED. The Court noted this matter was being heard on an Order Shortening Time. The Court reviewed Defendant's Motion for an Order to Show Cause. Argument by Mr. Bellon. Defendant denied the allegations made by Mr. Bellon. Discussion as to why a bench warrant was issued for the arrest of Plaintiff. The Court FINDS as of 8/26/14 the minor child, Chevy, was under the care of neurosurgeon, Dr. Kelly Schmidt. It is clear from Dr. Schmidt's letter, he anticipates the minor child, Chevy, will continue to be under his care for some time. The Court acknowledges Mom's concern with monitoring Chevy's condition. Defendant provided Mr. Bellon with a copy of the medical records for the minor child, Chevy, IN OPEN COURT. COURT ORDERED, the following: 1. Pursuant to the stipulation of the parties, the Court will interview the minor children on 9/3/14 at 4:30 p.m. The parties will not discuss the interviews with the children. 2. Defendant needs to file a paper Reply, with her telephone records attached as an exhibit, and the letter from Plaintiff's Probation Officer also attached as an exhibit. 3. If the minor

**STATUS CHECK: DAD'S OVERNIGHT VISITATION** Plaintiff provided his completion certificate for the UNLV Cooperative Parenting Classes. Defendant has permission to take the class after her summer vacations. Plaintiff advised the Court he had been working; however, he had been injured and Defendant had been receiving 40% of his Workman's Compensation. Plaintiff will not be held in contempt, since he has been keeping in the District Attorney's Office. Plaintiff said he wanted to be more involved in the children's lives. The Court suggested Defendant discuss the wrestling tournaments with Margaret Pickard when she takes the UNLV Parenting Classes. Plaintiff said Ms. Pickard had suggested only one tournament be scheduled during Plaintiff's visitation. The parties were provided with the Department T Standard Holiday Schedule. With regard to the Hunter Gun Safety Course, Plaintiff needs to schedule the Course on his time. **COURT ORDERED**, the following: 1. Since Defendant will be spending the entire month of July with the children, Plaintiff will have extended visitation with the children from June 13 through June 22nd. In addition, Plaintiff will spend August 8th through August 17th with the children. 2. During Memorial Day weekend, Plaintiff will have the children commencing Friday, May 23rd through Monday, May 26th. Plaintiff will return the children to Defendant at 5:00 p.m. on Monday. 3. The following weekend, Friday, May 30, which is a fifth weekend, will be Defendant's weekend. 4. The parties shall return to their regular visitation in June. 5. If Defendant is in Las Vegas at the beginning of July, Plaintiff will have the children on the 1st, 2nd, and 3rd of July. *Order to Show Cause*

Granted in Part;

*ORDER TO SHOW CAUSE Parties SWORN and TESTIFIED. The Court noted Defendant had filed an Order to Show Cause for Plaintiff to be held in contempt for failing to comply with the Court's order filed on 5/29/13, when the Court ordered him to provide his 2012 tax return, his W2's, and his 1099 and file them as an exhibit. He was also advised he had an affirmative duty to notify Defendant when he became employed. Upon Court's inquiry, Plaintiff said he had been unable to file his tax returns on time because he had trouble getting information from his former employers. Plaintiff said child support was being deducted from his pay checks, and he provided pay stubs showing his income. Defendant provided a print out from the District Attorney's Office showing Plaintiff's child support arrearages. Defendant said she had been providing Plaintiff's work orders to the District Attorney's Office. The Court noted the Order to Show Cause asked the Court to hold Plaintiff in contempt for failing to comply with the Court's 5/29/13 order and the 9/3/13 order. Since the Court made an order Plaintiff had an obligation of \$1,346.00, in September he paid \$498.00, in October he paid \$691.00, in November he paid \$931.00, in January he paid \$1,346.00, and so far he has paid \$356.00 in February. The Court reviewed Plaintiff's pay checks The Court FINDS as to the Order to Show Cause, which went back to 5/29/13, after this order was issued Plaintiff submitted his tax returns and the Court calculated his child support based on that tax return, issuing a minute order in September, 2013 and finding his arrearages to be approximately \$21,000.00. The order was forward to the District Attorney's Office, Child Support Division, who calculated interest and penalties for a total arrearages of \$24,291.00. Child Support Enforcement made a Master's Recommendation that was filed on 9/30/13 when child support was set at \$1,246.00 plus \$100.00 towards arrearages. Technically, Plaintiff was in contempt; however, the contempt was cured when he provided his 2012 tax return; therefore, the Court will not be finding Plaintiff to be in contempt this date. If Plaintiff it not working forty (40) hours the Court cannot find him to be in contempt. The Court FURTHER FINDS the correct amount of child support was not being taken out of Plaintiff's pay check, he was on notice he owed additional amounts of child support; therefore, he is technically in contempt of the Court's order. COURT ORDERED, Plaintiff is sentenced to spend ten (10) days in the Clark County Detention Center, SUSPENDED. If Plaintiff does not pay the correct amount of child support, this sentence will be imposed. No order required, the minutes shall suffice. ;*

RETURN HEARING re: PSYCHOLOGICAL EVALUATION/COUNSELING/CHILD INTERVIEW REPORT/PARENTING CLASS

Matter Heard;

Journal Entry Details:

RETURN HEARING RE: PSYCHOLOGICAL EVALUATION/COUNSELING/CHILD INTERVIEW REPORT and PARENTING CLASS Plaintiff present in Proper Person. Defendant appeared with her Counsel, Soraya M. Veiga, Nevada Bar No. 7944 and Guardian Ad Litem, Lynn Conant also present. Ms. Conant gave a brief update on her recent time with the boys, which included going out for pizza with them and their mother on March 18, 2011. She further reported during dinner, Westin's eyes watered a great deal, and he did not appear to be crying, therefore, Ms. Conant requested mother seek proper medical attention for him. The boys also had new buzz haircuts and Ms. Conant noticed a big scar or cut on Chevy's head approximately two inches long. Ms. Conant then followed mother to her residence with the children and there were a total of seven (7) children in the home that day. She further noticed there were a total of seven (7) beds in the home. Although, on at least five (5) different occasions Ms. Conant did try to contact father to spend time with him and the boys, she never could reach him to pinpoint a date. She did speak with him today prior to the hearing and they are trying to arrange something for this weekend. Ms. Conant advised she has also received the children's medical records from their treating therapists. Chevy has had six (6) sessions with his therapist and Westin has had five (5) sessions. Court inquired as to whether either parent has been involved in the counseling sessions and mother reported she had. Court further inquired if father has had his required evaluation yet. Father advised he has an appointment this coming Wednesday at five pm, and advised his current therapist he needs to meet with a new therapist. Court advised she has reviewed the CPS records from a January, 2011 investigation and the allegations have been found to be UNSUBSTANTIATED. Discussion and Argument regarding mother NOT having children on Mother's Day. Attorney Veiga said mother did NOT waive her time with children on Mother's Day and that was an error in the Parenting Plan, by not addressing that particular day. When mother asked to have the boys for Mother's Day, father's reply was "no", therefore, Counsel requests that mother have the children on Father's Day. Counsel advised a schedule of arrearages was filed, which shows father is \$1,295.50 in child support arrearages and \$245.00 behind in medical arrearages. Counsel served father with a copy of these documents in Court. Counsel further addressed SUPERVISED VISITATION which is not being followed by the father. Father provided money orders for mother in court in the amounts of \$840.00 and \$180.00, for a total of \$1,020.00. Following discussion, COURT ORDERED: the Partial Parenting Plan shall be MODIFIED to include Mother's Day each and everyday thereafter, and to mirror the order for Father's Day. Mother's Day and Father's Day visitation will begin on the Friday preceding the Holiday and end at 7:00 pm on the day of the Holiday. Mother shall have the children this weekend (May 21 - May 22, 2011) with the following weekend resuming regular SUPERVISED visitation for father. Father shall have the children on Father's Day. Ms. Conant addressed the Court and advised she is NOT seeking any fees in this matter, Court advised her how much that it is appreciated by all involved. ;

- RETURN HEARING RE: PSYCHOLOGICAL EVALUATION, COUNSELING, CHILD INTERVIEW REPORT, PARENTING CLASSES

This matter heard simultaneously with T-10-125476-T, which expires on 5/26/11.

Court noted this matter was on calendar at 2:00 pm, matter called at 2:40 pm and Plaintiff (father) appeared at 2:50 pm. Defendant (mother) present for hearing without counsel as well.

Court advised parties she has reviewed entire file and all papers and pleadings therein and knows the history of this matter. Court noted, a Judgment of Conviction was filed on father and he is now on probation.

Court reviewed the last order with parents to see what they have complied with. Father reported he had a psychological exam at Comprehensive Therapy Services, however, he saw the same Doctor he

always sees, Dr. Clariana Petrie. Dr. Petrie referred father to a Psychologist, but he didn't follow up.

Mother advised she has complied with placing father's contact information on the children's school records and doctor records. Parents are communicating by electronic mail.

Children are still not enrolled in counseling as Ordered previously. Mother reported father never provided her with the names of the Counselor of his choice, so she was unable to enroll the children.

COURT ORDERED, mother has AUTHORITY to choose Counselor for children as previously Ordered. Children are to be ENROLLED within 30 days.

Mother advised she could NOT afford the Ordered parenting classes previously because they did not offer a payment plan. Mother feels she can afford to pay for the classes now.

COURT FINDS, no SCHEDULE of ARREARS filed in this matter, therefore, COURT ORDERED, SCHEDULE of ARREARS must be FILED within 30 days. Mother reported she received \$220.00 child support on February 1, 2011.

Father addressed court and advised he is currently attending Cooperative Parenting classes. He also brought March's child support payment and other unpaid support for a total of \$660.00 paid to mother in OPEN COURT, which was confirmed by mother.

Discussion regarding father's unemployment income. Father reported he makes \$400.00 per week, COURT ORDERED, beginning April, 2011, child support to be \$433.00 per month. Once father is employed he is to notify mother and his child support will become 25% of his gross monthly income, effective the same month he begins employment. It is clear to the Court that mother has PRIMARY CUSTODY of children.

Following discussion, COURT ORDERED the following:

- 1) Judge Nathan will INTERVIEW the two children herself;
- 2) Parties STIPULATE there will be a TEMPORARY change in parenting order as to EXCHANGE of children on Friday's, from this date forward mother will bring the children to father's residence between 5:30 and 6:00 pm, father will arrange to have the children returned to mother by 7:00 pm on Sunday, and this EXCHANGE order to remain in effect until the next hearing;
- 3) Mother is RELIEVED of any two week notice, if mother or father want to take children for a special event, court will allow negotiations, however, if the parties don't agree, it's not going to happen;
- 4) Neither parent may take children out of State until further Order of this court;
- 5) Court Appointed Attorney Lynn Conant as Children's Guardian Ad Litem, parents are to pay 1/2

of Ms. Conant's bill.

COURT set matter for EVIDENTIARY HEARING 5/27/11 at 9:30 am. Both parties shall file, submit to chambers and exchange their Pre Trial Memorandums and Tabbed Exhibits no later than the close of business, 5/17/11. Failure to disclose any witnesses and/or provide the Court with tabbed exhibits will result in them not being permitted at the time of Evidentiary Hearing.

Court requested parties speak to Counsel, minutes from today's hearing SUFFICE as Order.

3/18/11 at 4:00 pm Child Interview w/Judge Nathan in Courtroom 10B, Attorney Lynn Conant to be present as Appointed Guardian Ad Litem for children.

COURT CLOSED HEARING.

Defendant (mother) Jennifer Elise Gordon present. Lynn Conant, Appointed Guardian Ad Litem for children also present.

Mother reported both boys are now in counseling and she has met and spoken with Lynn Conant a couple of times since she was appointed.

Mother requested further direction from Court regarding the children's sessions with Counselor. Judge Nathan advised the previous Judge assigned to this matter asked the Counselor to interview the children on certain issues. This court has taken it upon herself to interview the children, therefore, the Court does NOT need a report on Therapeutic counseling, but would like dates of

sessions.

COURT ORDERED, mother to provide RELEASE for Attorney Conant, so that the Therapist may speak to her regarding the children.

Court expressed its frustration over the fact that father is not present for today's hearing.

Attorney Conant advised she, mother and the boys will be going out tomorrow for pizza, then on one of father's evenings with the children, they will also go out for pizza. Ms. Conant plans on taking the children out alone after the two outings with the parents.

Court discussed her 3/18/11 Interview with Westin and Chevy on the record. Court told mother that Westin told her he was said all the time, but he wants to be happy. Being with his dad makes him happy. Westin also said he does NOT like wrestling and does NOT want to do it anymore. Both children said that being with father makes them happy.

Following discussion, COURT ORDERED:

- 1) Westin is NOT to be engaged in any wrestling activities any longer;
- 2) Boys shall sleep on a bed, pullout sofa or a futon, they are NOT to sleep on the floor;
- 3) Matzi aka Baron is NOT to physically discipline Westin and Chevy in anyway;
- 4) Parents are NEVER EVER to use a belt on children again;
- 5) Any unreimbursed medical expenses shall be borne equally (50/50) between the parties subject to the 30/30 rule whereby the party incurring the expense shall have 30 days to submit the bill to the other party and that party will have 30 days to reimburse the party incurring the expense for one-half the bill.

Mother requested Court NOT to give father ONE more overnight visit with the boys, after discussion, Court advised it will NOT entertain such until a psych evaluation is received on father.

Court advised it WILL obtain any CPS records and do an in Camera inspection.

- RETURN HEARING RE: PSYCHOLOGICAL EVALUATION/COUNSELING/CHILD INTERVIEW REPORT and PARENTING CLASS

Plaintiff present in Proper Person. Defendant appeared with her Counsel, Soraya M. Veiga, Nevada Bar No. 7944 and Guardian Ad Litem, Lynn Conant also present.

Ms. Conant gave a brief update on her recent time with the boys, which included going out for pizza with them and their mother on March 18, 2011. She further reported during dinner, Westin's eyes watered a great deal, and he did not appear to be crying, therefore, Ms. Conant requested mother seek proper medical attention for him. The boys also had new buzz haircuts and Ms. Conant noticed a big scar or cut on Chevy's head approximately two inches long.

Ms. Conant then followed mother to her residence with the children and there were a total of seven (7) children in the home that day. She further noticed there were a total of seven (7) beds in the

home.

Although, on at least five (5) different occasions Ms. Conant did try to contact father to spend time with him and the boys, she never could reach him to pinpoint a date. She did speak with him today prior to the hearing and they are trying to arrange something for this weekend. Ms. Conant advised she has also received the children's medical records from their treating therapists.

Chevy has had six (6) sessions with his therapist and Westin has had five (5) sessions. Court inquired as to whether either parent has been involved in the counseling sessions and mother reported she had.

Court further inquired if father has had his required evaluation yet. Father advised he has an appointment this coming Wednesday at five pm, and advised his current therapist he needs to meet with a new therapist.

Court advised she has reviewed the CPS records from a January, 2011 investigation and the allegations have been found to be UNSUBSTANTIATED.

Discussion and Argument regarding mother NOT having children on Mother's Day. Attorney Veiga said mother did NOT waive her time with children on Mother's Day and that was an error in the Parenting Plan, by not addressing that particular day. When mother asked to have the boys for Mother's Day, father's reply was "no", therefore, Counsel requests that mother have the children on Father's Day.

Counsel advised a schedule of arrearages was filed, which shows father is \$1,295.50 in child support arrears and \$245.00 behind in medical arrears. Counsel served father with a copy of these documents in Court.

Counsel further addressed SUPERVISED VISITATION which is not being followed by the father.

Father provided money orders for mother in court in the amounts of \$840.00 and \$180.00, for a total of \$1,020.00.

Following discussion, COURT ORDERED:

the Partial Parenting Plan shall be MODIFIED to include Mother's Day each and everyday thereafter, and to mirror the order for Father's Day.

Mother's Day and Father's Day visitation will begin on the Friday preceding the Holiday and end at 7:00 pm on the day of the Holiday.

Mother shall have the children this weekend (May 21 - May 22, 2011) with the following weekend resuming regular SUPERVISED visitation for father.

Father shall have the children on Father's Day.

Ms. Conant addressed the Court and advised she is NOT seeking any fees in this matter, Court advised her how much that it is appreciated by all involved.

Plaintiff requested the Court admonish Defendant no to speak with third parties about their litigation

or family issues with people at work as it affects his ability to get work.

Court noted, it is clear the parties still have co-parenting issues and suggested the parties re-take the UNLV Co-Parenting Class.

The Court ADMONISHED the parties not to discuss this litigation or adult issues with the minor children. The Court will enter a Protective Order and admonished the parties of the ramifications of violating such order which can result in monetary sanctions and/or jail time.

The Court ADMONISHED Defendant not to badmouth Plaintiff with co-workers or union members regarding their personal family issues.

## JOURNAL ENTRIES

- ORDER TO SHOW CAUSE

Parties SWORN and TESTIFIED.

The Court noted Defendant had filed an Order to Show Cause for Plaintiff to be held in contempt for failing to comply with the Court's order filed on 5/29/13, when the Court ordered him to provide his 2012 tax return, his W2's, and his 1099 and file them as an exhibit. He was also advised he had an affirmative duty to notify Defendant when he became employed.

Upon Court's inquiry, Plaintiff said he had been unable to file his tax returns on time because he had trouble getting information from his former employers.

Plaintiff said child support was being deducted from his pay checks, and he provided pay stubs showing his income.

Defendant provided a print out from the District Attorney's Office showing Plaintiff's child support arrearages. Defendant said she had been providing Plaintiff's work orders to the District Attorney's Office.

The Court noted the Order to Show Cause asked the Court to hold Plaintiff in contempt for failing to comply with the Court's 5/29/13 order and the 9/3/13 order. Since the Court made an order Plaintiff had an obligation of \$1,346.00, in September he paid \$498.00, in October he paid \$691.00, in November he paid \$931.00, in January he paid \$1,346.00, and so far he has paid \$356.00 in February. The Court reviewed Plaintiff's pay checks

The Court FINDS as to the Order to Show Cause, which went back to 5/29/13, after this order was issued Plaintiff submitted his tax returns and the Court calculated his child support based on that tax return, issuing a minute order in September, 2013 and finding his arrearages to be approximately \$21,000.00. The order was forward to the District Attorney's Office, Child Support Division, who calculated interest and penalties for a total arrearages of \$24,291.00. Child Support Enforcement made a Master's Recommendation that was filed on 9/30/13 when child support was set at \$1,246.00 plus \$100.00 towards arrearages. Technically, Plaintiff was in contempt; however, the contempt was cured when he provided his 2012 tax return; therefore, the Court will not be finding Plaintiff to be in contempt this date. If Plaintiff it not working forty (40) hours the Court cannot find him to be in contempt.

The Court FURTHER FINDS the correct amount of child support was not being taken out of Plaintiff's pay check, he was on notice he owed additional amounts of child support; therefore, he is technically in contempt of the Court's order.

COURT ORDERED, Plaintiff is sentenced to spend ten (10) days in the Clark County Detention Center, SUSPENDED. If Plaintiff does not pay the correct amount of child support, this sentence will be imposed. No order required, the minutes shall suffice.

- STATUS CHECK: DAD'S OVERNIGHT VISITATION

Plaintiff provided his completion certificate for the UNLV Cooperative Parenting Classes.

Defendant has permission to take the class after her summer vacations.

Plaintiff advised the Court he had been working; however, he had been injured and Defendant had been receiving 40% of his Workman's Compensation. Plaintiff will not be held in contempt, since he has been keeping in the District Attorney's Office.

Plaintiff said he wanted to be more involved in the children's lives.

The Court suggested Defendant discuss the wrestling tournaments with Margaret Pickard when she takes the UNLV Parenting Classes. Plaintiff said Ms. Pickard had suggested only one tournament be

scheduled during Plaintiff's visitation.

The parties were provided with the Department T Standard Holiday Schedule.

With regard to the Hunter Gun Safety Course, Plaintiff needs to schedule the Course on his time.

COURT ORDERED, the following:

1. Since Defendant will be spending the entire month of July with the children, Plaintiff will have extended visitation with the children from June 13 through June 22nd. In addition, Plaintiff will spend August 8th through August 17th with the children.
2. During Memorial Day weekend, Plaintiff will have the children commencing Friday, May 23rd through Monday, May 26th. Plaintiff will return the children to Defendant at 5:00 p.m. on Monday.
3. The following weekend, Friday, May 30, which is a fifth weekend, will be Defendant's weekend.
4. The parties shall return to their regular visitation in June.
5. If Defendant is in Las Vegas at the beginning of July, Plaintiff will have the children on the 1st, 2nd, and 3rd of July. In addition, if Defendant comes back before the end of July, Plaintiff will receive visitation for the remainder of the month. Defendant shall provide Plaintiff with advance notice of when she intends to leave and when she intends to return.
6. Father's Day and Mother's Day trumps regular visitation; however, the parent only spends the day with the children, not the whole weekend. Please refer to the Department T Standard Holiday Schedule.
7. Defendant shall prepare the Order.

- EVIDENTIARY HEARING: OSC DEFENDANT FILED/WHY WARRANT WAS ISSUED FOR PLAINTIFF AND PROBATION DEPARTMENT COMMUNICATION WITH DEFENDANT/CHILD SUPPORT...DEFENDANT'S MOTION FOR CHANGE OF CUSTODY...PLAINTIFF'S OPPOSITION AND COUNTERMOTION TO MODIFY CHILD SUPPORT, FOR ATTORNEY FEES AND RELATE RELIEF...ORDER TO SHOW CAUSE: OSC RE: PLAINTIFF'S VIOLATION OF 11/1/10 ORDER, 9/16/13 ORDER, AND 6/19/14 DA'S ORDER RESET FROM 10/3/14

Gary Zernich, Bar #7693, appeared in a pro bono capacity to represent Defendant.

The Court met with Mr. Bellon and Mr. Zernich OFF THE RECORD prior to the hearing.

The Court noted Defendant's Motion was being heard this date. The Motion asked the Court to reduce Plaintiff's custodial time, based on Plaintiff having spent twenty-three (23) days in jail, a warrant being issued against him, and allegations of him being an absconder.

The Court said it had set an Evidentiary Hearing to hear testimony from the probation officer to find out exactly what happened.

Testimony presented. Exhibits offered and admitted. (See worksheets).

The Court noted Plaintiff was on disability and he was requesting his child support be modified. As an offer of proof, Mr. Bellon said there were child support arrearages from previous orders, and there would be further arrearages accruing from May, 2014. Mr. Bellon said Plaintiff was injured on the job in January, 2014, at which time he was collecting Workmen's Compensation, the full amount of his child support was taken out of his Workmen's Compensation until April, 2014, when the benefits stopped. Plaintiff did pay child support in July; however, he has arrearages for May, June, August, and September. Plaintiff notified the District Attorney's Office when his benefits were stopped. Plaintiff has filed an appeal and has a hearing scheduled on 10/13/14, if Plaintiff's benefits are reinstated, he will be paid retroactively. Mr. Bellon said the District Attorney filed in this case for Plaintiff's child support to be reduced, when Plaintiff advised them he was out of work.

Mr. Zernich asked the Court to sentence Plaintiff to ten (10) days in jail for his failure to comply with the Court's order by not bringing his medical records to Court, and for failing to pay his child support. Mr. Bellon said Plaintiff had not willfully withheld his child support payments. Mr. Bellon added he remembered reading the Court's order, and did not realize Plaintiff was required to provide his medical records - he said he did not instruct Plaintiff to bring the records with him.

After reviewing Defendant's exhibit C, COURT ORDERED, through August 2014, there were child support arrearages of \$28,879.69, which shall be REDUCED TO JUDGMENT, this amount includes interest and penalties.

The Court FINDS as of October, 2014, Plaintiff is out of work; therefore, his child support is TEMPORARILY reduced to \$200.00 per month. The Court is not going to find him in contempt at this time for being unable to work. Plaintiff is under an affirmative duty to notify Defendant when he is cleared for work and he is working again, and provide her with a copy of his first pay stub, so that his child support can be recalculated. If Plaintiff fails to do this he will be in CONTEMPT, which shall be punishable by five (5) days in jail. If Plaintiff's disability benefits are reinstated, his child support will be 25% of his disability. Plaintiff is under an affirmative duty to notify Defendant when his benefits are reinstated.

The Court FURTHER FINDS Plaintiff testified he was injured in January 2014, and immediately sought medical attention, and was unable to work after that time, which is the basis for the Court's FINDING he cannot work. Plaintiff received disability benefits through April, 2014, Mr. Bellon made offers of proof Plaintiff's injury was challenged, and his benefits were stopped. Plaintiff is challenging this decision.

Closing arguments.

The Court FINDS it understands Plaintiff had a warrant out for him; however, it was clear the Probation Officer who took over his case did not have a conversation with Plaintiff explaining what his new requirements were when he took over the case.

The Court advised Defendant it would have been helpful if she had called Plaintiff and advised him he had an outstanding warrant.

Counsel waived the FINDINGS of FACT and CONCLUSIONS OF LAW with respect to the Court's denial of Defendant's request for sole legal custody.

The Court reviewed the child interviews it conducted on 9/3/14. The Court said it had been distressed by Weston's admission he was disciplined by being punched in the arm and punched in the stomach by Defendant's boyfriend. The Court was also disturbed to learn in spite of a prior order in 2011, Weston, was still in wrestling. The Court also ordered in 2011, Defendant's boyfriend was not to discipline Weston or Chevy in any way. Defendant said Weston was not punished by being punched.

- The Court said counsel had had an opportunity to review the CPS records prior to the hearing, and the children were consistent with regard to physical punishment in the house. The CPS worker and the detective both believed when they interviewed another child from the residence the child had been coached.

The Court advised Defendant it had been ready to change custody this date, based on the child interview, and the CPS report, where the same information was provided to a CPS investigator. Defendant denied any allegation of abuse. The Court said it was bound to protect the children, if Defendant was unable to protect them.

COURT FURTHER ORDERED, the following:

1. As to Defendant's Motion for SOLE LEGAL CUSTODY, that request is DENIED.
2. The Court understands Plaintiff had a warrant out for him. It is clear the Probation Officer did not tell Plaintiff what his requirements were when he took over the case; however, it is clear he never had
3. Based on the parties' continuing failure to effectively communicate, if Defendant communicates a request to Plaintiff and he himself does not respond by email or text within forty-eight (48) hours she has permission to go ahead with what she asked him for. Plaintiff cannot rely on his wife to communicate with Defendant, he needs to respond. If Plaintiff does respond and does not agree to the request made by Defendant, she does not have permission to proceed.
4. Weston is now involved with the school band, and if the band goes out of town on Plaintiff's time,

he will still have permission to go.

5. Defendant shall notify Plaintiff when she makes appointments for the minor children. Defendant shall notify Plaintiff of the appointment on the day she sets it, not wait until the day of the appointment to notify him. Plaintiff may not change the children's appointments once they have been set by Defendant.

6. If Plaintiff takes the children out of town again without notifying Defendant of his itinerary, an order will be made he cannot take the children out of State again. While he is on probation, Plaintiff must provide Defendant with proof he has permission to travel out of town.

7. The Court FINDS it has serious concerns with regard to the CPS report, and the Court's interview with the children. The Court believes Weston when he says that Mom's boyfriend, Matzi, is punching him in the stomach and the arm.

8. Defendant is ordered not to leave the children in the care of her boyfriend. If there is credible evidence she has left the children alone with her boyfriend, this would be a basis for a change of custody. Defendant's boyfriend is ordered not to discipline the children, and Defendant is not to use any kind of object on the children as a form of discipline.

9. Both parties shall take the ABC's of Parenting, to learn how to better discipline their children, within the next sixty (60) days. The Court believes it would be a good idea if Matzi also attended the classes.

10. Plaintiff has permission to have an unemotional discussion with his boys that if they ever feel they are being abused, or physically hurt, they need to tell someone at school. It would be fair for Plaintiff to have a safety word with the children so if they are having a telephone conversation and they use the safety word, he can decide what to do.

11. Plaintiff's visitation with the children will be extended to four weekends per month, from Friday at 6:00 p.m., to Sunday at 6:00 p.m. Defendant can have every fifth weekend. If Defendant wants to plan a trip with the children, she is allowed to give Plaintiff two weeks' notice she wants to have a weekend, and she can do that four (4) times per year, if she is engaged in an activity with the children, which will give her eight (8) weekends per year with the children, the rest of the time is Plaintiff's.

12. This is a PERMANENT ORDER.

The Court explained this order was sui sponte from the Court, based on the children's interviews, which were supported by the CPS record, as far as the Court is concerned. An investigation was conducted with the children being interviewed by a Detective and a CPS worker. The Court is not concerned the investigation was unsubstantiated, since CPS has its own guidelines, and the Court looks at that investigation in a different light.

13. Mr. Bellon shall prepare the Order. Mr. Zernich shall sign off as to form and content. CASE CLOSED with Order.

Since Mr. Bellon did not admit any exhibits, the folder of exhibits he submitted was returned to him at the end of the hearing.

## JOURNAL ENTRIES

- MOTION FOR RECONSIDERATION, NEW TRIAL, AND AMENDMENT OF JUDGMENT  
PURSUANT TO RULE 59; AND RELIEF FROM JUDGMENTS PURSUANT TO RULE 60B  
OPPOSITION AND COUNTERMOTION TO ENFORCE THE TERMS OF THE OCTOBER 9, 2014  
ORDER, FOR ANOTHER CHILD INTERVIEW OR EVALUATION AND FOR ATTORNEY'S FEES  
AND RELATED RELIEF

Defendant argued regarding relief from judgment, claiming due process violations and violations of her parental rights.

Mr. Bellon alleged that Defendant has ignored previous Court Orders. He claimed that Defendant's boyfriend has continued to inflict corporal punishment on the children although the Court has previously Ordered him not to discipline the children in any way. Plaintiff requested compensatory time with the children.

Court advised that it has reviewed the record that resulted in the prior Judge's ruling and found nothing inappropriate.

COURT ORDERED, Defendant's Motion is DENIED.

COURT FURTHER ORDERED, Plaintiff's Countermotion with regard to Attorney's Fees is DENIED as the Court Finds that Defendant's Motion was filed in good faith. Plaintiff's request for compensatory time is DENIED as this issue is not properly before the Court.

Mr. Bellon shall prepare the Order. This case will be closed upon submission of the Order.
