ORDER STAYING TRIAL AND DIRECTING ANSWER

This original petition for a writ of prohibition challenges an order of the district court granting a motion to amend the indictment against petitioner to remove a theory of liability for first-degree murder. Having reviewed the petition, we have determined that a stay of the trial, currently scheduled for June 1, 2015, is warranted and that an answer would assist the court in resolving the petition. Accordingly, we stay the trial pending resolution of this petition and direct the real party in interest, on behalf of respondents, to file an answer, including authorities, against issuance of the requested writ within 20 days from the date of this order.

It is so ORDERED.
