Real Party in Interest, FAR WEST INDUSTRIES (“Far West”), by and through its attorneys, F. THOMAS EDWARDS, ESQ., RACHEL E. DONN, ESQ. and ANDREA M. GANDARA, ESQ. of the law firm of HOLLEY, DRIGGS, WALCH, FINE, WRAY, PUZEY & THOMPSON, hereby moves to exceed the ten-page limit imposed by NRAP 27(d)(2) (“Motion to Exceed Page Limit”) on its Opposition to Petitioners’ Emergency Motion for Relief Under NRAP 27(e) (“Opposition”). This Motion to Exceed Page Limit is based on the pleadings and papers, the following points and authorities and any argument the Court may allow regarding this matter.

### **MEMORANDUM OF POINTS AND AUTHORITIES**

While typically an opposition to a motion before this Court is required to be limited to ten pages, this Court has the authority to allow Far West to exceed that amount. NRAP 27(d)(2). Far West has been diligent and has good cause to exceed the page limit for the following reasons:

This case has a lengthy and complex history which is specifically relevant to the pending motion before this Court. Background facts are necessary to give the complete picture of Petitioners Rhonda Helene Mona and Michael J. Mona, Jr.’s (“Petitioners”) conduct that warranted issuance of the underlying Order Regarding Order to Show Cause Why Accounts of Rhonda Mona Should Not Be Subject to Execution and Why the Court Should Not Find Monas in Contempt (“Sanction Order”) by the Eighth Judicial District Court (“District Court”). See Declaration In Support Of Real Party In Interest Far West Industries’ Motion to Exceed Page Limit at ¶3. The factual context will aid the Court in addressing the Emergency Motion for Relief Under NRAP 27(e) (“Emergency Motion”).

The Emergency Motion addresses multiple legal issues, including personal jurisdiction, procedural due process, community property law, and execution of judgments, which warrant briefing. Id. at ¶4.

The Emergency Motion incorporates by reference the Petitioners' 30-page Petition for Writ of Mandamus or Prohibition. This in substance gives the Petitioners the advantage of an additional 30 pages of briefing to assert their facts and arguments. Id. at ¶5.

Far West has a substantial interest in its enforcement rights as a judgment creditor. This is especially true here because Petitioners seek to stay Far West's entire judgment enforcement proceeding, not only the Sanction Order. Id. at ¶6.

Far West worked diligently to present its Opposition in a concise, well-organized manner. However to sufficiently address the facts and arguments implicated by the Emergency Motion, Far West was unable to accomplish this in ten pages of 14-point font. As a result, Far West Industries' Opposition is 20 pages. Id. at ¶7.

Far West respectfully requests this Court to grant leave to file its Opposition and grant such other and further relief as it deems just and proper.

Dated this 29th day of July, 2015.
