FANUEL GEBREYES,

Appellant,

vs.

PRIME HEALTHCARE SERVICES, LLC dba
ST. MARY'S REGIONAL MEDICAL
CENTER,

Respondent.

REQUEST FOR EXPEDITED DECISION

The issue raised in this case that was filed with this Court on August 6, 2015 (fully briefed and submitted to the court on October 5, 2015), pertains to proposed termination of life support services, currently being provided to the body or person of Aden Hailu by Respondent Prime Healthcare Services, LLC dba Saint Mary's Regional Medical Center ("Saint Mary's"). Because of the factual circumstances involved in this case, this appeal is currently being processed on an expedited basis. Ongoing medical issues continue to arise regarding the care and treatment of the body or person of Aden Hailu, including reduced hemoglobin levels that may call for blood transfusions, and/or other affirmative care and treatment for other potential medical issues that may arise, such as sepsis, etc. that would be contraindicated for a deceased person. Saint Mary's respectfully requests that the Court resolve the issue raised in this appeal as soon as reasonably practicable.
