ORDER

On September 24, 2015, this court entered an order directing appellant to serve the civil proper person appeal statement on respondents and file with this court a properly completed certificate of service that complies with NRAP 25(d). Appellant has filed a "Notice of Electronic Service and Proof Thereof" in which he asks this court to effect electronic service of the appeal statement on respondents because he sent his only copy of the appeal statement to this court for filing. We direct the clerk of this court to mail to appellant three copies of the civil proper person appeal statement that he filed in this court on September 17, 2015. Appellant shall have 20 days from the date of this order to serve the civil proper person appeal statement on respondents and to file with this court a properly completed certificate of service that complies with NRAP 25(d). Failure to comply with this order may result in dismissal of this appeal as abandoned.

It is so ORDERED.
