ORDER DENYING MOTION

The parties have filed a third stipulation extending the time for filing the answering brief. Parties may stipulate to one 30-day extension of time from the due date established by the rule. See NRAP 31(b)(2). Moreover, the parties fail to provide this court with the reasons for needing a third extension of time, as required by NRAP 31(b)(3), including the number of extensions of time previously granted, and if extensions were granted; the original date when the brief was due; whether any previous requests for extensions of time have been denied or denied in part; and the reasons or grounds why an extension is necessary. Accordingly, we deny the motion. Respondents shall have 5 days from the

16-30326

date of this order to file and serve the answering brief. Failure to comply with this order may result in the imposition of sanctions.

It is so ORDERED.
