My CASE has important, precedential and public policy 1854.66
within the record on appeal. I have been incarcerated in a totally
unconstitutional manner for 30 years day for day.

IT makes NO sense for the court to first order submission of
Appellate BRIEF on a briefing schedule and then, less than Three (3)
months later, Reverse the order, stopping all briefing by this
Appellant to state his claims for relief against the outrageous
injustices that has endured for over three decades.

Due to the discontinuance of briefing by the court and
the transmission of the record was completed six (6) months
ago by the court's order 12-16-15, I now ask this court
for an order granting my request to expedite
this appeal within thirty (30) days.

I have submitted to this court a copy of the signed
and certified declaration of the jury foreman in my
trial who stated that the judge told the jury that they
did not have to find me guilty beyond a reasonable doubt;
which the jury, in his words; "Relied on heavily" in reaching
their verdict.

THIRTY YEARS OF INJUSTICE MUST BE CORRECTED
AT THIS TIME BY EXPEDITING THE APPEAL without any
further delay in this matter.

RESPECTFULLY SUBMITTED,
ON This 7th day of August, 2016.
