ORDER DIRECTING ANSWER

This original petition for a writ of mandamus or prohibition challenges a district court order allowing claims under the Minimum Wage Amendment to proceed despite arguments that the Amendment is preempted by federal law and unconstitutional, and that fuel costs need not be deducted from non-tip wages prior to determining minimum wage. Having reviewed the petition, it appears that an answer may assist this court in resolving this matter. Therefore, real parties in interest, on behalf of respondents, shall have 30 days from the date of this order to file and serve an answer, including authorities, against issuance of the requested writ. Petitioner shall have 15 days from service of the answer to file and serve any reply.

It is so ORDERED.
