ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY S. Young
DEPUTY CLERK

ORDER GRANTING MOTION

Petitioner timely filed a petition for rehearing in this matter on April 3, 2017. Later that same day, petitioner submitted another petition for rehearing addressing an issue not raised in the original petition for rehearing. The clerk of this court rejected the second petition, stating that petitioner must file a motion seeking leave to file the second petition. Petitioner has now filed an unopposed motion for leave to file the second petition. Petitioner states that after it filed the original petition for rehearing, it became aware of a decision from a federal district court regarding an issue not addressed in the original petition, and wanted to put that decision before this court and request rehearing on the new issue. Petitioner also points out the total type-volume for the two petitions for rehearing is 2,749 words, below the 4,667 limitation of NRAP 40(b)(3). Under these circumstances, we grant the motion. The clerk shall detach

the petition for rehearing attached as exhibit 1 to the motion filed on April 6, 2017, and file it separately.

It is so ORDERED.
