SC NO. 69509

FILED

JUL 19 2017

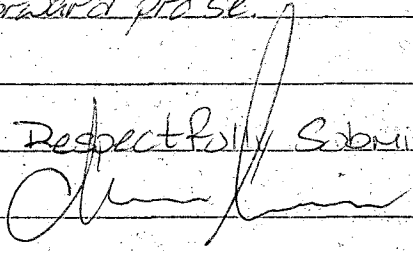

Justice Cherry,

ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY  DEPUTY CLERK

Sir I'm writing this in regard to a writ written on my behalf by my attorney which failed to mention my attempt at self representation in the above case, recently this court gave decision for case SC No. 65377 which included the same matters, I'll give brief summary of the case.

I requested to represent myself before Hon. Delaney at trial which was denied on grounds that I didn't possess legal knowledge, at the time of my request I had two cases pending before the court, DC No. 289275 and DC No 289274, my intention was to represent myself in both cases, after being denied that legal right I was ready to proceed following the ruling.

In the above case SC No. 69509, I explained this in great detail with my attorney, only upon receiving a copy of my appellate brief did I realize the matter wasn't addressed, I'm asking this honorable court to allow my counsel to include the issue or to allow me to move forward pro se.

Respectfully Submitted,
