ORDER DENYING MOTION TO EXPEDITE ORAL ARGUMENT

This is an appeal from an order granting a preliminary injunction that enjoined the implementation of Nevada's Educational Savings Account program on the ground that it violates certain provisions of the Nevada Constitution. On May 20, 2016, appellant filed an unopposed motion to expedite and set oral argument for June 6 or 7, 2016, and to render a decision by July 8, 2016. We deny the motion, however, we have scheduled oral argument for July 8, 2016, the earliest possible date this court can reasonably hear the merits of this case, and we will

16-16392

expedite a decision in this matter to the extent this court's docket permits.¹

It is so ORDERED.

¹In the motion, appellant indicates that on May 18, 2016, the Eighth Judicial District Court granted the State of Nevada's motion to dismiss in *Duncan v. State of Nevada*, Case No. A-15-723703-C, which presented a different constitutional challenge to Nevada's Educational Savings Account program. In the event that a notice of appeal is filed in that case, this court would prefer to hear oral argument in that case on July 8, 2016, as well.
