<sup>1</sup> The first relevant transcript was filed in the district court on November 18, 2015. This appeal was docketed on February 12, 2016. On February 17, 2016, the last relevant transcript was filed with the district court. Although this second transcript was not "filed in the district court before the appeal was docketed under Rule 12" (NRAP 9(a)(1)(B)), counsel is informed that said transcript will still be transmitted to the Court as part of the underlying district court record, making a separate request under NRAP 9 unnecessary.
