O R D E R

We previously entered an order directing the State of Nevada Department of Health and Human Services, Division of Public and Behavioral Health to file its answering brief on cross-appeal by January 30, 2017. In response, the State of Nevada informs this court that it does not take a position with respect to the cross-appeal and submits that no further briefing appears necessary on its behalf.

Accordingly, respondent/cross-appellant GB Sciences shall have 30 days from the date of this order to file and serve a single brief in reply to the answering briefs on cross-appeal. Failure to file a timely reply brief may be treated as a waiver of the right to file a reply brief. NRAP 28(c).

It is so ORDERED.
