No. 70056

**FILED**

**MAY 02 2016**

TRACIE K. LINDEMAN  
CLERK OF SUPREME COURT  
BY S. Young  
DEPUTY CLERK

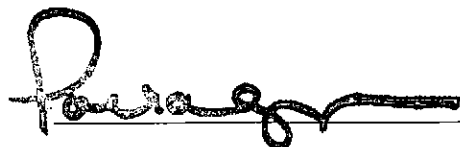

*ORDER TO SHOW CAUSE*

This is an appeal from a judgment certified as final under NRCP 54(b) in a breach of contract action. Our initial review of the docketing statement and documents before this court reveals a potential jurisdictional defect. It appears that the notice of appeal was prematurely filed after the filing of a timely tolling motion under NRAP 4(a)(4) and before that tolling motion was resolved in a written order. See NRAP 4(a)(6). To date, it appears that tolling motion remains pending below.

Accordingly, appellant shall have 30 days from the date of this order to show cause why this appeal should not be dismissed for lack of jurisdiction. In responding to this order, appellant should submit documentation that establishes this court's jurisdiction including, but not necessarily limited to, a copy of any district court order resolving the tolling motion. See NRAP 4(a)(6) ("A premature notice of appeal does not divest the district court of jurisdiction"). We caution appellant that failure to demonstrate that this court has jurisdiction may result in the dismissal of this appeal. Respondent may file a reply within 11 days of service of

appellant's response. Briefing of this appeal is suspended pending further order of this court.

It is so ORDERED.
