ORDER DISMISSING APPEAL

This is an appeal from a district court order, certified as final under NRCP 54(b), in a breach of contract action. We previously entered an order directing appellant to show cause why this appeal should not be dismissed for lack of jurisdiction because, subsequent to the filing of the notice of appeal, the district court vacated the order challenged in this appeal. It thus appears that there is no longer a valid order from which to appeal. In response, appellant agrees that this appeal can be dismissed. We conclude that we lack jurisdiction, and we
