ORDER CORRECTING OPINION

This court recently issued an opinion in this appeal: *Valley Health Systems v. Estate of Jane Doe*, 134 Nev., Adv. Op. 76, ___ P.3d ___ (September 27, 2018). The opinion contains a typographical error in

18-38282

describing the district judge's argument in the second line on page 21. In particular, "Centennial accused Hall Prangle" should read "Doe accused Hall Prangle." The clerk of this court is directed to correct, in the advance opinion, the sentence beginning on page 20 and continuing through the second line on page 21 of this court's opinion to read as follows: The District Court Judge argues that the notice requirement was satisfied here because Hall Prangle knew that the district court would consider its conduct in its *Young* analysis and Doe accused Hall Prangle of violating RPC 3.3(a)(1) during litigation.

It is so ORDERED.
