DEPUTY CLERK

ORDER DENYING BILL OF COSTS

On August 1, 2019, this court entered an opinion of reversal and remand. Subsequently, appellants filed a timely bill seeking costs for copying briefs and appendices, preparing transcripts, and filing fees. See NRAP 39(c)(1). However, on March 6, 2020, this court granted respondents' petition for rehearing and vacated the opinion of reversal and remand. On November 23, 2020, this court entered an amended order affirming the judgment of the district court. Since appellants are not the prevailing party in this appeal, they are not entitled to costs under NRAP 39(a)(2). Accordingly, appellants' bill of costs is denied.

It is so ORDERED.
