CLERK OF SUPREME COURT

DEPUTY CLERK

*ORDER GRANTING MOTION*

The Nevada Justice Association (NJA) has filed a motion for leave to file an amicus curiae brief in support of appellant in this matter. No opposition has been filed. Having considered the pleadings as well as the proposed amicus brief, we conclude that the NJA's appearance as amicus curiae is appropriate in this matter. NRAP 29. The NJA proposes that it will advise this court on issues regarding the introduction of collateral source evidence and whether NRS 42.021 is preempted by federal law, and ostensible agency in the hospital setting and whether the district court erred when it treated the factors set forth as if they were elements of a legal claim. See *Ryan v. Commodity Futures Trading Comm'n*, 125 F.3d 1062, 1063 (7th Cir. 1997). Accordingly, we grant the motion. The clerk of this court shall detach the amicus brief from the motion filed December 28, 2016, and shall file it separately.

It is so ORDERED.
