ORDER REINSTATING BRIEFING

This is an appeal from a district court order granting a petition for judicial review. Because it was unclear whether the order was substantively appealable as a final judgment under NRAP 3A(b)(1), we order appellant to show cause why this appeal should not be dismissed for lack of jurisdiction. Appellant has filed a response and respondent Education Support Employees Association has filed a reply. Having considered these documents, we conclude that this appeal may proceed without prejudice to our right to revisit the question of jurisdiction as briefing proceeds. Briefing of this appeal is reinstated. Respondents shall have 30 days from the date of this order to file and serve their answering brief. Appellant shall have 30 days from service of the last-filed answering brief to file and serve any reply. Failure to comply with this order may result in the imposition of sanctions. NRAP 31(d).

It is so ORDERED.
