TRACIE K. LINDEMAN
CLERK OF SUPREME COURT
BY S. Young
DEPUTY CLERK

***ORDER GRANTING MOTION TO EXCEED PAGE-LIMITATION
AND DENYING MOTION FOR INJUNCTIVE RELIEF***

Appellant has filed a motion for leave to file a motion in excess of the page limitation. See NRAP 27(d)(2). Cause appearing, the motion is granted. The clerk shall file the motion for injunctive relief received on July 14, 2016.

Under NRAP 8(a), appellant must first seek injunctive relief in the district court or demonstrate why doing so would not be practicable. Appellant concedes that she did not seek a stay in the district court. She asserts that she did not do so because she requests relief within a limited time (by August 16, 2016), and would be unlikely to convince the district court that she has a likelihood of success on the merits of this appeal given that the district court issued a judgment against her. We are not convinced that appellant demonstrates that it not practicable to seek a

110-24058

stay in the district court in the first instance. Accordingly, the motion is denied.

It is so ORDERED.
