- Court advised Summitt was informative and goes against counsel's argument. The testimony in Summitt entered around the child's prior similar sexual experience. Court noted we are not in that situation; in Summitt the child had no prior sexual experience and the purpose of testimony in Summitt was to challenge the victim's credibility. Upon Court's inquiry, Mr. Speed advised he merely wanted to retain the right to argue about the mother's sexual activity if presented these complaining witnesses as girls who are too young to have any idea about the things they are describing, unless the acts alleged in this case actually happened to them. Mr. Speed stated that if the State argued this, he would inquire as to the children seeing their mother participate in certain activities; there would be few questions. Counsel stated in a sexual assault case, the only thing they have to show is the word of the complaining witness and trying to get to the truth. Ms. Holthus stated the mother's sexual activities only becomes relevant if the children were aware and if it contributed to the allegations in this case; otherwise it was impermissible character evidence. Ms. Holthus requested a hearing outside the presence of the jury to determine if there was any relevance. Court advised in balancing the probability versus the prejudicial effect the Court believes a hearing is necessary. COURT ORDERED, matter SET for hearing. Court instructed counsel to meet to secure

the witnesses and SET matter for a status check regarding the availability of those witnesses. Ms. Holthus stated she will be filing a second brief regarding the hearing comparing it to Miller.

JOURNAL ENTRIES

- Ms. Holthus stated she spoke with Mr. Speed yesterday to figure out what the issues were and where they were going with today's hearing. State advised her investigator contacted the mother a couple of months ago to confirm her availability for today's hearing. Upon inquiry, mom informed her investigator she worked at an ice cream shop. Counsel stated it was her understanding from mom's statement she had not worked in the industry; therefore, that was enough of a witness. Ms. Holthus stated she spoke with mom again a couple of days ago and asked if she had ever worked in the sex industry and she stated she used to; however, the children were never aware of it. State advised that was the only relevance if the kids were aware of anything. At that time it was their position to bring the kids in to see what they knew, if anything, and then for the court to determine if a Petrocelli hearing was necessary. State advised she contacted mom again last night regarding today's hearing and at that time she was informed Mr. Speed and his investigator went to the school yesterday and pulled the children out of class, without her permission and interviewed them, and according to the email from the school Mr. Speed was also provided with their school records. Mr. Holthus argued this was borderline custody interference. Mr. Holthus provided emails to the Court. Court admonished Mr. Speed and advised he cannot do that; the Court will have to speak with Chief

Judge. Court expressed concerns that counsel misrepresented himself to the school. Mr. Speed stated he signed in at the administration desk identifying that he was with the Public Defender's Office. Discussions between court and counsel. Upon Court's inquiry, Mr. Speed stated he did not have any witnesses. COURT ADVISED, if there were no witnesses Motion DENIED. Mr. Speed requested an opportunity to present a defense that would show these children had prior sexual knowledge.

Court referenced school emails and stated it appears from the email counsel represented that he was from Metro. Mr. Speed advised he presented his badge and nowhere on that badge does it say Metropolitan Police Department. BRIEF RECESS.

Ms. Speed advised there are members of Mr. Williams' extended family in court this morning and the Defendant has asked that the exclusionary rule be invoked. Court advised it would consider it. Court advised it was a little troubled that Mr. Speed's investigator just spoke to the people he just asked to remove. Investigator McAllister SWORN and TESTIFIED as to what he told the family members in the courtroom.

Statements between Court and counsel regarding second email. Court advised it appears from the email the school assumed counsel was a Metro officer. If counsel led them to believe he was an officer and allowed this to go forward without clearly stating he was a public defender, that would be wrong. Court advised if it had more evidence it would go to the State Bar; the way this was handled was not correct. However, does not believe it rises to a level where it thinks there is an ethics violation. Colloquy regarding the office of the public defender and their investigative methods. State advised the primary reason for bringing this to the Court's attention was the girls thought they were speaking with an officer. Colloquy regarding policies and procedures of the public defender's office. Mr. Richards present from the Public Defender's Office. Statement by Mr. Richards. Ms. Holthus expressed concerns regarding policies. Mr. Richards stated this issue has come up before and has been addressed it, and they will continue to address it.

Mr. Speed provided the Court with the school records which the court previously granted for in camera review. Mr. Speed advised he instructed the administration to seal the records for the Court's review. Court reviewed records in camera and stated they were attendance records and grades and advised they were not relevant. Colloquy. COURT ORDERED, based on previous motion, records are not relevant and ORDERED, Motion DENIED. As to CPS records, Ms. Holthus will follow up with requested records.

Court advised this was a cautionary motion to cross examine the children; a Petrocelli hearing was not required. Mr. Speed stated this was not a bad acts motion only to ask what the children had access to in the home; if they witnessed the mother working in the sex industry. Court believes the hearing needs to go forward with children. Colloquy.

Upon court's inquiry, Mr. Speed's Investigator stated the interview was recorded. Court instructed Investigator McAllister to make a copy and provide it to the State. Statement by Investigator McAllister. Upon Court's inquiry, Mr. Speed stated there were questions asked specifically about

sexual business and what they knew about their mother and this type of activity Ms. Holthus stated she had a huge problem with that. Court advised that affects the whole hearing and does not know how this can be fixed. Mr. Speed requested the court rule in their favor allowing them to present a defense in how the children obtained their knowledge. Ms. Holthus argued if the recording of the children was not relevant then does not know if it would be necessary to put the kids up. Opposition by Mr. Speed. COURT ORDERED, Motion to go into sexual content with children, DENIED. Mr. Speed requested the Court withhold its ruling until it hears the recording. COURT ADVISED, counsel may file a motion.

- Ms. Kollins indicated she received a call from Mr. Speed last week regarding the Clark County School Records he had requested, which Ms. Kollins just received those records, that during a previous hearing March 5, 2016 the Court took the school records acquired by Mr. Speed and his investigator and deemed those irrelevant. She also learned that when this Court denied a motion for the childrens' basis of sexual knowledge, a hearing was had where Mr. Speed and his investigator interviewed those kids out at their schools and those interviews were recorded and have never been produced to the State. Additionally the Child Protective Services (CPS) records were recently dropped off to Chambers for an in-camera review.

Ms. Kollins announced ready for trial, however wanted to make all concerned aware that she is set already for trial in another case in Department 20 the week prior to this trial setting which may continue into the Monday start date of this trial and requested a start date of March 29, 2016. Mr. Speed stated the audio of those two interviews were sent to Ms. Kollins' office yesterday. Court noted it had not had an opportunity to review the CPS records. COURT ORDERED, Trial RESET to March 29, 2016, and DIRECTED Mr. Speed to make sure the copies of the audio recordings had been

delivered to Ms. Kollins. Mr. Speed acknowledged and indicated he would confirm the delivery.
