No. 71045

ORDER DIRECTING SUPPLEMENTAL BRIEFING

These consolidated matters concern an appeal from a district court order of dismissal and an original petition for a writ of mandamus challenging a district court order finding that petitioners violated NRPC

3.3. Having reviewed the briefs and documents filed in this court and considered the oral argument of counsel, we conclude that supplemental briefing is warranted on the question of whether appellant has presented a justiciable controversy in the appeal in Docket No. 70083. Because counsel for the real party in interest in Docket No. 71045 expressed in oral argument that he does not oppose dismissal of the appeal and the respondent in Docket No. 71045 has no interest in the appeal, this order is directed solely to appellant in Docket No. 70083. Accordingly, appellant shall have 20 days from the date of this order to file and serve supplemental briefing on the issue set forth above.

It is so ORDERED.
