DEPUTY CLERK

ORDER GRANTING MOTION

Respondent/cross-appellant has filed a motion for a third extension of time (7 days) to file the combined answering brief and opening brief. Appellant/cross-respondent opposes the motion and requests that we sanction respondent/cross-appellant.

When we granted respondent/cross-appellant's prior motion for an extension of time, we stated that no further extensions of time would be permitted absent demonstration of extraordinary circumstances and extreme need. In support of the current motion, respondent/cross-appellant cites the complexity of the case, and the length of the record and order challenged on appeal. These same reasons were given in support of the prior motion. We are not convinced that respondent/cross-appellant demonstrates extraordinary circumstances and extreme need warranting an additional extension of time. Nevertheless, because respondent/cross-appellant requests only a short extension and the brief has been submitted, we grant the motion. The clerk shall file the amended combined answering

brief and opening brief received on August 17, 2017.¹ We decline to sanction respondent/cross-appellant but caution that future failure to comply with this court's rules and orders may result in the imposition of sanctions.

Appellant/cross-respondent shall have 30 days from the date of this order to file and serve the combined reply brief on appeal and answering brief on cross-appeal. Failure to comply with this order may result in the imposition of sanctions. NRAP 31(d).

It is so ORDERED.
