ORDER

This is an appeal from an order of the district court granting respondent's motion to suppress evidence. Although NRS 177.015(2) authorizes such an appeal, the statute contemplates that the State must make a preliminary showing of good cause why this court should entertain this appeal.

Appellant shall have 10 days from the date of this order to file points and authorities addressing "the propriety of the appeal and whether there may be a miscarriage of justice if the appeal is not entertained." NRS 177.015(2). Respondent shall have 10 days thereafter to file opposing points and authorities. Upon receipt of these authorities, the court will determine whether to entertain this appeal.

It is so ORDERED.
