Clerk of Supreme Court

**MOTION FOR EXTENSION OF TIME TO FILE ANSWERING BRIEF**

Respondent Andrea Awerbach requests 30 days, through January 14, 2019, to file her answering brief. NRAP 31(b)(3). This is the first such motion. (The parties previously stipulated to extend the deadline pursuant to NRAP 31(b)(2).) The brief was originally due November 14, and without the extension, would be due December 14. No requests for extension have been denied or denied in part.

Additional time is necessary to complete the brief. Undersigned counsel associated into the case on behalf of respondent Andrea Awerbach only recently and have needed time to familiarize themselves with the record as it relates to the issues raised in this appeal, as well as to determine all the filings and trial exhibits that must be included in respondent's appendix. Counsel also are evaluating whether recent

authorities from this and other appellate courts call for discussion. The additional time will enable counsel to ensure all relevant authorities and considerations are presented as thoroughly and succinctly as possible.

Dated this 14th day of December, 2018.
