Respondent.

Clerk of Supreme Court

**MOTION FOR EXTENSION OF TIME TO FILE ANSWERING BRIEF**

Respondent Andrea Awerbach requests 10 days, through Monday, February 25, 2019, to file her answering brief. NRAP 31(b)(3). This is the third such motion. (The parties previously stipulated to extend the deadline pursuant to NRAP 31(b)(2).) The brief was originally due November 14, 2018 and without the extension, would be due February 13, 2019. No requests for extension have been denied or denied in part.

The answering brief is nearly complete, but another short extension of time is needed. Undersigned counsel has had to dedicate more time than anticipated resolving personal and family medical issues over the last month. As he continued to make steady progress on the brief throughout that time and was on a trajectory to complete it—and would have done so but for dealing with complications—it always

remained the prudent course to have him finish it given his familiarity with the record, as opposed to having another attorney pick it up.

Respondent, therefore, requests this short additional extension of time.

Dated this 13th day of February, 2019.
