Court noted there was a discussion in chambers with parties regarding trial scheduling and parties agreed the trial would begin Monday 5/02/2016. Conference at the bench.

DEFENDANT HOBSON'S MOTION FOR DISCOVERY:

Mr. Tanasi advised as to his motion for discovery pertained to the body camera footage which the State has satisfied all requests as they have produced a document regarding video footage from that date and there was not any footage from that date. COURT ORDERED, motion WITHDRAWN and State shall be required to comply with NRS 174.235.

DEFENDANT HOBSON'S MOTION IN LIMINE:

Mr. Tanasi advised as to the rifle picture depicted the State has agreed the photograph will not be admitted into evidence and/or argued. As to the video interview, the State has agreed to only use still photographs from the video and will not admit the video interview showing Defendant acting out during the interview. Ms. Mercer agreed with the caveat that the video shall be admissible should Defendant open the door. As to the evidence of threat and/or physical evidence in this crime; specifically as to Defendant striking a woman. Mr. Tanasi advised there is nothing in the elements of the charges which contemplate touching and seeking to exclude the striking of the pregnant female and the bloody photographs of the male. Ms. Mercer argued robbery requires the use of force/violence of another; therefore the evidence is relevant as those are elements that the State is required to prove. Ms. Lobo joined in the motion and arguments on behalf of Defendant Starr. COURT ORDERED, Motion DENIED; although the Court would like State to provide further information regarding the female as the Court would like to know if she was visibly pregnant.

DEFENDANT STARR'S MOTION TO CONTINUE TRIAL:

Upon Court's inquiry, Ms. Lobo advised Mr. Maningo is in a Federal trial and is requesting the trial begin on Tuesday 5/03/2016. COURT ORDERED, Motion DENIED as this time and the start date will be addressed at calendar call.

Richard Tanasi Esq.

Matter called, Mr. Maningo advised the court Mr. Tanasi had just arrive and would be in the court
room shortly.. matter TRAILED. Court noted Mr. Tanasi is seeking to have additional testing done as
to item numbers 6 and 8; should State not complete the testing then requests the items be excluded.
Mr. Tanasi argued in support of motion stating it is Metro s own policy that items be re-tested should
more than 3 plus mixtures be found. Further, the policy requires he request the additional testing
through Metro and then if denied he has to request an order from the Court for the additional testing.

Ms. Mercer argued the results will not be exculpatory nor will the results rule out Defendant Hobson. Further, Ms. Mercer advised the lab has determined re-testing the items will not change the results. Further arguments by counsel. Mr. Maningo noted he believes the new results would be important and joined in Mr. Tanasi's arguments. COURT ORDERED, Motion GRANTED IN PART; items 6 and 8 to be re-tested under the new policies. Ms. Mercer advised the order will need to be specific as to item numbers used by the lab. Court directed counsel to submit the appropriate order.

OUTSIDE THE PRESENCE OF THE JURY:

Ms. Lobo made a record of the conference at the bench regarding objection made during the testimony of Donte Johns on 5/17/2016. Further, Ms. Lobo argued statements made by Donte Johns were not provided to defense and requested trial be continued in order to further investigate the new information. Mr. Portz argued in opposition stating there were no written statements and/or recorded statements made by Donte Johns and defense counsel had every opportunity to pre-trial Donte Johns. Court noted Johns is represented by counsel and Mr. Cottner is present. Upon Court's inquiry, Mr. Cottner advised initially when defense counsel requested to speak with Donte Johns;

Johns was amenable; however, based on advice of counsel Johns did decline to meet with defense counsel. Court so noted. Further, Court noted there were no written statements by Donte Johns and/or recorded statements with the exception of Donte Johns recorded confession which was provided to defense counsel. Mr. Portz confirmed representations of Court. Court stated consistent with NRS 174.235 State has complied with the statute; understanding defense counsel position; however, the Court does not find any statements were made which were exculpatory and/or would change the position of either Defendant. Court noted back on the record as the Court recessed to allow defense counsel an opportunity to speak with Defendants. Ms. Lobo moved for a mistrial based on the discovery violation. Mr. Tanasi joined in the motion for mistrial. COURT ORDERED, Motion DENIED as the Court FINDS there was not a violation as to discovery.

OUTSIDE THE PRESENT OF THE JURY:
