*ORDER GRANTING TEMPORARY STAY*

This is an original petition for a writ of prohibition or, in the alternative, mandamus challenging district court orders denying a protective order and making related rulings. In one of the challenged orders, the district court vacated a scheduled deposition and evidentiary hearing and granted a stay of those proceedings through October 20, 2016. The district court has denied petitioner's request to extend that stay until the petition in this matter is resolved, and petitioner now seeks such an extension from this court. Our review of the motion indicates that a temporary stay is warranted, pending receipt and consideration of further briefing on the motion. NRAP 8(c); *Fritz Hansen v. Eighth Judicial Dist. Court*, 116 Nev. 650, 657, 6 P.3d 982, 986 (2000). Accordingly, we temporarily stay the deposition and evidentiary hearing described in the October 10, 2016, order in Eighth Judicial District Court Case No. A-12-656710-B pending further order of this court. Real party in interest shall have 11 days from the date of this order to file a response to the stay

motion. Petitioner shall have 11 days from service of the response to file and serve a reply.

It is so ORDERED.
