AMENDED SETTLEMENT CONFERENCE STATUS REPORT

The settlement conference was scheduled, but not held on January 25, 2017, at the hour of 1:00 p.m.

I file the following report of the proceedings:

After the premediation conference with counsel where the Settlement Judge reported this matter was appropriate for mediation, the Settlement Judge communicated with the parties to determine whether this matter could be resolved.

The Settlement Judge spent a considerable amount of time in an effort to bring the parties positions together, but determined prior to the holding of the Settlement Conference that it would be futile. In light of these developments, the Settlement Conference was vacated.

It is appropriate to issue a briefing schedule.
