*ORDER DIRECTING SUPPLEMENT TO THE APPENDIX AND  
DIRECTING ANSWER*

This petition for a writ of mandamus challenges an order of the district court denying the State's motion to admit the victim's preliminary hearing testimony at trial. The appendix is missing transcripts of the arraignment/plea hearing and any hearings on the motion. These documents are essential for a meaningful review of this petition. Thus, the State shall have 30 days from the date of this order to supplement the appendix with the transcripts of the relevant hearings.

Further, we have determined that an answer would assist the court in resolving the petition. Accordingly, the real party in interest, on behalf of respondents, shall have 20 days from the date the supplemental appendix is filed, to file an answer, including authorities, against issuance of the requested writ.

It is so ORDERED.
