CLERK OF SUPREME COURT
BY S. Young
DEPUTY CLERK

ORDER DENYING MOTION

Petitioner has filed an unopposed motion for leave to file volumes V-VII of its appendix under seal and redact portions of its petition that cite to those portions of the appendix. Petitioner asserts that the documents it seeks to file under seal were filed under seal in the district court or designated as confidential or highly confidential and are protected under an order entered by the district court. However, it appears that a majority of the documents included in the volumes petitioner seeks to file under seal have not been marked as confidential or highly confidential as required by the district court's protective order. It is also unclear whether any of the documents were filed under seal in the district court. Under these circumstances, we deny the motion without prejudice.

Petitioner shall have 15 days from the date of this order to renew the motion, if deemed warranted. Any renewed motion shall

identify each document petitioner seeks to file under seal and identify either the date it was filed under seal in the district court or demonstrate that the document was designated confidential or highly confidential and is subject to the district court's protective order. The submitted unredacted petition and volumes V-VII of the appendix will remain confidential pending receipt of the renewed motion. SRCR 3(2).

It is so ORDERED.
