Motion to Reconsider

Filed by: Petitioner State of Nevada

Lawrence-Brown Motion to Reconsider

Decision Made;

Journal Entry Details:

JOINT MOTION TO RECONSIDER Court noted there is no procedure to consider an order the Court never entered. However, as this issue affects all termination of parental rights cases assigned to hearing masters, the Court permitted this hearing to clarify the procedure. Statements by counsel in support of trial being heard by District Court Judge. Ms. Calvert noted counsel agreed to allow testimony by alternative means at the last hearing before Hearing Master Roys, and she has an order that has not been signed yet. Given the fact that Judge Giuliani has spent a significant amount of time with this family and the history of this case, Court FINDS the spirit of One Family One Judge would be served by having Judge Giuliani hear the termination of parental rights trial moving forward. The assignment is not based upon the fact that there is the potential for an objection, or that the hearing master couldn't hear this case or that the policy is somehow flawed. It is under the goal of the blue ribbon panel and One Judge One Family and this appears to be a more consistent determination for the resolution of this case. COURT ORDERED, 3/7/16, 3/8/16 and 3/15/16 trial dates VACATED. Case REASSIGNED to Department K and status check SET 3/2/16 at 2:00 p.m. to reset trial. Pursuant to EDCR 7.50, an order for today's hearing is not required. ;

Day 2

CASE SUMMARY
CASE NO. D-15-510944-R

EIGHTH JUDICIAL DISTRICT COURT
FAMILY DIVISION – JUVENILE
CLARK COUNTY, NEVADA

CLERK OF THE COURT

In the Matter of the Parental Rights as to:

SAMANTHA LAWRENCE,
NIKKI RAE BROWN,
HEIDI RENEE BROWN,
WYATT CARL BROWN,
Minors.

CASE NO: **D-15-510944-R**
DEPT. NO. K
COURTROOM 22

DECISION

Trial for the underlying Petition to Terminate Parental Rights in this matter was conducted over the course of over ten days, concluding on September 23, 2016. Present at the Trial were the Petitioners, the Department of Family Services (“DFS”), by and through the case worker Maryte Tallent (“Maryte”) represented by Deputy Clark County District Attorney’s Janne Hanrahan and Amity Dorman. The Respondent mother, Melissa Lawrence (“Melissa”), was present and represented by her attorney, Michael Gowdey, Esquire. The Respondent father, Donald Brown (“Donald”), was present and represented by his attorney, Robert Draskovich, Esquire. The subject minors, Samantha Lawrence (“Samantha”), born on July 6, 1998, was represented by her Court Appointed Attorney, Amy Honodel. Heidi Brown (“Heidi”), born on January 4, 2004, Nikki Brown (“Nikki”), born on January 4, 2004, and Wyatt Brown (“Wyatt”), born on May 30, 2009, were represented by their Court Appointed Attorney, Lauren Calvert. At the conclusion of the Trial, the matter was taken under advisement to enable the Court to fully consider the evidence presented. Having considered the evidence that was received in this case; the

1 Court finds that the requisite legal basis to terminate the parental rights of Melissa
2 Lawrence and Donald Brown has been met.

3
4 The subject minors were initially brought into protective custody on January 8,
5 2014. This family has a significant history with CPS beginning in 2008. There have been
6 fourteen different mandated reports of abuse. At the time of removal in January of 2014,
7 Samantha Lawrence had many severe belt marks, linear in shape of differing ages on her
8 back and a black and blue eye. The parents have denied abuse in the home. On July 30,
9 2014, Melissa and Donald entered a plea of no contest to a Third Amended Petition.¹ The
10 state agreed that anything divulged during the course of any recommended treatment shall
11 not be used against the parents should any criminal charges exist or arise out of these
12 allegations. Testimony was taken from three of the children, including Samantha, Nikki
13

14
15 ¹ On July 30, 2014, the parents pled no contest to a Third Amended Petition. The Third
16 Amended Petition was filed on August 12, 2014 in Case No. J-14-319202-P2 and states in relevant
17 part as follows:

18 (c) In December 2013, the subject minor Samantha was found to have injuries that were
19 characterized as "definite abuse" by a physician specializing in child abuse; the injuries included
20 bruising and/or abrasions and/or loop marks and/or linear marks of differing ages to her back; the
21 injuries were such that they could not have occurred without a deliberate but unreasonable act or
22 failure to act by the person or persons responsible for the subject minor's welfare; see NRS
23 432B.450;

24 (d) In December 2013, Donald Brown physically abused the subject minor Samantha by hitting
25 and/or striking and/or beating her with a belt and/or other object and/or his hands, resulting in
26 the injuries described above;

27 (e) Over the course of the past six years, CPS has been called to the home on multiple occasions as
28 a result of reports of injuries to Samantha;

(f) Donald Brown mentally injured the subject minor Samantha by causing her to experience
extreme fear, anxiety and emotional distress related to the ongoing physical abuse;

(g) Melissa Lawrence failed to protect Samantha despite her knowledge of the ongoing physical
abuse by Donald Brown;

(h) Melissa Lawrence mentally injured the subject minor Samantha by failing to obtain counseling
and/or therapy for her to address the severe emotional distress caused by the ongoing physical
abuse by Donald Brown;

(i) The subject minors Heidi, Nikki and Wyatt are deemed to be unsafe in the home due to the
ongoing abuse of Samantha pursuant to NRS 432B.330 (1)(c);

(j) Donald Brown is presumed to be an unfit caregiver for the subject minors pursuant to NRS
432B.555; Donald Brown was convicted of felony manslaughter and Corporal Punishment of a
child in relation to the death of his infant child in the 1980's.

1 and Heidi. Testimony was also taken from Dr. Sandra Cetl, a pediatrician who evaluates
2 concerns of child physical abuse and sexual abuse, regarding the physical injuries to
3 Samantha.
4

5 Due to neither parent taking responsibility for the abuse that the oldest child
6 Samantha sustained during the pendency of the juvenile case, DFS has not been able to
7 reunify the children with either parent. The children have been under the care of the Court
8 for over 30 months. The children have languished in foster care since their removal. A
9 Termination of Parental Rights petition was filed against both parents on March 6, 2015.
10 The State must establish by clear and convincing evidence that parental fault exists and
11 that the children's best interest would be served by termination of parental rights.
12

13 The Court finds that Melissa and Donald have not abandoned the children as
14 defined in NRS 128.012 as they have made sufficient efforts to communicate and visit
15 with the minor children. A no contact order was entered in the criminal case and neither
16 parent was allowed to have contact with the children. The Criminal Court had concerns
17 regarding the parents speaking with the children since the children are witnesses in the
18 criminal case. This Court also entered a no contact order for the parents since there were
19 concerns that the parents were telling the children what to say to authorities. Both parents
20 have maintained consistent contact with the children and there has been no showing that
21 Melissa or Donald intended to forego their parental rights. The court cannot find that the
22 parents abandoned the children.
23

24 The Court finds that the parents are unfit parents as defined in NRS 128.018 and
25 NRS 128.105 (1)(b)(3). The children have been out of care of the parents for over 30
26 months. Pursuant to NRS 128.105 (1) (b) (4), the parents have failed within a reasonable
27
28

1 period of time to remedy substantially the conditions which led to the children being
2 placed in foster care, even though appropriate and reasonable efforts have been made on
3 the part of state agencies and others to return and reunite the children with their parents.
4 On July 18, 2014, Dr. Cetl testified at the preliminary hearing in the criminal case. The
5 transcripts from that hearing were admitted as evidence in this TPR Trial. Dr. Cetl
6 testified that she saw multiple injuries on Samantha that were consistent with a
7 recognizable pattern of a loop injury. There were loop marks as well as straight marks
8 indicating some type of blunt force trauma with an implement. She continued to testify
9 that the implement that typically leaves loop marks is either a cord or some type of belt.
10 She testified that some of the marks were already quite advanced healing and some were
11 very fresh. The Court finds that the children were removed from the home as a result of
12 the parents' actions. The parents pled no contest to these actions at the Adjudicatory
13 Hearing in the underlying Juvenile case as noted above.

14
15
16 Samantha testified at length during the trial about the continued abuse she endured
17 by Donald. She testified that the abuse consisted of being hit in the back and face with a
18 belt by Donald; having to stand on her head; having to sit against the wall without a chair
19 for 30-40 minutes as punishment; having to clean excessively and pick weeds; and getting
20 a knife thrown at her hand which caused a stab wound. Further, she testified that Donald
21 caused her to sustain broken teeth; restricted her food intake; and called her names.
22 Samantha also testified that Melissa hit her with a belt on several occasions. According to
23 Samantha's testimony, Donald began hitting her in the third grade. CPS was called on
24 several occasions. Samantha testified that she was told what to tell CPS by Donald. She
25 also testified that she lied to the Dentist when her tooth was broken. She told the Dentist
26
27
28

1 that she was playing football and tripped, since she was told by Donald what to tell the
2 Dentist. Samantha testified that in November of 2008, she was hit across the face by
3 Donald with a belt. Melissa put make-up on Samantha's face to cover up the injuries.
4 When CPS asked Samantha about the marks on her face, Samantha told CPS that her
5 brother Wyatt caused her to fall on the dresser. Samantha testified that another incident
6 occurred that same month when Donald hit her across the face with a belt. She went to
7 school with make-up on her face to cover the injuries and when CPS questioned Samantha
8 she told CPS that her dog jumped on her. When asked why she wasn't truthful with CPS,
9 Samantha stated she was scared what would happen to her when she got home. Samantha
10 testified that on December 1, 2009, she got a cut on her wrist due to Donald throwing a
11 butter knife at her while she was drying dishes. The knife cut into her skin. She testified
12 that she didn't tell the truth at the preliminary hearing regarding this incident. Samantha
13 testified that in January 2011, she sustained an eye injury due to Donald making her stand
14 on her head for approximately 30-40 minutes. When she was made to stand on her head
15 for long periods of time, she testified that she would get puffy eyes and red blotches all
16 over her face. Samantha testified that she told CPS that she got hit with a teddy bear when
17 asked about her eye injury. Samantha further testified that in December of 2011, she was
18 removed from her Junior High School because she was talking to her counselors about the
19 punishment and what was going on at home. When asked why she would lie to CPS and
20 her teachers, Samantha testified she was afraid of what would happen if she told the truth
21 and her parents found out.
22
23
24
25

26 A letter that Samantha wrote regarding an injury sustained from a BB gun was
27 admitted into evidence. The letter states that Donald shot her hand with a BB gun because
28

1 she asked him if she could eat a candy cane. In the letter, Samantha states that 3 or 4 days
2 after she was shot with the BB gun she went to the Hospital where a splint was put on her
3 hand because it was swollen. Surgery was needed to get the BB out. The letter states that
4 she told the hospital that she shot herself with the BB gun because Donald told her to say
5 that even though it wasn't the truth. When questioned by defense counsel as to why she
6 made different statements prior to this trial, Samantha testified that she was scared and
7 really upset at the preliminary hearing. According to Samantha, Donald told her what to
8 tell her teachers and CPS about how her injuries occurred and Melissa was present most of
9 the time when Donald told the children what to tell CPS. Samantha was asked about the
10 last beating that caused the children to be removed. Samantha testified that she created a
11 story that she fell off of the trampoline and that was how she got the marks on her back.
12 When asked why she didn't tell the truth, Samantha testified that she thought she would
13 get into a lot of trouble by her parents if she told the truth about her injuries. Samantha
14 testified that while on the telephone with Donald when he was in jail, he wanted her to tell
15 the story that she hit herself on the back with an extension cord because she didn't get a
16 cell phone for Christmas. Samantha testified that she and her siblings would have to repeat
17 the stories over and over again until they got it right without hesitation. She stated that at
18 one of the visitations after removal, Donald told her that if they stuck with the stories they
19 were told to say, the family would get back together. Samantha testified that she and her
20 siblings saw their parents fight and they would argue a lot. She continued that it was scary
21 when her mom was mad, because her mom would break things. The Court finds
22 Samantha's testimony to be credible.
23
24
25
26
27
28

1 Samantha's therapist from Healthy Minds, Janet Nordeen, testified at trial. Ms.
2 Nordeen has been Samantha's therapist for over two years. She stated that she diagnosed
3 Samantha with PTSD due to an extensive time period of traumatic events. She continued
4 to testify that she never thought of Samantha as a danger to herself or others. Samantha
5 was resistant to sharing her family history and protective of her parents. When Samantha
6 felt safe with Ms. Nordeen and understood that she would not have to return home, she
7 began disclosing the abuse she had endured. Ms. Nordeen testified that Samantha
8 disclosed that she was shot in the hand with a BB gun; pushed into a wall by Donald; lost
9 her two front teeth due to Donald's abuse; and hit with a pipe and a belt by Donald.
10 Samantha disclosed that this occurred on a regular basis. Testimony revealed that Melissa
11 was at work and Donald was home with the children when the abuse occurred. In the
12 beginning, Samantha denied abuse by Donald. However, over time, she disclosed more
13 abuse. The Court has taken into consideration that Samantha first denied the abuse.
14 Samantha wrote a letter to Donald (State's Exhibit 11) detailing years of abuse, after she
15 found out that she would not have to return to her parents care. The therapist testified that
16 some children disclose abuse right away while other children never disclose abuse. She
17 stated that when she made her diagnosis, she took into consideration Samantha's high
18 anxiety, her distractibility, and her desire to talk about anything except the abuse.
19

20
21 The Court also took into consideration the testimony of Laura Brown, Nikki's
22 Healthy Minds therapist. Ms. Brown testified that she is qualified to make a diagnosis
23 through the DSM. She testified that she diagnosed Nikki with PTSD. She made this
24 diagnosis based upon Nikki having flashbacks, avoidance and mood issues. She stated that
25 Nikki was very guarded, hesitant, and avoided discussing feelings. As therapy progressed,
26
27
28

1 Nikki became more open with Ms. Brown. Nikki described the physical abuse to
2 Samantha as "beatings by her dad." Ms. Brown testified that when Nikki discussed the
3 abuse, her demeanor was such that she did not make eye contact, lowered her head, and
4 she shut down. Ms. Brown testified that her primary reason for diagnosing Nikki with
5 PTSD was because of what happened in the home. The treatment plan for Nikki consisted
6 of processing her trauma; developing coping skills; and further developing a relationship
7 with her siblings. She testified that she changed Nikki's disorder from adjustment disorder
8 to PTSD eight months after she saw Nikki because Nikki met the full criteria for PTSD.
9 She testified that her diagnosis was not made due to Nikki's lack of contact with her
10 parents. She continued to testify that Nikki wants to live with her parents. Ms. Brown
11 testified that Nikki made it clear that there was abuse in the home.
12

13
14 Lynetta Cooley, Heidi's Healthy Minds therapist, testified as to Heidi's treatment.
15 She testified that Heidi was originally diagnosed with adjustment disorder with mixed
16 depression and anxiety. She stated that this diagnosis is made when there is a change, such
17 as a removal. She continued to testify that Heidi met the criteria under the DSM 5 for
18 PTSD. Heidi's symptoms consisted of hypervigilance, irritability, avoidance when talking
19 about events, intrusive thoughts, and disruption to social and family life. Initially, Heidi
20 was very guarded in her therapy. Ms. Cooley testified that Heidi talked about Samantha's
21 abuse on her own. She talked about Samantha not having the same amounts of food as the
22 other children, and that Samantha would get up in the middle of the night to eat. She
23 discussed the incident when Samantha went to the garage and brought back a pipe that
24 Donald hit her with while the other children ran into the other room. Ms. Cooley testified
25 that in therapy, Heidi would draw pictures or play games. Heidi drew a picture of a pipe
26
27
28

1 and a knife. She testified that when Heidi talked about the abuse in the home, Heidi would
2 speak fast to get it out. She would also take a big breath and blow it out. Heidi told Ms.
3 Cooley that her mother knew about the abuse. When asked at the trial if this contributed to
4 Heidi's PTSD, Ms. Cooley replied "yes." Ms. Cooley testified that Heidi felt lighter after
5 she discussed the abuse in therapy and it helped her anxiety to be able to discuss it. Ms.
6 Cooley stated that Heidi would like to go home to her parents but she wants it to be
7 different. Specifically, Heidi does not want any more hitting or fighting in the home.

8
9 The Court finds that both Melissa and Donald were placed in a difficult position of
10 testifying at the TPR trial while there is a criminal trial pending. Both parents pled the 5th
11 Amendment when questioned by the District Attorney's office regarding anything having
12 to do with the abuse to Samantha. Despite the parents pleading the 5th Amendment, the
13 Court finds that there was an abundance of evidence regarding the abuse to Samantha and
14 the trauma to Heidi and Nikki. This Court finds that physical abuse occurred in the
15 household and physical abuse counseling was necessary in order for reunification to
16 occur. The State has proved by clear and convincing evidence that Donald physically
17 abused Samantha and Melissa knew about the abuse. This abuse renders the parents
18 unable to provide the children with a safe home. There is no evidence in the record that
19 either parent has addressed the physical abuse problem.
20
21

22 NRS 128.106 (1)(f) provides that when determining neglect or unfitness of
23 a parent, the court shall consider the conviction of a parent for commission of a
24 felony, if the facts of the crime are of such a nature as to indicate the unfitness of
25 the parent to provide adequate care and control to the extent necessary for the
26 child's physical, mental or emotional health and development. NRS 128.106 (1)
27
28

1 (g) further provides that when determining the neglect or unfitness of a parent, the
2 court shall consider whether the child, a sibling of the child or another child in the
3 care of the parent suffered a physical injury resulting in substantial bodily harm, a
4 near fatality or fatality for which the parent has no reasonable explanation and for
5 which there is evidence that such physical injury or death would not have occurred
6 absent abuse or neglect of the child by the parent. Here, the court finds that
7 Donald was convicted of felony manslaughter and corporal punishment of a child
8 in relation to the death of his infant child in the 1980's. The court has considered
9 this when determining unfitness in this case.
10
11

12 The Court finds that pursuant to NRS 128.105(1) (b) (5), a risk of serious physical,
13 mental or emotional injury is posed to the children if they were to be returned to the
14 parents care. The Court finds by clear and convincing evidence that Samantha was
15 physically and emotionally abused in her home. The Court has relied on the testimony of
16 the children, the children's therapists, and the testimony of Dr. Cetl. Testimony revealed
17 that Donald Brown was convicted of Corporal Punishment of a Child and Voluntary
18 Manslaughter of his biological daughter as an infant. The Court took into consideration
19 that since 2008, fourteen different mandated reporters called CPS stating that Samantha
20 had bruises, cuts and black eyes. The Court does not believe the parents theory that
21 Samantha has mental health issues and that she caused the abuse to herself. There has
22 been no showing by the defense whatsoever that Samantha caused any of her own injuries.
23 If over the last eight years, Samantha was causing her own injuries and there were over 13
24 different reports to CPS, the Court questions why Melissa would not have taken her
25 daughter to a pediatrician, neurologist, psychologist, psychotherapist or psychiatrist to
26
27
28

1 determine why she would cause herself such harm. There was no evidence presented that
2 Samantha caused her own injuries. Ms. Maryte Tallent, the DFS caseworker assigned to
3 this case, testified that early in the case, Donald told her that Samantha caused injuries to
4 herself. To the contrary, Heidi and Nicki testified to the abuse they witnessed their father
5 inflicting upon Samantha. Heidi testified that she witnessed Samantha getting hit with a
6 belt by Donald on the back and the buttock. She stated that her father told Samantha to go
7 to the garage to get him something to hit her with. Also, Heidi testified that she witnessed
8 Samantha being hit on her hands with a spatula by Donald. The Court finds the children's
9 testimony credible. The theory that Samantha injuries were self-inflicted was not
10 supported by any evidence. The Court took notice of the crisscross bruises that were
11 determined to be old and new on Samantha's back. Additionally, foster mother to all the
12 children, Jackie Wolfe, testified that Samantha is not a violent person and is extremely
13 protective of her siblings. She also testified that she has had the children in her care for a
14 long time and that Samantha is not aggressive. When asked if Samantha had ever tried to
15 harm herself, she replied "no."

16
17
18 There was testimony that Samantha was injured while in Ms. Wolfe's care.
19
20 Testimony revealed that Samantha was transported to Boulder City Hospital due to her
21 injuring her pelvic region. Attorneys for the parents tried to illicit testimony that Samantha
22 is clumsy. Ms. Wolfe testified that Samantha was on a bike riding with her sister and
23 others when she fell over on the bike. She was appropriately taken to the Hospital and
24 treated. There was no report by any doctor at the hospital of possible abuse. Samantha had
25 bruises from soccer and football, the two sports she played in high school. She played the
26 goalie position and got hit in the head. She had symptoms of concussions and she was
27
28

1 seen by a doctor. Again, these injuries did not lead to any abuse allegations. The Court
2 finds that Samantha was treated appropriately by Ms. Wolfe. According to the testimony
3 of Ms. Wolfe, Samantha is a good kid who has taken some honor classes and has A's and
4 B's. She believes Samantha to be very naive and innocent. Ms. Wolfe testified that Nikki
5 doesn't like to talk about things and is quiet. Nikki received a presidential letter and had
6 all A's and a B+. Ms. Wolfe testified that Wyatt loves his mom and dad.
7

8 The Court also took into consideration Mari Parlade's testimony. Ms. Parlade is
9 employed with the Legal Division of DFS as the Custodian of Records. She testified that
10 each call to the CPS hotline has a separate report number that is kept in a database known
11 as UNITY. During a five year period, from March 2008 through December 2013, there
12 were 14 intake reports for this family. On December 10, 2014, there were two intake
13 reports for the same incident. She continued to testify that in March 2008, a mandated
14 reporter called regarding allegations of abuse to Samantha's face. Specifically, both of
15 Samantha's eyes had two inch wide bruises. In May of 2008, there was another mandated
16 report that Samantha had a bruise on her left cheek. In approximately September or
17 October 2008, there was an information only report that Samantha had a chipped tooth.
18 On November 7, 2008, there was a report from a mandated reporter that there were bruises
19 on Samantha's face; specifically her right eye was black. Ms. Parlade testified that on
20 November 24, 2008, an investigation was completed since Samantha went to school with
21 a black eye and make-up on her face. At this time, Samantha was 10 years old. There was
22 a cross report with the same concerns from another reporter. On December 1, 2009, there
23 was a mandated report disclosure. There was an allegation that Donald threw a butter
24 knife at Samantha and there was a cut on her wrist. This was found to be unsubstantiated.
25
26
27
28

1 On February 22, 2010, another mandated reporter reported that Samantha had a black eye
2 and stitches on her left eyebrow. This was found to be unsubstantiated. On December 6,
3 2010, another mandated reporter reported that Samantha had a black and green colored
4 bruise around her entire eye. This was informational only. On January 27, 2011, Ms.
5 Parlade testified that a mandated reporter reported bruises on both of Samantha's eyes. On
6 January 28, 2011, another mandated report was unsubstantiated when Samantha came to
7 school depressed with a different demeanor. On March 1, 2011, a mandated reporter
8 called with concerns that Samantha had a puffy red left eye. This was informational only
9 and there was no investigation. On December 9, 2011, a report came into the CPS hotline
10 that Samantha had marks and bruises and that her parents withdrew her from school. This
11 was information only. On January 19, 2012, Samantha missed 27 days of school and there
12 was concern of educational neglect. On December 10, 2013, CPS received two calls. The
13 first reporter reported a bruise on Samantha's eyes. The second report was from a
14 mandated reporter that there was a mark near Samantha's left eye. This report resulted in
15 an investigation. Ms. Parlade testified that there were a total of 14 calls, all from mandated
16 reporters. The testimony of Samantha, Heidi and Nikki corroborate that Samantha was
17 not injuring herself and that Donald caused the injuries. The children were told to say that
18 the injuries happened in a way that was untrue in order to protect both Melissa and
19 Donald.
20
21
22

23 The Court finds by clear and convincing evidence that Samantha has been
24 physically and mentally abused by her parents. Specifically, Samantha endured abuse
25 throughout her childhood as testified to by herself and her sisters, Heidi and Nikki. The
26 Court finds that Melissa Lawrence knew about the abuse and did nothing to protect
27
28

1 Samantha from Donald's repeated physical and emotional abuse. During the trial, the
2 Court heard phone conversations between Melissa and Donald while they were in jail in
3 2014 after the removal of the children. In these phone conversations, Donald accused
4 Samantha of lying, stealing, and playing games. Melissa continually disparaged
5 Samantha by saying "her own father wants nothing to do with her"; "she feels sorry for
6 the poor sap who ends up with Samantha"; and "Samantha was lucky that she wasn't in
7 front of her fucking face when she wrote the letter." She also called Samantha a "killer
8 kid" and said Samantha "has a brain of a fucking peanut." Also, Melissa said that anyone
9 who is around Samantha is in "grave danger" since she said Samantha is a danger to
10 society. She also accused Samantha of causing her own injuries and suffering from a
11 mental disorder.
12

13
14 The Court finds that both Melissa and Donald completed a Red Rock
15 Psychological Risk Assessment. The court finds that even though both parents completed
16 services and an assessment, the assessment reports that both parents are at a high risk to
17 re-offend. Donald was recommended to engage in Anger Management and Domestic
18 Violence treatment. He was also recommended to engage in individual therapy specific to
19 his physical abuse. Melissa was recommended to engage in individual therapy to address
20 physical abuse.
21

22 Pursuant to NRS 128.105 (1)(b)(6), the court finds that the parents have made only
23 token efforts to prevent neglect of the children, to avoid being unfit parents, and to
24 eliminate the risk of serious physical, mental or emotional injury to the children. NRS
25 128.109 sets forth presumptions that apply to findings of parental fault and best interests
26 of the child when a child has resided outside of the home for an extended period of time.
27
28

1 Specifically, NRS 128.109 provides that if a child has been placed outside her home for
2 14 of any 20 consecutive months, it is presumed that the parents have engaged in no more
3 than token efforts to care for the child and it must be presumed that it is in the best interest
4 of the minor child that the parental rights be terminated.
5

6 The Court finds that both parents have engaged in their case plan. The Court finds
7 that despite engagement in their services, neither parent has the insight or behavioral
8 change to protect these children from abuse. The Court heard testimony concerning a long
9 history of abuse upon Samantha that was witnessed by Heidi and Nikki, affecting the lives
10 of all of the children in the household. Both parents to this day have denied physical
11 abuse, believing that Samantha caused these injuries to herself. More than ample
12 opportunity has been given to both parents to correct the behavior that brought this family
13 into care. Ms. Tallent testified that both parents completed a family risk assessment. When
14 asked what the assessment revealed, she testified that both Melissa and Donald had an
15 increased risk for physical abuse. Both parents completed the Family Risk Assessment at
16 Red Rock Psychological Health in late 2014. Donald's report states that due to Mr.
17 Brown's HIGH risk for physical abuse/neglect recidivism and the clinical impressions, the
18 following recommendations be made: Donald should submit to a Domestic Violence
19 Evaluation and follow all recommendations made by the evaluator, attend anger
20 management/impulse control classes and follow all recommendations made by the
21 facilitator, should continue weekly individual therapy to address his position of denial and
22 history of criminal behaviors and he should continue not to have contact with his children
23 until he is meeting the requirements of his DFS case plan and his risk of abuse is
24 decreased. The Court reviewed Melissa's evaluation by Red Rock. Melissa is HIGH risk
25
26
27
28

1 for physical abuse/neglect recidivism and the recommendations consisted of Melissa
2 continuing in weekly individual therapy to address her position of denial, creating a
3 therapeutic safety plan with the help of a trauma specialist to identify triggers, coping
4 skills, and relapse prevention. It was also recommended that Melissa continue to not have
5 contact with her children until she is meeting the requirements of her DFS case plan and
6 her risk of abuse is decreased.
7

8 Melissa and Donald attended therapy at Healthy Minds. The recommendations
9 from Red Rock were to address denial, identify triggers, and a relapse prevention
10 program. Per the Healthy Minds letters dated April 28, 2016 which was admitted into
11 evidence, David Sanchez, Psy.D, LMFT wrote that Mr. Brown and himself often process
12 thoughts related to the loss and grief he experiences from being separated from his
13 children as well as the anxiety he experiences over the thought of potentially having his
14 parental rights taken away. A similar letter for Melissa was admitted into evidence. The
15 Court finds that the therapy that Melissa and Donald received at Health Minds is not the
16 same as individual therapy to address the parent's denial of abuse. The Healthy Minds
17 therapy did not address physical abuse. Ms. Tallent testified that she spoke to Donald and
18 advised him that the Healthy Minds therapy was family therapy and not individual therapy
19 to address physical abuse. The Court reviewed both the ABC Therapy Completion Report
20 for Melissa and Donald for mental health. Both parents had successfully completed the
21 program. The comments for Donald state that he learned to identify challenges, and
22 replace biased, fearful self-talk with positive, realistic, and empowering self-talk.
23 Melissa's comments state that she learned to undergo gradually to a repeated imaginal
24 exposure to the feared negative consequences predicted by worries of her children's well-
25
26
27
28

1 being and develop alternative reality-based predictions. Ms. Tallent testified that the
2 parents completed the ABC assessment on their own. The Court notes that this
3 assessment does not address triggers, abuse of a child, protective capacity, or coping
4 skills. The Court understands that the parents have completed parts of their case plan
5 objectives. However, they have not addressed the physical abuse that occurred in the
6 home. The Court further took into consideration that the family never had a chance to
7 engage in family therapy.
8

9 The Court does not find that the children are safe with their parents. There are still
10 grave safety concerns of physical abuse that have not been addressed. It comes down to
11 the credibility of the testimony of the parents and the witnesses. Ms. Tallent testified that
12 the objective was for the parents to resolve their legal matters; provide for the physical
13 and emotional needs of the children; and provide a home free from physical abuse. The
14 Court notes that the primary objective for this case was to provide the children with a
15 home free from physical abuse. Additionally, the parents had to follow all the
16 recommendations from Red Rock and understand the impact of physical abuse on the
17 children's well-being. The parents went through many classes and assessments, but at this
18 time the Court does not find that the children are any safer now than they were at the time
19 of removal. The main issues of physical abuse have not been addressed. The Court has
20 taken into consideration that the parents completed classes and therapy. However, as
21 evidenced in the reports and testimony, neither parent has addressed their denial of the
22 abuse and how to prevent it from happening again. The Court took into consideration Dr.
23 Cetl's testimony from the Preliminary Hearing that was admitted into evidence as well as
24
25
26
27
28

1 the testimony of Samantha, Nikki and Heidi. The Court finds that Samantha was seriously
2 injured throughout her childhood and that it was not caused by her own actions.
3

4 The Court finds that the presumptions in NRS 128.109 (1) (a) and (2) apply in this
5 case and the parents did not rebut the presumptions. The children were placed outside of
6 their home on January 8, 2014 and have remained outside of their home since that time.
7 The Nevada Supreme Court in the case of *In re Parental Rights as to A.P.M.*, 131 Nev.
8 Adv. Op. 66, 356 P.3d 499 (2015), held that nothing in NRS 128.105 prohibits the district
9 court from finding parental fault if a parent has completed his or her case plan. This
10 Court's job is to make sure children are safe. This Court believes that the children love
11 their parents. However, based upon the severity and repetitive nature of the abuse along
12 with neither parent having the insight or behavioral change to protect these children from
13 abuse, the court does not believe that the children can reunify with their parents in the near
14 future.
15

16 Pursuant to NRS 128.105(1), 128.107 and 128.108, the best interest of the children
17 is served by terminating the parental rights of Melissa Lawrence and Donald Brown. In
18 determining what is in the children's best interest, this Court must consider the children's
19 continuing need for "proper, physical, mental and emotional growth and development."
20 NRS 128.005 (2)(c). Pursuant to NRS 128.105 (2), the court has considered the
21 placement options for the children; the age of the children; and the developmental,
22 cognitive and psychological needs of the children. The children have been out of care for
23 over 30 months. The children have been in the care of a foster family who is an adoptive
24 resource. The testimony revealed that the children are very bonded to the foster family
25 and the children are thriving in the care of the foster family.
26
27
28

1 Jackie Wolfe, foster parent to the children, testified as to how the children came
2 into care. She testified that at first there was a clear division between Samantha and her
3 siblings, Heidi, Nikki and Wyatt. There was a strained relationship but it is now better.
4 She stated at first Nikki was quiet and Heidi was vocal. When the children were first
5 placed with Ms. Wolfe and her husband at St. Jude's, Samantha and Heidi argued a lot.
6 Heidi was mad about being in foster care. When Samantha arrived to her home, she had
7 frequent panic attacks. During the evening, Samantha had hard time breathing and her
8 chest felt heavy. There were times at soccer when the coach would call Ms. Wolfe and
9 tell her that Samantha had lost it and she was crying. She testified that Samantha did not
10 want to talk about her past. She testified that there was one night in particular when
11 Samantha expressed she was angry. Ms. Wolfe testified that she encouraged Samantha to
12 journal since she was crying a lot. Ms. Wolfe told the court that Samantha does not talk a
13 lot, but that Heidi talks about Samantha's relationship with her parents. When Samantha
14 does talk, Heidi corrects Samantha about the abuse. It appears that Heidi remembers a lot.
15 She testified that Samantha has two false teeth. Samantha told her that Donald knocked
16 her teeth out. Heidi would correct Samantha and say it is not one tooth but two teeth. She
17 went on to testify that Heidi stated that her mom knew that Samantha was cut with a butter
18 knife and that Donald did it. While the children love their parents and want to go home,
19 the children have done remarkably well in their foster home. The children want to go
20 home to a home free of violence. Unfortunately, there is no showing that the issues that
21 brought the children into care 33 months ago are any different now. These children need a
22 stable loving home free from physical and emotional abuse, which is found in their current
23
24
25
26
27
28

1 placement. The children are integrated into their placement. The adoptive resource has
2 provided these children with a safe loving environment free of violence.
3

4 The State has proved by clear and convincing evidence that parental fault exists in
5 this case and that it is in the best interest of the children that the parental rights of Melissa
6 Lawrence and Donald Brown be terminated. The District Attorney's office shall prepare
7 Findings of Fact and Conclusions of Law consistent with this decision and submit an
8 Order to the Court for signature within 10 days.
9

10 IT IS SO ORDERED.
