**MOTION TO ACCEPT LATE REQUEST FOR TRANSCRIPTS**

I Javier Ramirez, appearing in Proper Person, request that the Court enter an Order granting me the following:

Acceptance of late request of transcripts for case number 71908.

This Motion is made for the following reasons:

Due to a lack of funds and transportation I was not able to travel to Carson City from Gardnerville to provide the Honorable Court Of Appeals with the proper paperwork on the time frame requested.

In addition to this, a Motion To Show Cause For Contempt Of Court was filed at the First District Court on December 28<sup>th</sup> 2016, case number 12DR1003911B, I requested Mr. Chris Bayer

17-02970

Advocate for the Children thru CASA, to informed the Court of the non-compliance of order issued on November 4<sup>th</sup> 2016 from respondent Mayra E. Arreguin .(see attached )

Per Mr. Bayer statements he was going to get a hold of the Court and write a report that has not been done to this day, which I planned to include with this appeal's paperwork

I beg to the Court Of Appeals to take into consideration my request on this motion due to the circumstances.

I declare under penalty of perjury under the law of the State Of Nevada that the foregoing is true and correct.

If she doesn't bring him then you probably would waste a trip to go.  
The order goes into effect when signed. But I don't think there's anything you can do about it.

Hi Chris...

I was there since 2:30 pm... I she never showed up...

Honestly I wasn't going to bother you with this ,as I recall I keep being told that I keep overreacting to "small stuff" and that I cause the tension between me and her, and /or blame her for everything.... I don't think that in this case along with the other instances (her not showing up for the visits with Eduardo) I made a big issue about it,.. Trust me I had waited with a lot of patience in every occasion, but if I'm wrong please tell me.

You spent a lot of time of this last week ,and we had a conversation that the exchange would take place on Sunday, I don't see any argument between me and her.

We have an order , we had a hearing and nothing changes..

By the way,,,, It was only Carlos that I was supposed to pick up....

If you wish to file a motion you can.

I am going to pick my battles.

I wish she had done it.

I wish you would show up and return the boys on time.

But you both keep the argument going.

Mayra;

Again I need to cancel the visitation for tomorrow, because of lack of funds.....I sent you an email last night about the calls on Mondays and i'm waiting on your reply.

Thank You

javier

Mayra, Chris:

I just got off the phone with Connie, which is the person that monitors the visits.. and to set up the visit for this week, with the option of me paying on Thursday since that is the day the i get my unemployment..Unfortunately Lisa is gone from the office until the beginning of next year, so the visit will not occur once again.

I had been waiting patiently on replies to my emails on this and other issues and I'm yet to be acknowledge at all.

When do I get answers?

Javier

Thank You
