- Mr. Daskas expressed that there may be confusion among the parties in regarding two issues, the Miranda violation and the voluntariness issue; furthermore, because this is a capital case, a hearing should be held with testimony from the detective who interviewed the Deft., Ken Hardy. In addition, Mr. Daskas noted the State will subpoena Detective Ken Hardy and ensure he is available for the hearing. Mr. Whipple stated his concerns with the current trial date, explaining he had discussions with Mr. Daskas and the Deft. because he was just appointed to the case and will not be ready in February. Mr. Daskas advised the State is ready, but he does not know when Mr. Whipple was appointed and does not dispute that he probably hasn't had sufficient time to get ready for trial. Further, Mr. Daskas requested to set the new trial dates at the next hearing because Mr. Lalli isn't present. Colloquy regarding available dates for an Evidentiary hearing. Pursuant to the representations of counsel, COURT ORDERED, matter SET for Evidentiary Hearing; trial dates will be discussed at that time.

- The Court has read and considered Defendant's Motion to Suppress Statements and Evidence, State's Opposition thereto, Defendant's Reply, Defendant's Supplemental Reply, and the State's Supplemental Opposition. At a hearing held December 5, 2012, the Court set the motion for an evidentiary hearing. The evidentiary hearing was held on January 17, 2013, at which all parties were present and represented. The Court took the matter under advisement in order to further review the applicable case law and review the audio/video recording of the statement given by Defendant Norman Belcher (Ex. 2).

It is undisputed that Miranda warnings were not read to Mr. Belcher prior to the statement being taken, and that he had not formally been arrested. However, Mr. Belcher asserts that this was nevertheless a custodial interrogation, and thus the statements given therein must be suppressed. He also asserts that the statements were not voluntarily given, and that he requested a lawyer during the interview but one was not provided and the questioning continued. Additionally, the State concedes that no statements made after Mr. Belcher was placed under arrest, found in the middle of page 54 of the transcribed Voluntary Statement (Ex. 1), are not admissible and will not be presented at the time of trial. In determining whether this was a custodial interrogation, the Court must consider the totality of the circumstances, including the site of the interrogation, whether the investigation has focused on the subject, whether the objective indicia of an arrest are present, and the length and form

of questioning. *Alward v. State*, 112 Nev. 141, 155, 912 P.2d 243, 252 (1996). The objective indicia of arrest to consider as part of this analysis include: "(1) whether the suspect was told that the questioning was voluntary or that he was free to leave; (2) whether the suspect was not formally under arrest; (3) whether the suspect could move about freely during questioning; (4) whether the suspect voluntarily responded to questions; (5) whether the atmosphere of questioning was police-dominated; (6) whether the police used strong-arm tactics or deception during questioning; and (7) whether the police arrested the suspect at the termination of questioning. All seven factors need not be present in order to determine that the suspect was or was not in custody." *State v. Taylor*, 114 Nev. 1071, 1082 n.1, 968 P.2d 315, 323 n.1 (1998) (citations omitted).

In this case, the interrogation was in an interview room at the office of the Las Vegas Metropolitan Police Department's ("Metro") Detective Bureau, and was conducted by two detectives. The investigation had focused on Mr. Belcher as a result of information the police already had, including information from Mr. Postorino regarding a dispute with Mr. Belcher, information from a citizen who had seen Mr. Belcher's car close to the crime scene about the time of the crime, the fact a ticket had been issued to a person driving Mr. Belcher's car and using Mr. Belcher's driver's license shortly after the events at issue, and the fact that the car had been found burned later that day. With respect to the objective indicia of arrest analysis, Mr. Belcher was told that the questioning was voluntary and he had agreed to talk to the detectives about his whereabouts. He was not formally under arrest. Although Mr. Belcher was brought to Metro's office and the interview room in handcuffs for officer safety, while in the room and during the entire interview, he could move about and was not cuffed. In fact, he had items in his pockets and was able to reach into his pockets when we wanted to, wore sunglasses during much of the interview, pulled the car key out of his pocket, and put gum in his mouth. He could not have just walked out of the interview room into Metro's offices without an escort, however, and the door to the room was locked when the detectives were out of the room and Mr. Belcher was left alone. Mr. Belcher voluntarily responded to questions, and chose not to voluntarily respond to some questions, which he was permitted to do. The atmosphere was not police dominated, although certainly the detectives directed the conversation to the subjects they wanted to cover and ask Mr. Belcher about. No strong-arm tactics or deception were used, as there was no yelling, intimidation, or misrepresentation of the information they had. They did arrest Mr. Belcher at the termination of questioning, after he was unable to explain the proximity of his car to the crime scene on the day in question and continued to deny he was there, and the traffic officer who had issued the ticket came to the interview room and definitively identified Mr. Belcher as the man to whom he had issued the ticket. While Mr. Belcher was in the interview room for about three and a half hours, the interview itself took approximately 54 minutes. He was in the room about 22 minutes before the detectives came in to question him, he was alone for about an hour after the interview until the detectives came in with the traffic officer, and then he was arrested and booked. Considering these factors and after reviewing the entire interview, the Court finds that this was not a custodial interrogation and thus Miranda warnings were not required. The Court also finds that the statements given were voluntary. While Mr. Belcher asserts that he had used Xanax the prior night and morning, he was coherent and appropriately responded to the questioning throughout. While he asked for a lawyer at one point, he was not under arrest and was not entitled to an attorney, and thus the detectives were not obligated to discontinue the questioning. *Silva v. State*, 113 Nev. 1365, 1370-

71, 951 P.2d 591, 594 (1997).

For all of these reasons, the Court hereby denies Defendant's Motion to Suppress Statements and Evidence. The State should submit a proposed order, after providing a draft to counsel for Mr. Belcher for review and comment.

- Mr. Modafferi advised he has arranged for Mr. Maningo to be present October 24th; Mr. Daskas would like Mr. Langford present, but the plans for his appearance have not been made, but will make it happen. Mr. Daskas stated Mr. Langford needs to be present. Court admonished counsel to be on time for the October 24th hearing as it's the only matter on calendar that day. Argument in support of a continuation of the trial by Mr. Modafferi; 14 volumes of documents were just received and time is needed for investigation. To make it clear, Mr. Daskas argued that even without the prior homicide investigations the defense would still not be ready for trial as they've not concluded their mitigation investigations; the state is opposed to a continuance of the trial and recognizes to a certain extent the Court's hands are tied; the state is ready to proceed to trial. Mr. Modafferi advised the Deft, would like him to address his discovery motion and for which the Court has ruled on several of the request, but there has not been a final determination on certain things such as the DNA request, investigative notes and issues as to a potential second suspect. Mr. Daskas argued there was a surviving witness in the home and it's believed they may have heard something; that is the only information the state has

as to a 2nd suspect. Continued argument by Mr. Modafferi regarding discovery as to the alleged potential second suspect; an appointment will be made with the D.A.. TO compare list of what the defense has, and does not have. Colloquy regarding a continuation of the trial. COURT ORDERED, trial VACATED and CONTINUED. .

- DEFT'S MOTION TO STRIKE PRELIMINARY HEARING AND DISMISS  
CHARGES....EVIDENTIARY HEARING

Mr. Modafferi advised Mr. Daskas would like the Defendant to waive the attorney client privilege for purposes of examining Mr. Langford; the defense feels it's unnecessary for this motion and Mr. Maningo should not have been at the Preliminary Hearing as it's like having an unlicensed attorney present. Continued argument in opposition of waiving the attorney client privilege by Mr. Modafferi. Argument in support of the Deft. waiving the attorney client privilege by Mr. Daskas. Mr. Draskovich argued the Deft. had ineffective assistance of counsel because he did not have conflict free counsel. Court stated counsel will not be allowed to talk about pretrial, hypothetically saying whether or not the crime was committed by the Deft., but in terms of the intent to cross examine, or how to approach the prelim, there is a reasonable scope to allow questioning there, but the door will

not be opened to every conversation the Deft. had with counsel. Robert Langford SWORN. Before matters start, Mr. Daskas requested the Court inquire of the Defendant regarding the waiving of the attorney client privilege for purposes of this hearing only; communications specifically regarding the Preliminary Hearing and the strategy as to how to approach or address the witness(s) that brought this motion. Based upon the Court's prior ruling, Mr. Draskovich stated the attorney client privilege will be waived. Upon the inquiry of the Court,. Deft. stated he will WAIVE. Testimony of Robert Langford. Lance Maningo SWORN & TESTIFIED. Arguments as to their respective positions by Mr. Modafferi and Mr. Daskas. Continued argument by Mr. Modafferi regarding the harmless error analysis; requested the case be remanded for a new Preliminary Hearing and for the Deft. to be given a new writ date. Argument in opposition of requested remand by Mr. Daskas. Court stated findings and ORDERED, Deft's Motion To Strike Preliminary Hearing and Dismiss Charges DENIED; state to prepare a thorough order.

- The Court Services Officer advised the Defendant refused transport. Court noted it appears an agreement has been reached. At the request of Mr. Draskovich and there being no opposition, COURT ORDERED, Defendant's presence WAIVED for today's proceedings. Court stated testing is sought on 4 pairs of shoes and for which a proposed order was submitted. Mr. Pesci stated Mr. Daskas spoke with Mr. Modafferi and they've reached an agreement; time is needed for Mr. Daskas to appear with the order. Mr. Modafferi stated there is an agreement; but it needs to be reconformed. Mr. Draskovich stated an order to what has been agreed will be submitted. COURT ORDERED, Motion For Court Order For Production And Release Of Evidence From The Evidence Vault At The Las Vegas Metropolitan Police Department GRANTED; counsel is directed to let Chambers know when the order will be coming through, and it should submitted within the week. Mr. Whipple requested any recorded voice calls and/or recorded conversations, and any outgoing mail be provided and further advised a letter was sent putting the Court on notice he will be in another trial that starts the week prior to this trial, and it's uncertain if that trial will carry over into this one. Court stated Mr. Whipple is to let the other Judge know this case is proceeding to trial. As to the requested

discovery Mr. Pesci advised the first 60 days of telephone calls requested by defense counsel are not available due to a change in the jail recording system; the new company's system does not go back to when the Defendant was arrested in 2010, and the old company only retained the information for a year, and they are gone. As to the letters, Mr. Pesci stated specifics such as who the letter was sent to must be known. Mr. Whipple stated he will attempt to find out more specifics as to the letters; it's uncertain as to the State's intent for their use at trial. Court stated if there is something defense counsel is looking for in the letters they are to let the State know; and if the State intends on using any of the letters written by the Defendant they should be disclosed to allow investigations to be conducted by defense counsel. Court noted the understanding by all that this case needs to proceed to trial, and a way to make that happen will be figured out.

As to the Defendant's Pro Per Motion to Dismiss Counsel, a hearing outside the presence of the State will need to be had. Mr. Pesci stated the only concern is to resolve the conflict before getting to the motions and inquired if the Defendant still seeks to dismiss counsel. Mr. Whipple advised he has spoken with the Defendant in regards to a number of issues, but the Defendant would like to speak to

the Court; it's uncertain if the Defendant will proceed on the motion; but he would like to speak with the Court and that should take place prior to addressing the other motions. Upon the inquiry of the Court, the Defendant stated he would like to address the issue in regards to counsel. COURT ORDERED, matter TRAILED.

MATTER RECALLED:

As to the motion To Dismiss The Private Investigator, Mr. Pesci advised the Defendant has a written list and a clear record needs to be made as to what the Defendant wants, and if it's something the Defendant, or defense counsel should take care of. COURT ORDERED, proceedings SEALED for a hearing to take place outside the presence of the State with the only parties present being the Defendant, his attorneys and court personal.

MATTER RECALLED:

Present on behalf of the State, Ms. Bluth and Mr. Pesci, Defendant present with counsel. Court stated its persuaded there are some additional investigative items that need to be completed and are some delays in getting the shoe print evidence expert who needs to complete the work and other investigative items to be completed, and the Court having been persuaded those items need to be completed and would not be done by time of trial and ORDERED, Defendants Motion to Continue Calendar Call and Trial Date GRANTED; and in light of that the Defendant has requested his Pro Per Motion to Dismiss Counsel and Investigator be WITHDRAWN and a status check be scheduled, and COURT SO ORDERED. Record made by Mr. Pesci in regards to the shoe impression which the Defendant brought to the State late in the game, and which the State attempted to facilitate and get it on the way; the State would like to make sure the request is not because the State did not do something fast enough; nothing to compare the shoe impression with has been requested and it's uncertain as to why a continuance is needed; if there is something to compare it too, it must be disclosed; that's the State's request for reciprocal discovery. COURT ORDERED, State's request for reciprocal discovery GRANTED. Colloquy regarding the scheduling of the status check, and rescheduling of the 2-3 week trial. COURT ORDERED, matter SET for Status Check; trial CONTINUED. As to Defendant's Motion In Limine To Exclude Prior Arrests, Convictions, And Unrelated Bad Act Evidence And In The Alternative Motion To Admit Evidence Of Other Bad Acts Pursuant To NRS 48.035 And The Doctrine Of Res Gestae, Ms. Bluth advised the State is conceding it will not go into prior arrest and convictions. but the information they seek to get into would be the fact there was a burglary committed at the Postorino home, not saying in fact the Defendant committed it, but in Postorino's mind he did. Upon the inquiry of the Court, Mr. Draskovich agreed the Petrocelli standard has been met. Court inquired as to the fact there was a burglary at the Postorino home that he believes Mr. Belcher to be involved in, does that include the fact their relationship included drug transactions. Ms. Bluth and Mr. Draskovich concurred. COURT ORDERED, there is an agreement those matters can be presented into evidence, but other arrest, convictions and bad acts evidence about which there is no motion would not come into evidence. Ms. Bluth concurred. Arguments by Mr. Pesci and Mr. Modafferi as to their respective position as to Defendant's Motion in Limine for a Jackson V. Denno Hearing Regarding

Voluntariness of Defendant's Statement. COURT ORDERED, Defendant's Motion in Limine for a Jackson V. Denno Hearing DENIED. Mr. Whipple advised parties have met in regards to the jury questionnaire and have agreed to a proposed one if the Court will allow. Mr. Pesci stated the defense's proposed questionnaire was reviewed and the State's proposal was shared with defense counsel and parties have come up with one that will work and can be provided to the Court's Judicial Executive Assistant (J.E.A.) with the Court's permission. COURT ORDERED, request for Jury Questionnaire GRANTED; counsel to provide the questionnaire to the Court. Mr. Whipple stated he represented he had spoken with the State about a list of witnesses which they provided and represented they will update or provide any address they have of potential witnesses on their list that are unknown. Mr. Pesci advised he is coming into the case late and is not aware of it all, but the information will be passed along and if someone does not want to provide the information, the individual will be made available to the defense.

Mr. Daskas stated the trial will be conducted for the State by Ms. Bluth and Mr. Pesci, and advised on May 18th the Defendant filed a Motion to Dismiss Charge For Brady Violations, Order to Show Cause, and/or Motion To Continue Trial, and upon seeing the documents counsel was called and the bottom line is there is a document mentioned in this motion that defense counsel did not have in their possession and the State agrees defense counsel needs to investigate the information in that document. Mr. Modafferi stated the motions will be withdrawn and they are in agreement the defense needs to look into the substance of the information contained in that document. Defendant stated he was not informed of this. As a result of the file review, COURT ORDERED, the motions are WITHDRAWN for defense counsel to have time to look into that document. Colloquy regarding the

- DEFENDANT'S MOTION TO PLACE ON CALENDAR FOR STATUS CHECK ON TRIAL READINESS...DEFENDANT'S MOTION TO AUTHORIZE CLARK COUNTY DETENTION CENTER TO PROVIDE DENTAL PROCEDURE FOR DEFENDANT...DEFENDANT'S MOTION TO SUPPRESS EVIDENCE AND FOR RETURN OF PROPERTY...DEFENDANTS MOTION FOR ORDER TO SHOW CAUSE

Also present, Seethal Tejura on behalf of NAPH Care, Burak Ahmed on behalf of Sherriff Lombardo, and Dentist Dr. Allen Kirkwood. In the absence of Mr. Draskovich, Mr. Modafferi stated appointed co-counsel is not needed, and that he can stand in for Mr. Draskovich. Court directed parties take up the issue of the Defendant's dental care. Mr. Whipple moved for the Defendant's dental issues to be addressed that cannot be done at the Clark County Detention Center (CCDC), and requested the dentist provide his opinion of the Defendant's status; the States response has been reviewed, and

reply was issued with all of the KITES attached. Upon review of the KITES, Court stated it appears they came back over a dispute about whether the Defendant has to pay \$8 for the exam. Mr. Whipple argued the opposition said there were no KITES filed; at the end of the day the Defendant needs dental treatment, and counsel will pay the \$8; it's appropriate to find out from the dentist where things are at, and what needs to be done. Ms. Tejura argued the motion was not served on the relevant parties and was found by accident; the opposition was the KITE was submitted in reply, the dispute was about the \$8, and because of the Defendant's motion the doctor saw him last week and did an examination. Court noted the opposition by NAPH Care has not been seen. Ms. Tejura provided the Court with Defendants prognosis and the results of the examination of Dr. Kirkwood; the Defendant is asking for special treatment when it's not necessary under the law, or dental or medical perspective; he's getting constitutionally mandated treatment at CCDC, and just needs to provide the KITES. Court noted the Dentist says the filings are in place as they should be, and questions why he is complaining. Ms. Tejura stated it's believed the motion was filed before having an opportunity to see the Defendant; there's not been any KITES filed since the appointment, and the motion was filed prior to the Defendant being given pain medication. Dr. Allan Kirkwood addressed the Court in regards to the Defendant's medical needs and treatment. Upon the inquiry of the Court, Ms. Tejura acknowledged if a KITE is put in for other issues, the Defendant needs to just put in another KITE and he will be able to see the dentist without delay. Defendant advised the Court of his medical condition with his teeth, and of the difficulties he is having. Mr. Whipple requested the Defendant be sent to an outside dentist, wait 30 days, and see where matters are. Ms. Tejura argued the Defendant is getting constitutionally mandated dentist care and he can go to an outside dentist if he has the funds to pay for it; the motion should be denied and matters should wait and see how the pain medication is working, and he should go back to the dentist if it's not working. Mr. Whipple again moved for the 30 day continuance. COURT ORDERED, Defendant's Motion To Authorize Clark County Detention Center To Provide Dental Procedure CONTINUED. Mr. Ahmed advised they were not properly served. Ms. Tejura requested they be placed on the certificate of service for any dental issues. To the extent there are continuing issues in the case, Court directed both counsel be served in regards to any dental issues. Court directed parties to address the Defendant's Motion To Show Cause. Mr. Pesci advised there was no response from the State as that was on METRO; here on the suppression motion which was thought would be continued. Mr. Modafferi requested a continuance of the Motion To Suppress to reply to the opposition. Mr. Pesci stated the State concedes there should be a hearing on at least 1 of the aspects; a date for the reply and hearing to bring in the crime scene analyst is needed. COURT ORDERED, matter SET for Evidentiary Hearings; reply brief to be filed by September 23rd, As to the order to show cause, received communication from Ms. Bible from METRO they were not served. Mr. Ahmad stated this is the first time he has had this. Court noted Ms. Bible indicated your office would deal with the dental issue, she was not aware of the motion and was not served with it, Mr. Ahmad will handle the issue when served. Mr. Modafferi inquired if the hearing should be put off to serve them. Colloquy regarding a continuation of the order to show cause. COURT ORDERED, Motion To Show Cause CONTINUED; make sure there is service to allow an opportunity to respond. Court directed parties to figure out between all parties who will be responsible to request for items they want. Colloquy. Having heard it's the position of the District Attorney's Office it's not for them to respond, the Court would appreciate a substantive response before October 5th. Colloquy regarding trial readiness. Mr. Modafferi stated the matter was

placed on calendar by mutual request of all parties, been in contact with experts and are on track for trial; a motion as to the unconstitutionality of the death penalty will be filed. Mr. Pesci stated the cell phone analysis has been provided to defense counsel, which was part of the basis for the continuance.

- Mr. Whipple advised this is a well thought out request from the Defendant. COURT ORDERED, matter TRAILED to hear from the Defendant and counsel outside the presence of the State without waiving attorney client privilege. - Court noted parties agreed to continue the Order to Show Cause hearing. Colloquy regarding Defendant's dental care. Mr. Modafferri advised he understood Defendant paid for dental care with his own money and was supposed to go and be treated noting the Court was in agreement. However, counsel now understands there has been a non-medical decision not to take Defendant outside the facility. Mr. Modafferri received a letter from counsel representing LVMPD stating it was no longer going to happen. Upon Court's inquiry, Mr. Modafferri stated the appointment was for a scheduled treatment due to a bad infection. Mr. Ahmed advised it was his understanding it was for a second opinion. Mr. Ahmed offered to provide Defendant's medical records/films dating back to 2011 for an outside dentist to review. Further advised they have also offered to have a dentist come to the detention center to examine Defendant; however, they have not heard back from counsel yet. Mr. Ahmed stated they have an authorization prepared today for Defendant to sign and in exchange

they will provide his medical records to him in open court. Statement by Mr. Draskovich. Colloquy regarding whether procedure was medically necessary and if NaphCare could offer the same procedure. Statement by Ms. Tejura regarding medical treatment provided to Defendant advising they were not comfortable allowing Defendant to go outside for a second opinion noting there was no showing it was medically necessary; films were taken September 8 and revealed the fillings were intact. There was no worsening in Defendant's condition. Mr. Draskovich expressed concerns as to the detention center and counsel making medical determinations. COURT ADVISED it will not require Defendant be released for treatment until someone says he needs medical treatment. Mr. Ahmed provided Defendant with release form. Defendant executed said release and records were provided to Mr. Draskovich, on behalf of Defendant, in open Court. COURT ORDERED, matter SET for status check.

- EVIDENTIARY HEARING...STATUS CHECK: FOLLOW UP WITH DENTAL CARE  
...DEFENDANT'S MOTION FOR AN ORDER TO SHOW CAUSE...DEFENDANT'S MOTION TO  
SUPPRESS EVIDENCE AND FOR THE RETURN OF PROPERTY

Mr. Modafferi advised he has a letter and voicemail from the dentist, Dr. Cameron, he believes multiple visits to his office are necessary, and says the tooth is dying, and a root canal is needed; since he has not seen the Deft., his observations are based upon the records provided. Upon Court's direction Mr. Modafferi played the voicemail from Dr. Cameron. Mr. Modafferi advised the Deft. is

being treated differently from other inmates, and he wants to see the dentist; he and his family have incurred expenses due to the actions of CCDC, in the cancellation of various appointments to the dentist. Mr. Ahmed advised this is the first time he has heard the Doctor make those representations, and if defense counsel had informed him of the voicemail this could have been worked out with a phone call; still don't know if they want the \$1,800.00 to see the outside dentist. The Court inquired, if the Deft. or the family is going to pay for the dentist, Mr. Draskovich stated the money will be paid. Mr. Ahmed concurred it is less burdensome to pull the tooth out, instead of sending the Deft. to an outside dentist; it is their opinion the Deft. does not need to go outside for treatment, if medically necessary, it can be done at the Clark County Detention Center (CCDC), if not, they can make accommodations based on a case by case basis; will defer to the Court. Ms. Tejura advised she joins in backing what was represented, and there is no indication she has heard from the dentist that the root canal is medically necessary, and he did not note concerns about his other teeth; to the extent defense counsel is asking the Court to make a determination as to what is appropriate, or constitutional, or a negligent action, that is not appropriate. Court advised liability findings will not be made. Ms. Tejura further advised there has not been inappropriate or inadequate medical treatment provided to the Deft. at CCDC, he has been provided appropriate care and pain medication; requested the tooth be extracted at CCDC, and the November 2nd hearing be vacated. Mr. Draskovich advised based on the voicemail, it is inferred it is medically necessary; we will pay for the treatment and request an order transporting the Deft. to the dentist. COURT stated FINDINGS and ORDERED, based on Dr. Cameron's review, of the records, it is appropriate to transport the Deft. to Dr. Cameron's office to look at the Deft., and should he feel further treatment is appropriate, for which private payment will be arranged, that it should be done within the security restrictions CCDC has in place; it is ORDERED that occur within a reasonable amount of time, based on the protocol in the setting of appointments, and making sure security concerns are observed in the process; November 2nd hearing, Emergency Motion for Dental Care, VACATED.

#### MOTION FOR AN ORDER TO SHOW CAUSE

Argument in support of Motion to Show Cause by Mr. Modafferi, requesting any information as to maleficence, discipline, deception or standards by which tickets are issued. Argument in opposition of holding Metro in contempt by Mr. Ahmed; subpoenas where improper and procedurally in valid, and the only time internal files are considered discoverable is when there is police aggression towards the Deft. Court advised the defense is entitled to know if the officers have been disciplined for untruthfulness. Colloquy regarding a 2010 traffic stop, LVMPD's traffic policy and procedures, and whether it was the Deft. in the traffic stop. COURT stated FINDINGS and ORDERED, to the extent the motion seeks an order to show cause on contempt or impose contempt sanctions, Motion for Order to Show Cause DENIED; Metro is to respond to the three subpoenas with responsive documents to the Court for an In Camera review, and disclose as appropriate with regards to this case; with respect to the internal affairs files, if there is information, it is to be provided in regards to untruthfulness, maleficence, or inadequate investigation issues for the entire time the two detectives have been with Metro; and to the extent there are any written protocols for the issuance of speeding citations or the verification of the identity of the driver, they are to be provided in camera for review.

MOTION TO SUPPRESS EVIDENCE AND FOR THE RETURN OF PROPERTY

Mr. Pesci advised and requested the Court make a record of a letter the Deft. sent to him; the Deft. requested the letter not be shown to his counsel until today's hearing, and the letter was provided to defense counsel. Mr. Modafferi and Mr. Draskovich acknowledged this as correct. Court admonished the Deft., anything he says to the State can be used as evidence at trial. The Deft acknowledged that he is not permitted to speak to the State without his attorneys present. Testimony and Exhibits presented (See worksheet). Arguments in support of Motion to Suppress by Mr. Modafferi and Mr. Draskovich, and in opposition by Mr. Pesci. COURT stated FINDINGS and ORDERED, Motion to Suppress GRANTED as to the items within the backpack which were not part of the search warrant; Mr. Modafferi to prepare the Order.

- Argument in support of motion by Mr. Modafferri; there is a suggestive unreliable process of identification, an Evidentiary Hearing is requested to determine how officer Cavariche got into that room; his testimony should be sworn, reliable, and under oath. Argument in opposition of motion by Mr. Pesci; the identification is reliable, non-suggestive and under oath. Continued argument in support of motion by Mr. Modafferri as to the unreliability of the identification; an Evidentiary Hearing is requested. Mr. Pesci stated should there be an Evidentiary Hearing, it should be limited to conversations between Detective Hardy and Cavariche. COURT ORDERED, matter SET for Evidentiary Hearing to explore what he was told to come and make the identification, and to evaluate what evidence surrounded the identification to determine if it was unnecessarily suggestive, or if it's sufficiently reliable to come into evidence; this will not delay the trial. Colloquy regarding the scheduling of the Evidentiary Hearing. COURT ORDERED, matter SET for Evidentiary Hearing; State agrees to subpoena.

- Court noted the term "Relative" is the term agreed to be used to address the individual, although the Court understands who the person is. Exhibits Presented (See Worksheet). Colloquy regarding the basis of the motion, materials released to the relative, and the fact that when the jail released the materials they were not supposed to release, the jail offered to the relative to bring the materials back; the motion was filed to arrange a process through the Court for the return of the materials, but for some unknown reason the relative entirely destroyed the materials, and they cannot be returned. Mr. Modafferri stated he does not dispute the facts, but has a few additions. Mr. Burak argued the Defendant knew the relative took the materials, and could have had them brought back; now there is an issue as to what to do about the situation, and the Deft. is happy the papers have been released so the trial can be continued. Court inquired if parties are saying, on the tape the relative was instructed to destroy the materials. Mr. Burak and Mr. Pesci stated that's not the case. Mr. Burak argued an inference can be made an opportunity was made available, the materials could have been returned to

not delay the trial. Court stated, with the understanding the legal materials should not have been released, how does that justify the dismissal of the charges against the Defendant. Argument in support of motion by Mr. Modafferri; the materials are work product the Deft. is entitled to have. Court noted concern with the mitigation of damages when the documents and materials could have been returned; the items were released to the relative and known almost immediately it should not have been released. Mr. Pesci argued it was immediately know, and is on the record. Mr. Draskovich argued the Deft. represents it was several hours later when it was determined the materials were released, not immediately. Court stated, soon after it was taken, but before it was destroyed it was known this happened, and when it came to the attention of the jail to have it brought back, it was not brought back with the understanding defense counsel did not want the jail to look through the papers; there's concern the destruction of materials could have been avoided, and it's uncertain why the person destroyed the materials. Mr. Modafferri argued the relative has custody of the Deft's children, is being attacked because of the case, and her home is being firebombed; she is a reputable person and wants nothing in regards to the case in her house; once the Defendant realized she no longer had the materials, he tripped out. Upon the inquiry of the Court, Mr. Modafferri stated the Deft. wants to get back to where he was, and if he could, have the State and Law Library recreate the file. Mr. Burak stated attempts to rectify the situation were made when it was determined the legal materials were released, and they could have been brought back right away; although they should never have been released, the motion should be denied at this point, to be renewed after trial; want to look into the communications with the family member and investigator to determine why the documents were destroyed. Court noted the items would not have been destroyed if the Clark County Detention Center (CCDC) had not released materials that are not supposed to be released. Mr. Draskovich objected to METRO arguing in regards to the motion to continue. Upon the inquiry of the Court, Mr. Burak acknowledged if the materials had been brought back by the relative, for security reasons at CCDC someone would have had to look at what was provided, but there was nothing from preventing the Deft. and counsel from being present to look at the items. Mr. Pesci noted the disk submitted into evidence, stated the highlights will be pointed out, and presented argument in opposition of a continuance of the trial; there is no evidence the defense is not ready to proceed. Mr. Burak argued, in response to the question of the relative, the Defendant indicated his counsel has the paperwork, and it's believed the Deft. said ya after the family member said the materials were destroyed. Upon the inquiry of the Court, Mr. Modafferri stated he did not listen to the telephone calls, and argued he does not want a continuance of the trial, but feels compelled to ask for one, and would like to get together to get the information back to the Deft. Mr. Modafferri requested the trial be vacated and a status check be set as to trial readiness in 90 days. Court stated an opportunity is needed for the review of the exhibits, inclusive of the recorded conversations before a ruling is made and ORDERED, proceedings CONTINUED.

- Mr. Pesci announced the State is ready to proceed to trial with 25-30 witnesses and it's believed parties can work out a few stipulations to get the number down; the State will not be using the jail calls, nor the letters from the Defendant to the District Attorney (D.A.) in the State's case in chief. Mr. Modafferi stated that will clear the motion. Given the stipulation, COURT ORDERED, Defendant's Motion In Limine To Preclude Admission of Jail House Recordings And/Or Transcripts Of Jail House Recordings And/Or Letters Written By Defendant To Prosecutor calendared November 28th VACATED. Mr. Draskovich stated he's met with the Defendant, and in an abundance of caution Mr. Modafferi will be filing other Motions In Limine which should be filed today. Colloquy regarding evidence/evidentiary matters, Prospective Jurors to be released/excused in advance, trial logistics, the Jury selection process and Motions In Limine to be filed by Mr. Modafferi. Mr. Modafferi stated he's concerned about jurors doing outside research on the case and finding out about the Defendant's prior homicide, and requested the Defendant's other cases be locked down during the trial. Court directed Mr. Modafferi to provide the Court's Judicial Executive Assistant (JEA), and the State with

the case numbers, and the Court will think about the request before anything takes place; the Court will find out what it can in regards to that issue. Colloquy regarding the Jury Selection process, and trial logistics. COURT ORDERED, case to trial November 28, 2016 @ 1:30 PM.

Court stated there has never been a request by counsel to lock up a Defendant's other cases during a trial; it does not mean it cannot happen, but the Court needs to be persuaded there is a reason beyond the normal instructions given to do so. Mr. Modafferi agreed the public can find out more about this case if they googled it; it's just a matter that could be in our control, and the control of the Court to take that page off of the judiciary web-site. Matter submitted by Mr. Pesci.
