Attorneys for Appellant

CERTIFICATE OF SERVICE

I hereby certify that I am an employee of McDonald Carano LLP, and on the 28th day of February, 2018, a true and correct copy of the foregoing document was e-filed and e-served on all registered parties to the Supreme Court's electronic filing system:

/s/ Beau Nelson An Employee of McDonald Carano LLP

1	Q. And the reason why you are changing your
2	testimony is because in 2011 you went to the county
3	commission and did exactly that. You took a portion of the
4	multifamily property that you purchased separately in 2006
5	from Coyote Springs and redesignated it R2 residential
6	production real estate.
7	Isn't that true, Mr. Lash?
8	A. I'm not aware of that.
9	Q. You were told about that, were you not, sir?
10	You were shown the maps as a matter fact, weren't you, sir,
11	between October 28th and today?
12	A. I was shown some maps, yes.
13	Q. Okay. And those maps show that Pardee went
14	to the county commission and made their application in
15	December of 2010 after this litigation was commenced and
16	won approval from the Clark County Commission sitting as
17	the Clark County Zoning Commission on February 2012 2011
18	to redesignate 332 lots to single family production
19	residential property.
20	Isn't that true, sir?
21	A. I've already testified. I'm not aware that
22	is something that happens at the local division.
23	Q. And that is why, sir, you had to change your
24	testimony? Because that was discovered by your client when
25	we produced these new exhibits and now you realized that

1	Mr. Jimmerson had a saying that, yes, it would be
2	entitlement commission if we changed the use and now I need
3	to change my number.
4	Isn't that what happened?
5	A. That's not what happened.
6	Q. Let me review your testimony with you word
7	for word beginning, your Honor, at page
8	MR. J.M. JIMMERSON: Would you like to
9	approach?
10	MR. J.J. JIMMERSON: 209.
11	THE COURT: What are those?
12	MR. J.M. JIMMERSON: Copies of the testimony.
13	THE COURT: His transcripts?
14	MR. J.M. JIMMERSON: Yes.
15	MR. J.J. JIMMERSON: Transcripts of October
16	28.
17	THE COURT: I have it back in my office if
18	you want me to follow.
19	MR. J.J. JIMMERSON: Ms. Lundvall has a copy.
20	THE COURT: I would appreciate it because
21	then I could read it.
22	MR. J.M. JIMMERSON: We have multiple copies.
23	Permission to approach.
24	THE COURT: Mine is on my desk.
25	MR. J.M. JIMMERSON: I will get a second copy

1 for the witness. THE COURT: Hold on. Mr. Jimmerson. 2 3 MR. J.J. JIMMERSON: I think Mr. Lash has a 4 copy before him. THE COURT: I don't think he does. We have 5 all the exhibits but not the --6 MR. J.M. JIMMERSON: Permission to approach, 7 your Honor. 8 9 THE COURT: Yes. 10 MR. J.M. JIMMERSON: I believe you're going 11 to be in tab three. 12 MR. J.J. JIMMERSON: Mr. Lash, having read 13 your transcript before, do you recall that you saw tab 14 three, your testimony, Jon Lash, October 28, 2013, sir? 15 Let me get there. Α. 16 You bet, sir. Take your time. Do you have Q. 17 your -- have your testimony before you taken on October 28, 18 2013 as looks like to me 9:30 a.m.? 19 8:30. Α. 20 Q. Thank you. 8:30. My eyes are so bad without 21 glasses. And for the plaintiffs James Jimmerson. James M. 22 Jimmerson? 23 MS. LUNDVALL: Page. BY MR. J.J. JIMMERSON: 24 25 Q. Page one. Aaron Shipley. I'm trying to make

1	sure he has the front page in front of him?
2	Do you sir?
3	A. Yes.
4	Q. This is the transcript that you reviewed
5	between October 28th and the present provided to you by our
6	counsel which you acknowledge you read, correct?
7	A. Yes.
8	Q. And just so it's clear, your transcript of
9	pages that you reviewed is 374 pages; is that right?
10	A. Yes.
11	Q. Can we turn to the point we're at in your
12	examination, please turn your attention to page number
13	just start at page 252. Let's start then at page I'm
14	sorry if I said 252. I meant 254, line fifteen.
15	And we'll read the next four pages, five
16	pages together so we have good context and we'll know what
17	we said. Tell us what was said and by whom between Mr.
18	Wolfram and yourself in the second of the two conversations
19	by telephone in this time period, April of 2009 and
20	November 24th, 2009?
21	MS. LUNDVALL: You're on page 252?
22	MR. J.J. JIMMERSON: 254.
23	THE COURT: 254. He changed pages.
24	BY MR. J.J. JIMMERSON:
25	Q. 254, line 15. I'll start again.

1	Tell us what was said and by whom between Mr.
2	Wolfram and yourself and the second of the two
3	conversations by telephone. This time period, April of
4	2009 through November 24, 2009, answer by Mr. Lash. Just
5	that he still wasn't getting his answers. He still had a
6	lot of questions. And so we were trying to figure out what
7	else we could give him to help him understand.
8	Question. I'm trying to understand your
9	thinking, Mr. Lash. What harm or prejudice to Pardee would
10	there be designate use, location and acreage for property
11	that was purchased by Pardee that wasn't residential
12	production property like, for example
13	MS. LUNDVALL: Your Honor, this has nothing
14	to do with the question about whether or not that there is
15	some type of a change. There has to be proper foundation
16	of this witness in order to be proper impeachment.
17	THE COURT: I don't know if you're asking the
18	question too late in context.
19	MS. LUNDVALL: That has nothing to do with
20	that particular issue.
21	THE COURT: Hold on. Let's talk one at a
22	time. Are you trying to put it in contest so that
23	MR. J.J. JIMMERSON: The change in testimony.
24	THE COURT: You wouldn't get an objection you
25	didn't read before.

1	MR. J.J. JIMMERSON: The change in testimony
2	is two pages later, and this is very quick stuff.
3	THE COURT: Okay. I'm going to let him lay
4	the foundation. If it doesn't, then I'll know it didn't.
5	BY MR. J.J. JIMMERSON:
6	Q. I'm trying to understand your thinking, Mr.
7	Lash. What harm or prejudice to Pardee would there be to
8	designate use and location for amount of property that was
9	purchased by Pardee that wasn't residential production
10	property like, for example, multifamily or something else
11	that Pardee might want to buy? What harm or prejudice is
12	there to your company that would cause you to unilaterally
13	decide not to provide maps and information about these
14	takedowns?
15	Answer. Well, it's typically not our general
16	practice to provide information to a third party that is
17	not privy to our deals.
18	Question. This is not a third party. This
19	is someone you have an affirmative obligation in writing to
20	honor to provide all information about these matters.
21	So knowing that affirmative obligations, why
22	didn't you provide this just so you could let them
23	independently determine as you said they should be able to
24	do as opposed to just trust you or take your word for it.
25	There were objection, and then I asked

1 another question at line seven of page 256. 2 THE COURT: 256, okay. 3 BY MR. J.J. JIMMERSON: And I forget. There is an answer at line 4 Q. 5 four, Judge. The witness. Our typical procedures only to give information associated with people that are involved 6 in the deal question. 7 8 By Mr. Jimmerson. In this case Wolfram and 9 Wilkes are involved in this deal, aren't they? 10 Answer. They were involved in the single 11 family land acquisition. Correct. 12 Now I'm assuming you and you Mr. Whittemore 13 referenced and Mr. Wilkes noticed to the exclusion of my 14 clients they are not entitled to participate in that type 15 of things of changes with regard to definition of the 16 purchased property or purchased. The amount of the 17 property, the location of the property, all the things we 18 discussed together today, haven't you discussed that, 19 right? 20 Answer. Yes. 21 Question. So if Pardee chose to change in 22 2024, property that they bought in the last five years 23 feeling it would be multiparty housing, apartment housing 24 and changed it to residential, how would our clients ever 25 know that fact?

1	Just like you've changed other designations,
2	what stops you from changing the intent two years ago or
3	four years ago to something you might do 10 years from now
4	when the economy improves?
5	Answer. I don't think there is anything.
6	Question. Right.
7	Answer. I mean Harvey can say the rest of the
8	property is going to be all golf courses or all
9	commercial, and we would be precluded from buying it.
10	Question. I'm talking about the property
11	you've already bought. You bought multifamily property
12	that is deemed or designated multifamily. You told us so
13	and Mr. Whittemore confirms.
14	I'm asking you. You have the right to change
15	its use, do you not?
16	Answer. We have a right to.
17	Question. And so because you retain the right
18	to change the use, if you change it to residential, it
19	would, thus, entitle my clients to the compensation
20	bargained for and confirmed in their commission agreement,
21	correct?
22	Objection by Ms. Lundvall.
23	Question a new question by Mr. Jimmerson.
24	If they changed the use of the property, Mr. Lash, and you
25	changed it to single family residential production, that

1	would entitle my clients to compensation; isn't that true?
2	Answer. I haven't really thought about it.
3	We have no intent to do that. So if you were to change
4	the present intent and make it residential, that would
5	entitle my client to compensation under the agreement;
6	isn't that true?
7	Answer. It probably would be.
8	Question. And you retain as Pardee, not you
9	personally, but Pardee retains the right to choose and
10	make that designation in the future as best suits the
11	company; isn't that true?
12	Answer. Well, we just can't go change use. I
13	mean, that is a whole public process which is why I was
14	asking these questions.
15	Question. I understand. But residential is
16	less dense then multifamily. So anything zoned by
17	multifamily will absolutely qualify for residential.
18	Wouldn't you agree, sir?
19	Answer. Not necessarily. We have a situation
20	in Sand Diego where we bought 40 to the acre and we're
21	trying to down zone the property.
22	And the city needs the units. So they are not letting us
23	down zone.
24	Question. In that dense area, do you think
25	that is comparable to the 40,00 acres of vacant land in

1	Coyote Springs?
2	I'm just using that as an example.
3	Question. In any event because you do retain
4	the right to change the use and if you need to obtain the
5	governmental approvals in zoning, that would then cause my
6	clients to that then would cause my clients to be
7	entitled to dollars associated with that if you built
8	residential, correct?
9	Answer. Correct.
10	And, therefore, I'm saying to you wouldn't it
11	be faithful to the promise you made, that Pardee made to
12	our client to provide the location and acreage of the
13	property and designated use of the property even though
14	you think it's not residential and therefore they are not
15	entitled to compensation? Aren't they entitled to know of
16	all purchases regardless?
17	Answer. Currently it's not and we're under a
18	strict confidential agreement with CSI.
19	Have you asked my clients to sign a strict
20	confidentiality agreement, the exact one that has been
21	signed between CSI and Pardee? You never have, have you?
22	Answer. No. I tell you my clients would sign
23	such a document if ever asked, end of quote.
24	Are you now changing your testimony as I
25	listen to your testimony from the words, you have no

1	intent to change the designation which you know is not
2	true because you have made a change of designation in
3	2011?
4	MS. LUNDVALL: Your Honor, I'm going to
5	object.
6	MR. J.J. JIMMERSON: I'll rephrase the
7	question.
8	THE COURT: He just testified he doesn't
9	know.
10	BY MR. J.J. JIMMERSON:
11	Q. You're changing the testimony instead of
12	saying that my clients Wolfram and Wilkes are entitled to
13	compensation or the agreement to change in use probably
14	would be, and then you went further to say if you went to
15	the zoning and got it changed, would they be entitled to
16	the top of 259, correct?
17	You're now changing both of those answers to
18	say you wouldn't be my client wouldn't be entitled to
19	compensation if you had non single family use and then
20	later changed the use to single family use; is that your
21	testimony?
22	A. That's correct.
23	Q. Thank you.
24	A. I think I testified that I went back and
25	thought about it. Came up with different reasons

1 independent of what our team is doing, and I was not aware 2 of the whole --3 THE COURT: Okay. 4 THE WITNESS: -- thing that Mr. Jimmerson 5 brought up. BY MR. J.J. JIMMERSON: 6 7 Q. And the reason you went back and thought 8 about your answer is because you know in the interim we 9 found the maps that you're talking about and the zoning 10 commission where in February of 2011 you received Clark 11 County Zoning Commission approval to change a portion of 12 the multifamily parcel to residential single family use? 13 Α. I just testified I wasn't aware of that. 14 THE COURT: Say that again. Make sure for 15 the record. He says he's not aware of that. 16 BY MR. J.J. JIMMERSON: 17 Q. Thank you. Would you look -- you testified 18 that Ms. Lundvall showed you a map, correct? 19 MS. LUNDVALL: Objection. 20 MR. J.J. JIMMERSON: He said he saw a map. 21 Who showed you the map? You said you a saw a map of this 22 change. 23 MS. LUNDVALL: No. He did not. And that's 24 where --25 THE WITNESS: You asked me if I had seen a

1	lot of maps.
2	BY MR. J.J. JIMMERSON:
3	Q. I didn't ask a lot of maps. I asked did you
4	see a map that evidenced the downsizing of the density to
5	single family residential and you said yes.
6	A. I think she asked me if I had seen a lot of
7	maps in the previous testimony.
8	Q. What maps have you seen since October?
9	A. I don't think I've seen any maps.
10	Q. Okay. Would you look, please, at I think
11	it's Defendant's exhibit. It's Plaintiff's Exhibit 15.
12	So what do you have there?
13	THE COURT: Fifteen.
14	BY MR. J.J. JIMMERSON:
15	Q. I'll take that away from you. Appreciate it.
16	You've done that 15 times.
17	All right. Now, looking at Plaintiff's
18	Exhibit 15, this is your letter to Mr. Wolfram of November
19	24th; is that right?
20	A. Yeah.
21	Q. All right. You recognize that document,
22	correct?
23	A. Yes.
24	Q. And when I asked you the questions that we
25	just read into the record, you remember that I referenced

1	the time period between April of 2009 and November 24 of
2	2009?
3	Do you recall that?
4	A. Yes.
5	Q. The two conversations you claimed to have had
6	with Mr. Wolfram during that time period, the significance
7	of November 24, 2009, of course, is your letter that you
8	wrote to them on that date.
9	You have before you now, right?
10	A. Yes.
11	Q. All right.
12	A. It even starts off by saying this letter
13	follows our recent conversation.
14	Q. Right. Very good. There is something new
15	since Jon Lash is on the stand although you may have heard
16	about it through communications with your lawyer, that is
17	the testimony of Harvey Whittemore to a map that's attached
18	to that letter which you now turning your attention to the
19	map attached to Exhibit 15 in the original court clerk's
20	exhibits
21	MS. LUNDVALL: Your Honor, once again, and
22	I'm now as far as I need to make some kind of objection to
23	try to make sure the witness understands the questions
24	that are being posed to him. I don't think it's
25	appropriate for counsel to throw out some comments about

1	Harvey Whittemore's testimony.
2	MR. J.J. JIMMERSON: Because it has Harvey
3	Whittemore's handwriting, Judge. So he can understand
4	what it's about. Am I going to have him look at it and he
5	not be told why it's there?
6	MS. LUNDVALL: Your Honor, from that
7	perspective I'm going to
8	THE COURT: It can be misleading. I
9	understand what you're saying. So what it is look at
10	the map that is attached to 15. Since you were here, Mr.
11	Lash, we had Mr. Whittemore do some writing on it. That
12	may help the questions he's going to ask. That was the
13	foundation. It's different from when you were here. All
14	right.
15	THE WITNESS: I'm not that versed in these
16	maps.
17	THE COURT: And you know what, you can only
18	testify to what you have knowledge of. And Mr.
19	Jimmerson's understanding that. So if you don't and he
20	doesn't know, unless he asks you different things, that's
21	why just because he's asking doesn't mean you're supposed
22	to know. But he has to ask too, all right. Okay.
23	Let's start again. Now we're going to look
24	at map part of 15.
25	BY MR. J.J. JIMMERSON:

1	Q. Mr. Lash, I asked you some questions about
2	Exhibit 15, October 20, 2013, correct?
3	A. Yes.
4	Q. Your counsel, Ms. Lundvall, asked you many
5	questions about this same exhibit this morning and
6	afternoon, correct?
7	A. Yes.
8	Q. All right. So let's talk about the very same
9	exhibit that you have knowledge about in 2000 October 28
10	and knowledge again today on December 10, 2013.
11	I will represent to you that Mr. Whittemore
12	in that map and, Judge, just for the record, I would
13	like to have a color copy of that. I don't have that in my
14	set of books like Ms. Lundvall doesn't either. Maybe we
15	can get copies of that.
16	THE COURT: Sure. That's the map that is
17	attached that
18	MR. J.J. JIMMERSON: That has the squiggly.
19	The clerk has.
20	THE COURT: I think I have it. The clerk has
21	it. After court today please come up and we'll or
22	tomorrow morning.
23	THE CLERK: I think there is a color copy in
24	that book.
25	THE COURT: There is. I have one because

12/10/2013 - Wolfram v. Pardee Homes of Nevada 267

1 Mr. Whittemore did it for me. We made sure there was one. 2 He's saying they don't have one. 3 THE CLERK: I can't make color copies. Our 4 copier is not capable. 5 THE COURT: We don't have a color copier 6 machine. MR. J.J. JIMMERSON: Some way if you'll allow 7 Ms. Lundvall and Mr. Shipley to take it to their office or 8 9 allow me to do the same, I'll have them run five copies 10 and bring it right back. 11 THE COURT: That's why we didn't make it. 12 MS. LUNDVALL: We have no objection to doing 13 that. 14 THE COURT: No problem. 15 MS. LUNDVALL: Thank you. 16 BY MR. J.J. JIMMERSON: 17 Q. To represent to you accurately and 18 succinctly, Mr. Whittemore says that the red -- sort of the 19 country of India that is right below the map that is right 20 here in red, is the 250 acres that is covered by the 21 multi-family agreement between CSI and Pardee Homes of 22 Nevada. 23 THE COURT: Are you aware of that? We need 24 some foundation with him. Are you aware of that or have 25 you seen these maps before?

Γ

1	THE WITNESS: I know the multifamily was in
2	that area. I don't know precisely anymore.
3	THE COURT: Okay. Go ahead.
4	BY MR. J.J. JIMMERSON:
5	Q. So another question I would have for you,
6	where is the multifamily property that was purchased by
7	Pardee Homes under this side agreement that you didn't
8	disclose to my clients?
9	MS. LUNDVALL: Think that maybe we can have a
10	question without a commentary?
11	BY MR. J.J. JIMMERSON:
12	Q. It's a question. You didn't send us a copy
13	of the multiparty agreement, did you, multifamily
14	agreement?
15	A. That's correct.
16	Q. You intentionally withheld it; is that
17	correct?
18	A. That's correct.
19	Q. Where is the property located on that map
20	that you caused to be drawn through your engineer that you
21	had on, you know, on
22	A. I believe it's in the vicinity where the red
23	is, but I can't verify its exact bounds with the
24	dimensions.
25	Q. Would you agree with Mr. Whittemore's design

1	generally within that red area is where the multifamily
2	property is located?
3	A. Generally, yes.
4	MR. JIMMERSON: All right. Thank you. May I
5	approach the witness, your Honor?
6	THE COURT: Absolutely.
7	BY MR. J.J. JIMMERSON:
8	Q. Show you now this is what I call
9	residential five in terms of an area. I don't want to mark
10	on the document. We'll call it the most south and west
11	portion of the we'll call that that area
12	A. Up to the green.
13	Q. No. No. In this area.
14	A. Just the cross-section.
15	Q. Right. Just about the size of 80 acres.
16	A. All right.
17	Q. All right. Now, through the testimony of Mr.
18	Whittemore, we learned on October 29th, the day after,
19	after you testified, that the last transaction or one of
20	the very last transactions from 2009 was the squaring up of
21	property and in exchange of property.
22	Where property on the other side of the
23	parkway PJA Parkway owned by you, owned by Pardee, was
24	traded for sellers exchange parcel right in the same area
25	that I just pointed out to you in Exhibit 15?

1	Okay. Are you familiar with that exchange
2	parcel?
3	A. I'm familiar with the exchange concept. As
4	far as the location of the actual properties, I'm not.
5	Q. Okay. Let me show you then Exhibit Number
6	13, please. That's just two before. And just maybe turn
7	the page down or put a pen there so we can go back to 15 in
8	a minute. Let me just show you 13.
9	A. Which is again number eight?
10	Q. Yes, sir.
11	A. Amendment 8.
12	Q. Amendment 8 was the last of the amendments to
13	the amended statement.
14	MS. LUNDVALL: Did we give the designation of
15	confidentiality, your Honor?
16	BY MR. J.J. JIMMERSON:
17	Q. We would so stipulate. June 18, 2009 is the
18	date of this Eighth Amendment. And would you look, please,
19	at Exhibit E of the document which to help you is going to
20	be found, I believe, at exhibit bates stamp number
21	forgive me. 1190.
22	So look at the bottom right-hand corner.
23	Find CSI Wolfram 1190. This is description of seller
24	exchange parcel.
25	Do you see that, sir?

1	A. Yes.
2	Q. Okay. And if you turn two pages earlier, Mr.
3	Lash, if you would, you'll see Exhibit D, description of
4	buyers exchange parcel at bates stamp 1188.
5	Do you see that?
6	A. Yes.
7	Q. As explained to us by Mr. Whittemore at the
8	moment before exchange, Pardee owned this parcel at 1188
9	26.89 acres.
10	Do you see that, sir?
11	A. Yes.
12	Q. And to the left to the west of to the left
13	of Coyote Springs Parkway.
14	Do you see that?
15	A. Yes.
16	Q. And it trades or exchanges this parcel for
17	then you go two pages deeper, 1190. The almost identical,
18	the 26.89 acres in the darker gray cross hash figure on
19	Exhibit E.
20	Do you see that?
21	A. Yes.
22	Q. And so at a moment in time before the
23	exchange had been open owned by Coyote Springs adjoining
24	the Coyote Springs property that you see right to the east,
25	right to the right of that CSI and then immediately after

1	the exchange you, Pardee acquired this property and gave up
2	the rights to the other parcel I just showed you in Exhibit
3	D all within Exhibit 13?
4	A. I believe that's correct.
5	Q. All right. 26.89 acres fairly closely
6	aligned. In other words, on each side of Coyote Springs
7	Parkway exchanged for 26.89 acres of the other. Agreed?
8	A. Correct.
9	Q. Now, something else was happening here in
10	2009, and that is you're looking at the cost of utilities
11	and trunks and the location of the community center where
12	model homes to be showed where changed from a little bit
13	more in the north down to the present location that you see
14	here in Exhibit E.
15	Do you recall that occurring?
16	A. Yes.
17	Q. And, therefore, you wanted to tie and,
18	therefore, at this parcel you wanted to exchange and
19	acquire, because taken together, the Pardee property on the
20	left where it says Pardee and the exchange parcel on the
21	right is the dark gray hash together would be where Pardee
22	intended to first build its single family production
23	housing. Agreed?
24	A. Yes.
25	Q. And, in fact, you went so far to point out

1	that in the dark gray hash would be where model homes would
2	be built by your company, by CSI, and other builders that
3	might have agreements with you and CSI?
4	A. Which is adjacent to Town Center?
5	Q. That is exactly right. You got it.
6	A. Right.
7	Q. My next question is withdrawn.
8	Is it true that the property to the west of
9	the exchange parcel that is marked Pardee is property
10	acquired by Pardee under the multifamily signed agreement?
11	A. That happens in Exhibit 15.
12	Q. That's right. I'm going to show you another
13	map to convince you that what we're saying is true. I
14	don't want you to just follow along.
15	A. Show me on this map where the golf course is.
16	This says golf course.
17	Q. It's down here.
18	A. Show me on this map where the same parcel is.
19	Q. Right here. Now, to help you, go to Exhibit
20	12, please. And within that Exhibit 12 find map B6 which
21	is that bates stamp CSI Wolfram 1161.
22	A. All right.
23	Q. Now, I know you know the property, but Coyote
24	Springs Parkway and the Denali intersect right there,
25	correct?

1	A. Yes.
2	Q. Would you show that to the Judge, please.
3	Judge, would you take a look at where Mr. Lash is telling
4	you is the intersection of Denali Summit Road and Coyote
5	Springs point blank?
6	A. Right here. Coyote Springs.
7	THE COURT: So he's asking
8	BY MR. J.J. JIMMERSON:
9	Q. Let the record reflect he's referring to the
10	western part of the property where you have the parkway two
11	matching. I don't know how to mark it right here.
12	A. It shows on this map.
13	Q. Go ahead, if you would.
14	A. You got Coyote. You've got Denali.
15	THE COURT: Right there.
16	BY MR. J.J. JIMMERSON:
17	Q. Would you mark a black X there for us,
18	please?
19	A. (Witness complies.)
20	THE COURT: It helps all of us.
21	BY MR. J.J. JIMMERSON:
22	Q. Isn't the property I've just shown you
23	exchange parcel and the property part of the property
24	acquired by Pardee and multifamily this property right
25	here, let's call it res 5, residential five?

1	MS. LUNDVALL: That question is misleading
2	because this is in Exhibit 12. I'm going to place an
3	objection here, because the question is misleading.
4	Exhibit 12 deals with only multifamily. It does not deal
5	with the buyers exchange parcel.
6	MR. J.J. JIMMERSON: You're right. It does
7	absolutely include the buyers exchange parcel and I'm
8	asking the question.
9	THE COURT: I think you're asking a different
10	question.
11	BY MR. J.J. JIMMERSON:
12	Q. It's a different question. Isn't the parcel
13	to the left of Exhibit B let me show you again. Isn't
14	that parcel, a portion of that parcel, this picture doesn't
15	show anything. That's the question, sir.
16	A. I believe so. You've got Denali Summit at
17	the top and Coyote Springs kind of at the bottom, I
18	believe it is.
19	Q. All right. Thank you. Listen, I want to be
20	fair to you. Are you being square with us or are you not
21	being square with us when you say you don't know that your
22	company applied for and received a change of designation of
23	use two years ago, February 11, for that same property?
24	A. I'm being square with you.
25	Q. Let me show you the map. I would like to

1 refresh your recollection.

2	MS. LUNDVALL: Your Honor, at this point in
3	time, we're now trying to introduce new exhibits for which
4	The Court has already made a ruling.
5	THE COURT: What are these exhibits?
6	MR. J.J. JIMMERSON: These are Clark County
7	zoning map commission maps that we located after Mr.
8	Whittemore testified on Tuesday, October 29, 2013, where
9	he now told us where a portion of the residential property
10	was. But which is as you can see from the exhibits, were
11	already marked with single family production model
12	property directly akin to the exchange parcel that he was
13	speaking to when I was examining him. You know, it hit me
14	like a ton of bricks. The same single family development
15	to the west of that was identical to the same small little
16	squares of the exchange property. So when I went to that
17	and then Mr. Whittemore did say that that property to
18	the west that was under the name Pardee was acquired as
19	part of the multifamily residential. So if it's
20	multifamily, my client is not entitled to commission.
21	Well, just as a matter of, you know, malpractice
22	prevention, just, you know, you wake up in the morning at
23	3:00 o'clock in the morning. I went to the county with my
24	son and Mr. Wolfram, particularly my son. And Mr. Wolfram
25	brought back certified copies of the map showing that

1	THE COURT: Let me hear the foundation.
2	MR. J.J. JIMMERSON: That Pardee in December
3	of 2010 applied for a rezoning of that very property we're
4	talking about to single family production residential and
5	received approval in February of 2011. And we have both
6	the application in Pardee's name. We have the Clark
7	County Commission Zoning decision. You can take judicial
8	notice under 47.130 and 40 of County records. We can dial
9	right now on that television and show you the action the
10	Clark County commission to do exactly as I represented to
11	you.
12	THE COURT: I'm sure they say what they say.
13	That's not really the issue.
14	MR. J.J. JIMMERSON: Well, it is the issue,
15	because that is not you wouldn't expect I'm not
16	going to argue with you, your Honor.
17	You wouldn't expect Pardee to do something
18	like that to my clients. You wouldn't expect them to
19	treat them. You just wouldn't.
20	THE COURT: I'm trying to find out what
21	you're doing, you're representing to The Court. You knew
22	you could not find out that that copy we've been talking
23	about, that multifamily designated property had been
24	changed. There's nothing you got in discovery that would
25	help you with that. We argued about this yesterday. That

1 it would have been in the multifamily agreement. 2 Can I just finish? 3 MR. J.J. JIMMERSON: Yes, ma'am. 4 THE COURT: Please. I'm trying to sort 5 through. 6 MR. J.J. JIMMERSON: I do apologize. 7 THE COURT: So, and we're back. And so that 8 was not produced. And we went through all of that. So 9 what you're saying now is that you got new information 10 from Mr. Whittemore when he testified that you did not 11 have before, because you didn't have the multifamily 12 agreements, correct? 13 MR. J.J. JIMMERSON: Right. 14 THE COURT: And you got that new information. 15 So when you got that new information from Mr. Whittemore, 16 you then took that and did this discovery. I'm just 17 trying to figure out where we're at. 18 MR. J.J. JIMMERSON: Exactly. It is Mr. 19 Whittemore's gloss. 20 THE COURT: His what? 21 MR. J.J. JIMMERSON: His gloss, his 22 interpretation, his explanation that turned the light bulb 23 on. We didn't know where the multifamily was with 24 specificity. 25 MS. LUNDVALL: Your Honor, from this

1	perspective, that is a false statement based upon the
2	exhibits that are before The Court already.
3	MR. J.J. JIMMERSON: No, it's not.
4	MS. LUNDVALL: They have the maps with which
5	I with specific identification of where the multifamily
6	were located. In addition, they have the exhibits which
7	was amendment 8 that identified the buyers exchange. They
8	have all of the documentary evidence that served as the
9	foundation for Mr. Whittemore's testimony.
10	THE COURT: But he but his testimony put
11	it together for them.
12	MR. J.J. JIMMERSON: That's number one. And
13	number two, the exchange parcel was part of the 84
14	million. We're not asking for that.
15	THE COURT: No. I understand that you're now
16	doing a new area. You're saying I understand where
17	we're going, because this is a new issue. I understand
18	it's a brand new issue that's come up.
19	MR. J.J. JIMMERSON: In addition, I've not
20	yet asked to admit a document. I very well may ask to do
21	that in a few moments.
22	So you understand you have the right without
23	admitting anything to take judicial notice of county
24	records that are on file?
25	THE COURT: No. I understand that.

1	MR. J.J. JIMMERSON: And you can take a look
2	at the map that we have. Plug it in for you, this map,
3	and the application, check, show you to see exactly what
4	I'm telling you is true.
5	MS. LUNDVALL: Your Honor, from this
6	perspective, a couple things along this particular line.
7	THE COURT: Let's get I want to go through
8	it. It's not a surprise to you, obviously, because your
9	client is the one that did it. I understand that.
10	MR. J.M. JIMMERSON: And we produced copies
11	of all these records approximately two weeks ago, your
12	Honor. They were contemplated.
13	MR. J.J. JIMMERSON: It's not a surprise
14	today.
15	THE COURT: I know that, but it didn't happen
16	during discovery.
17	MS. LUNDVALL: What it is is that they were
18	well-aware of the multifamily agreement. As the court had
19	learned yesterday, they never asked for those multifamily.
20	MR. J.J. JIMMERSON: We didn't demand it. We
21	didn't move to compel. We did absolutely ask for them.
22	THE COURT: I understand when you didn't
23	produce it, then you didn't do the motion.
24	MR. J.J. JIMMERSON: This is also a suit for
25	a counter and not that we have to beat them to death on a

1 motion to compel. I appreciate that. I would be very happy to move to compel. Trust me, I was plainly 2 3 embarrassed by yesterday. 4 But here is my point. Here is my point. 5 When they are intentionally refusing to disclose the documents for reasons Mr. Lash has indicated, and then his 6 7 own staff goes back and rezones this to single family 8 production --9 MS. LUNDVALL: That is a false statement. He 10 indicates exactly when those maps were filed. It was in 11 December of 2010. 12 MR. J.J. JIMMERSON: That's correct. That's 13 right. MS. LUNDVALL: And so, therefore, he couldn't 14 15 have known of any of these documents since December of 16 2010. 17 MR. J.J. JIMMERSON: He's had three years to 18 know about it, Counsel. 19 MS. LUNDVALL: The issue, your Honor, is 20 this. They were also well-aware by having the amendments 21 of what it is that the parties were doing. To suggest now 22 that we're going to inject a brand new issue into this 23 case for which that has never been raised, whether it be 24 in the complaint, whether it be in discovery, whether it 25 be in the pretrial activity that we did, the pretrial

1 disclosures that we did.

2	Counsel makes the suggestion that somehow
3	that documents that they delivered to my office on a
4	Wednesday at 5:00 o'clock before Thanksgiving that consume
5	an entire bankers box, an entire bankers box that are
6	brand new. Never been seen before. Never been shown in
7	this, that somehow that they can now be injected into this
8	trial, that is trial by ambush.
9	And to make a misrepresentation to this
10	court, a misrepresentation to this court, that has been
11	suggested that between Mr. Lash's testimony and in October
12	when he has taken the stand now in December, that we did
13	something during that interim period of time and therefore
14	that's what they are trying to introduce is a false
15	statement.
16	THE COURT: I don't take it that way to be
17	honest. I take it that this was a new issue that came up.
18	I understand that. I tried to look through things. I
19	understand. And if the door you asked a legitimate
20	question, and the door was Mr. Lash, I understand that.
21	MS. LUNDVALL: Mr. Lash testified he doesn't
22	know anything about this.
23	THE COURT: But he this issue is really
24	related on the commissions.
25	MR. J.J. JIMMERSON: That' right.

1	THE COURT: And I understand he's clarifying
2	changes. There is no question his position. My concern
3	is this is an issue that is related to the commission
4	agreement, okay. And so that is relevant. Obviously, I
5	have not heard it before. Maybe it just came up to Mr.
6	Jimmerson.
7	MR. J.J. JIMMERSON: It certainly did.
8	THE COURT: And I understand that. And I
9	also don't want trial by ambush, because I think it is a
10	legitimate issue now.
11	MR. J.J. JIMMERSON: And these are public
12	records.
13	THE COURT: I'm trying to figure out a way,
14	because I do understand you can't get a bankers box, you
15	know, you have to have a chance to prepare. I understand
16	that. I don't know how many weeks, I don't know. You
17	know, I mean
18	MS. LUNDVALL: Well, he can represent to the
19	court that what we received was on Wednesday at 5:00
20	o'clock.
21	MR. J.J. JIMMERSON: The 27th.
22	MS. LUNDVALL: Before Thanksgiving.
23	MR. J.J. JIMMERSON: Two weeks ago.
24	MS. LUNDVALL: When I as far as saw these
25	documents was on the Monday when we get back from

1	Thanksgiving vacation, and we now are a week later in
2	trial.
3	MR. J.J. JIMMERSON: Nine days later.
4	MS. LUNDVALL: And so to the extent, your
5	Honor, that what we're doing is at this point in time is
6	entirely trying to, number one, expand the scope of my
7	cross-examination, expand the scope of this case for which
8	that there has been no notice, and to make a suggestion,
9	in addition, your Honor, that we did something during this
10	interim period of time which I take huge offense at.
11	THE COURT: I'm not looking at I'm just
12	looking at the dynamics of what happened. I understand
13	what happened. I don't think anybody intentionally meant
14	to hide anything. I don't think you intentionally didn't
15	pursue an avenue. We can see every avenue. I understand
16	that.
17	It's just it's a situation where something
18	came out, and I understand that it was an issue. And that
19	happened in testimony. It does happen. That's why you
20	can sometimes amend your complaint. I understand that.
21	I'm just trying to figure out a way. I don't
22	expect you to be able to do all of it in a week either. I
23	understand that. So we've got to fashion some type of
24	remedy that I don't feel comfortable now closing the door
25	on them because of the testimony, because it's related to

12/10/2013 - Wolfram v. Pardee Homes of Nevada 285

1	the whether they would or would not get a commission
2	which is the whole foundation for this case.
3	MR. J.J. JIMMERSON: Not to mention, you
4	could bring a new lawsuit for this new property, why would
5	you want to do that when we have it all here?
6	THE COURT: I don't want to do that. I don't
7	want to make anybody else go through all this. I'm trying
8	to think of a way to fashion what you do need to do.
9	MS. LUNDVALL: Two additional points, your
10	Honor. Number one, each and every piece of information
11	that he's describing that he learned from Mr. Whittemore.
12	Where did he learn it? Where did he learn to be able to
13	ask Mr. Whittemore questions?
14	THE COURT: From depositions.
15	MS. LUNDVALL: No. Not even from his
16	deposition.
17	MR. J.J. JIMMERSON: Didn't come up in depo.
18	I learned on the fly here.
19	THE COURT: Hold on.
20	MS. LUNDVALL: It came up in the Eighth
21	Amendment. The Eighth Amendment which is found at Exhibit
22	13, the Eighth Amendment is what lays out all of this
23	information.
24	THE COURT: But it doesn't lay out the
25	information.

1	MS. LUNDVALL: Yes, it does.
2	MR. J.J. JIMMERSON: Multifamily agreement.
3	MS. LUNDVALL: Yes, it does. And it
4	identifies.
5	THE COURT: Here is my question. Does it
6	address the issue that if they designated as some other
7	high density and changed it to residential?
8	Is that addressed anywhere?
9	MR. J.J. JIMMERSON: No.
10	MS. LUNDVALL: No. And Mr. Wolfram from the
11	witness
12	MR. J.J. JIMMERSON: That's the whole point.
13	MS. LUNDVALL: But Mr. Wolfram from the
14	witness stand and that's one of the things I'm trying
15	to figure out. Mr. Wolfram from the witness stand this
16	morning testified if Pardee had obtained multifamily land
17	and later made a change to single family land, then
18	nowhere within the four corners of his commission
19	agreement did that entitle him to a commission.
20	THE COURT: Wouldn't that be the
21	interpretation by the Judge to say that?
22	MR. J.J. JIMMERSON: Of course.
23	THE COURT: Not Mr. Wolfram's testimony or
24	your testimony. That's the whole thing that would have to
25	be an interpretation.

1	MS. LUNDVALL: This is the
2	MR. J.J. JIMMERSON: Are those words
3	specifically in the commission agreement, that's what Ms.
4	Lundvall's are the words if you change a designation of
5	the property later on entitled commission, are those
6	specific words in there.
7	Mr. Wolfram said, no, those words are not
8	there. But there is a non circumvention agreement that
9	was specifically negotiated between Mr. Lash, Wolfram and
10	Mr. Wilkes regarding all matters relating to the payments
11	of commissions. And all does mean all. I don't inspire
12	intent on behalf of Mr. Lash. But you heard his testimony
13	this morning in response to Ms. Lundvall's questions.
14	Did you do something after your testimony on
15	October 28, 2013 regarding Exhibit 15, your map.
16	Yes, I did.
17	What did you do, Mr. Lash?
18	I went to our engineers and I had them
19	reconfirm.
20	Objection. Hearsay.
21	Well, I'll allow it for your understanding.
22	THE COURT: Reconfirm that the map was
23	correct. I have the testimony.
24	MR. J.J. JIMMERSON: You heard all of that,
25	and what I infer what I infer is that that review

1	sometime between October 28 and December 10, 2013, coupled
2	to our production of these documents on November 27th,
3	2013 to Wednesday before Thanksgiving where it is clearly
4	evidence. These documents are public records judicial
5	notice that they, in fact, perhaps totally unbeknownst to
6	Mr. Lash but not unbeknownst to Kliff Andrews, Nevada's
7	head guy, rezoned that multifamily property res five just
8	one portion approximately 30, 40 acres to single family
9	production residential property on February 12, 2011.
10	THE COURT: Is that something Mr. Andrews can
11	testify to because
12	MS. LUNDVALL: Mr. Andrews is scheduled to
13	testify. And, once again, I'm going to take offense to as
14	far as his question, the question posed to Lash as to
15	whether or not he had seen any of this new proposed
16	evidence in his testimony was no. I could tell you this
17	much
18	THE COURT: That's not getting to the bottom
19	line where we need to go. Let's cut through that. Let's
20	get to the bottom line where we need to go, number one.
21	MR. J.J. JIMMERSON: Number one, he changes
22	his testimony, Judge, to say now if we did that, oh, I
23	don't know if we did it, but if we did it, you wouldn't be
24	entitled to a commission.
25	MS. LUNDVALL: There was a hypothetical.

1	MR. J.J. JIMMERSON: So that certainly
2	suggests possibly one reasonable inference, I know he did.
3	Ms. Lundvall told me. Well, I wasn't personally involved.
4	I've been told they did it, because the documents Mr.
5	Jimmerson provided and I better change my testimony.
6	THE COURT: Honestly to try to figure out how
7	it happened if somebody was devious, I'm not interested in
8	that. I'm interested in going forward.
9	MR. J.J. JIMMERSON: We agree, Judge.
10	THE COURT: So this evidence can come in
11	fairly to your client without being prejudiced. That's
12	what I'm trying to figure out here in the middle of trial.
13	Who did what to whom really is not helping this situation.
14	So let's do this. Here is my question.
15	MS. LUNDVALL: If, in fact, you allow this
16	evidence in, your Honor
17	MR. J.J. JIMMERSON: She has to.
18	THE COURT: You mean the testimony about it
19	I didn't say anything about the maps yet. He's not
20	even trying to introduce that. I'm just talking about
21	questions here, guys. That's all I'm ruling on, Ms.
22	Lundvall.
23	MS. LUNDVALL: From that perspective I'm not
24	going to quarrel about the questions. What I'm trying to
25	quarrel about is because what happened, what lead to this

1	huge argument is that Mr. Jimmerson went over and said,
2	all right, I'm going to show you a map, and it's a new
3	map. And he starts rolling it out. And what I knew was
4	that that was a new piece of evidence for which that the
5	Court had already ruled upon and, therefore, I placed my
6	objection. And that's what started this entire dispute.
7	THE COURT: Where we're at right now, I
8	certainly feel like that is an issue that can come into
9	this trial. Obviously he asked Mr. Lash about it. There
10	was no objection. He answered those questions earlier.
11	It was the 28th of October, right?
12	MR. J.J. JIMMERSON: Yes, ma'am.
13	THE COURT: It was also in your cross. So
14	that certainly is the legitimate area that can be asked.
15	You can ask Mr. Lash about it. His testimony speaks for
16	itself. I'm not looking and I will tell you right now,
17	both of you, I'm not inferring that anybody is
18	intentionally doing anything. I certainly
19	MR. J.J. JIMMERSON: Doesn't matter. It's a
20	dollar claims. There is no punitive damages claim. I
21	just want my client to have a fair compensation.
22	THE COURT: I understand, but it's an issue
23	that I want to address, because it does center around the
24	commission agreement. So that area whether we let those
25	in, if Mr I don't know, because he doesn't have the

1	foundation to do it anyway right now if Mr. Kliff
2	what's his last name?
3	THE WITNESS: Andrews.
4	THE COURT: Andrews. Does he spell Kliff
5	with a K because I keep doing K?
6	MS. LUNDVALL: It is with a K.
7	THE COURT: I had something with Kliff Clash.
8	Kliff Andrews.
9	MR. J.J. JIMMERSON: That's the rock star.
10	THE COURT: I've been doing this too long you
11	guys.
12	If he does, then we'll go from there if he
13	because I assume if he knows about it and at least can
14	speak about it, then we can get the testimony that there
15	was this piece of property. I now understand the
16	property. I mean, he's given a foundation for that.
17	The next step we'll wait and see. I don't
18	feel he can give the foundation, because I don't think
19	you're lying. And I don't know if I don't think he's
20	trying to lie. I know you asked the question are you
21	being up front but if there is another witness I'm going
22	to let Mr. Andrews because he obviously I don't know who
23	whose name are on that from.
24	MR. J.J. JIMMERSON: It's his engineers.
25	I'll confirm in just a minute.

1	THE COURT: All right. If we need to bring
2	somebody else in, I don't know, but at this point I'm
3	going to let then we'll make a decision based on they
4	are public records. Is that what you said?
5	I assume you'll lay the foundation that
6	Pardee had people involved in it were aware of it. This
7	isn't a surprise to them which is a prejudice that
8	concerns me, obviously. So let's go from there. That's
9	tentatively where I am right now.
10	MS. LUNDVALL: Can we take down the
11	information?
12	THE COURT: I'm sorry. I didn't even look at
13	it. I'm looking at you all trying to resolve this issue
14	that is in front of me right now.
15	MR. J.J. JIMMERSON: Mr. Lash does not have
16	eyes in the back of his head, so you he couldn't see it.
17	THE WITNESS: I didn't look at it.
18	MR. J.J. JIMMERSON: I have two comments.
19	One is we did not move to introduce this as an exhibit
20	and, number two, respectively because it's public record,
21	you have judicial notice.
22	THE COURT: I do know what I can do.
23	MR. J.J. JIMMERSON: It's mandatory in that
24	regard.
25	MS. LUNDVALL: Hold on.

1 MR. J.J. JIMMERSON: 47.150 makes it 2 mandatory. 3 MS. LUNDVALL: I think the Court has made a 4 rulina. Mr. Jimmerson is trying to contradict that 5 ruling. THE COURT: No. What I ruled on is if it 6 wasn't produced at discovery at the time and also it's a 7 8 new -- honestly, it was an issue I didn't want introduced 9 yet, because I felt it was a new issue. Now this opened 10 the door to it being an irrelevant --MR. J.J. JIMMERSON: And she's asked --11 12 opened the door. 13 THE COURT: Doesn't matter. However it got 14 into evidence, okay, guys, it's in evidence. Now I do 15 feel it has to be addressed because of Mr. Lash's 16 testimony, okay. So that's a little bit different. Now 17 we're going to have to go to the next step. What is the 18 judicial notice? And I'll look at it before I get off the 19 bench. MR. J.J. JIMMERSON: Two key statutes. NRS 20 21 47.130 and 47.150. 22 THE COURT: I'll work on it and these are --23 you have the foundation. I assume they are maps that are 24 recorded. 25 MS. LUNDVALL: From this perspective, I don't

1	believe they have established the foundation we have.
2	THE COURT: We haven't gotten there. I just
3	want to look at the law so I know what they do need to
4	establish for foundation. I want to get a jump on it. So
5	it's coming I understand that. So I don't want to say
6	that I did establish as a rule of law that, no, we're not
7	going to do it. This is changed. And I do feel it's a
8	legitimate issue. I don't want your client referenced
9	either, so it is an issue that is open now.
10	MR. J.J. JIMMERSON: Okay. Thank you.
11	THE COURT: It has to be addressed. How far
12	we go in the evidence, I don't know. I'll just take it as
13	it comes. I'll look at it just to make sure I know the
14	foundation.
15	MR. J.J. JIMMERSON: Thank you, your Honor.
16	THE COURT: Are we at least were all kind of
17	for today we're at 423 on the same page. Okay.
18	BY MR. J.J. JIMMERSON:
19	Q. Let's take some baby steps on this, and I
20	appreciate where you're at, Mr. Lash. Let's trowel some
21	ground that you feel comfortable with and you do have
22	personal knowledge.
23	You testified that you had an engineer look
24	at your map of November 15, 2009, and asked him or her to
25	confirm that all the properties that were depicted on that

1	map which is what page three of your Exhibit Number 15 were
2	general, each true and accurate. I understand it might not
3	be exact. It wasn't necessarily intended to be exact, but
4	it's a pretty good replication of what property had been
5	acquired for single family production use?
6	MS. LUNDVALL: Your Honor, I'm going to
7	object. Misstates his testimony. His testimony was that
8	he had confirmed that was the property that had been
9	purchased for the \$84 million.
10	THE COURT: Okay. With that understanding,
11	that was my understanding which that was single family
12	production residence property.
13	MS. LUNDVALL: Thank you, your Honor.
14	THE COURT: So we all know what 84 million
15	with that.
16	BY MR. J.J. JIMMERSON:
17	Q. You didn't intentionally retain an engineer?
18	This is the same engineer who does your drawings for the
19	last several years, correct?
20	A. I believe so.
21	Q. All right.
22	A. My communication was to Jim Rizzi, and he got
23	back to me that the engineer has verified that is the
24	purpose. I didn't talk to the engineer but
25	Q. Within your organization in Nevada, tell us

1	the or the individual. Sorry.
2	What I really mean, how does Rizzi fit with
3	somebody else equivalent with Kliff Andrews with you?
4	A. Kliff Andrews is the division president.
5	Q. Okay. So would that be a Nevada president?
6	A. That would be a Nevada president.
7	Q. Go ahead, sir.
8	A. We have a president in San Diego.
9	THE COURT: We don't need him.
10	BY MR. J.J. JIMMERSON:
11	Q. Does that president have anything to do with
12	Nevada? Is that why you're adding him as a person?
13	A. No. You want to know the relationship?
14	THE COURT: I think he meant in Nevada.
15	BY MR. J.J. JIMMERSON:
16	Q. I really just meant in Nevada. What is the
17	organizational chart?
18	A. So you have the president and then you've got
19	a series of people, Jim Rizzi, Jim Giordano are the names
20	we mentioned earlier do report to Mr. Andrews.
21	Q. Would they ever report directly to you? If
22	you asked them to do something, they will directly report
23	to you?
24	A. Yes. They will do what I asked, but they
25	don't report to me.

1	Q. I understand. But in this litigation you may
2	skip Andrews and call Rizzi and say, listen, I need you to
3	confirm this. It's kind of a relation you have with these
4	fellows?
5	A. Yes.
6	Q. Not a problem. So you didn't specially go
7	hire a new engineer to have them reviewed?
8	A. I don't believe so.
9	Q. What is the name of the company that does
10	your drawings, engineering drawings?
11	A. We use a company called Slater Hanifan.
12	Q. That's the name you mentioned before?
13	A. Which is a couple of guys that used to be at
14	GC Wallace. I believe we still use GC Wallace which is a
15	
16	Q. Is Slater Hanifan the name of the two fellows
17	that left GC Wallace?
18	A. I believe Jerry Slater and Ken Hanifan.
19	Q. Have they been in the in the past been
20	authorized by you and by Pardee Homes of Nevada, Inc. Maybe
21	through Mr. Andrews or through you to do engineering work
22	for Coyote Springs?
23	A. Absolutely.
24	Q. In fact, they are the main engineers,
25	correct?

1 Α. Yes. 2 Q. All right. So I want to show you what we 3 marked as Exhibit 42, 43. 4 MS. LUNDVALL: Your Honor, now we've got same 5 thing. THE COURT: He's proposing. He's not asking 6 to move it into evidence. He's using it to ask him a 7 8 question, right? 9 MS. LUNDVALL: Well, without --MR. J.J. JIMMERSON: Just to refresh his 10 11 recollection. 12 MS. LUNDVALL: He's not able to as far as use 13 the contents of the document --14 MR. J.J. JIMMERSON: I'm not going to. 15 MS. LUNDVALL: -- by which to ask a guestion 16 if it's not into evidence. 17 THE COURT: True. 18 BY MR. J.J. JIMMERSON: 19 I know the rules of evidence. I practiced Q. 20 them for 40 years? 21 Can you confirm the author of these plans, 22 please? 23 MS. LUNDVALL: Objection, your Honor. 24 THE COURT: He's laying foundation. 25 MS. LUNDVALL: He's asking as far as the

1	contents of these documents.
2	MR. J.J. JIMMERSON: Who is the author? Who
3	is the author? I won't look at it or point.
4	MS. LUNDVALL: He's asking for the content of
5	the document.
6	MR. J.J. JIMMERSON: I'm asking who drew
7	those plans.
8	THE COURT: But it's in the document. So
9	you're making the distinction who drew them is the content
10	as opposed to what's in them? You want me to make that
11	distinction into how do I lay foundation if I don't lay
12	foundation?
13	MS. LUNDVALL: It's the camels nose into the
14	tin. If he starts asking him any questions concerning
15	evidence that this court has previously said is
16	inadmissible and you have yet to say it is admissible
17	evidence, then he's asking for the content.
18	THE COURT: Are you using it to refresh his
19	recollection of who Pardee uses as an engineer?
20	MR. J.J. JIMMERSON: Recently as of two years
21	ago.
22	MS. LUNDVALL: He doesn't need his
23	recollection refreshed. He's already testified.
24	THE COURT: Yeah. Slater Hanifan or GC
25	Wallace.

1	THE WITNESS: Yeah. I believe in Coyote
2	Springs is Slater Hanifan.
3	THE COURT: Then we have a straight answer.
4	We don't have the come conflict between GC Wallace or
5	Slater Hanifan.
6	BY MR. J.J. JIMMERSON:
7	Q. Okay. I'm going to show you these documents,
8	and I want you to flip through them. And the question is
9	simply is have you ever seen these documents before?
10	A. No.
11	THE COURT: If the answer is no, the answer
12	is no. He answered no.
13	MR. J.J. JIMMERSON: Thank you. The title of
14	the documents
15	MS. LUNDVALL: Your Honor, now once again,
16	once we get into these issues, if he starts getting into
17	the content
18	THE COURT: He's already said he hasn't seen
19	the documents yet.
20	MS. LUNDVALL: Thank you.
21	MR. J.J. JIMMERSON: The title of the
22	document.
23	MS. LUNDVALL: Your Honor, once again, he's
24	not able to reference content of these.
25	THE COURT: What is it that you want to ask?

1 Just give me an offer. MR. J.J. JIMMERSON: What is the title of the 2 3 Answer. Village for Coyote Springs. documents? 4 Is Village for of part of the multifamily agreement. 5 I don't know. Yes or no. 6 7 THE COURT: Just ask that. MR. J.J. JIMMERSON: That's what I am asking. 8 9 THE COURT: You don't have to ask the title 10 of the document. Just sav. 11 BY MR. J.J. JIMMERSON: 12 Q. Do you know whether or not Village Four is 13 part of the multifamily purchase property? 14 Α. I don't know. 15 Multifamily acquisition by separate agreement Q. 16 somewhere between 2006 and 2010 --17 Α. The answer is I don't know. 18 Q. Okay. If Pardee made an application to the 19 County Zoning Department in December of 2010 to rezone and 20 lower the density from that which may have previously existed to single family residential production property, 21 22 would Slater Hanifan been authorized by someone within your 23 company to do so? 24 Α. You're asking would they be the engineer of 25 record?

1	Q. Yes?
2	A. Yes.
3	Q. Let me show you exhibit number it's 39.
4	THE COURT: These are proposed ones?
5	MR. J.J. JIMMERSON: Yes, it is. I want to
6	show you and mark it for the record. Exhibit 40 is the
7	Pardee.
8	MS. LUNDVALL: Your Honor, I would ask not as
9	far as referring to the contents of the document.
10	MR. J.J. JIMMERSON: I just said what it is.
11	I said tentative map application for Pardee by Coyote
12	Springs. Exhibit 39 is the County Commission approval of
13	the rezoning and exhibit
14	MS. LUNDVALL: Same issue. All we're doing,
15	your Honor, is now trying to allow an attorney to suggest
16	
17	THE COURT: What do you want to ask
18	What's your question?
19	MR. J.J. JIMMERSON: I just want to ask him.
20	Let's start with this. Can you recognize Exhibit 39 as a
21	tentative map application authorized by Pardee Homes of
22	Nevada, Inc. for residential five, a part of the
23	multifamily?
24	THE COURT: He's trying to find a record now.
25	MS. LUNDVALL: But he's asking about the

1	content of the document.
2	THE COURT: He's asking him to identify it.
3	MR. J.J. JIMMERSON: You bet.
4	MS. LUNDVALL: Well, yeah.
5	THE COURT: He can't go any farther than
6	that, and that's what we are doing.
7	MS. LUNDVALL: He's piece by piece what he's
8	trying to do
9	THE COURT: He's trying to get into the
10	contents.
11	MS. LUNDVALL: He's trying to get into the
12	contents.
13	THE COURT: I'll let him identify.
14	MR. J.J. JIMMERSON: There is no prejudice to
15	the defendant other than allowing to try to defeat our
16	client's through lawful compensation.
17	MS. LUNDVALL: You know something, that is
18	offensive, and I'm going to move to strike that.
19	MR. J.J. JIMMERSON: I said defendants, not
20	Ms. Lundvall. I don't ever personalize anything. It's
21	Pardee's efforts to not pay compensation.
22	MS. LUNDVALL: You know something, I find
23	this outrageous, simply outrageous, your Honor. And I'm
24	going to ask that the Court instruct counsel that all of
25	these side comments, all of the side commentary somewhere

Γ

1	along the line has to stop.
2	MR. J.J. JIMMERSON: It goes both ways,
3	Judge. And it's important elements.
4	THE COURT: I understand it goes both ways.
5	I understand you both have lived with this a long time. I
6	understand that. And I tried to give leeway, because I
7	don't have a jury here. And I know what to filter, what
8	is appropriate or not.
9	But now we're at the point we're not going
10	forward. And I told myself when we get to the point that
11	we're not moving forward, that I will we do need to
12	please keep forward.
13	I understand just to keep forward on this
14	substance, because it's not affecting my judgment. But
15	it's slowing this trial down. And we you know, it's
16	not exactly at a quick pace here. And I'm trying to give
17	you guys as much time.
18	So I will my ruling is I'll allow him to
19	identify. But after that, that's it. Only based on if he
20	can identify the, record his foundation has been he's been
21	at a different level. He hasn't been actively involved in
22	Nevada.
23	MS. LUNDVALL: The question would be has he
24	seen these documents.
25	THE COURT: That's fine. I'll allow that

1 question. MS. LUNDVALL: Has he seen these documents 2 before? 3 4 THE WITNESS: The answer is no. 5 MS. LUNDVALL: All right. If he's not seen 6 7 THE COURT: And then you can ask, if you want to ask the next question, as part of your work for Pardee, 8 9 do you work with these kind of records. If you want to 10 lay that foundation, I'll allow it. But if you haven't 11 seen them before, no. 12 MR. J.J. JIMMERSON: Do you see that Pardee 13 Homes is the applicant? 14 THE COURT: Now that is asking. Now I know. 15 MR. J.J. JIMMERSON: I want to make it clear. 16 I'm not asking about something unrelated to this case, 17 Judge. 18 THE COURT: You know what --19 MR. J.J. JIMMERSON: I wouldn't do that. 20 THE COURT: You know what, and I'm not 21 looking at it that way. I have a good idea what's in 22 I can't consider it yet. I have a -- I mean, there now. 23 just from descriptions from the questions I know. 24 MS. LUNDVALL: You know what --25 THE COURT: It's not in evidence. So just

1	wait and see if we can lay a foundation through Mr
2	MS. LUNDVALL: And all of these theatrics.
3	THE COURT: Andrews. I'm sorry.
4	MS. LUNDVALL: All the theatrics of opposing
5	counsel has accomplished what he's wanting to accomplish.
6	He's trying to suggest to you what the contents of these
7	documents are and that's inappropriate.
8	THE COURT: He's already asked it in the
9	questions. As I know questions are not evidence, Ms.
10	Lundvall. I'm very aware of that. I have known that in
11	my 30 year career. I am not once again, I've let it go
12	a little further because it's a bench trial.
13	I don't have a jury here. When you admonish
14	them, don't consider the question and, you know, they may
15	not even understand what you're saying. It's not
16	evidence. I do understand that. I'm not considering any
17	of that until we find out if I actually let it in. I
18	understand that.
19	Okay. I will know from his questions how
20	they are trying to tie it in is all I can say. Doesn't
21	mean I'm going to consider it.
22	MS. LUNDVALL: Mr. Lash's testimony has been
23	he's never seen these documents before.
24	THE COURT: I did hear that. And then if you
25	want to do another question.

1	MR. J.J. JIMMERSON: Did you authorize
2	Hanifan Slater to submit this application on behalf of
3	Pardee Homes?
4	THE WITNESS: No.
5	THE COURT: To submit that on any application
6	on behalf of Pardee Homes?
7	THE WITNESS: No.
8	BY MR. J.J. JIMMERSON:
9	Q. You didn't authorize it?
10	A. My testimony is no.
11	Q. Does that mean they did so without Pardee
12	Home of Nevada, Inc.'s, approval?
13	A. The way you asked it, I gave the approval. I
14	didn't give the approval.
15	Q. Thank you. Do you know if Pardee Homes
16	authorized Hanifan Slater to submit this?
17	A. I don't. That would be that would be a
18	decision at the team level.
19	THE COURT: The Nevada level?
20	THE WITNESS: Yes.
21	BY MR. J.J. JIMMERSON:
22	Q. And does Pardee Homes of Nevada, Inc. Own
23	Coyote Village?
24	MS. LUNDVALL: Your Honor, from this
25	perspective, once again, we're getting into the content.

1	THE WITNESS: I don't know.
2	THE COURT: He answered it. He doesn't know.
3	BY MR. J.J. JIMMERSON:
4	Q. All right. Is the Hanifan Slater Group
5	located on Arville street?
6	A. I don't know.
7	THE COURT: He doesn't know.
8	MS. LUNDVALL: He's going to walk through
9	each one of the pieces of evidence in here and ask it in
10	the form of the question in the hopes he's going to try to
11	
12	MR. J.J. JIMMERSON: There is no hopes.
13	You're going to make a call whether to
14	ultimately allow it or not, and you're going to decide.
15	Independently of that, you're allowed to take judicial
16	notice. I will tell you this. You understand the case.
17	If you believe, as we believe, that they are
18	not permitted to do what they did, then his Mr. Lash's
19	non knowledge or absence of knowledge about it isn't going
20	to change the outcome of this case.
21	We can put Andrews on. We can put every
22	other person on by rebuttal or otherwise.
23	THE COURT: All I know now is that the
24	testimony he at one point said we can even though we
25	pay multifamily, we can rezone it. And one point he said

1	I think they would deserve a commission and another not.
2	That's all I have in front of me. I don't know anything
3	else on evidence. And we're still going to do that door.
4	But we're not going to do it through Mr. Lash. And I do
5	want to do the research on the judicial notice. And I did
6	take notice. They gave it to you. You got it the day
7	after Thanksgiving.
8	MR. J.J. JIMMERSON: Day before Thanksgiving.
9	MS. LUNDVALL: 5:00 o'clock Wednesday, 5:00
10	o'clock.
11	MR. J.J. JIMMERSON: That's true.
12	MS. LUNDVALL: Nice time to deliver it.
13	BY MR. J.J. JIMMERSON:
14	Q. All right. Would you look at now, please,
15	Exhibit 39?
16	MS. LUNDVALL: Notwithstanding the fact they
17	had it since the end of October.
18	BY MR. J.J. JIMMERSON:
19	Q. Here is my question. These are minutes or
20	approval by the County Commission Pardee's application.
21	Here is my question. Were you in attendance?
22	A. No.
23	Q. Were you reported to by Hanifan Slater or by
24	Kliff Andrews or by Mr. Rizzi or any of the any other
25	person of Pardee Homes that we were successful?

1	MS. LUNDVALL: Your Honor, from this
2	perspective, you can't refer to the contents of the
3	BY MR. J.J. JIMMERSON:
4	Q. February 16, 2011, to get this property
5	residential five rezoned to production?
6	A. No.
7	THE COURT: If it gets in, I'll consider it.
8	Right now I have no rezoning in front of me. I understand
9	that we do need to revisit this. And I'll try look at the
10	judicial notice.
11	And, I mean, I do need the foundation.
12	Obviously, he's going to have to lay the foundation which
13	not through you. He's laid it through his questions. ${ m I}$
14	understand.
15	BY MR. J.J. JIMMERSON:
16	Q. Mr. Lash, a portion, not all but a portion of
17	the exchange property that I showed you, not all of it, but
18	a portion, I show you the lines counted to the property
19	owned by your by you through multifamily acquisition
20	which I've been spending some time together was rezoned.
21	Here is my question. Isn't it true that since this was the
22	very location that you have testified would be the
23	beginning point of your home construction where you would
24	start your first construction of production housing by
25	Pardee, did you need to have it rezoned, in other words,

1	zones, zoned, I won't say rezoned, zoned residential single
2	family housing?
3	MS. LUNDVALL: I move to strike as far as all
4	the preface.
5	BY MR. J.J. JIMMERSON:
6	Q. I'll revise the question. In order to begin
7	your construction of single family homes, isn't it true you
8	needed to approach the county to obtain zoning for the
9	applicable zoning use R2 single family production housing?
10	A. That I'm not aware.
11	Q. Are you denying that you would need to
12	approach the county to get zoning to build the homes there
13	at the location you said was your company's present intent
14	to start?
15	A. Your Honor, this is a team. We may have a
16	discussion back in corporate this is where the Town Square
17	is going and this is where we want to start, or we don't
18	get into the logistics of whether something needs to be
19	rezoned. And, you know, who are we going to hire as
20	engineers and when are we going to go to the commission,
21	and what are the meeting notes. I mean, it's at a much
22	higher level than corporate.
23	Q. So I'm going to ask you. Did you have any
24	conversations with your Nevada team, as you used that term,
25	that it's time to get the core combination of exchange

1	parcel next to multifamily res five parcel, 332 lots zoned
2	R2 for production residential in the last three years?
3	A. No.
4	Q. Okay. In light of the terms of the
5	commission agreement, Exhibit 1, would you agree with me
6	that you are obliged to affirmatively notify Mr. Wilkes and
7	Mr. Wolfram that if it's true that you were rezoning,
8	redesignating a portion of the property to single family
9	production residential property?
10	A. I just testified no.
11	Q. You didn't even have the obligation to notify
12	them that you were going to change it from multifamily to
13	single family? Is that your testimony, sir?
14	A. Correct.
15	Q. Under the terms?
16	A. But my testimony is they are not a party to
17	the multifamily agreement, the custom lot agreement, or
18	the golf course agreement. We did not give them the
19	agreements, and we have confidentiality agreements that we
20	would violate if we did.
21	Q. Now, would you turn your attention to the
22	testimony that I read into the record that began at page
23	250?
24	A. You have to bring me back to the testimony.
25	Q. I certainly will.

1 MR. J.M. JIMMERSON: Permission to approach, 2 your Honor? 3 THE COURT: Absolutely. There you go. 4 BY MR. J.J. JIMMERSON: 5 Q. 257 and 258. Exhibit 3, why don't you read pages, same page, 257, just lines eight through the end and 6 7 then the first eight of the second page of 258. So 8 through 25 and 1 through 8 of 257 and 258 to yourself. 8 9 Α. These are the same pages we read earlier? 10 Q. They are. And this is the testimony you gave 11 five weeks ago in 2013, specifically on October 28 of 2013, 12 correct? 13 Α. Yes. 14 Okay. And if in fact there has been a Q. 15 submission to the Clark County Commission on December 2010 16 and approved by them in February 2011, to change from a 17 multifamily use to a production of single family production 18 use which you say you're unaware of, let's examine your 19 words. I asked you. You also already confirmed you have 20 the right to change the use. 21 Then I asked you at page 257 if they change 22 the use of the property and you change it to be single 23 family residential production, that would entitle my 24 clients to compensation; isn't that true? 25 I haven't rethought about it. Answer. We

1	have no intent to do that?
2	Do you see that?
3	A. Yep.
4	Q. Okay. And is it your testimony then that in
5	2013, October 28, when you sat here just five weeks ago,
6	three years in this litigation, that Pardee Homes had no
7	intent to change the designation of use from multifamily to
8	single family?
9	A. That is my testimony. I wasn't aware that we
10	were contemplating it.
11	Q. And if it is demonstrated to your
12	satisfaction that is, in fact, exactly what happened, would
13	you be amending that answer as well?
14	A. I think what when I gave my testimony, I was
15	not aware of it so
16	Q. Now, what is there about your company and
17	I mean this on the square. What is it about your company
18	that allows them to change a designation of use from
19	multifamily to single family residential property without
20	your knowing about it?
21	A. I'm not sure I understand your question.
22	Q. You're in the middle of litigation involving
23	this issue. How is it that you could not be involved in a
24	decision by your own company and your Nevada team to rezone
25	the property to production residential property?

1 MS. LUNDVALL: Your Honor, that question then 2 assumes that he after he said the preface contained --3 MR. J.J. JIMMERSON: I'm happy to -- I agree 4 that is a --5 THE COURT: Assuming it did happen... BY MR. J.J. JIMMERSON: 6 7 Q. Assuming it did happen, how could it be in the structure of your company and in the midst of this 8 9 litigation, you wouldn't know that? 10 Α. Well, if it's in the realm of responsibility 11 for Kliff Andrews, he has the ability or authority to do 12 that. 13 Q. So you wouldn't anticipate him to be able to 14 take a power on the witness stand and say he knows nothing 15 about any of this, would you? 16 MS. LUNDVALL: Your Honor, I'm going to 17 object to that. MR. J.J. JIMMERSON: Let me rephrase the 18 19 question. 20 THE COURT: Rephrase that, please. BY MR. J.J. JIMMERSON: 21 22 Q. Would you expect Mr. Andrews to know nothing 23 about a zoning application of December 2010, approved by 24 the county on February 16 of 2011, of 332 lots made up of 25 those parcels?

1	A. He probably does know about it.
2	MR. J.J. JIMMERSON: Okay. All right. Thank
3	you, your Honor. Would this be a good time to go to
4	break, or do you want to go right to 5:00 o'clock?
5	THE COURT: Are you coming back tomorrow?
6	MR. J.J. JIMMERSON: He's here for three
7	days. He's not coming back tomorrow. We have no court
8	tomorrow.
9	MS. LUNDVALL: What I'm trying to see is how
10	much longer Mr. Jimmerson has.
11	THE COURT: How much longer do you think?
12	MR. J.J. JIMMERSON: Two to three hours.
13	Maybe two hours. I'm not trying to we covered the guts
14	of the redirect. Excuse me. But there are some other
15	areas. Ms. Lundvall took about three hours with him. Two
16	hours. Three hours.
17	THE COURT: All right. So we're looking at
18	scheduling then Friday, right, because we're not
19	MR. J.J. JIMMERSON: Thursday morning.
20	THE COURT: Thursday morning, okay. You all
21	agree on scheduling, I'll be here. I'm fine.
22	MR. J.J. JIMMERSON: We're here. Mr. Lash,
23	see you then.
24	THE COURT: So you're not going to put Mr.
25	Andrews on in between?

1	MR. J.J. JIMMERSON: If he was available I
2	would love to do that and get through this. If you would
3	allow that, I most certainly would.
4	THE COURT: No. We need to finish this. I
5	know what you're going to say. For some reason I had in
6	my head, I thought you were going to be finished today and
7	Mr. Andrews was
8	MR. J.J. JIMMERSON: That was the plan,
9	Judge. That was absolutely the plan.
10	THE COURT: So far I got that plan, but it
11	didn't work out. It doesn't work out.
12	MR. J.J. JIMMERSON: Mr. Andrews is going to
13	be here on Thursday.
14	MS. LUNDVALL: You know something, at this
15	point in time, I think we're planning on finishing with
16	Mr. Lash. And then I don't know who else as far as
17	MR. J.J. JIMMERSON: See, now Mr. Andrews
18	isn't going to come and testify, the one guy can validate
19	this.
20	Do you understand, Judge? You have to see
21	where you have to let this in. Can you believe that they
22	are going to pull Kliff Andrews, the one guy that Mr
23	THE COURT: Do you have him under subpoena
24	power?
25	MR. J.J. JIMMERSON: I'll have to today. He

1	was promised by Ms. Lundvall to you.
2	MS. LUNDVALL: You know, this is what I love,
3	the theatrics. It's very amusing.
4	THE COURT: I'm not enjoying it very much.
5	It's not quite as entertaining from the bench, because I
6	so much want to do substance not
7	MR. J.J. JIMMERSON: So do I, Judge.
8	MS. LUNDVALL: It's reached the point in the
9	day where to me it's entertaining, these theatrics. We've
10	never said we're not going to bring Kliff Andrews. The
11	question is whether or not we're going to finish with Mr.
12	Lash, and the Court has indicated that you want to finish
13	with this witness.
14	THE COURT: I think sometimes you get a
15	history in a case and people kind of jump. As much as I
16	hate to admit it, I understand it. I was there. But
17	we're all working through it. I'm sure you didn't mean
18	that you're not going to hide Mr. Andrews and send him to
19	Bora Bora tomorrow, correct?
20	MR. J.M. JIMMERSON: Lucky for Mr. Andrews if
21	that is the case.
22	THE COURT: MR. J.M. JIMMERSON will volunteer
23	to be Mr. Andrews.
24	MR. J.M. JIMMERSON: I'll be his escort,
25	Judge.

1	THE COURT: I don't know where I came up with
2	Bora Bora. Sounded like a good idea.
3	MR. J.J. JIMMERSON: This case is turned into
4	the
5	THE COURT: Mr. Lash. All right. So we'll
6	be back Thursday morning, right?
7	MR. J.M. JIMMERSON: Yes, your Honor, bright
8	and early.
9	THE COURT: All right. Is 8:30 working out
10	for you? It just works out better for me. Long days.
11	All right. Thank you. And I will get my law
12	clerk before you leave to start working on this.
13	
14	(Whereupon the proceedings concluded at 4:49 p.m.)

James J. Jimmerson, Esq. Jimmerson Hansen Attorneys at Law 415 South Sixth Street, Suite 100 Las Vegas, NV 89101

Re: Coyote Springs Real Estate Commissions Your Clients: Jim Wolfram (Award Realty Group) and Walt Wilkes (General Realty)

Dear Mr. Jimmerson:

This will respond to Mr. Wolfram's letter of April 21, 2010 and to yours of May 17, 2010, both addressed to Jon Lash at Pardee Homes ("Pardee").

Despite the length of your letter of May 17, 2010 and its attachments, the issue is not what land Pardee owns, but what land is within the express scope of the September 1, 2004 commission letter (the "Commission Letter") which your clients and Pardee signed.

The map prepared by Mr. Wolfram that he enclosed with his letter of April 21, 2010 includes additional real property <u>not</u> within the scope of the Commission Letter.

Please note that, by its terms, the Commission Letter was concerned only with the sale of certain property pursuant to Paragraphs 1 and 2 of the Option Agreement as defined therein, and the Commission Letter provided in relevant part that it "represents our entire understanding concerning the subject matter hereof."

Pardee denies any allegation that it materially breached any representation to provide documents. Pardee further denies that it has any contractual obligation to provide any documents to your clients except for such documents as expressly contemplated in the Commission Letter, all of which were timely furnished to your clients long ago.

If your clients' claim is reassessed in light of the foregoing, it can readily be established that no further compensation is due them pursuant to the Commission Letter.

Very truly yours,

PARDEE HOMES

Bv:
