

1 In support of this Motion, I allege the following:

2 1. I am an inmate incarcerated at SDCC (Southern Desert Correctional Center)
3 My mandatory release date is N/A due to enhancement consecutive sentence.
4

5 2. The Department of Corrections is required to transport offenders to and
6
7 from Court if an inmate is required or requests to appear before a Court in this state.
8

9 NRS 209.274 Transportation of Offender to Appear Before Court states:

10 "1. Except as otherwise provided in this section, when an offender is
11 required or requested to appear before a Court in this state, the
12 Department shall transport the offender to and from Court on the day
13 scheduled for his appearance.

14 2. If notice is not provided within the time set forth in NRS 50.215, the
15 Department shall transport the offender to Court on the date scheduled
16 for his appearance if it is possible to transport the offender in the usual
17 manner for the transportation of offenders by the Department. If it is
18 not possible for the Department to transport the offender in the usual
19 manner:

20 (a) The Department shall make the offender available on the date scheduled
21 for his appearance to provide testimony by telephone or by video conference,
22 if so requested by the Court.

23 (b) The Department shall provide for special transportation of the offender to
24 and from the Court, if the Court so orders. If the Court orders special
25 transportation, it shall order the county in which the Court is located to
26 reimburse the Department for any cost incurred for the special transportation.

27 (c) The Court may order the county sheriff to transport the offender to and
28 from the Court at the expense of the county."

29 3. My presence is required at the hearing because:

1 ☒ I AM NEEDED AS A WITNESS.

2 My petition raises substantial issues of fact concerning events in which I
3 participated and about which only I can testify. See *U.S. v. Hayman*, 342 U.S.
4 205 (1952) (District Court erred when it made findings of fact concerning
5 Hayman's knowledge and consent to his counsel's representation of a witness
6 against Hayman without notice to Hayman or Hayman's presence at the
7 evidentiary hearing).

8 ☒ THE HEARING WILL BE AN EVIDENTIARY HEARING.

9 My petition raises material issues of fact that can be determined only in my
10 presence. See *Walker v. Johnston*, 312 U.S. 275 (1941) (government's contention
11 that allegations are improbable and unbelievable cannot serve to deny the
12 petitioner an opportunity to support them by evidence). The Nevada
13 Supreme Court has held that the presence of the petitioner for habeas corpus
14 relief is required at any evidentiary hearing conducted on the merits of the
15 claim asserted in the petition. See *Gebers v. Nevada*, 118 Nev. 500 (2002).

16 4. The prohibition against ex parte communication requires that I be present
17 at any hearing at which the state is present and at which issues concerning the claims
18 raised in my petition are addressed. U.S. Const. amends. V, VI.

19 5. If a person incarcerated in a state prison is required or is requested to
20 appear as a witness in any action, the Department of Corrections must be notified in
21 writing not less than 7 business days before the date scheduled for his appearance in
22 Court if the inmate is incarcerated in a prison located not more than 40 miles from
23 Las Vegas. NRS 50.215(4). If a person is incarcerated in a prison located 41 miles or
24 more from Las Vegas, the Department of Corrections must be notified in writing not
25 less than 14 business days before the date scheduled for the person's appearance in
26 Court.

27 6. Cedric Jackson is located approximately
28 20 miles from Las Vegas, Nevada.

1 7. If there is insufficient time to provide the required notice to the Department
2 of Corrections for me to be transported to the hearing, I respectfully request that this
3 Honorable Court order the Warden to make me available on the date of the
4 scheduled appearance, by telephone, or video conference, pursuant to NRS
5 209.274(2)(a), so that I may provide relevant testimony and/or be present for the
6 evidentiary hearing.

7 8. The rules of the institution prohibit me from placing telephone calls from
8 the institution, except for collect calls, unless special arrangements are made with
9 prison staff. Nev. Admin. Code DOC 718.01. However, arrangements for my
10 telephone appearance can be made by contacting the following staff member at my
11 institution: Brian Williams, SDCC Senior Warden
12 whose telephone number is 212

1 **POINTS AND AUTHORITIES**

2 **STATEMENT OF THE CASE**

3 On September 17, 2014, the State filed an Amended Information charging CEDRIC L.
4 JACKSON (hereinafter "Jackson") with: COUNT 1 – Second Degree Murder with Use of a
5 Deadly Weapon (Category A Felony – NRS 200.010, 200.030, 193.165 – NOC 50011) and
6 COUNT 2 – Attempt Murder with Use of a Deadly Weapon (Category B Felony – NRS
7 200.010, 200.030, 193.330, 193.165 – NOC 50031). That same day, Jackson entered into a
8 Guilty Plea Agreement wherein he pleaded guilty to the charges contained in the Amended
9 Information.

10 On November 19, 2014, Jackson was sentenced to the Nevada Department of
11 Corrections (NDC) as follows: COUNT 1 – a maximum of 25 years and a minimum of 10
12 years plus a consecutive term of a minimum of 4 years and a maximum of 12 years for the use
13 of a deadly weapon and COUNT 2 – a maximum of 60 months and a minimum of 24 months
14 plus a consecutive term of a minimum of 12 months and a maximum of 30 months for the use
15 of a deadly weapon, to run concurrent with COUNT 1. Jackson was given 1748 days credit
16 for time served. The Judgment of Conviction was filed on November 21, 2014. Jackson did
17 not file a direct appeal.

18 On June 22, 2016, Jackson filed a Motion to Modify and/or Correct by Setting Aside
19 Illegal Sentence and Motion to Appoint Counsel. The State responds as follows.

20 **ARGUMENT**

21 **I. Jackson's Motion is not cognizable and without merit.**

22 In general, a district court lacks jurisdiction to modify a sentence once the defendant
23 has started serving it. Passanisi v. State, 108 Nev. 318, 321, 831 P.2d 1371, 1373 (1992).
24 However, a district court has inherent authority to correct, vacate, or modify a sentence that
25 violates due process where the defendant can demonstrate the sentence is based on a materially
26 untrue assumption or mistake of fact about the defendant's criminal record that has worked to
27 the *extreme detriment* of the defendant. Edwards v. State, 112 Nev. 704, 707, 918 P.2d 321,
28 324 (1996) (emphasis added); see also Passanisi, 108 Nev. at 322, 831 P.2d at 1373.

1 Not every mistake or error during sentencing gives rise to a due process violation. State
2 v. Eighth Judicial Dist. Court, 100 Nev. 90, 97, 677 P.2d 1044, 1048 (1984). A district court
3 has jurisdiction to modify a defendant's sentence "only if: 1) the district court actually
4 sentenced appellant based on a materially false assumption of fact that worked to appellant's
5 extreme detriment, and 2) the particular mistake at issue was of the type that would rise to the
6 level of a violation of due process." Passanisi, 108 Nev. at 322-23, 831 P.2d at 1373-74.

7 Jackson's claims that the Court lacks jurisdiction and that his sentencing enhancements
8 for the use of a deadly weapon are illegal are without merit. Jackson's "Ground 1" is nothing
9 more than a meritless claim that the Nevada Revised Statutes used to convict him are void due
10 to the failure to contain enacting clauses and therefore, are constitutionally failed. This tired,
11 vapid, recycled claim is entirely unconvincing and unsupported by law. It is well-established
12 that "Statutes are presumed to be valid, and the challenger bears the burden of showing that a
13 statute is unconstitutional." Halverson v. Secretary of State, 124 Nev. 484, 487, 186 P.3d 893,
14 896 (2008); Nevadans for Nevada v. Beers, 122 Nev. 930, 939, 142 P.3d 339, 345 (2006);
15 Sheriff. v. Burdg, 118 Nev. 853, 857, 59 P.3d 484, 486 (2002). The Statutes of Nevada contain
16 the laws with the enacting clauses required by the Nevada Constitution and the Nevada
17 Revised Statutes are the official codified version of the Statutes of Nevada. See NRS
18 220.170(3). The Nevada Revised Statutes reproduce the laws of Nevada as compiled,
19 organized, and revised by the Legislative Counsel. NRS 220.110; NRS 220.120. See Willing
20 v. State, 2016 Nev. App. LEXIS 110 (2016) (attached as Exhibit 1 pursuant to NRAP
21 36(c)(3)).¹

22 Jackson's "Ground 2" claims that because "there was no findings made by a jury nor
23 admitted by defendant," "the District Court unconstitutionally enhanced" his sentence.
24 Motion at 25. However, as Jackson entered into a bargained-for Guilty Plea Agreement, his
25 claim is entirely unavailing. Additionally, such claims are not cognizable outside of NRS
26 Chapter 34. As a general rule, a post-conviction petition for a writ of habeas corpus is the
27

28 ¹ NRAP 36(c)(3) states that "A party may cite for its persuasive value, if any, an unpublished disposition issued by this court on or after January 1, 2016." See also MB America Inc. v. Alaska Pacific Leasing Company, 123 Nev. Ad. Op. 8, 15, n.1 (Feb. 4, 2016) (allowing citation to unpublished orders, entered on or after January 1, 2016, for their persuasive value).

1 exclusive remedy for challenging the validity of a conviction or sentence aside from direct
2 review of a judgment of conviction on appeal and remedies which are incident to the
3 proceedings in the trial court. Harris v. State, 130 Nev. __, __, 329 P.3d 619, 621 (2014)
4 (internal quotations omitted); NRS 34.724(2)(a). "Pursuant to NRS 34.724(2)(b), a post-
5 conviction petition for a writ of habeas corpus comprehends and takes the place of all other
6 common-law, statutory, or other remedies which have been available for challenging the
7 validity of the conviction or sentence, and must be used exclusively in place of them." Harris,
8 130 Nev. at __, 329 P.3d at 626 (internal quotations omitted). Because the substance of
9 Jackson's claims are wholly without merit, his Motion should be denied.

10 **II. Jackson's Motion to Appoint Counsel should be denied.**

11 The United States Constitution and Nevada Constitution do not provide for a right to
12 counsel in post-conviction proceedings. See Coleman v. Thompson, 501 U.S. 722, 752, 111
13 S. Ct. 2546, 2566 (1991); McKague v. Warden, 112 Nev. 159, 163, 912 P.2d 255, 258 (1996).

14 NRS 34.750 provides that a court has discretion to appoint post-conviction counsel:

15 [a] petition may allege that the petitioner is unable to pay the costs
16 of the proceedings or employ counsel. If the court is satisfied that
17 the allegation of indigency is true *and the petition is not dismissed*
18 *summarily*, the court may appoint counsel at the time the court
orders the filing of an answer and a return. In making its
determination, the court may consider, among other things, the
severity of the consequences facing the petitioner and whether:

- 19 (a) The issues are difficult;
20 (b) The petitioner is unable to comprehend the
proceedings; or
(c) Counsel is necessary to proceed with discovery.

21 NRS 34.750 (emphasis added). Additionally, the Nevada Supreme Court has concluded a
22 petitioner "must show that the requested review is not frivolous before he may have an attorney
23 appointed." Peterson v. Warden, 87 Nev. 134, 136, 483 P.2d 204, 205 (1971) (citing former
24 statute NRS 177.345(2)).

25 Jackson is not entitled to appointment of counsel because his assertions are wholly
26 without merit and he has failed to demonstrate that his claims are not frivolous and will not be
27 summarily dismissed. Thus, Jackson's Motion should be denied.

28 //

1 CONCLUSION

2 Based on the foregoing reasons, Jackson's a Motion to Modify and/or Correct by
3 Setting Aside Illegal Sentence and Motion to Appoint Counsel should be DENIED.

CEBRICK JACKSON,	}	CASE# 265339
PETITIONER,		DEPT#

THE STATE OF NEVADA,		MEMORANDUM IN SUPPORT OF PETITION FOR
RESPONDENTS		WRIT OF HABEAS CORPUS (POST-CONVICTION)

COMES NOW, CEBRICK JACKSON, PETITIONER, IN PROPER PERSON, AND
HEREBY SUBMITS HIS MEMORANDUM IN SUPPORT OF HIS PETITION FOR WRIT OF
HABEAS CORPUS (POST-CONVICTION).

THIS MEMORANDUM IS MADE AND BASED UPON ALL THE PAPERS AND PLEADINGS
ON FILE, THE ARGUMENT IN POINTS AND AUTHORITIES HEREIN AND ANY ORAL ARGUMENT
TO BE MADE AT THE TIME OF HEARING IN THIS MATTER.

ARGUMENT / POINTS AND AUTHORITIES

1. THE DISTRICT COURT ERRED BY IMPOSING A HARSH SENTENCE FOR THE
WEAPON ENHANCEMENT WITHOUT A JURY DETERMINATION OF THE AGGRAVATING
FACTORS USED TO INCREASE THE PUNISHMENT IN VIOLATION OF MY FIFTH AND
FOURTEENTH AMENDMENT RIGHT UNDER THE U.S. CONSTITUTION.

IN THIS CASE, I CONTEND THAT THE DISTRICT COURT UNCONSTITUTIONALLY
ENHANCED MY SENTENCE FOR THE WEAPON ENHANCEMENT, UNDER NRS 193.
165, AS THERE WERE NO FINDINGS MADE BY A JURY NOR ADMITTED BY ME,
IN VIOLATION OF MY 5TH AND 14TH AMENDMENT RIGHTS GUARANTEED BY THE
NEVADA AND UNITED STATES CONSTITUTIONS.

DEC 30 2016
CLERK OF THE COURT

I MAINTAIN THAT I WAS NOT PROPERLY CANVASSED AS TO THE EXTENDED AND ENHANCED PORTION OF MY SENTENCE AND THAT THE GUILTY PLEA CONTAINED NO FINDINGS OF FACTS REGARDING THE WEAPON ENHANCEMENT. THE COURT WILL NOT ASSUME THAT A DEFENDANT WAIVED THE RIGHT TO HAVE A JURY DETERMINE THE AGGRAVATING FACTORS BY ENTERING A GUILTY PLEA, UNLESS THE RECORD SHOWS THAT HE KNEW, FIRST, THAT HE HAD THE RIGHT TO HAVE A JURY DETERMINE THE AGGRAVATING FACTORS AND, SECOND, THAT BY PLEADING GUILTY, HE WAS WAIVING THAT RIGHT. *Stack v. Ross*?

FIRST, COURTS ARE REQUIRED TO GIVE RETROACTIVE EFFECT TO NEW SUBSTANTIVE RULES OF CONSTITUTIONAL LAW. SUBSTANTIVE RULES INCLUDE "RULES FORBIDDING CRIMINAL PUNISHMENT OF CERTAIN PRIMARY CONDUCT", AS WELL AS "RULES PROHIBITING A CERTAIN CATEGORY OF PUNISHMENT FOR A CLASS OF DEFENDANTS BECAUSE OF THEIR STATUS OR OFFENSE". SEE *PENRY V. LYNNAUGH*, 492 U.S. 302 (1989); ALSO *TEAGUE V. LANE*, 489 U.S. 288 (1989).

THE U.S. SUPREME COURT HAS RECOGNIZED THAT SUBSTANTIVE RULES "ARE MORE ACCURATELY CHARACTERIZED AS... NOT SUBJECT TO THE BAR". ~~See~~ SEE *SCHRIRO V. SUMMERLIN*, 542 U.S. 348 (2004). SUBSTANTIVE RULES SET FORTH CATEGORICAL CONSTITUTIONAL GUARANTEES THAT PLACE CERTAIN CRIMINAL LAWS AND PUNISHMENTS ALTOGETHER BEYOND THE STATES POWER TO IMPOSE. IT FOLLOWS THAT WHEN A STATE (DISTRICT COURT) ENFORCES A PROSCRIPTION OR PENALTY BARRED BY THE CONSTITUTION, THE RESULTING CONVICTION OR SENTENCE IS, BY DEFINITION, UNLAWFUL.

THE DISTRICT COURT IN MY CASE ERRED BECAUSE THE U.S. SUPREME COURTS PRECEDENTS ADDRESSING THE NATURE OF SUBSTANTIVE RULES, THEIR DIFFERENCES FROM PROCEDURAL RULES, AND THEIR HISTORY OF RETROACTIVE APPLICATION ESTABLISH THAT THE CONSTITUTION REQUIRES SUBSTANTIVE RULES TO HAVE RETROACTIVE EFFECT REGARDLESS OF WHEN A CONVICTION BECAME FINAL.

SEE *MONTGOMERY V. LOUISIANA*, 577 U.S. (2016).

IN MY CASE, AT SENTENCING, THE COURT KNEW OR SHOULD HAVE KNOWN, THAT NO PROPER FINDINGS WERE MADE BY A JURY REGARDING THE WEAPON ENHANCEMENT PROVISION OF NRS 193.165 WHICH WAS REQUIRED BY NRS 193.165(3). DESPITE THIS FACT, THE DISTRICT COURT, NONETHELESS, IMPOSED AN ENHANCED SENTENCE BY ADDING A CONSECUTIVE PRISON TERM OF FOUR (4) TO TWELVE (12) YEARS AND TWELVE (12) TO THIRTY (30) MONTHS FOR THE WEAPON ENHANCEMENT.

THE NEVADA SUPREME COURT HAS HELD THAT "THE PRESCRIBED FACT REQUIRED" BY NRS 193.165(3) IS CLEARLY A JURY QUESTION. *ZOMBAT V. STATE*, 106 NEV. 571 (1990) (THE TRIAL OF FACTS WILL HAVE TO DETERMINE IF THE WEAPON WAS A NECESSARY ELEMENT"...). IN THE ABSENCE OF A FACTUAL FINDING BY A JURY, THE DISTRICT COURT FAR EXCEEDED ITS AUTHORITY BY ENHANCING MY SENTENCE. IN FACT, MY SENTENCE IS DISPROPORTIONATE TO A MORE CULPABLE CO-DEFENDANT'S PRISON SENTENCE.

THE DISTRICT COURT ERRED ON THIS ENHANCEMENT ISSUE AS A MATTER OF LAW AND FACT. I ASSERT THAT MY CLAIM OF ENTITLEMENT TO JURY TRIAL ON FACTS USED BY THE SENTENCING COURT TO JUSTIFY THE ENHANCEMENT WAS APPARENT ON ITS FACE IN THE RECORD AND WOULD BE CONSIDERED ON APPEAL DESPITE DEFENDANT'S FAILURE TO PRESERVE SUCH CLAIM AT TRIAL. SEE *BLAKELY V. WASHINGTON*, (2004); ALSO *APPENDI V. NEW JERSEY*,

(2000) (A COURT MAY NOT RELY ON UNPROVEN OR UNADMITTED FACTS

WHEN IMPOSING AN ENHANCED OR EXCEPTIONAL SENTENCE. THE FINAL AGGRAVATING FACTOR WAS THE USE OF A DANGEROUS INSTRUMENT OR DEADLY WEAPON. THE MURDER OFFENSE WAS CHARGED ^{WITH} ENHANCEMENT AND THE ATTEMPT MURDER WAS ALSO ENHANCED, ALTHOUGH IT WAS NOT CLEAR BECAUSE THE INDICTMENT DID NOT SPECIFY THE BASIS OF THE NATURE OF THE OFFENSE, WHEN THE TRIAL COURT RELIES ON AN IMPROPER FACTOR AND THE SUPREME COURT IS NOT CERTAIN THAT IT WOULD HAVE IMPOSED THE SAME SENTENCE ABSENT THAT FACTOR, THE DISTRICT COURT MUST REMAND FOR VACATING THE ENHANCEMENT PURSUANT TO *BLAKELY* AND ORDER A RESENTENCING WITHOUT THE WEAPON ENHANCEMENT.

THE DISTRICT COURT ERRED DUE TO THE STATED FACTS ABOVE AND I ASK FOR IMMEDIATE RELIEF ON THIS GROUND.

(3)

2. My lawyer was ineffective when he failed to object to the imposition of the enhanced prison term when he knew or should have known that the jury needed to determine aggravating factors before sentencing in violation of my 6th Amendment right to effective counsel.

It is well settled that the right to the effective assistance of counsel applies to certain steps before trial. The Sixth Amendment guarantees a defendant the right to have counsel present at all critical stages of the criminal proceedings. Critical stages include arraignments, post-indictment interrogatories, post-indictment lineups, and the entry of a guilty plea. See *Missouri v. Frye*, 132 S.Ct. 1399 (2012); *Montejo v. Louisiana*, 129 S.Ct. 2079 (2019) (the Sixth Amendment right to effective assistance of counsel extends to the consideration of plea offers that lapse or are rejected).

In my case, my lawyer's performance was deficient, unreasonable and prejudicial when he failed to object and challenge the imposition of the enhanced sentence penalty. My lawyer advised me to take a plea deal that was not beneficial to me due to the weapon enhancements that followed the primary prison terms, all to run consecutively, when my co-defendant received a lesser amount of prison time for more culpable behavior and involvement.

Counsel knew or should have known that the jury needed to determine the aggravating factors before sentencing. The law governing the basic function of a criminal defense attorney to investigate the facts is well established. Counsel must, at a minimum, conduct a reasonable investigation enabling him to make informed decisions about how best to represent his client. See *Bennett v. Cate*, 2010 U.S. App. Lexis 26503 (9th Cir.) 2010; *Halbert v. Michigan*, 125 S.Ct. 2582; *Glover v. United States*, 121 S.Ct. 696; also *Larier v. Cooper*, 132 S.Ct. 1376 (2012).

My counsel's ineffective assistance prejudiced me with the failure to argue for a more favorable prison term than my co-defendant received in this same case. My sentence and conviction must be vacated and remanded due to these facts.

(4)

3. MY LAWYER WAS INEFFECTIVE WHEN HE FAILED TO INFORM ME THAT I ONLY HAD ONE(1) YEAR TO RAISE MY APPELLATE ISSUES IN A STATE POST-CONVICTION PETITION IN VIOLATION OF MY 6TH AMENDMENT RIGHT TO THE EFFECTIVE ASSISTANCE OF COUNSEL.

I CONTEND THAT MY FORMER COUNSEL, DAN M. WINDER, NEVER INFORMED ME THAT I HAD ONLY ONE YEAR FROM THE TIME OF MY JUDGMENT OF CONVICTION DATE TO RAISE MY APPELLATE ISSUES IN A STATE POST-CONVICTION PETITION. THIS FAILURE TO ADVISE ME HAD A DIRECT CORRELATION WITH THE CONSEQUENCES OF ENTERING INTO AN ENSUING GUILTY PLEA. SEE HILL V. LOCKHART, 106 S. CT. 366 (1985); AND PADILLA V. KENTUCKY, 130 S. CT. 1473 (2010).

IN ORDER FOR CONSTITUTIONAL GUARANTEES TO BE REALIZED, CRIMINAL DEFENDANTS REQUIRE EFFECTIVE COUNSEL DURING AND AFTER PLEA NEGOTIATIONS. "ANYTHING LESS ... MIGHT DENY A DEFENDANT "EFFECTIVE REPRESENTATION BY COUNSEL AT THE ONLY STAGE WHEN LEGAL ADVICE WOULD HELP HIM". SEE ARGERSINGER V. HAMLIN, 92 S. CT. 2006 (1972) (GUILTY PLEA). (QUOTING SPANO V. NEW YORK, 79 S. CT. 1202 (1959)).

COUNSEL'S FAILURE TO PROPERLY ADVISE ME OF THE ONE YEAR LIMIT CAUSED ME EXTREME PREJUDICE BECAUSE THAT FAILURE, WHILE HE WAS STILL MY COUNSEL IN SEPTEMBER, 2016, MADE ME BELIEVE THAT I STILL HAD AMPLE TIME TO RAISE NEW GROUNDS. WHERE SPECIFIC ALLEGATIONS BEFORE THE COURT SHOW REASON TO BELIEVE THAT THE HABEAS PETITIONER MAY, IF THE FACTS ARE FULLY DEVELOPED, BE ABLE TO DEMONSTRATE THAT HE IS ENTITLED TO RELIEF, IT IS THE DUTY OF THE COURT TO PROVIDE THE NECESSARY FACILITIES AND PROCEDURES FOR AN ADEQUATE INQUIRY, AND RELIEF MAY BE GRANTED UPON A SHOWING OF "GOOD CAUSE". MY LAWYER'S FAILURE TO PROPERLY ADVISE ME OF THE TIMEFRAME CONSTITUTES GOOD CAUSE IN MY CASE BECAUSE, IF I HAD KNOWN OF THIS, I WOULD HAVE PREPARED AND FILED THE APPELLATE ARGUMENTS I NEEDED TO BEFORE THAT ONE YEAR RAN OUT. THE ERROR WAS NOT HARMLESS AND HAD A SUBSTANTIAL AND INJURIOUS EFFECT ON MY DEFENSE OF THE CHARGES. MY CONVICTION AND SENTENCE MUST BE REVERSED DUE TO THE STATED FACTS ABOVE.

(5)

Conclusion

THE FACTS STATED ABOVE DEMONSTRATE THAT MY COUNSEL OF RECORD WAS INEFFECTIVE IN HIS REPRESENTATION OF MY CASE AND THE DISPARITY OF THE SENTENCE I RECEIVED VERSUS THAT OF MY CO-DEFENDANT. DUE TO THESE FACTS, I BELIEVE THAT MY CONVICTION AND SENTENCE SHOULD BE REVERSED IN THIS MATTER.

Respectfully Submitted,

ON THIS 23 DAY OF DEC. 2016

1 **POINTS AND AUTHORITIES**

2 **STATEMENT OF THE CASE**

3 On June 16, 2010, the State of Nevada charged CEDRIC LEROB JACKSON
4 (hereinafter "Defendant") by way of Information as follows: COUNT 1 – Murder with Use
5 of a Deadly Weapon (Felony – NRS 200.010, 200.030, 193.165), COUNT 2 – Attempt Murder
6 with Use of a Deadly Weapon (Felony – NRS 200.010, 200.030, 193.330, 193.165), COUNT
7 3 – Battery with Use of a Deadly Weapon Resulting in Substantial Bodily Harm (Felony –
8 NRS 200.481.2c), COUNT 4 – Attempt Murder with Use of a Deadly Weapon (Felony – NRS
9 200.010, 200.030, 193.330, 193.165), COUNT 5 – Assault with a Deadly Weapon (Felony –
10 NRS 200.471), COUNT 6 – Attempt Murder with Use of a Deadly Weapon (Felony – NRS
11 200.010, 200.030, 193.330, 193.165), COUNT 7 – Assault with a Deadly Weapon (Felony –
12 NRS 200.471), COUNT 8 – Conspiracy to Commit Murder (Felony – NRS 199.480, 200.100,
13 200.030), COUNT 9 – Discharging Firearm at or into Structure, Vehicle, Aircraft, or
14 Watercraft (Felony – NRS 202.285), and COUNT 10 – Discharging Firearm Out of Motor
15 Vehicle (Felony – NRS 202.287).

16 On September 17, 2014, pursuant to negotiations, the State filed an Amended
17 Information charging Defendant as follows: COUNT 1 – Second Degree Murder with Use of
18 a Deadly Weapon (Category A Felony – NRS 200.010, 200.030, 193.165 – NOC 50011) and
19 COUNT 2 – Attempt Murder with Use of a Deadly Weapon (Category B Felony – NRS
20 200.010, 200.030, 193.330, 193.165 – NOC 50031). That same day, Defendant pleaded guilty
21 to both counts in the Amended Information.

22 Defendant appeared before the District Court on November 14, 2014, and was
23 sentenced on COUNT 1 to a maximum of 25 years with a minimum parole eligibility of 10
24 years, plus a consecutive term of 12 years with a minimum parole eligibility of four years for
25 the Use of a Deadly Weapon, and on COUNT 2 to a maximum of 60 months with a minimum
26 parole eligibility of 24 months, plus a consecutive term of 30 months with a minimum parole
27 eligibility of 12 months for the Use of a Deadly Weapon, COUNT 2 to run concurrent with
28

1 COUNT 1. Defendant received 1,748 days credit for time served. The Judgment of
2 Conviction was entered on November 21, 2014.

3 On June 22, 2016, Defendant filed a Motion to Modify and/or Correct by Setting Aside
4 Illegal Sentence Based Upon Lack of Subject Matter Jurisdiction ("Motion to Modify"). The
5 State filed its response to that motion on July 12, 2016. The District Court denied the motion
6 July 13, 2016. On November 14, 2016, Defendant filed an untimely Notice of Appeal from
7 that denial. The matter is still pending before the Nevada Supreme Court.

8 On January 1, 2017, Defendant filed the instant Petition for Writ of Habeas Corpus
9 ("Petition"). The State now responds.

10 ARGUMENT

11 **I. DEFENDANT'S PETITION IS PROCEDURALLY BARRED AND MUST BE** 12 **DENIED.**

13 Defendant's Petition for Writ of Habeas Corpus is time barred with no good cause
14 shown for delay. Pursuant to NRS 34.726(1):

15 Unless there is good cause shown for delay, a petition that
16 challenges the validity of a judgment or sentence must be filed
17 within 1 year of the entry of the judgment of conviction or, if an
18 appeal has been taken from the judgment, within 1 year after the
19 Supreme Court issues its remittitur. For the purposes of this
20 subsection, good cause for delay exists if the petitioner
demonstrates to the satisfaction of the court:

- 21 (a) That the delay is not the fault of the petitioner; and
22 (b) That dismissal of the petition as untimely will
23 unduly prejudice the petitioner.

24 The Supreme Court of Nevada has held that NRS 34.726 should be construed by its
25 plain meaning. Pellegrini v. State, 117 Nev. 860, 873-74, 34 P.3d 519, 528 (2001). As per
26 the language of the statute, the one-year time bar proscribed by NRS 34.726 begins to run from
27 the date the judgment of conviction is filed or a remittitur from a timely direct appeal is filed.
28 Dickerson v. State, 114 Nev. 1084, 1087, 967 P.2d 1132, 1133-34 (1998).

The one-year time limit for preparing petitions for post-conviction relief under NRS
34.726 is strictly applied. In Gonzales v. State, 118 Nev. 590, 596, 53 P.3d 901, 904 (2002),
the Nevada Supreme Court rejected a habeas petition that was filed two days late despite

1 evidence presented by the defendant that he purchased postage through the prison and mailed
2 the Notice within the one-year time limit.

3 Furthermore, the Nevada Supreme Court has held that the district court has a *duty* to
4 consider whether a defendant's post-conviction petition claims are procedurally barred. State
5 v. Eighth Judicial Dist. Court (Riker), 121 Nev. 225, 231, 112 P.3d 1070, 1074 (2005). The
6 Riker Court found that "[a]pplication of the statutory procedural default rules to post-
7 conviction habeas petitions is mandatory," noting:

8 Habeas corpus petitions that are filed many years after conviction
9 are an unreasonable burden on the criminal justice system. The
10 necessity for a workable system dictates that there must exist a
time when a criminal conviction is final.

11 Id. Additionally, the Court noted that procedural bars "cannot be ignored [by the district court]
12 when properly raised by the State." Id. at 233, 112 P.3d at 1075. The Nevada Supreme Court
13 has granted no discretion to the district courts regarding whether to apply the statutory
14 procedural bars; the rules *must* be applied.

15 In the instant case, the Judgment of Conviction was filed on November 21, 2014, and
16 Defendant did not file a direct appeal. Thus, the one-year time bar began to run from this date.
17 The instant Petition was not filed until January 6, 2017, more than two years after the Judgment
18 of Conviction was entered and in excess of the one-year time frame. Absent a showing of
19 good cause for this delay and undue prejudice, Defendant's claim must be dismissed because
20 of its tardy filing.

21 A showing of good cause and prejudice may overcome procedural bars. "To establish
22 good cause, appellants *must* show that an impediment external to the defense prevented their
23 compliance with the applicable procedural rule. A qualifying impediment might be shown
24 where the factual or legal basis for a claim was not reasonably available at the time of default."
25 Clem v. State, 119 Nev. 615, 621, 81 P.3d 521, 525 (2003) (emphasis added). The Court
26 continued, "appellants cannot attempt to manufacture good cause[.]" Id. at 621, 81 P.3d at
27 526. In order to establish prejudice, the defendant must show "not merely that the errors of
28 [the proceedings] created possibility of prejudice, but that they worked to his actual and

substantial disadvantage, in affecting the state proceedings with error of constitutional dimensions.” Hogan v. Warden, 109 Nev. 952, 960, 860 P.2d 710, 716 (1993) (quoting United States v. Frady, 456 U.S. 152, 170, 102 S. Ct. 1584, 1596 (1982)). To find good cause there must be a “substantial reason; one that affords a legal excuse.” Hathaway v. State, 119 Nev. 248, 252, 71 P.3d 503, 506 (2003) (quoting Colley v. State, 105 Nev. 235, 236, 773 P.2d 1229, 1230 (1989)). Clearly, any delay in the filing of the petition must not be the fault of the petitioner. NRS 34.726(1)(a).

Defendant has not even alleged good cause, and certainly has not demonstrated that an external impediment prevented his compliance with NRS 34.726(1).¹ Accordingly, because his Petition was not filed within the one-year timeframe and he has not shown good cause, the Petition must be denied.

II. DEFENDANT’S PETITION DOES NOT COMPLY WITH NRS 34.735 AND MUST BE DENIED.

NRS 34.735 requires that a defendant filing a post-conviction Petition for Writ of Habeas Corpus follow a specific format outlined within the statute. In the present case, Defendant has not met the relevant statutory requirement to file his petition in the proper form. NRS 34.735 sets forth twenty-three questions which a petitioner must answer when filing a Petition for Writ of Habeas Corpus. See Pangallo v. State, 112 Nev. 1533, 1535, 930 P.2d 100, 102 (1996). Defendant has failed to answer all 23 questions. Specifically, he has ignored the applicable questions regarding the nature of the offense involved in the conviction being challenged, what his plea was, whether he filed an appeal, if he did not file an appeal, why, whether he has previously filed any petitions, applications, or motions with respect to the judgment in this case, the details surrounding a prior filing, whether any ground presented in the instant Petition has previously been presented to this or any other court, why newly raised

¹ To the extent that Defendant’s final claim (that counsel was ineffective for failing to inform him of the procedural bars to post-conviction petitions) amounts to an allegation of good cause excusing his failure to file a timely petition, that claim, even if meritorious, does not amount to good cause. The Nevada Supreme Court has held that a claim of ineffective assistance of counsel may excuse a procedural default if counsel was “so ineffective as to violate the Sixth Amendment. However, in order to constitute adequate cause, the ineffective assistance of counsel claim itself must not be procedurally defaulted. In other words, a petitioner must demonstrate cause for raising the ineffective assistance of counsel claim in an untimely fashion.” State v. District Court (Riker), 121 Nev. 225, 112 P.3d 1070 (2005). Because Defendant has not provided good cause for his untimely filing of that ineffective assistance claim, that ineffective assistance claim cannot be considered good cause to excuse his untimely filing of the rest of the Petition.

1 issues were previously raised, reasons for the delay in his filing, whether he has a petition or
2 an appeal pending before any court regarding the judgment in this case, the name of the
3 attorney who represented him, and whether he has any future sentences to serve after he
4 completes the sentence imposed by the judgment in this case. Therefore, his Petition should
5 be denied for failing to meet the standard set forth by NRS 34.735.

6 **III. THE DISTRICT COURT DID NOT ERR IN IMPOSING A SENTENCE FOR**
7 **USE OF A DEADLY WEAPON.**

8 Defendant's first claim is that the District Court erred by imposing a consecutive
9 sentence on each of the two counts for use of a deadly weapon. Specifically, he argues that
10 such an enhancement sentence should not have been imposed without factual findings being
11 made by a jury or Defendant admitting to using a deadly weapon. Petition Memorandum at
12 1-3. He claims that neither happened and thus the sentence is illegal. *Id.* However, this issue
13 has already been adjudicated by this Court and *res judicata* prevents further review.
14 Additionally, this case involved a guilty plea and the right to trial by jury was waived, thus
15 Defendant's claim has no merit.

16 Moreover, in conjunction with claiming that there was no factual finding at the time of
17 the guilty plea (that he did not admit) Defendant claims that he was not properly canvassed as
18 to the enhancement portion of the sentence. Petition Memorandum at 2. This claim, though,
19 is belied by the record.

20 **A. This Claim Is Waived.**

21 In challenging the imposition of the consecutive sentence, Defendant has brought forth
22 a claim that should have been raised on direct appeal. As the claim was not raised in such a
23 proceeding, it is waived on post-conviction review.

24 NRS 34.810(1) reads:

25 The court shall dismiss a petition if the court determines that:

26 (a) The petitioner's conviction was upon a plea of guilty
27 or guilty but mentally ill and the petition is not based upon an
28 allegation that the plea was involuntarily or unknowingly or that
the plea was entered without effective assistance of counsel.

1 (b) The petitioner's conviction was the result of a trial
2 and the grounds for the petition could have been:

3 (2) Raised in a direct appeal or a prior petition for a writ of
4 habeas corpus or postconviction relief.

5 The Nevada Supreme Court has held that "challenges to the validity of a guilty plea and
6 claims of ineffective assistance of trial and appellate counsel must first be pursued in post-
7 conviction proceedings.... [A]ll other claims that are appropriate for a direct appeal must be
8 pursued on direct appeal, or they will be *considered waived in subsequent proceedings.*"
9 Franklin v. State, 110 Nev. 750, 752, 877 P.2d 1058, 1059 (1994) (emphasis added)
10 (disapproved on other grounds by Thomas v. State, 115 Nev. 148, 979 P.2d 222 (1999)). "A
11 court must dismiss a habeas petition if it presents claims that either were or could have been
12 presented in an earlier proceeding, unless the court finds both cause for failing to present the
13 claims earlier or for raising them again and actual prejudice to the petitioner." Evans v. State,
14 117 Nev. 609, 646-47, 29 P.3d 498, 523 (2001).

15 Since this claim does not challenge the validity of Defendant's guilty plea, nor does it
16 allege ineffective assistance of counsel, and Defendant did not raise it on a direct appeal from
17 the Judgment of Conviction, it must be deemed waived and must be denied.

18 **B. This Court Has Already Adjudicated This Matter.**

19 Even if this Court does entertain this claim, it falls under the doctrine of *res judicata*.
20 For an issue to fall under *res judicata*, it must have already been decided in a prior proceeding.
21 The following three conditions must be met: (1) the issue decided in the prior litigation must
22 be identical to the issue presented in the current action, (2) the initial ruling must have been
23 on the merits and have become final, and (3) the party against whom the judgment is asserted
24 must have been a party or in privity with a party to the prior litigation. Pulley v. Preferred
25 Risk Mutual Insurance, 111 Nev. 856, 858, 897 P.2d 1101, 1102-03 (1995).

26 When Defendant filed his Motion to Modify, he made the exact same claim that he
27 brings here. There, he stated that he "was not properly canvassed as to the extended or
28 enhanced portion of his sentence" and that "the guilty verdict contained no findings of facts
regarding the enhancement portion of" the sentence. Motion to Modify at 25. He then argued

1 that the facts required for imposing the enhancement must be determined by a jury because
2 "the trier of facts will have to determine if the weapon was a necessary element." *Id.* at 26.
3 The District Court, however, did not agree and denied the Motion to Modify. Order Denying
4 Defendant's Pro Per Motion to Appoint Counsel and Order Denying Defendant's Pro Per
5 Motion to Modify and/or Correct by Setting Aside Illegal Sentence Based Upon Lack of
6 Subject Matter Jurisdiction at 2.

7 Because Defendant reiterates the same arguments here, using the exact same language
8 from the Motion to Modify – see Petition Memorandum at 2-3 – the District Court previously
9 ruled on the issue on the merits, and Defendant was a party in that case, the doctrine of *res*
10 *judicata* applies here. Accordingly, this claim should be denied.

11 **C. Defendant Had No Right to a Determination on the Facts by a Jury.**

12 Defendant's claim regarding a factual determination that should have been made by a
13 jury is completely without merit. He essentially brings an Apprendi claim by another name.
14 In Apprendi v. New Jersey, 530 U.S. 466, 120 S.Ct. 2348 (2000), the United States Supreme
15 Court announced that "[o]ther than the fact of a prior conviction, any fact that increases the
16 penalty for a crime beyond the prescribed statutory maximum must be submitted to a jury, and
17 proved beyond a reasonable doubt." *Id.* 530 U.S. at 490, 120 S.Ct. 2362-63. However, the
18 Supreme Court has also held that "the valid entry of a guilty plea in a state criminal court
19 involves the waiver of several federal constitutional rights. Among these 'is the right to trial
20 by jury.'" Colwell v. State, 118 Nev. 807, 823, 59 P.3d 463, 474 (2002) (citing Boykin v.
21 Alabama, 395 U.S. 238, 89 S.Ct. 1709 (1969)). The Nevada Supreme Court has ruled held
22 that when a defendant pleads guilty, he waives the right guaranteed by Apprendi to have
23 enhancing or aggravating facts determined by a jury and provide beyond a reasonable doubt.
24 *Id.* 118 Nev. at 822-23, 59 P.3d 473-74.

25 Defendant pleaded guilty and knowingly waived all rights to trial by jury. See GPA at
26 4 ("I understand that I am waiving . . . [t]he constitutional right to a speedy and public trial by
27 an impartial jury[.] . . . At trial the State would bear the burden of proving beyond a reasonable
28 doubt each element of the offense(s) charged."). Defendant's guilty plea and waiver of his

1 right to trial by jury also served to waive his right to have any enhancing or aggravating facts
2 determined by a jury and proved beyond a reasonable doubt. Therefore, this claim, being
3 completely without merit, should be denied.

4 **D. Defendant's Claim Regarding the Plea Canvass and His Knowledge Is Belied**
5 **by the Record.**

6 Defendant's claim regarding the plea canvass, there being no admission as to the facts
7 required for the enhancement, and his knowledge regarding these issues is belied by the record.
8 "Bare" and "naked" allegations are not sufficient to warrant post-conviction relief, nor are
9 those belied and repelled by the record. Hargrove v. State, 100 Nev. 498, 502, 686 P.2d 222,
10 225 (1984). "A claim is 'belied' when it is contradicted or proven to be false by the record as
11 it existed at the time the claim was made." Mann v. State, 118 Nev. 351, 354, 46 P.3d 1228,
12 1230 (2002). NRS 34.735(6) states in relevant part that a Defendant "*must* allege specific facts
13 supporting the claims in the petition," and that "[f]ailure to allege specific facts rather than just
14 conclusions may cause your petition to be dismissed." (emphasis added).

15 Defendant's claim is belied by the Guilty Plea Agreement (GPA) entered on September
16 17, 2014. Through the GPA, Defendant has specifically stated:

17 As to COUNT 1 – I understand that as a consequence of my plea
18 of guilty the Court must sentence me to life in the Nevada
19 Department of Corrections with the possibility of parole with
20 parole eligibility beginning at ten (10) years or definite term of
21 twenty-five (25) years with parole eligibility beginning at ten (10)
22 years, plus a consecutive one (1) to twenty (20) years for the use
23 of a deadly weapon.

24 As to COUNT 2 – I understand that as a consequence of my plea
25 of guilty the Court must sentence me to imprisonment in the
26 Nevada Department of Corrections for a minimum term of not less
27 than two (2) years and a maximum term of not more than twenty
28 (2) years, plus a consecutive one (1) to twenty (2) years for the use
of a deadly weapon. The minimum term of imprisonment may not
exceed forty percent (40%) of the maximum term of
imprisonment.

26 GPA at 2. Therefore, Defendant's claim about being unaware of the consecutive sentence and
27 being improperly canvassed is belied by the record.

28 //

1 Further, though Defendant has failed to order the transcript from the September 17,
2 2014, guilty plea, and provide this Court with a reviewable record, presumably, as with every
3 non-*Alford* guilty plea, he admitted to the information contained in the information. In that
4 Amended Information, COUNT 1 alleged that the act used to murder the victim was "actually
5 shooting at and into the body of said" victim "with a deadly weapon, to-wit: a firearm."
6 Amended Information at 2. COUNT 2 alleged that Defendant attempted to kill another victim
7 "by shooting at and into the body of" said victim "with a deadly weapon, to-wit: a firearm."
8 Id. Presuming that Defendant admitted to these allegations (which can reasonably be
9 presumed based on the fact that the District Court accepted his plea), there was a sufficient
10 factual finding to determine that the enhancement sentence was appropriate.

11 For these reasons, the sentence was appropriate and legal. The District Court did not
12 err in rendering such a sentence. Therefore, this claim should be denied.

13 **IV. DEFENDANT'S COUNSEL WAS NOT INEFFETIVE.**

14 Defendant also raises two claims of ineffective assistance of counsel. First, he claims
15 that counsel was for ineffective for failing to object to the District Court imposing the
16 consecutive term of imprisonment for use of a deadly weapon. Second, he claims that counsel
17 was ineffective for failing to inform Defendant that he only had one year to file a post-
18 conviction petition. As for his first claim, Defendant cannot demonstrate either deficient
19 performance or prejudice for the reasons provided *supra* demonstrating that he had no right to
20 a jury making a factual determination. His second claim also fails as counsel has no obligation
21 to provide such information.

22 Ineffective assistance of counsel claims are analyzed under a two-prong test set forth in
23 Strickland v. Washington, 466 U.S. 668, 687, 104 S. Ct. 2052, 2064 (1984), wherein the
24 petitioner must show: (1) that counsel's performance was deficient, and (2) that the deficient
25 performance prejudiced the defense.

26 "Surmounting *Strickland*'s high bar is never an easy task." Padilla v. Kentucky, 559
27 U.S. 356, 371, 130 S. Ct. 1473, 1485 (2010), because the issue is whether the attorney's
28 representation amounted to incompetence under prevailing professional norms, "not whether

Joinder or adoption of co-defendant Motion to Dismiss, et al. is appropriate because JACKSON is legally similarly situated to his co-defendant that moved for a continuance, among other things. Permitting joinder will reduce needless repetition of common motions and would thus conserve judicial resources and promote judicial economy. *United States v. Ballester*, 763 F.2d 368 (9th Cir. 1985), cert. Denied, 474 U.S. 842, *United State v. Costa*, 691 F.2d 1358 (1982).

Thus, Defendant JACKSON, requests that the trial date be continued for the same reasons outlined in co-defendant's Motion. In addition, Defendant JACKSON, requests that any Order issued pursuant to his co-defendant's motion, regarding continuance of the trial, also be considered valid as to him, only as to the issue of continuing the trial.

CASE NO: 10C265339-1

DEPT NO: X

15 **GUILTY PLEA AGREEMENT**

16 I hereby agree to plead guilty to: COUNT 1 - SECOND DEGREE MURDER WITH
17 USE OF A DEADLY WEAPON (Category A Felony - NRS 200.010, 200.030, 193.165 -
18 NOC 50011) and COUNT 2 - ATTEMPT MURDER WITH USE OF A DEADLY WEAPON
19 (Category B Felony - NRS 200.010, 200.030, 193.330, 193.165 - NOC 50031), as more fully
20 alleged in the charging document attached hereto as Exhibit "1".

21 My decision to plead guilty is based upon the plea agreement in this case which is as
22 follows:

23 The Defendant's plea is conditional upon him receiving the following stipulated
24 sentence. The parties jointly recommend a sentence of ten (10) to twenty-five (25) years as to
25 Count 1 with a consecutive four (4) to twelve (12) years as to the deadly weapon enhancement.
26 In addition, the parties stipulate to two (2) to five (5) years as to Count 2 with a consecutive
27 twelve (12) to thirty (30) months sentence as to the deadly weapon enhancement. The parties
28 stipulate that the sentences on each count will run concurrently to one another.

1 I agree to the forfeiture of any and all weapons or any interest in any weapons seized
2 and/or impounded in connection with the instant case and/or any other case negotiated in
3 whole or in part in conjunction with this plea agreement.

4 I understand and agree that, if I fail to interview with the Department of Parole and
5 Probation, fail to appear at any subsequent hearings in this case, or an independent magistrate,
6 by affidavit review, confirms probable cause against me for new criminal charges including
7 reckless driving or DUI, but excluding minor traffic violations, the State will have the
8 unqualified right to argue for any legal sentence and term of confinement allowable for the
9 crime(s) to which I am pleading guilty, including the use of any prior convictions I may have
10 to increase my sentence as an habitual criminal to five (5) to twenty (20) years, life without
11 the possibility of parole, life with the possibility of parole after ten (10) years, or a definite
12 twenty-five (25) year term with the possibility of parole after ten (10) years.

13 Otherwise I am entitled to receive the benefits of these negotiations as stated in this
14 plea agreement.

15 CONSEQUENCES OF THE PLEA

16 I understand that by pleading guilty I admit the facts which support all the elements of
17 the offense(s) to which I now plead as set forth in Exhibit "1".

18 As to Count 1 - I understand that as a consequence of my plea of guilty the Court must
19 sentence me to life in the Nevada Department of Corrections with the possibility of parole with
20 parole eligibility beginning at ten (10) years or definite term of twenty-five (25) years with
21 parole eligibility beginning at ten (10) years, plus a consecutive one (1) to twenty (20) years
22 for the use of a deadly weapon.

23 As to Count 2 - I understand that as a consequence of my plea of guilty the Court must
24 sentence me to imprisonment in the Nevada Department of Corrections for a minimum term
25 of not less than two (2) years and a maximum term of not more than twenty (20) years, plus a
26 consecutive one (1) to twenty (20) years for the use of a deadly weapon. The minimum term
27 of imprisonment may not exceed forty percent (40%) of the maximum term of imprisonment.

28 //

1 I understand that the law requires me to pay an Administrative Assessment Fee.

2 I understand that, if appropriate, I will be ordered to make restitution to the victim of
3 the offense(s) to which I am pleading guilty and to the victim of any related offense which is
4 being dismissed or not prosecuted pursuant to this agreement. I will also be ordered to
5 reimburse the State of Nevada for any expenses related to my extradition, if any.

6 I understand that I am not eligible for probation for the offense to which I am pleading
7 guilty.

8 I understand that I must submit to blood and/or saliva tests under the Direction of the
9 Division of Parole and Probation to determine genetic markers and/or secretor status.

10 I understand that if I am pleading guilty to charges of Burglary, Invasion of the Home,
11 Possession of a Controlled Substance with Intent to Sell, Sale of a Controlled Substance, or
12 Gaming Crimes, for which I have prior felony conviction(s), I will not be eligible for probation
13 and may receive a higher sentencing range.

14 I understand that if more than one sentence of imprisonment is imposed and I am
15 eligible to serve the sentences concurrently, the sentencing judge has the discretion to order
16 the sentences served concurrently or consecutively.

17 I understand that information regarding charges not filed, dismissed charges, or charges
18 to be dismissed pursuant to this agreement may be considered by the judge at sentencing.

19 I have not been promised or guaranteed any particular sentence by anyone. I know that
20 my sentence is to be determined by the Court within the limits prescribed by statute.

21 I understand that if my attorney or the State of Nevada or both recommend any specific
22 punishment to the Court, the Court is not obligated to accept the recommendation.

23 I understand that if the offense(s) to which I am pleading guilty was committed while I
24 was incarcerated on another charge or while I was on probation or parole that I am not eligible
25 for credit for time served toward the instant offense(s).

26 I understand that if I am not a United States citizen, any criminal conviction will likely
27 result in serious negative immigration consequences including but not limited to:

28 //

1. The removal from the United States through deportation;
2. An inability to reenter the United States;
3. The inability to gain United States citizenship or legal residency;
4. An inability to renew and/or retain any legal residency status; and/or
5. An indeterminate term of confinement, with the United States Federal Government based on my conviction and immigration status.

Regardless of what I have been told by any attorney, no one can promise me that this conviction will not result in negative immigration consequences and/or impact my ability to become a United States citizen and/or a legal resident.

I understand that the Division of Parole and Probation will prepare a report for the sentencing judge prior to sentencing. This report will include matters relevant to the issue of sentencing, including my criminal history. This report may contain hearsay information regarding my background and criminal history. My attorney and I will each have the opportunity to comment on the information contained in the report at the time of sentencing. Unless the District Attorney has specifically agreed otherwise, the District Attorney may also comment on this report.

WAIVER OF RIGHTS

By entering my plea of guilty, I understand that I am waiving and forever giving up the following rights and privileges:

1. The constitutional privilege against self-incrimination, including the right to refuse to testify at trial, in which event the prosecution would not be allowed to comment to the jury about my refusal to testify.
2. The constitutional right to a speedy and public trial by an impartial jury, free of excessive pretrial publicity prejudicial to the defense, at which trial I would be entitled to the assistance of an attorney, either appointed or retained. At trial the State would bear the burden of proving beyond a reasonable doubt each element of the offense(s) charged.
3. The constitutional right to confront and cross-examine any witnesses who would testify against me.
4. The constitutional right to subpoena witnesses to testify on my behalf.
5. The constitutional right to testify in my own defense.

1 6. The right to appeal the conviction with the assistance of an attorney,
2 either appointed or retained, unless specifically reserved in writing and
3 agreed upon as provided in NRS 174.035(3). I understand this means I
4 am unconditionally waiving my right to a direct appeal of this conviction,
5 including any challenge based upon reasonable constitutional,
6 jurisdictional or other grounds that challenge the legality of the
7 proceedings as stated in NRS 177.015(4). However, I remain free to
8 challenge my conviction through other post-conviction remedies
9 including a habeas corpus petition pursuant to NRS Chapter 34.

10 VOLUNTARINESS OF PLEA

11 I have discussed the elements of all of the original charge(s) against me with my
12 attorney and I understand the nature of the charge(s) against me.

13 I understand that the State would have to prove each element of the charge(s) against
14 me at trial.

15 I have discussed with my attorney any possible defenses, defense strategies and
16 circumstances which might be in my favor.

17 All of the foregoing elements, consequences, rights, and waiver of rights have been
18 thoroughly explained to me by my attorney.

19 I believe that pleading guilty and accepting this plea bargain is in my best interest, and
20 that a trial would be contrary to my best interest.

21 I am signing this agreement voluntarily, after consultation with my attorney, and I am
22 not acting under duress or coercion or by virtue of any promises of leniency, except for those
23 set forth in this agreement.

24 I am not now under the influence of any intoxicating liquor, a controlled substance or
25 other drug which would in any manner impair my ability to comprehend or understand this
26 agreement or the proceedings surrounding my entry of this plea.

EXHIBIT A

Dear Sir,
I am writing to you on behalf of Mr. Jakob Jackson. I am not asking you to excuse the crime @ hand, just to view "Rob" as a whole person, & take into consideration every characteristic of him & not just the Criminal defendant.

He is a very loving and caring, devoted & nurturing father, Grandson, Son & brother. He is a very important part of our family. He always go above the call of his perspective roll, to be a caregiver to his grandmother, helping to care for her @ home, & and providing ~~top~~ respite care to help ease the task and allowing his mother a chance to rest & and recuperate and, allowing help prevents the need for nursing home placement.

He is a devoted father, caring and providing for his children, which is his job but also allows the mother to pursue some of their goals and dreams. All of these things he does with a joyful attitude & and kindness. Never complaining.

I am asking you to review all, and see the need for this

Young man to continue to ~~be~~ be
in society with his children and
family to contribute to the up-
bring of and care for them. Please
review ~~and~~ consider all, finding
a judgement that would be
beneficial to all outcomes, espe-
cially the children, who are our
future.

I pray that God continues
to give you strength and en-
durance; for the purpose which
you are called to ~~do~~ is very
mentally and physically chal-
lenging. May God bless you
and keep you.

Thank-you
Mrs. Yvette King

Your Honor

I am Sr Rob's grandma. They call me Granny. I am hoping you will take in consideration Sr Rob is a wonderful person and very caring and thoughtful. He helped us so much. The Doctor said I had a heart attack and a stroke. Sr Rob would come check on me and see that I was eating or if I needed anything. If he couldn't come he would send someone. After I came home from the hospital. First I had kidney removed and he was very helpful. Sr Rob is a kind hearted person. He loves his mother, myself and his brothers and sister. He also loves his boys. He made sure they were

taken care of - He use to get
their breakfast and baths and
keep them together, I cant
say what he didnt when he
wasnt around us, but when he
was he was very reliable and
trust worthy young man. He would
go pick up his Niece and nephews
and some of his friends friends
go and take them to parks
and riding around that's who
I Rob is. I am so sorry
as the family and their loss.
If I Rob has to go away
for a long time we all miss
his boys who need him so
much. And the rest of our
family.

Sincerely

Velma Alexander

EXHIBIT C

Your Honor

My Son Ceareic is a man
that grew up in Las Vegas.
I did my best to keep him
away from the streets and around
the wrong crowd. He was the one
person I could depend on, You could
say I depended on him too much.
That's one reason why I can't cope
right now. I haven't been able to
work since this nightmare started.
He was my protector instead of me
protecting him. He grew up faster
than a lot of other children.
He took over the role of my
husband and father, instead of
being a little boy. He would
always say mama im gona take care
of you. I took that literally and
failed my son. I have 3 other

Children. I remember him driving
to Henderson one day my mom
was sick she baby sitt for me
when I was working, and he
wanted to get her because she was
too sick to drive to town.

He would pick his brothers up
from school and take care of
his sister while I worked.

That's who Cedric is.

Cedric worked in Summer and
went to Summer school to make

sure he would graduate on time.

He had trouble in school he had a
learning disability but he wouldn't

let it bother him he would say

mom don't worry about me my

girl will help me at school or

a teacher. When Keana got

sick he took a class to

help take care of her Diabetes.

That's Cedric.

Cedric has three boys of his own but we still could depend on him to take care of whatever needed to be done with his brothers or sister. He still would be there for us too. Cedric is not the kind of person who thinks about himself it always been about other people. That's why I will give my last dollar that this crime my son is away for its not him. So will you consider the person we know as Cedric. I & Rob Jackson and be lieutenant on him. I am so sorry for the family. That horrible loss and my heart goes out to them. My son Cedric is not a monster he has a loving and loyal person son, father, brother. Sincerely,
Edwina Jackson

My big brother Cedric Jackson is thee best , funniest ,responsible person I can think of ! He's everything a lil sister could want / need ! I'm proud to say that he's my big brother but he's more then just my big brother he's my best friend , my heart beat , my right to my left side , something like my dad. I know whenever I need something I can count on Cedric. Lunch money , help with homework , shopping , but most of all my diabetes. When I think of him I have nothing but happy thoughts , and smiles. He's a sweet gentlemen. He's caring , loving , always thinking of others before himself , humorous ,a great father even to others children. It hurts me most inside and out that he's been away from me so long because I know if he was here my life would be much better than it is today.

Since he's been gone apart of me has been missing I've tried to put life on hold such as my graduation , birthdays, accomplishments . . . It really hurt the most when he missed my graduation because he's one of the people that I did it for the most and for him not to see me walk across that stage was tragic, the last of my moms kids. I just hope that one day soon I can see that big smile on his face , get that embracing ,warm brotherly hug that he gives. Most of all my big brother back.

2 The Nevada Revised Statute 7.055(1), which deals with the duty of a discharged attorney, states:

3 "An attorney who has been discharged by his client shall, upon demand and payment of the fee due from
4 the client, immediately deliver to the client all papers, documents, pleadings and items of tangible property
which belong to or were prepared for that client."

5 As can be seen in this case, the defendant does not owe any fees, in fact, they, meaning counsel(s)
6 of record, were appointed by the Court to represent the defendant, who was an indigent, in Case
7 Number, 10C26S337-L in Department No. _____.

8 N.R.S. 7.055(2) gives this Court the power to Order the Attorney(s) of record to produce and
9 deliver to the defendant in his/her possession, which states:

10 "A client who, after demand therefore and payment of the fee due from him, does not receive from his
11 discharged attorney all papers, documents, pleadings and items of tangible personal property may, by
12 a motion filed after at least 5 days' notice to the attorney, obtain an order for the production of his papers,
Documents, pleadings and other property."

13 In numerous cases throughout this great land, the courts have held attorneys to a high degree of
14 professional responsibility and integrity. This carried from the time of hiring to and through the
15 attorney's termination of employment.

16 Supreme Court Rule 173 states quite clear that a withdrawn attorney owes his former client a
17 . . . prompt accounting of all his client's . . . property in his possession." This is echoed in Canon 2 of
18 the Code of Professional Responsibility of the American Bar Association, which states in pertinent
19 part EC 2-32: "A lawyer should protect the welfare of his client by . . . delivering to the client all
20 papers and property to which the client is entitled." Again in Disciplinary Rule 2-110(A)(2) of the
21 ABA, this is brought out that a withdrawn attorney must deliver to the client all papers and comply with
22 applicable laws on the subject.

23 In the cases of In Re Yount, 93 Ariz. 322, 380 P.2d 780 (1963) and State v. Alvey, 215 Kan. 460,
24 524 P.2d 747 (1974), both of which dealt with a factual situation involving a withdrawn attorney
25 refusing to deliver to a former client his documents after being requested to do so by the client. The
26 court in Yount, supra, ordered the attorney disbarred while in Alvey, supra, the court had the attorney
27 censured.

1 While not the intention of the Defendant in this case to have the attorney disbarred, these cases do
2 show a pattern in the court in considering the refusal to deliver to a former client all his documents
3 and property after being requested to do so, a serious infraction of the law and of professional ethics.
4 See, In Re Sullivan, 212 Kan. 233, 510 P.2d 1199 (1973).

5 In summary, this court has jurisdiction through NRS 7.055 to Order the attorney(s) to produce and
6 deliver to the Defendant all documents and personal property in his/their possession belonging to him
7 or prepared for him. The Defendant has fulfilled his obligations in trying to obtain the papers. The
8 attorney(s) is in discord with Cannon 2 of the Code of Professional responsibility and the Nevada
9 Supreme Court Rules 173, 176 and 203.

POINTS AND AUTHORITIES

"Motion to modify sentence" is limited in scope to sentences based on mistaken assumptions about defendant's criminal record which work to defendant's extreme detriment, while " Motion to correct illegal sentence " addresses only facial legality of sentence. State v. District Court, 100 Nev. 90, 97, 677 p.2d 1044 1048 (1984), and Edwards v. State, 918 p.2d 321 (nev. 1996).

Further N.R.S 176.555 Motion to Modify and/or Correct a sentence, may be filed at any time.

Defendant herein alleges that his sentence should be modified and/or corrected pursuant to the following facts.

The defendant contends that his sentence should be modified and/or corrected or vacated primarily because (1) this Court lacks and lacked Subject-Matter Jurisdiction to carry try his case and to render a judgment against him, and (2) Because his Alleged Enhancements are illegal. That They are Facially illegal.

The Defendant asks this Court to consider his claims individually. The defendant contends that The N.R.S.' used in the INFORMATION (Charging Document), namely NRS: 200.010, 200.030, 193.165, 193.330, 200.101, were all invalid STATUTES at the time and on the date that the INFORMATION was brought against him by the State, which makes these statutes non-charges, non-crimes that constitutionally fail, which makes them non-constitutional. Thereby making his sentence/convictions Facially illegal. Therefore they must be Vacated as a matter of law.

1. (a) GROUND 1: "LACK OF Subject-Matter Jurisdiction", pursuant
To Nev. Const. Art. 4 Section 1; Art. 4, Section 23; 21 C.J.S. "Criminal Law", section 18, p. 25;
22 C.J.S. "Criminal Law", section 167, p. 202; 22 C.J.S. "Criminal Law", section 157, p. 164, and
5TH, 6TH, 8TH and 14TH Amendment of U.S. Constitution.

1. (a) SUPPORTING FACTS The Defendant contends that The 8TH Judicial
District Court, Clark County Nevada - Lacked and still Lacks
Subject-Matter Jurisdiction to try this case, case no. 10C065339-1,
Dept. X, for the non-charges of 2nd Degree Murder With Use Of
A Deadly Weapon, NRS' 200.010; 200.030; 193.165; 193.330; 200.030. This
because THE STATE failed to ever charge him of a crime, which
is made apparent from the FACES of (1) The NRS. STATUTE BOOK
and (2) from THE FACE OF THE "INFORMATION" document used to
bring these NON-constitutional ~~non~~-charges against the Defendant.
This because there are no titles, bills, enacting clause, nor are/is
there the language on the face of the INFORMATION ~~cor~~
The NRS. BOOK Under the STATUTES listed in the INFORMATION
that is absolutely mandated by The Nevada Constitution. See
Exhibit "A" for Information. See attached Memorandums for
detailed explanation.

That the most basic elements of his argument is that
The "INFORMATION" attached hereto is the "Charging Document"
used by the STATE to bring these non-charges upon Defendant/
Accused. This was a failed attempt by the state to bring on to
give this Court Subject-Matter Jurisdiction. But instead the
INFORMATION in this case actually Negates this Court of
Subject-Matter Jurisdiction, which is a prerequisite to possess
the authority to try a case FOR without such authority, this

Court lacks the authority to Render any Verdict in the case, save a verdict dismissing the entire case and releasing the captive from custody.

"Law in the sense in which courts speak of it Today, does not exist without some definite Authority behind it." Black and White Taxi Transfer Co. v. Brown and Yellow Taxi Transfer Co., 276 U.S. 518, 533 (1927)

The defendant asserts that it is clear from the FACE of the INFORMATION that, "There is NO Title, NO Bill, NO Enacting Clause and (4) NO Constitutional Authority, which entitles him to Relief.

Instead this charging document only states;
"In The Name and by The Authority OF The State of Nevada, I inform the Court that _____, having committed the crimes. Exhibit"

So the Defendant not only contends that, Not only is there no Title, bill and enacting clause in the NRS' Book for NRS. used in him information, which invalids these NRS' listed on the INFORMATION, But there is also no Title, bill, enacting clause or Constitutionally mandated language that grants the authority of Law which would grant this Court Subject-Matter Jurisdiction.

That specifically, there is no statement that reads
S

"The People of The State of Nevada, Represented In Senate and Assembly, Do Enact as follows . . . which is a MANDATORY Requirement as stated by The Nevada Supreme Court in STATE OF NEVADA V. ROGERS, and PEOPLE V. DELTENTHALER, 72 N.W. 459, 482, 118 Mich. 595 (1898).

"A provision in a state constitution regarding an Enacting clause in a statute is MANDATORY and that The omission thereof renders The Statute Void." CANE V. ROBBINS, 61 Nev. 416, 131 p.2d 516 (Nev. Supreme Court 1942).

"That Section 23 provided that the enacting clause of every law had to state: 'The People of The State of Nevada, Represented In The Senate and Assembly, do enact As follows.' The act challenged omitted only the words, 'Senate and'. The Court denied the Writ, finding that Section 23 was a Mandatory provision. The Court held that where The enacting words were prescribed, it was mandatory they be included in The act. Without the words required by the Constitution, and Without the concurrence of the Senate, The People had no Power to Enact Law." STATE V. ROGERS, 10 Nev. 250 (Nev. Supreme Court 1878).

So the non-crimes and statutes quoted are listed in the Defendant/Accused INFORMATION has no sign of authority in either STATUTES BOOK OR INFORMATION ON THEIR "FACTS", which would be the only "Official declaration of authority and authenticity."

"A publication of a STATUTE BOOK without the Title and Enacting Clause in the Laws therein is an incomplete or invalid publication, Just like a publication of a book or Magazine article is incomplete Without the title and authors name, it is Just a nameless body of words." Ruling Case Law, Vol. 25, "STATUTES", Section 133, p. 884, citing L.R.A. 1915, B, p. 1065.

"An inmate was released because STATUTES HAD NO ENACTING CLAUSE as demanded by the Constitution." STATE V. PATTERSON, 4 S.G. 380, 382, 98 N.C. 660 (1887)

"Jurisdiction over the Subject-Matter of action is Essential to power of Court to Act, and is conferred to power of Court to Act, and is conferred ONLY by Constitution or by Valid STATUTES." BROWN V. STATE, 37 N.C. 2d 73, 77 (Ind. 1941)

"If a criminal statute is unconstitutional, the court LACKS Subject-Matter Jurisdiction and CANNOT proceed to try the case." 22 Corpus Juris Secundum, "Criminal Law", Section 187 p. 189, citing People V. Katreinar, 185 Cal. Rptr. 869, 136 Cal. App. 3d 148 (1983)

"If these statutes are unconstitutional, the laws are void And an offense created by them is NOT a CRIME and a conviction under them, CANNOT BE A LEGAL CAUSE OF IMPRISONMENT. For NO court can acquire jurisdiction to try a person for acts which are made criminal only by an unconstitutional Law." Helly V. Meyers, 210 B. p. 903, 908

(ore. 1928)

"An invalid, Unconstitutional or non-existent statute also affects the validity of the charging document, that is, the Information. If these documents are void or fatally defective, there is no Subject-Matter Jurisdiction since they are the basis of the Court's Jurisdiction.

"When a criminal defendant is indicted by Information under a not yet effective statute, the charging document is void." STATE V. Dungan, 718 p.2d 1010, 1019, 149 A.R.2. 857 (1985)

"Jurisdiction is brought to the Court by way of a Complaint, Information, or indictment. If these instruments fail to charge a crime, there can be no Subject-Matter Jurisdiction.

The allegations in the indictment or Information determines the Jurisdiction of the Court." Ex parte Waddock, 286 Pac. 765, 766 (OKla. 1930)

"Where an Information charges No crime, the Court lacks Jurisdiction to try the accused and a Motion to quash Information or charges is always granted." People v. Hardiman, 347 N.W.2d 466, 463, 132 Mich. App. 383 (1984); 22 Corpus Juris Secundum "Criminal Law", section 157, p. 189; People v. McCarty, 445 N.E.2d 289, 94 Ill.2d 28

"Without a formal and sufficient indictment or Information, a Court does not acquire Subject-Matter Jurisdiction and thus An Accused MAY NOT BE PUNISHED FOR A CRIME!" Honovich v. State, 383 N.W.2d 777, 798 (S.D. 1988).

and Lastly,

"Lack of Jurisdiction and the improper exercise of Jurisdiction are vitally different concepts. Where the Court is without Jurisdiction it has NO AUTHORITY TO RENDER ANY JUDGMENT OTHER THAN ONE OF DISMISSAL." Garcia v. Diaz, 596 S.W.2d 524, 528 (Tex. Cr. App. 1980).

see. Ist Memorandum of Points And Authorities

So all of Defendants/Accused convictions in this case are Facially Illegal and therefore they must be vacated as a matter of Law.

II. THE NATURE OF SUBJECT MATTER JURISDICTION

The Jurisdiction of a court over the subject matter has been said to be essential, necessary, indispensable and an elementary prerequisite to the exercise of judicial power. 22 C.J.S. "Courts," Section 18, p. 25. A court CANNOT proceed with a trial or make a judgment without such jurisdiction existing.

It is elementary that the jurisdiction of the Court over the subject matter of the action is the most critical aspect of the court's authority to act. Without it the court lacks any power to proceed; therefore, a defense based upon this lack cannot be waived and may be asserted at any time. Matter of Green, 313 S.E.2d 193 (N.C. App. 1984).

Subject matter jurisdiction CANNOT be conferred by waiver or consent, and may be raised at any time. Rodriguez V. State, 441 So.2d 1129 (Fla. App. 1983). The subject matter jurisdiction of a criminal case is related to the cause of action in general, and more specifically to the alleged crime or offense which creates the action.

The subject-matter of a criminal offense is the CRIME ITSELF. Subject-matter in its broadest sense means the cause; the object; the thing in dispute. Stillwell V. Markham, 10 P.2d 15, 16 135 Kan. 206 (1932)

An indictment or complaint in a criminal case is the main means by which a court obtains subject matter jurisdiction, and is "the jurisdictional instrument upon which the accused stands trial." State V. Chatmon, 671 P.2d 531, 538 (Kan. 1983). The complaint is the foundation of the jurisdiction of the magistrate or court. Thus if these charging instruments are invalid, there is a lack of subject matter jurisdiction.

Without a formal and sufficient indictment or information, a court does not acquire subject matter jurisdiction and thus an accused may NOT BE PUNISHED FOR A CRIME. Hononicht V. State, 333 N.W.2d 797, 798 (S.D. 1983)

A formal accusation is essential for every trial of a crime. Without it the court ACQUIRES NO JURISDICTION TO PROCEED, even with the consent of the parties, and where the indictment or information is invalid the court is without jurisdiction. Ex parte Carlson, 186 N.W. 722, 725, 176 Wis. 538 (1922).

Without a valid complaint any judgment or sentence rendered is "Void ab initio" Ralph V. Police Court of El Cerrito, 180 P.2d 632, 634, 84 Cal. App. 2d 257 (1948)

Jurisdiction to try and punish for a crime cannot be acquired by the mere assertion of it, or invoked otherwise than in the MANNER PRESCRIBED BY LAW, and if it is not so acquired or invoked any judgment is a NULLITY. 22 C.J.S. "Criminal Law," section 167, p. 202

The charging instrument must not only be in the particular mode or form prescribed by the Constitution and Statute to be valid, but it also must contain REFERENCE TO VALID LAWS. Without a valid law, the charging instrument is INSUFFICIENT and NO SUBJECT MATTER JURISDICTION EXISTS FOR THE MATTER TO BE TRIED.

Where an INFORMATION charges NO crime, the court lacks jurisdiction to try the accused. People v. Hardiman, 347 N.W.2d 460, 462, 132 Mich. App. 382 (1984).

Whether or not the complaint charges an offense is a jurisdictional matter. Ex parte Carlson, 186 N.W. 722, 725, 176 Wis. 538 (1922).

An invalid law charged against one in a criminal matter also negates subject matter jurisdiction by the sheer fact that it fails to create a cause of action. "Subject matter is the thing in controversy." Holmes v. Mason, 115 N.W. 770, 80 Neb. 454, citing Black's Law Dictionary. Without a valid law, there is no issue or controversy for a court to decide upon. Thus, where a law does not exist or does not constitutionally exist, or where the law is invalid, void or unconstitutional, there is no subject matter jurisdiction to try one for an offense alleged under such a law.

If a criminal statute is unconstitutional, the court lacks subject-matter jurisdiction and CANNOT proceed to try the case. 22 C.J.S. "Criminal Law," Section 157, p. 189, citing People v. Katrinak, 185 Cal. Rptr. 869, 136 Cal. App. 3d 145 (1982).

Where the offense charged does not exist, the trial court lacks jurisdiction. State v. Christensen, 329 N.W.2d, 383, 110 Wis.2d 538 (1982).

Not all statute create a criminal offense. Thus where a man was charged with "a statute which does not create a criminal offense," such a person was never LEGALLY CHARGED with any crime or lawfully convicted. because The Trial Court DID NOT HAVE "JURISDICTION OF THE SUBJECT MATTER" State ex rel. Hansen v. Rigg, 258 Minn. 388, 104 N.W.2d 553 (1960). There MUST be a valid law in order for subject matter to exist.

In a case where a man was convicted of violating certain sections of some laws, he later claimed that the laws were unconstitutional which deprived the county court of jurisdiction to try him for these offenses. The Supreme Court of Oregon held:

"If these sections are unconstitutional, THE LAW IS VOID and an offense created by them IS NOT A CRIME and a conviction under them CANNOT BE A LEGAL CAUSE OF IMPRISONMENT, For NO court can acquire jurisdiction to try a person for acts which are made criminal ONLY by an unconstitutional law." Kelly v. Meyers, 263 Pac. 903, 905 (Ore. 1928).

Without a valid law there can be no crime charged under that law, and where there is no crime or offense there is ~~no~~ controversy or cause of action, and without a cause of action there can be no subject matter jurisdiction to try a person accused of violating said law. The Court then has no power or right to hear and decide a particular case involving such invalid or nonexistent laws.

These authorities and others make it clear that if there are no valid laws charged against a person, there is nothing that can be deemed a crime, and without a crime there is no subject matter jurisdiction. Further, invalid or unlawful laws make the complaint fatally defective and insufficient, and without a valid complaint there is a lack of subject matter jurisdiction.

The Accused asserts that the laws charged against him are not valid, or do not constitutionally exist as they do not conform to certain Constitutional prerequisites, and thus are no laws at all, which prevents subject matter jurisdiction to the above-named court.

The complaints in question allege that the Accused has committed several crimes by the violation of certain laws which are listed in said complaints, to wit:

NRS (Nevada Revised Statute) 200.010; NRS. 200.030;

NRS. 193.165; NRS. 193.330; [REDACTED]

NRS. 200.101.

III. LEGAL ARGUMENT

I have been informed that these laws or statutes used in the complaints/
INFORMATION/PLEA AGREEMENT/JUDGMENT OF CONVICTION against the PERSON/ME
(The Accused/Convicted prisoner) are located in and derived from a collection
of books entitled, "The Nevada Revised Statutes (NRS)". Upon looking up
these laws in this publication, I realized that they DO NOT adhere to several
Constitutional provisions of the Constitution of The State of Nevada.

By Article 4, Section 1 of The Constitution of The State of Nevada
(1864), ALL lawmaking authority for The State is vested in the Legislature of the
State of Nevada.

Article 4, Section 1:

Legislative Power Vested in Senate and Assembly

The Legislative authority of this State SHALL be vested in a Senate
And Assembly which SHALL be designated "The Legislature of The State -

14

Of Nevada" and the sessions of such Legislature shall be held at the seat of government of the state.

This Article also prescribes certain forms, modes and procedures that MUST be followed in order for a VALID LAW TO EXIST UNDER THE CONSTITUTION. It is fundamental that NOTHING can be a law that is not enacted by the Legislature prescribed in the Constitution, and which fails to conform to constitutional forms, prerequisites or prohibitions. These are the grounds for challenging the Subject Matter Jurisdiction of this court, since the validity of a law on a Complaint or indictment goes to the jurisdiction of a court. The following explains in AUTHORITY DETAIL - WHY - the laws cited in the complaints/INFORMATION/ PLEA AGREEMENT/JUDGMENT OF CONVICTION against the Accused are NOT Constitutionally Valid laws.

IV. BY CONSTITUTIONAL MANDATE ALL LAWS MUST HAVE AN ENACTING CLAUSE:

All laws are required to follow the constitution of the State of Nevada (1864). The foundation for the Court's subject matter jurisdiction is the enactment clause placed on ~~each statute~~ each statute as the heading of the statute. According to Article 4, Section 23 it reads:

QUOTE: "Sec. 23. Enacting clause; law to be enacted by bill. The Enacting clause of every law shall be as follows: "The people OF THE STATE OF NEVADA represented in Senate and Assembly, Do enact as follows," and NO LAW SHALL BE ENACTED EXCEPT BY BILL" End quote.

NONE of the laws cited in the complaints against the Accused, as found in the "Nevada Revised Statutes", 2002 — 2016, contain any enacting clause as required by Article 4, Section 23 OF THE CONSTITUTION OF THE STATE OF NEVADA.

The constitutional provision which prescribes an enacting clause for all laws is NOT directory, but is MANDATORY! This provision is to be strictly adhered to as Assented by the constitution of the State of Nevada.

Article 4, Section 23, provides that "The enacting clause of every law shall be as follows, and NO LAW SHALL BE ENACTED EXCEPT BY BILL".

This is mandatory, and that a statute without any enacting clause is void.

V. WHAT IS THE PURPOSE OF THE CONSTITUTIONAL PROVISION FOR AN ENACTING CLAUSE?

To determine the validity of using laws without an enacting clause against citizens or non-resident aliens, we need to determine the purpose and function of an enacting clause; and also to see what problems or evils were intended to be avoided by including such a provision in the Constitution of the State of Nevada. One object of the Constitutional mandate for an enacting clause is to show that the law is one enacted by the legislative body which has been given the lawmaking authority under the Constitution.

The purpose of thus prescribing an enacting clause — "the style of the act" — is to establish it; to give it permanence, uniformity, and certainty; to identify the Act of legislation as of the general assembly; to afford evidence of its legislative statutory nature; and to secure uniformity of identification, and thus prevent inaccuracy, possibly mistake and fraud. State v. Patterson, 4 S.G. 259, 352, 98 N.C. 660 (1887); 82 C.J.S. "Statutes", Section 65, p. 104; Joiner v. State, 155 S.G. 2d 8, 10, 223 Ga. 367 (1967).

What is the object of the style of a bill or enacting clause anyway? It is, to show the Authority by which the bill is enacted into law; to show that the act comes from a place pointed out by the Constitution as the source of legislation. Ferrill v. Keel, 151 S.W. 269, 272, 105 Ark. 320 (1912).

To fulfill the purpose of identifying the lawmaking authority of a law, it has been repeatedly declared by the courts of this land that an enacting clause is to appear on the face of every law which the people are expected to follow and obey.

The almost unbroken custom of centuries has been to preface laws with a statement in some form declaring the enacting authority. The purpose of an enacting clause of a statute is to identify it as an act of legislation by expressing on its face the authority behind the act. 73 Am. Jur. 2d, "Statutes", Section 93, p. 319, 320; Prekel v. Byrne, 243 N.W. 823, 826, 62 N.D. 356 (1932).

For an enacting clause to appear on the face of a law, it must be recited or published with the law so that the public can readily identify the authority for that particular law which they are expected to follow. The "Statutes" used in the complaints against the Accused have no enacting clauses. They thus cannot be identified as acts of legislation of the State of Nevada pursuant to its lawmaking authority under Article 4, Section 23 of the Constitution of the State of Nevada (1864), since a law is mainly identified as a true and constitutional law by way of its enacting clause, even though their State Constitution had no provision for the measure. The Court stated that an enacting clause establishes a law or statute as being a true and authentic Law of the State:

The enacting clause is that portion of a statute which gives it jurisdictional identity and constitutional authenticity. Joiner v. State, 155 S.G. 2d 8, 10 (Ga. 1967).

The failure of a law to display on its face an enacting clause deprives it of essential legality and renders a statute which omits such clause as "a NULLITY and of NO FORCE OF LAW." Tamen V. State, supra. The Statutes cited in the complaints have no JURISDICTIONAL IDENTITY and are NOT Authentic Laws under the Constitution of The State of Nevada.

The Court of Appeals of Kentucky held that the constitutional provision requiring an enacting clause is a basic adjunct which has a direct effect upon the validity of a law. The Court, in dealing with a law that had contained no Enacting clause, stated:

The alleged act or law in question is UNNAMED: it shows no sign of Authority: it carries with it no evidence that the General Assembly or any other law-making power is responsible or answerable for it. By an enacting clause, the makers of the Constitution intended that the General Assembly should make its impress or Seal, as it were, upon each enactment for the sake of Identity, and to assume and show Responsibility. While the Constitution makes this a necessary, it did not originate it. The custom is in use practically everywhere, and is as old as parliamentary Government, as old as King's decrees, and even they borrowed it. The decrees of Cyrus, King of Persia, which Holy Writ records, were not the first to be prefaced with a Statement of Authority. The law was delivered to Moses in the Name of The Great I AM, and the prologue to the Great Commandments is no less majestic and impelling. But, whether ~~these~~ these edicts and commands be promulgated by the Supreme Ruler or by petty kings, or by the sovereign ~~promulgated~~ themselves, they have always begun with some such form as a evidence of power and authority. Commonwealth V. Illinois Cent. R. Co., 170 S.W. 171, 172, 175, 160 Ky. 745 (1914)

The "laws" used against The Accused are unnamed. They show no sign of authority on their face as recorded in the "The Nevada Revised Statutes (NRS)." They carry with them no evidence that the Legislature of the State of Nevada, pursuant to Article 4, Section 23 of the Constitution of the State of Nevada (1964), is responsible for these laws. Without an enacting clause the laws referenced to in the Complaint/Information/Pllea Agreement/Judgment of Conviction have no official evidence that they are from an authority which I am subject to OR Required to obey.

When the question of the "objects intended to be secured by the enacting clause provision" was before the Supreme Court of Minnesota, the Court held that such a clause was necessary to show the people who are to obey the law, the authority for their obedience. It was revealed that historically this was a main use for an Enacting clause, and that its use is a fundamental concept of law. The Court stated:

All written laws, in all times and in all countries, whether in the form of decrees issued by absolute monarchs, or statutes enacted by King and Council, or by a Representative body, have, as a rule, expressed upon their face the authority by which they were promulgated or enacted. The almost unbroken custom of centuries has been to preface laws with a statement in some form declaring the enacting authority. If such an enacting clause is a mere matter of form, a relic of antiquity, serving no useful...

14

-purpose, why should the constitutions of so many of our states require that All laws must have an enacting clause, and prescribe its form. If an Enacting clause is useful and important, it is desirable that laws shall bear upon their face the authority by which they are enacted so that the people who are to obey them need not search legislative and other records to ascertain the authority; then it is not beneath the dignity of the framers of a Constitution, or unworthy of such an instrument, to prescribe a uniform style for such enacting clause.

The words of the Constitution, that the style of all laws of this state shall be, "Be it enacted by the legislature of the state of Minnesota," imply that all laws must be so expressed or declared, to the end that they may express upon their face the authority by which they were enacted: and, if they do not so declare, they are not laws of this state. Sjoberg V. Security Savings and Loan Assn, 73 Minn. 208, 212-214 (1898).

This case was initiated when it was discovered that the law relating to "Building, loan and savings associations," had no enacting clause as it was printing in the statute book, "Laws 1897, c. 250." The Court made it clear that a law existing in that manner is "void" Sjoberg, *supra*, p. 214.

The purported laws in the complaint/Plea Agreement/Information, which the Accused and convicted petitioner is said to have violated, are referenced to various laws found in printed in the "The Nevada Revised Statutes (NRS)" book. I have looked up the laws charged against me in this book and found NO Enacting clause for any of these laws. A citizen is not expected or required to search through other records or books for the enacting authority. If such Enacting authority is not, "on the face" of the laws which are referenced in a complaint/Plea Agreement/Information/Judgment of conviction, then "They are NOT Laws of This State," and thus are not laws that to which I am subject. Since they are not laws in this state, the above named Court has no Subject Matter Jurisdiction, as there can be no crime which can exist from Failing to follow laws which do not constitutionally exist.

In speaking on the necessity and purpose that each law be pre-faced with an enacting clause, the Supreme Court of Tennessee quoted the first portion of the Sjoberg case cited above, and then stated:

"The purpose of provisions of this character is that all statutes may bear upon their face a declaration of sovereign authority by which they are enacted and declared to be the law, and to promote and preserve uniformity in legislation. Such clauses also import a command of obedience and clothe the statute with a certain dignity, believed in all times to command respect and aid in the enforcement of laws." State v. Burrow, 104 S. W. 522, 524, 119 Tenn. 376 (1907).

The use of an enacting clause does not merely serve as a "flag" under which bills run the course through the legislative machinery. Vaughn & Regsdale Co. v. State Bd. of Ed., 96 P.2d 420, 424 (Mont. 1939). The enacting clause of a law goes to its substance, and is not merely procedural. Morgan v. Murray, 328 P.2d 644, 654 (Mont. 1958).

Any purported statute which has no enacting clause on its face, is not legally binding and obligatory upon the people, as it is not constitutionally a law at all. The Supreme Court of Michigan, in citing numerous authorities, said that an enacting clause was a requisite to a valid law since the enacting provision was mandatory:

"It is necessary that every law should show on its face the authority by which it is adopted and promulgated, and that it should clearly appear that it is intended by the legislative power that enacts it that it should take effect as a law." People v. Dettenthaler, 11 N.W. 450, 452, 118 Mich. 585 (1898), citing Swann v. Buck, 40 Miss. 270.

The laws in the "The Nevada Revised Statutes (NRS)" do not show on their face the authority by which they are adopted and promulgated. There is nothing on their ~~face~~ which declares they should be law, or that they are of the proper legislative authority in this state.

These and other authorities then all hold that the enacting clause of a law is to be "on its face". It must appear directly above the content or body of the law. To be on the face of the law does not and cannot mean that the enacting clause can be buried away in some other volume or some other book or records.

FACE. The surface of anything, especially the front, upper, or outer part of the surface. That which particularly offers itself to the view of a spectator. That which is shown by the language employed without any explanation, motivation, or addition from extrinsic facts or evidence. Black's Law Dictionary, 5th ed., p. 530.

The enacting clause must be intrinsic to the law, and not "extrinsic" to it. That is, it cannot be hidden away in other records or books. Thus the enacting clause is regarded as part of the law, and has to appear directly with the law on its face, so that one charged with said law knows the authority by which it exists.

VI. LAWS MUST BE PUBLISHED AND RECORDED WITH ENACTING CLAUSE

Since it has been repeatedly held that an enacting clause must appear "on the face" of a law, such a requirement affects the printing and publishing of laws. The fact that the Constitution requires "all laws" to have an enacting clause makes it a requirement on not just bills within the legislature, but on published laws as well. If the Constitution said "all bills" shall have an enacting clause, it probably could be said that there will

18

in publications would not be required But the historical usage and Application of an enacting clause has been for them to be printed and published along with the body of the law, thus appearing "on the face" of the law.

It is obvious, then, that the enacting clause must be readily visible on the Face of a statute in the common mode in which it is published so that citizens don't have to search through the legislative journals or other records and books to see the kind of clause used, or if any exist at all. Thus a law in a statute book without an enacting clause is not a valid publication of law. In regards to the validity of a law that was found in their statute books with a defective enacting clause, The Supreme Court of Nevada held that:

"The Constitution expressly provided that the enacting clause of EVERY LAW SHALL BE, 'The people of the State of Nevada, Represented in Senate and Assembly, do enact as follows.'"

"This Language is susceptible of but ONE interpretation. There is no doubtful meanings as to the intention. It is, in our Judgment, an imperative Mandate of the people, in their sovereign capacity, to the legislature, requiring that the laws, to be binding upon them, SHALL upon their Face, express the Authority by which they were enacted and, since this act comes to us (The Nevada Supreme Court) - without such authority appearing upon its Face, it is not a Law." State of Nevada v. Rogers, 10 Nev. 120, 261 (1875); approved in Caine v. Robbins, 131 Pac. 516, 518, 61 Nev. 416 (1942); Kavanaugh v. Spurling, 290 S.W. 14, 15 (Tenn. 1926.)

The manner in which the law came to the court was by the way it was found in the statute book, cited by the court as "Stat. 1875, 166," and that is how they judge the validity of the law. Since they saw that the act, as it was printed in the statute book, had an insufficient enacting clause on its face, it was deemed to be "NOT A LAW." It is only by inspecting the publicly printed statute book that the people can determine the source, authority and constitutional authenticity of the law they are expected to follow.

It should be noted that the laws in the above cases were held to be "VOID" for having no enacting clauses despite the fact that they were published in an official statute book of the state, and were next to other laws which had the proper enacting clauses.

The preceding examples and declarations on the use and purpose of enacting clauses shows beyond doubt that nothing can be called or regarded as a law of this state which is published without an enacting clause on its face. Nothing can exist as a state law except in the manner prescribed by the State Constitution. One of those provisions is that "all laws" must bear on their face a specific enacting style - "The people of the State of Nevada, Represented in Senate and Assembly, do enact as follows." And NO LAW SHALL BE ENACTED EXCEPT BY BILL". (Article 4, Section 23 of the Constitution of The State of Nevada). All laws must be published with this clause in order to be valid laws, and since the "statutes" in the "The Nevada Revised

Statutes (NRS) 'are not so published, they are not valid laws of this State:

Furthermore: The following part of the Constitution of the State of Nevada was also found in Article 5 section 20. Secretary of State: Duties. The Secretary of State shall keep a True record of the Official Acts of the Legislature and Executive Departments of the Government, and shall when required, lay the same and all matters relative thereto, before either branch of the Legislature.

It was found that there is no True record of the Official Acts as required by Article 5, Section 20 of the Constitution of the State of Nevada.

VII. THE LAWS REFERENCED TO IN THE COMPLAINT/INFORMATION/PLEA AGREEMENT CONTAIN NO TITLES:

The laws listed in the Complaints/Information/Plea Agreement in question, as cited from the "The Nevada Revised Statutes (NRS)", contains no titles. All laws must have titles indicating the subject matter of the law, as required by the Constitution of the State of Nevada.

Article 4, Section 17:

Act to Embrace One Subject Only; Title; Amendment
Each law enacted by the Legislature shall embrace but one subject, and matter, properly connected therewith, which subject shall be briefly expressed in the title; And no law shall be revised or amended by reference to its title only; but, in such case, the act as revised or section as amended, shall be re-enacted and published at length.

By this provision a title is required to be on all laws. The title is another one of the forms of a law required by the Constitution. This type of constitutional provision "makes the title an essential part of every law", thus the title "is as much a part of the act as the body itself."  Leminger v. Alger, 26 N.W. 2d 348, 351, 316 Mich. 644 (1947)

The title to a legislative act is in a part thereof, and must clearly express the subject of legislation. State v. Burlington & N. R.R. Co., 60 Neb. 741, 84 N.W. 254 (1900).

 All legal authorities have held that the title is part of the act, especially when a constitutional provision for a title exists. 37 A.L.R. Annotated, pp. 948, 949. What then can be said of a law in which an essential part of it is missing, except that it is not a law under the State Constitution.

This provision of the State Constitution, providing that every law is to have a title expressing one subject, is mandatory and is to be followed in all laws, as stated by the Supreme Court of Minnesota:

We pointed out that our constitutional debates indicated that the constitutional requirements relating to enactment of statutes were intended to be remedial and mandatory, — remedial, as guarding against recognized evils arising from loose and dangerous methods of conducting legislation, and mandatory, as requiring compliance by the legislature without discretion on its part to protect the public interest against such recognized evils, and that the validity of statutes should depend on compliance

with such requirements. Bull V. King, 286 N.W. 311, 313 (Minn. 1932)

The constitutional provisions for a title have been held in many other states to be mandatory in the highest sense. State V. Beckman, 785 S.W. 2d 810, 816 (Mo. 1945); Lerninger V. Alger, 26 N.W. 2d 384, 316 Mich. 644; 82 C.J.S. "Statutes", Section 64, p. 102. The provision for a title in the constitution "renders a title indispensable" 73 Am. Jur. 2d, "Statutes", Section 99, p. 325, citing People V. Monroe, 349 Ill. 274, 182 N.E. 419. Since such provisions regarding a title are mandatory and indispensable the existence of a title is necessary to the validity of the act. If a title does not exist, then it is not a law pursuant to Art. IV, Sec. 27 of the Constitution of Minnesota (1857). In speaking of the constitutional provision requiring one subject to be embraced in the title of each law, the Supreme Court of Tennessee stated:

"That requirement of the organic law is mandating, and, unless obeyed in every instance, the legislation attempted is invalid and of no effect whatever." State V. Yardley, 32 S.W. 481, 482, 92 Tenn. 546 (1895).

To further determine the validity of citing laws in a complaint which have no titles, we must also look at the purpose for this constitutional provision, and the evils and problems which it was intended to prevent or defeat.

One of the aims and purposes for a title or caption to an act is to convey to the people who are to obey it the legislative intent behind the law.

The Constitution has made the title the conclusive index to the legislative intent as to what shall have operation. Magnis V. City of Duluth, 106 N.W. 89, 90, 87 Minn. 23 (1906); Hymon V. State, 9 S.W. 372, 373, 87 Tenn. 104 (1888).

Under a constitutional provision requiring the subject of the legislation to be expressed in the title, that portion of an act is opened the very window through which the legislative intent may be seen. State V. Clinton County, 76 N.E. 986, 166 Ind. 160 (1906).

The title of an act is necessarily a part of it, and in construing the act the title should be taken into consideration. Calder V. Rothschild, 120 S.W. 1, 22 Mo. 180 (1908).

Without the title the intent of the legislature is concealed or cloaked from public view. Yet a specific purpose or function of a title to a law is to "protect the people against covert legislation". Brown V. Clower, 166 S.E. 2d 363, 365, 225 Ga. 145 (1969). A title will reveal or give notice to the public of the general character of the legislation. The U.S. Supreme Court in determining the purpose of such a provision in state constitutions, said;

"The purpose of the constitutional provision is to prevent the inclusion of incongruous and unrelated matters in the same measure and to guard against inadvertence, stealth and fraud in legislation." Posados V. Warners, B. & Co., 279 U.S. 340, 344 (1928); also Internat. Shoe Co. V. Sharbel, 279 U.S. 429, 434 (1928).

The complete omission of a title is about as substantial and plain a violation of this constitutional provision as can exist. The laws cited in the complaints against the Accused State Constitution, Ex parte Crane, 151 Pac. 1006, 1010, 1011, 27 Idaho 671 (1915); State V. McEnroe, 283 N.W. 57, 61 (M.D. 1938); State V. Rigg, 202 N.W. 2d 310, 311, 260 Minn. 141 (1966); Leroy V. Special Ind. Sch. Dist., 172 N.W. 2d 764, 768 (Minn. 1969).

The purpose of the Constitutional provision quoted is to prevent misleading or deceiving the public as to the nature of an act by the title given it. State v. Holmes, 211 N.W. 3, 169 Minn. 221 (1926)

The purpose of the constitutional provision requiring a one-subject title, and the mischiefs which it was designed to prevent, are defeated by the lack of such a title on the face of a law which a citizen is charged with violating. Upon looking at the laws charged in the Complaint from the "The Nevada Revised Statutes (NRS)", I am left asking, what is the subject and nature of the laws used in the Complaint, Information, Plea Agreement, Judgment of Conviction against me? What interests or rights are these laws intended to affect? Since the particular objects of the provision requiring a one-subject title are defeated by the publication of laws which are completely absent of a title, the use of such a publication to indict, charge, or convict citizens with violating such laws is fraudulent and dishonest to the Constitution.

It is to prevent surreptitious, inconsiderate, and misapprehended legislation, carelessly, inadvertently, or unintentionally enacted through stealth and fraud and similar abuses, that the subject or object of a law is required to be stated in the Title. 73 Am. Jur. 2d, "Statutes", section 100, p. 325, cases cited.

Judge Cooley says that the object of requiring a title is to "Fully Apprise the people through such publication of legislative proceedings as is usually made of the subjects of legislation that are being considered," Cooley, Const. Lim., p. 144. The State Constitution requires one-subject titles. The particular ends to be accomplished by requiring the title of a law are not fulfilled in the Statutes referred to in the "The Nevada Revised Statutes (NRS)". Thus the laws charged in the Complaint, Information, Plea Agreement, Judgment of Conviction against me are not valid laws! And the charges against 3 of Information and Sentence rendered therefore is invalid and illegal because there is no constitutional legal authorities published on the face of the charging document, which is the "Information" on Count 3. See exhibit "A".

VIII. ESTABLISHED RULES OF CONSTITUTIONAL CONSTRUCTION

The issue of Subject Matter Jurisdiction for this case thus squarely rests upon certain provisions of the Constitution of the State of Nevada (1864), to wit:

Article 4, Section 23. The style of all laws of this State shall be "The people of the State of Nevada represented in Senate and Assembly, do enact as follows."

Article 4, Section 17. Each law enacted by the Legislature shall embrace but one subject, and matter, properly connected therewith, which subject shall be briefly expressed in the title; and no law shall be revised or amended by reference to its title only; but, in such case, the act or section as amended, shall be re-enacted and published at length.

These provisions are not in the least ambiguous or susceptible to any other interpretation than their plain and apparent meaning. "The Supreme Court of Montana, in construing such provisions, said that they were 'so plainly and clearly expressed as are so entirely free from ambiguity,' that 'there is nothing for the courts to construe'." Vaughn & Regisdate Co. v. State Bd. of Eq., 96 P. 2d 429, 423, 424. The Supreme Court of Minnesota state how these provisions are to be

22

constructed when it was considering the meaning of another provision under the legislative department (Art. 4, Section 9):

In treating of constitutional provisions, we believe it is the general rule among courts to regard them as mandatory, and not to leave it to the will or pleasure of a legislature to obey or disregard them. Where the language of the Constitution is plain, we are not permitted to indulge in speculation concerning its meaning, nor whether it is the embodiment of great wisdom. The rule with reference to constitutional construction is also well stated by Johnson, J., in the case of, Newell v. People, 7 N.Y. 9, 27, as follows:

"If the words embody a definite meaning, which involves no absurdity, and no contradiction between different parts of the same writing, then that meaning apparent upon the face of the instrument is the one which alone we are at liberty to say was intended to be conveyed. In such a case there is no room for construction. That which the words declare is the meaning of the instrument; and neither courts nor legislatures have the right to add to or take away from that meaning. It must be very plain, — nay, absolutely certain — that the people did not intend what the language they have employed in it's natural signification imports, before a court will feel itself at liberty to depart from the plain reading of a constitutional provision." State v. Holm, 62 N.W. 2d 52, 55, 56 (Minn. 1954); Batter Taconite v. Roemer, 282 N.W. 2d 867, 870, 871 (Minn. 1978).

It is certain that the plain and apparent language of these constitutional provisions are not followed in the publication known as the "The Nevada Revised Statutes (NRS)" which contain no titles and no enacting clauses, and thus it is not and cannot be used as the law of this State under the Constitution of the State of Nevada. No language can be plainer or clearer than that used in Art. 4, Section 23 and Section 17 of the Constitution. There is no room for construction! The contents of these provisions were written in ordinary language, making their meaning self-evident, as written in the State of Nevada Constitution.

In construing a provision of our Constitution, however, we are governed by certain well-established rules. Foremost among these is the rule that, where the language used is clear, explicit, and unambiguous, the language of the provision itself is the best evidence of the intention of the framers of the Constitution. If the language is free from obscurity, the courts must give it the ordinary meaning of the words used, State v. Holm, 62 N.W. 2d 52, 55, (Minn. 1954).

No matter how much the courts of this State have relied upon and used the publication entitled "The Nevada Revised Statutes (NRS)" as being law, that use can never be regarded as an exception to the Constitution. To support this publication as law, it must be said that it is "absolutely certain" that the framers of the Constitution did not intend for titles and enacting

clauses to be printed and published with all laws, but that they did intend for them to be all stripped away and concealed from public view when a compilation of statutes is made. Such an absurdity will gain the support or respect of no one. Nor can it be speculated that a revised statute publication which dispenses with all titles and Enacting clauses must be allowed under the Constitution as it is. More practical and convenient than the "Session Law" publication. The use of such speculation or desired exceptions can never be used in construing such plain and unambiguous provisions.

The general rule of law is, when a statute or Constitution is plain and unambiguous, the Court is NOT permitted to indulge in speculation concerning its meaning, nor whether it is the embodiment of great wisdom. A Constitution is intended to be framed in brief and precise language. It is not within the province of the Court to read an exception in the Constitution which the framers thereof did not see fit to enact therein. Baskin v. State, 232 Pac. 388, 389, 107 Ore. 272 (1925)

There is no justification for deviating from or violating a written Constitution. That, "The Nevada Revised Statutes (NRS)" cannot be used as law, like the "Session Laws" were once used, solely because the circumstances have changed and we now have more laws to deal with. It cannot be said that the use and need of revised statutes without titles and enacting clauses must be justified due to expediency. New circumstances ~~and~~ needs do NOT change the meaning of constitutions, as Judge Cooley expressed:

"A Constitution is not to be made to mean one thing at one time, and another at some subsequent time when the circumstances may have so changed as perhaps to make a ~~different~~ rule in the case seem desirable. A principal share of the benefit ~~expected~~ from written constitutions or be modified by public opinion. A Court or Legislature which should allow a change in public sentiment to influence it in giving to a written constitution a construction not warranted by the intention of its founders, would be justly ~~condemned~~ chargeable with reckless disregard of official oath and public duty; and if its course could become a precedent, these instruments would be of little avail. What a Court is to do, therefore, is to declare the law as written!" T. M. Cooley, A Treatise on the Constitutional Limitations, 5TH edition, pp. 54, 55.

I contend that, when looking at the Constitution ALONE, it is NOT at all possible to find support for the idea that the publication called the "The Nevada Revised Statutes (NRS)" is VALID LAW OF THIS STATE. The original Intent of Article 4, Section 23 and Section 17 of the Constitution cannot be stretched to cover their use as such. These provisions cannot now be regarded

cited.

For NOTHING can be regarded as a law in this STATE OF NEVADA which FAILS to conform to the constitutional prerequisites which call for an Enacting clause and title. There is nothing in the complaints, Informations, Judgments OF Conviction which can constitutionally be regarded as LAWS, and thus there is NOTHING in them which I am answerable for or which can be charged against me. So surely these NOW-LAWS cannot be used to convict me. Since there are no valid or constitutional laws charged against me there are no crimes and no convictions that exist, consequently there is no subject matter Jurisdiction by which I can be tried for or convicted of in the above-named Court.

CAVEAT

I regard it as just and necessary to give fair warning to this Court of the consequences of its failure to follow the Constitution of the State of Nevada and uphold its OATH and DUTY in this matter, being that it can result in this Court committing acts of Treason, Usurpation, and Tyranny. Such trespasses would be clearly evident to the public, especially in light of the clear and unambiguous provisions of the Constitution that are involved here which leave no room for construction, and in light of the numerous adjudications upon them as herein stated. This possible breaches of law that may result by denying this warning are enumerated as follows:

1. The Failure to uphold these clear and plain provision of the Constitution cannot be regarded as mere error in judgment, but deliberate USURPATION. "Usurpation is defined as unauthorized arbitrary assumption and Exercise of power." State ex rel. Dantelson v. Village of Mound, 294 Minn. 531, 543, 48 N.W.2d 855, 863 (1951). While ~~error~~ is only avoidable, such usurpation is void.

The boundary between an error in judgment and the usurpation of judicial power is this: The former is reversible by an appellate court and is, therefore, only voidable, while the latter is a nullity. State v. Manelahr, 209 N.W. 750, 752 (Minn. 1924).

To take jurisdiction where it clearly does not exist is usurpation, and NO ONE is bound to follow acts of usurpation, and in fact it is a duty of citizens to disregard and disobey them since they are void and unenforceable. No authority need be cited for the proposition that, "When a Court lacks Jurisdiction, any judgment rendered by it is VOID and UNENFORCEABLE." Hooker v. Boles, 346 Fed. 2d 285, 286 (1965).

The fact that the "The Nevada Revised Statutes (NRS)" has been in use for over 50-years cannot be held as a justification to continue to usurp power and set aside the constitutional provisions which are contrary to such usurpation, as Judge Cooley states

"Acquiescence for no length of time can legalize a clear usurpation of power, where the people have plainly expressed their will in the Constitution, Code, Constitutional Limitations, p. 71.

2(b) GROUND 2: ILLEGAL WEAPON ENHANCEMENT'S.

- pursuant to Assembly Bill

300; NRS. 193.165, Due Process; 6TH, 5TH, 14TH Amendment of U.S. Constitution.

2(b) Supporting Facts:

The Defendant contends that he ~~took~~ a plea and plead guilty to 2 deadly weapon enhancements to wit he Received a 4 to 12-years and 9 12 to 30 months.

Defendant contends that his weapon enhancements are facially illegal because there was (1) No findings of facts made by a Jury to justify enhancing his sentence, (2) Nor did the Defendant ever "admit" on Record to having or using a gun or any weapon in the commission of any crime. (3) Nor did know that he had a Right to have a jury determine the aggravating factors and that by pleading guilty that he would be waiving that Right, which further proves that his Counsel was "ineffective". Therefore the weapon enhancements imposed upon Defendant are plainly illegal sentences. ~~That~~ they are facially illegal. See. 2ND Points and authorities attached, and Argument attached for more detailed argument on this point. Defendant has demonstrated that his Weapon Enhancements are illegal and must be vacated as a matter of law.

In addition, ~~even~~ if this Court Ruled correctly or applied the law correctly, which it did not, pursuant to AB. 300; NRS. 193.165, the defendant could not have Received a sentence greater than; "Not less than 1-year and not more than 5-years." Therefore, the 4 to 12-year enhancement would also be facially illegal upon that basis and must be vacated as a matter of law.

1
2 POINTS AND AUTHORITIES

3 This court has jurisdiction to entertain this Motion pursuant
4 to NRS 176.555, Anderson v State, 90 Nev. 385, 528 P2d 1023 (1974) and
5 State v Eighth Judicial District Court, 100 Nev. 677 P2d 1044 (1984).

6 The District Court unconstitutionally enhanced defendant's
7 sentence under NRS 193.165, as there was no findings made by a jury
8 nor admitted by defendant, in violation of his 5th, 6th, and 14th
9 Amendment rights as guaranteed by the Nevada and United States
10 Constitution..

11 Defendant contends that he was not properly canvassed as to
12 the extended or enhanced portion of his sentence, also, defendant
13 asserts that the guilty verdict contained no findings of facts
14 regarding the enhancement portion of defendant's sentence, the High
15 Court has stated that; the court will not assume that a defendant
16 waived the right to have a jury determine the aggravating factors
17 by entering a guilty plea, unless the record shows that he knew,
18 first, that he had the right to have a jury determine the aggra-
19 vating factors and, second, that, by pleading he was waiving that
20 right, cf. State v Ross, id, at 757, which is clearly established
21 Federal Law.

22 Defendant also states that had he known that he had the
23 right to a jury determination of the aggravating facts used to
24 enhance his sentence, he would have asserted his right, also, a
25 determination whether a defendant used a gun during the attempted
26 murder, which enhanced the penalty, was for a jury to decide, that
27 principle application is clear..

28 At sentencing, defense counsel and the prosecutor failed to
inform the court that no proper findings were made by a jury

1 regarding the enhancement provision of NRS 193.165, and that such a
2 finding was required by NRS 193.165(3). Despite this lack of a jury
3 finding, the district court nonetheless, imposed an enhanced sentence
4 by adding a consecutive sentence of *4 to 10 years and 12 to 30 months.*

5 The Nevada Supreme Court has held that "the prescribed fact
6 required" by NRS 193.165(3), is unequivocally a jury question.
7 Zgombic v State, 106 Nev. 571, 577 (1990), (... "the trier of facts will
8 have to determine if the weapon was a necessary element" ...). In
9 the absence of a factual finding by a jury, the district court far
10 exceeded its authority by enhancing defendant's sentence.

11 The enhancements imposed upon defendant's sentence were
12 erroneous under Booker because they were driven by finding of fact
13 that the judge was compelled by the statutes to make, which
14 increased the sentence beyond what the jury's findings of fact
15 alone would have allowed. Furthermore, the error was plain because
16 the law at the time of trial was settled and it is clearly
17 contrary to the rule established in Booker, the law at the time of
18 appeal. Johnson v United States, 520 U.S. 461, 468, 117 S.Ct. 1544, 137
19 L.Ed.2d 718 (1997).

20 Defendant contends that he was sentenced outside of constit-
21 utional limits which created an illegal sentence, which can
22 constitute fundamental error.

23 Defendant also contends that a jury would not have necessa-
24 rily considered these nonenumerated factors, much less have found
25 them established beyond a reasonable doubt. Of the enumerated
26 aggravating factors the trial court found--the offense caused
27 significant emotional and physical harm to the victim, [REDACTED]
28 [REDACTED]

2b

Thus, the court held that a defendant has a constitutional right to have a jury determine whether the facts permitting an enhanced or exceptional sentence have been proven beyond a reasonable doubt. *Blackely*, 284 S.Ct. 44 2533.

Blackely teaches that before the trial court imposes an enhanced or exceptional sentence, the jury (if bifurcated) must find the necessary facts beyond a reasonable doubt, or the defendant himself must admit those facts. THAT WAS NOT DONE HERE.

Defendant allocated at his sentencing (a plea for mercy), he did not know that the State was obligated to prove to a jury beyond a reasonable doubt the enhancements sentencing facts. Thus, he could not knowingly, voluntarily and intelligently waive his *Blackely* rights. *Barbo*, 102 F.3d at 190. Defendant NEVER admitted to any of the facts.

Defendant also asserts that he was deprived of his 6th, 14th Amendment right to a jury trial because the sentencing judge enhanced his sentence under mandatory guidelines system "based" on facts found by the judge that were neither admitted by defendant nor found by a jury, where defendant didn't object in the district court on such basis.

Becker, has made the error "plain". Plain is synonymous with "clear" or "obvious", *Olano*, 507 U.S. at 734, 113 S.Ct. 1770. *Johnson V. United States* teaches that an error is plain even though an objection at trial was not warranted under existing law but a

1 superseding decision before appeal reverses that well settled law.

2 It is enough that the law was settled at the time of
3 appellate consideration to make the error "plain".Id.

4 Defendant contends that the error is the "imposition" of the
5 sentence, which was enhanced by using judge found facts, not admit-
6 ted by the defendant or found by a jury, in a mandatory guideline
7 system.

8 When the judge used extra verdict enhancements to reach a
9 verdict the error became plain and also effected the integrity
10 and judicial proceedings (the public reputation of) and fairness.

11 The United States Supreme Court in Apprendi v New Jersey, 120
12 S.Ct. 2348 (2000) and Blakely v Washington, 124 S.Ct. 2531 (2004),
13 substantially agrees with this principle, and held that;

14 Any fact that increases the penalty for a crime
15 beyond the prescribed statutory maximum, must be
16 submitted to a jury, and proved beyond a reasonable doubt.
17 see also, the recent "landmark" decision in U.S.v. Booker/U.S.v.
18 FanFan, 125 S.Ct. 738 (2005).

19 "Quoting Justice Souter: Only a plea agreement, charging
20 document to which a defendant pleads guilty, an admission
21 by a defendant and similar reliable facts may be used to
22 stiffen sentences. The 6th and 14th Amendments guarantee
23 a jury standing between a defendant and the power of the
24 State, and, they guarantee a jury's finding of any disputed
25 fact essential to increase the ceiling of potential
26 sentences."

22

23

24

25

26

27

28

1 (finding plain error where trial court applied preponderance
2 standard rather than reasonable doubt standard).

3 Defendant contends that he "simply" did not know that by his
4 plea of "guilty to the "charged offense", that his plea would extend
5 also to the "aggravating factors" as well; to be valid, a waiver must
6 be an intentional relinquishment or abandonment of a known right
7 or privilege, Johnson v Zerbst, 304 U.S. 458, 464, 58 S.Ct. 1019, 83 L.
8 1461 (1938).

9 Defendant was not made aware of this fact neither by the
10 court's canvass (colluquy) or by his counsel, therefore making his
11 plea invalid. Defendant's plea was not knowingly or intelligently
12 made due to the improper canvass of/by the court, Boykin v Alabama
13 395 U.S. 238, 243, 89 S.Ct. 1709, 23 L.Ed. 2d 274 (1969).

14 Defendant feels, that, had he known about his Sixth (6th) Amend
15 ment Right to have a jury determine the aggravating factors and
16 not the judge, he would have asserted his constitutional right, see
17 Abrego v State, 38 P3d 868 (2002), and Patton v U.S. 281 U.S. 276, 312,
18 50 S.Ct. 253, 74 L.Ed. 854 (1930).

19 Defendant, argues that, in order for his plea to be a valid
20 waiver of his sixth (6th) amendment right to have a jury determine
21 the aggravating factors, the court should "clearly" have explained
22 during the plea (colluquy) canvass.

23 Defendant, never knew that his plea to the charged offense,
24 could or would extend to the aggravating factors used to enhance
25 his sentence beyond the statutory maximum authorized by the U.S.
26 constitution. see (plea hearing and sentencing transcripts), also, see
27 State v Gornick, 102 P3d 734 (2004), and State v Perez, 102 P3d 705
28 (2004).

1 Absent authorization from the trial jury--in the form of a
2 finding, by proof beyond a reasonable doubt, of the facts warranting
3 the extended sentence under the New Jersey statute--the State has
4 no power to sentence the defendant to more than the maximum
5 authorized by the jury's verdict, "Apprendi, 530 U.S., at 494, 120 S.
6 Ct. 2348. Defendant feels that the departure sentence affected "his
7 substantial rights as guaranteed by the United States Constitution."

8 Even acknowledging, Defendant bore the burden of proving
9 that the court's error prejudiced him, Defendant demonstrated more
10 than a reasonable doubt that he was responsible for the crime(s).
11 However, this error prejudiced defendant in a concrete way, because
12 of the court's findings, defendant received a sentence of ~~46 12 years~~ 5
13 years longer than the maximum he could have received had he been
14 sentenced on the facts as found by the jury, the Supreme Court
15 endorses the statement of the rule set forth in the concurring
16 opinions in Jones v. United States, 526 U.S. 227, 252-53, 119 S.Ct. 1215
17 143 L.Ed.2d 311 (1999). "(I)t is unconstitutional for a legislature
18 to remove from the jury the assessment of facts that increase the
19 penalties to which a criminal defendant is exposed. It is equally
20 clear that such facts must be established by proof beyond a reason-
21 able doubt".

22 "The Apprendi error in Defendant's case seriously affects
23 the fairness, integrity and public reputation of judicial proceed-
24 ings", U.S. v. Olana, 113 S.Ct. 1770 (1993).

25 Fairness is undermined when a court's error imposes a
26 longer sentence than might have been imposed had the court not
27 plainly erred. United States v. Castillo-Casiano, 198 F.3d. 787, 792
28 (9th Cir. 1999), amended by, 204 F.3d. 1257 (9th Cir. 2000).

1 process requires.

2 Like the aggravating factors in Apprendi, Blakely and Booker,
3 which applied the sixth amendment and articulated the violations
4 of the right to jury trial that these "judge-made" findings of
5 extra-verdict sentencing factors exposed defendant to a greater
6 punishment than that authorized by the jury's verdict, see, Ring vs.
7 Arizona, 536 U.S. at 604, 122 S.Ct. 2428.

8 The fatal constitutional flaw in the judge's sentencing
9 enhancement procedure "cannot" be cured by designating a finding
10 as being based on extrinsic facts. Apprendi, applies equally to
11 elements of a greater offense than that one covered by the jury's
12 guilty verdict and to sentencing factors which would expose a
13 defendant to an increase "outside" the statutory maximum for the
14 crime covered by the plea or the jury's guilty verdict, Apprendi,
15 530 U.S. at 494 n.19.

16 Defendant asserts that his claim of entitlement to jury
17 trial on facts used by the sentencing court to justify the enhanc-
18 ement sentence was apparent on the face of the record, and would be
19 considered on appeal despite defendant's failure to preserve such
20 claim at trial. Therefore, under Blakely v Washington, 542 U.S. ---,
21 124 S.Ct. 2531 (2004), and Apprendi v New Jersey, 530 U.S. 466, 120 S.Ct.
22 2340 (2000), a court may not rely on unproven or unadmitted facts
23 when imposing an enhanced or exceptional sentence.

24 The final aggravating factor was the use of a dangerous
25 instrument or deadly weapon. The *Murder* offense was charged as
26 *enhancement* based on the use of a deadly weapon. The
27 sentence was also enhanced as a *Attempt Murder*, although it is
28 not clear whether the *he used a weapon* was found in the use of the

34

1 weapon or the seriousness of the injury because the indictment did
2 not specify the basis of the dangerous nature of the offense.

3 Employing the "fact" of a deadly weapon to prove an offense,
4 then to aggravate a sentence, and finally to enhance a sentence, is
5 problematic.

6 Thus, the use of the weapon and the seriousness of the injury
7 cannot be "double-counted" by using them to prove guilt and then
8 to aggravate the sentence, or by using them to enhance the sentence
9 and then to aggravate it.

10 When a trial court relies on an improper factor, and the
11 Supreme Court is not certain that it would have imposed the same
12 sentence absent that factor, the court should and must remand for
13 resentencing and/or vacate the enhancement pursuant to Blakely and
14 Booker/FanFan.

CONCLUSION

-CONT-

Defendant contends that this Judge, Judges, Courts, Lawyers, Legal Scholars and the 3 Branches of State government have all operated on the "Presumption" that the NRS' were constitutionally created and are the cited Law in the State of Nevada; and that, The Decades of "Stealth Fraud" and ongoing "Long Arm Fraud" has "Recently been Discovered" by the Defendant, all by which has taken years of Research by an inmate advocate, that could not have possibly been discovered before now.

That "Presumption" is Now displaced with the "Knowledge of Law," that the NRS' does "Constitutionally Fail," The "Interim," non-charging document also Constitutionally Fails and they CANNOT be used against this Defendant and are therefore "Void" "ab initio". For Judges are assumed to know the Law. 22. CORPUS JURIS SECUNDUM, "Criminal Law", Section 324, p. 370.

Good Cause is shown why Defendant is only Now bringing this Claim and as to why he should be granted Relief. That these issues have never been heard on the merits. And if he could prove what he alleges, then he would be entitled to Relief. Therefore Relief should be granted. OR he should be given an evidentiary hearing on the issues brought herein.
