MEMORANDUM OF POINTS AND AUTHORITIES

Appellant's Counsel received multiple letters from the Appellant regarding concerns and additional appeal issues that the Appellant wants briefed, which has necessitated further conversations and correspondence. However, correspondence was proving too slow and a contact visit with Appellant was made on November 11th, 2017 at High Desert Corrections Center. The Corrections Officers did not allow the Appellant to bring his paperwork for the Attorney contact visit with his detailed instructions and concerns. Appellant mailed the documents to counsel however, Appellant counsel still have not received said documents as of the date of this motion. Appellant is currently in High Desert State Prison and visits and phone calls are of limited availability. Likewise prison mail is subject to long delays. Appellant counsel will need to conduct at least one more contact visit with Appellant after he receives the documents that were mailed. Therefore, Appellant's counsel will need additional time to finalize the brief.

NRAP 26 governs computing and extending time, and reads, in pertinent part:

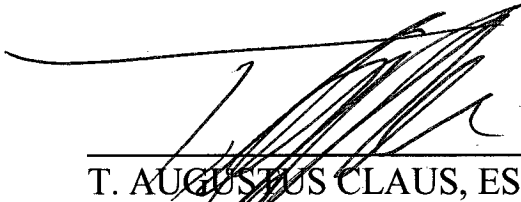

For good cause, the court may extend the time prescribed by these Rules or by its order to perform any act, or may permit an act to be done after that time expires. NRAP 26 (b)(1)(A).

Appellant can demonstrate good cause, as described above. THEREFORE,

//

Appellant's Counsel would request a 60 day extension to file the Opening Brief.

DATED this 31st day of December, 2017.
