*ORDER DIRECTING FILING OF TRANSCRIPT REQUEST
FORM AND GRANTING MOTION*

Appellant has filed an untimely motion for an extension of time to file the opening brief. In support of the motion, counsel states that the due date for the brief was miscalendared and he requires additional unidentified transcripts.

It appears from the district court docket entries that appellant filed a new transcript request form in the district court on August 25, 2017. To date, appellant has failed to file a file-stamped copy of the form in this court as required.¹ NRAP 9(a)(3). Counsel's failure to timely request all necessary transcripts does not constitute good cause warranting an extension of time. Nevertheless, because it appears that an extension is necessary, we grant the motion.

¹Appellant also failed to file the original transcript request form in this court as required by NRAP 9(a)(3) and despite a May 25, 2017, notice issued by the clerk of this court directing appellant to file the form by June 9, 2017. However, the district court clerk transmitted to this court a copy of the form filed in the district court.

17-28919

Appellant shall have 5 days from the date of this order to file, in this court, a file-stamped copy of the transcript request form filed in the district court on August 25, 2017. Appellant shall have until October 9, 2017, to file and serve the opening brief and appendix. Failure to comply with this order may result in the imposition of sanctions. NRAP 9(a)(7)

It is so ORDERED.
