CLERK OF SUPREME COURT

ORDER DENYING MOTION

This is a pro se appeal from a divorce decree. Appellant has filed a motion for a stay of the order pending resolution of this appeal. The motion is not opposed. We decline to consider a stay at this time, as such a request is for the district court's consideration in the first instance. NRAP 8(a)(1). Appellant has offered no showing either that the district court has denied relief or that moving first in the district court would be impracticable. NRAP 8(a)(2)(A)(i), (ii). Accordingly, the motion for stay is denied without prejudice.

It is so ORDERED.
