CLARK COUNTY, NEVADA

WILLIAM WITTER,

Petitioner,

-vs-

THE STATE OF NEVADA,

Respondent.

CASE NO: 94C117513

DEPT NO: XXIII

FINDINGS OF FACT, CONCLUSIONS OF LAW AND ORDER

DATE OF HEARING: 4/19/17
TIME OF HEARING: 11:00 AM

This Cause having come on for hearing before the Honorable STEFANY A. MILEY, District Judge, on the 19th day of April, 2017, the Petitioner not being present, represented by DAVID ANTHONY and TIFFANY L. NOCON, Assistant Federal Public Defenders, the Respondent being represented by STEVEN B. WOLFSON, District Attorney, by and through STEVEN S. OWENS, Chief Deputy District Attorney, and the Court having considered the matter, including briefs, transcripts, arguments of counsel, and documents on file herein, now makes the following findings of fact and conclusions of law:

FINDINGS OF FACT AND CONCLUSIONS OF LAW

In 1995, William Witter was convicted of Murder With Deadly Weapon, Attempt Sexual Assault With Deadly Weapon, and Burglary for assaulting and attempting to rape Kathryn Cox, and then stabbing to death her husband, James Cox, when he tried to come to his wife's aid. Witter received the death penalty. His convictions and sentence were

1 affirmed on direct appeal. Witter v. State, 112 Nev. 908, 921 P.2d 886 (1996). Remittitur
2 issued on December 23, 1996.

3 Witter filed a timely first post-conviction petition which was denied by the district
4 court after an evidentiary hearing and then affirmed on appeal by the Nevada Supreme Court
5 in an unpublished order (SC# 36927). Remittitur issued on September 14, 2001. After
6 litigating a federal habeas petition for several years, Witter returned to state court by filing a
7 second state habeas petition on February 14, 2007. That petition was also denied and again
8 affirmed on appeal by the Nevada Supreme Court in an unpublished order (SC# 50447).
9 Witter also filed a third state habeas petition on April 28, 2008, which was also denied and
10 affirmed on appeal (SC# 52964). Remittitur from this third habeas appeal issued on
11 February 14, 2011. On January 11, 2017, Petitioner filed a fourth state habeas petition which
12 raises a single issue based on Hurst v. Florida, 577 U.S. ___, 136 S.Ct. 616 (2016). The State
13 has filed a response and motion to dismiss the petition based on procedural default.

14 This Court finds that the instant petition, which is a fourth petition for a writ of habeas
15 corpus by this Petitioner, is timely filed because the last Judgment of Conviction, although it
16 does set a restitution amount, it also says an additional amount to be determined at a later
17 date. Accordingly, it is not a final judgment and the time and procedural bars in NRS 34
18 never started to run. See Whitehead v. State, 128 Nev. ___, 285 P.3d 1053 (2012); Slaatte v.
19 State, 129 Nev. ___, 298 P.3d 1170, 1171 (2013) (“Because the judgment of conviction
20 contemplates restitution in an uncertain amount, it is not final and therefore is not
21 appealable”). Therefore, the petition is not procedurally barred.

22 Turning to the merits of the issue, this Court finds that the capital proceedings in this
23 case are consistent with Apprendi, Ring, and Hurst. See Hurst v. Florida, 577 U.S. ___, 136
24 S.Ct. 616 (2016). First of all, both the eligibility and suitability were decided by a jury, not
25 by the judge. And likewise, the Court doesn’t find anything in Hurst that mandates that the
26 weighing of aggravating and mitigating circumstances be done beyond a reasonable doubt.
27 Accordingly, neither appellate reweighing nor the weighing process implicate Hurst.
28 Because Petitioner has not demonstrated prejudice the petition is denied.

ORDER

Based on the foregoing, the fourth petition is timely filed due to the lack of a final Judgment of Conviction, but Hurst is simply an application of Ring and nothing in Hurst requires the weighing process be subject to the beyond a reasonable doubt standard. The motion to dismiss the petition is granted and the petition is denied.

DATED this 23rd day of May, 2017.

JOURNAL ENTRIES**- (PRE-TRIAL MOTIONS OUTSIDE PRESENCE OF JURY)**

On behalf of State Mr. Guyman stated there were no motions pending that have not been ruled on by the Court. Mr. Kohn stated he had no pretrial motions that had not been ruled on and counsel stipulated that all motions have been heard and ruled on. Court and counsel agreed all of the requirements of the Supreme Court rule 250 had been satisfied.

One further matter. The Court stated there was a motion previously filed by Defendant to remove

Mr. Kohn as his counsel. After reading the minutes Court determined that this motion had been heard and denied.

(JURY PRESENT) The clerk called the roll of prospective jurors with all answering present. Mr. Owens made a short nature of action statement who introduced him- self and Mr. Guymon. He also read the list of witnesses State may call. Mr. Philip Kohn, Counsel for Defense, introduced himself and Mr. Bassett and estimated time of trial will be two weeks. The Court called groups of fourteen prospective jurors and they examin- ed in groups of fourteen, with remaining prospective jurors out of the courtroom. Voir Dire examination continued. COURT ORDERED, voir dire examintion will continue June 20, 1995 at the hour of 1:30 P.M. The prospective jurors were dismissed until that time. (OUTSIDE PRESENCE OF JURY) Mr. Guymon made objection to Mr. Kohn's reference to circumstances in Defendant's childhood. Response by Mr. Kohn who agreed to brief the issue. The Court suggested that counsel not use the word "mitigation". Both agreed they would not use that word.

- (OUTSIDE PRESENCE OF JURYY) Mr. Kohn put on the record his motion to introduce fetal alcohol. Mr. Kohn put on the record his conversation regarding defendant's motion for replacing his counsel. It was because Mr. Kohn had stated he had no defense for the trial phase but in talking with experts in Seattle, Washington he feels there is a great deal that could be done in the penalty phase. Mr. Kohn stated the Court denied his motion to continue the trial and he had never made a record on that motion. He did so. State opposed the motion and the basis for that opposition was that the case was

pre- viously set for trial in 1994, 10-14-94, and Mr. Kohn has had almost a year to get the discovery for his defense. State's recollection of that motion which was heard in chambers was very much as the State in- dicated. The Court had granted a couple of continuances in the past to give defense time to procure a witness, since the Court thought it was important, in fairness to Defendant's case. But now the Court feels it is not right to give him three weeks to do what he could not do in past year. Court denied the motion for continuance on the eve of trial. Mr. Kohn asked permission to inquire into the area of aggravating cir- cumstances. Response by State. Court stated it's findings. Court DENIED the request.

(JURY PRESENT) Jury selection continued. Prospective jurors were released at 4:00 p.m. COURT ORDERED, jury selection is continued to 6-21-95 at the hour of 10:30 A.M.

- (OUTSIDE PRESENCE OF JURY) Mr. Kohn made a record about his objections to Defendant not receiving a proper razor for shaving before he came to Court. The Court inquired of Court Services Officers if Defendant had been treated in an unusual manner. They indicated he had been given the same razor that they have been giving prisoners for years. Court determined that the Defendant looked fine. Mr. Kohn brought to Court's attention that in today's Review Journal, editorial page, there is a letter from the deputy Attorney General and it talks about criminals not taking the blame

for criminal actions. It basically belittles the idea of mitigation. He expressed concern about the Court's rulings on voir dire in asking the jury about abuse. Further argument by Mr. Kohn. Response by State. The Court ORDERED, mark the article in red and it will be marked as Court's Exhibit but the Court will not respond to anything in the press during this trial. (PROSPECTIVE JURORS PRESENT) Jury selection continued. COURT ORDERED, this matter is continued to the date of June 22, 1995 at the hour of 11:15 AM.

- (JURY PRESENT) Opening statement by Mr. Guymon. Opening statement by Mr. Bassett. The Clerk read Information to Jury and stated Defendant's plea thereto. Mr. Kohn invoked the exclusionary rule. Kathryn Terry Cox sworn and testified. Thomas D. McKinnon sworn and testified. Thomas Pummill sworn and testified. Lunch break. (OUTSIDE PRESENCE OF JURY) Mr. Kohn put on the record he had asked to make a motion to exclude witnesses outside presence of Jury and the Court determined it should be made in the presence of the jury. Also, Mr. Kohn stated he did not want those who will testify in the Penalty Hearing allowed to be present during the trial, in the interest of a fair trial for the defendant. Response by Mr. Guymon. The Court ruled the exclusionary rule applies only to the Evidentiary portion of the trial. LUNCH BREAK (OUTSIDE PRESENCE OF JURY) Mr. Kohn asked to put on the record one other thought concerning the motion to exclude witnesses. The Court finds this motion is prematurely made, since the motion that affects the trial is the motion to exclude witnesses at the trial. Should we come to the penalty hearing, then the question will be should witnesses be allowed to testify at the penalty phase who have sat through the guilty phase of the trial. Court

further finds, it is not an issue in this phase of the trial. Mr. Kohn stated that in going through the police reports there was some mention of gang affiliation. He advised the Court the State will not mention that and both witnesses have been strongly admonished not to say anything about gang affiliation. That will be in the form of a stipulation. Mr. Kohn objected to the State showing two (2) pictures of Mr. Cox, showing him under his cab, dead and very bloody. Mr. Kohn also objected to photographs of Mr. Cox taken at the autopsy. The Court did remove one picture of Mr. Cox under his cab but allowed the other four. (JURY PRESENT) Timothy Allen Schroeder sworn and testified. Afternoon break. (OUTSIDE PRESENCE OF JURY) Mr. Kohn objected to some pictures State had marked, #18 and #22. Court viewed the photos and ORDERED, they will be admitted. (JURY PRESENT) Bryan Candiano sworn and testified. Donald Redlin, Security officer, bicycle detail, sworn and testified. Jury was admonished and excused. COURT ORDERED, this matter is continued to the date of Monday, June 26, 1995 at the hour of 10:30 AM. (OUTSIDE PRESENCE OF JURY) Mr. Guyman advised Court that if Mr. Kohn is going to call an expert they would like to have the name of the expert and any report he might have. Mr. Kohn indicated that depending on what the State's witness says, he may or may not call an expert. IF he does, he has already told the State who it will be. There was some discussion about instructions.

- (OUTSIDE PRESENCE OF JURY) Mr. Guymon has show counsel for defense all of the photos the State in- tends to admit. Mr. Kohn had objections to five of the pictures. (JURY PRESENT. Daniel Peterson sworn and testified. Exhibits marked, offered and admitted as per attached worksheet. (OUTSIDE PRESENCE OF JURY) Mr. Kohn put on the record his objections to State's Exhibit #41. The Court deemed that although it was the same photo, it might be called duplicitous but it jusdt a smaller photo of the larger one they already have in. So the Court can see no harm in the State using

the smaller photo also. Lunch break. (JURY PRESENT) Thomas Dwayne Thowsen sworn and testified. (Detective Thomas) Alan Galaspy sworn and testified. Counsel stipulated to admit State's Exhibits No. 70 and No. 71. Sonya Snodie sworn and testified. Mr. Guymon put on the record another stipulation of Counsel: Terry Cook, who is a criminalist with the Las Vegas Metropolitan Police Department, and has previously testified as an expert for the Las Vegas Metropolitan Police Department as a criminalist, tested many of the items that have no been admitted into evidence. Specifically, he tested the blood that was found on the four and a half inch blade of the buck knife and concluded that it could be the blood of James Cox, but not the blood of Kathryn Cox or William Witter. Terry Cook also tested the substances that were found on the bloody t- shirt of the defendant, the black and white sweater, the boxer shorts and the blue and white socks; concluded that that too was a blood substance; that it could be the blood of -- specifically on the t-shirt, sweater and socks --o the blood of James Cox, and not the blood of Kathryn Cox or the Defendant William Witter; That the substance on the blue jeans worn by the defendant was, in fact blood, and that it could be the blood of James Cox and not Kathryn's or the defendant's; that the substance on the tennis shoes worn by the defendant was, in fact blood, and that it could be the blood of James Cox and not the blood of Kathryn Cox or William Witter; That the substance found on the hands, left and right, of the Defendant was, in fact, blood, and that it matched the blood of James Cox and not the blood of Kathryn Cox or the defendant, William Witter; That the blood, that the substance found on the brown jacket located over the body of James Cox could be the blood of James Cox, but not the blood of Kathryn Cox or defendant Witter. That the Substance found on the gray sweatshirt that said Caesars Palace, which Kathryn had been wearing, and the blood on the green and black sweater as well as the bra, could be --that was blood and that it could be the blood of Kathryn Cox or the defendant's, as they haave similar blood types, but could not be the blood of James Cox. Further, Counsel will stipulate that Terry Cook tested or analyzed the swabs from the sexual assault kits, that being taken by Marilyn Allred, the nurse at Univer- sity Medical Center, from Kathryn Cox, and compared it to the sexual assault kit and evidence taken from the defendant and that nothing of serological value was found on the vaginal, anal, or oral swabs taken from Kathryn Cox. Dr. Robert Jordan was sworn and testified. The COURT ORDERED, these proceedings are continued to the date of June 27th, 1995 at the hour of 1:30 PM. - (OUTSIDE THE PRESENCE OF JURY) Mr. Kohn represented to the Court that he was prepared to call Dr. Levy as his first and possibly only witness. Dr. Levy is a medical doctor. He works at Montevista Hospital. He is head of addictions there. This doctor was contacted by the State and now he feels the Defendant is a bad guy and should die and that he doesn't think he can do any good for the defense. So, at this point Mr. Kohn stated he was without an expert and the State is partly to blame. Mr. Kohn asked for a continuance. Mr. Guymon argued in opposition to that motion. The

Court finds the request for a continuance is not well taken. The COURT ORDERED, the motion for a continuance is DENIED. (JURY PRESENT) State rests. Defense rests. The Court ORDERED, this matter is continued to June 28, 1995 at the hour of 10:30 AM.

- (OUTSIDE PRESENCE OF JURY) On behalf of State Mr. Guymon had no objection to the instructions the Court indicated it would give and had two instructions to offer that the Court indicated it would not give. Arguments of counsel. On behalf of Defense Mr. Kohn made an objection to the fact that all discussion regarding settling instructions was not put on the record. Discussion between Court and Mr. Kohn regarding the felony murder rule. Mr. Kohn had two instructions marked as Defendant's proffered A and Aa, and argued. Mr. Kohn had no instructions to offer that the Court indicated it would not give. Counsel stipulated that instructions were settled in Open Court. Mr. Kohn put on the record he thought the State had the right to rebut what the defense says in their argument, but not save a lot of charts whistles and bells for their closing argument. The Court reminded Mr. Kohn Mr. Guymon had just read into the record NRS 175.141, entitled Order of Trial, sub (5), which states the State must open and must conclude the argument. Further argument and response. The Court ORDERED, State will get a second argument. (JURY PRESENT) The Court instructed the jury as to the law of the case. Instruction #29-A was added to the instructions and read to the jury. Opening argument by Mr. Owens. Answering argument by Mr.

Bassett. Closing argument by Mr. Guymon. The officers were sworn to take charge of the jury. The alternate jurors were thanked and excused. The jury retired to deliberate at the hour of 1:35 PM. (OUTSIDE PRESENCE OF JURY) The Court made a record with regard to Instruction #29-A. The jury returned with a verdict at the hour of 5:10 PM. The clerk called the roll of the jury. The jury found defendant guilty of Count I, MURDER OF THE FIRST DEGREE WITH USE OF A DEADLY WEAPON, Count II, ATTEMPT MURDER WITH USE OF A DEADLY WEAPON, Count III, ATTEMPT SEXUAL ASSAULT WITH USE OF A DEADLY WEAPON and Count IV, BURGLARY. The jury was polled at request of Mr. Kohn. The Court explained to the Jury they would now have to decide the penalty and the Penalty Hearing would begin on July 10, 1995 at the hour of 10:30 AM. The jurors were thanked and excused until that date and were asked to leave their names and telephone numbers with the bailiff. (OUTSIDE PRESENCE OF JURY) The COURT ORDERED, Defendant is remanded on this case. Court and Counsel discussed in chambers the matter of getting together to exchange witness lists and make reciprocal discovery of everything that is going to be had in the penalty phase. July 6 is the cut of date for the penalty phase. All witnesses have to be disclosed at that time.
