HI there,

Trustee Corps had placed borrower in a forbearance agreement back in August with a good faith deposit of $8,500.00. Funds and the original forbearance agreement were sent to your office via fed ex tracking 7988-5707-1640 in the amount of $8,500.00 - per our accounting department, the $8,500.00 check was never cashed and applied. Besides, borrower's September payment was returned to him.

Please note that we are Freddie Mac Designated Counsel, we are authorized on behalf of Freddie Mac to delegate forbearance plans for all Freddie Mac loans. Furthermore, Funds in the amount of $8,500.00 and borrower's September, October and November will be forwarded to your office as well along with a copy of the agreement.

Natalie, please stop payment on the original check in the amount of $8,500.00 sent on 8/12/2009 tracking number 7988-5707-1640 and reissue a check for the same amount of $8,500.00 + $11,310.00 (September, October, and November payments, $3,769.71 per payments) to Bank of America. Please include a copy of the signed agreement as well.

Thank you!

Ivy

Bijan,

The fax you sent in looks like it might have been a personal check. They do not accept personal checks for forbearance agreements. Do you want to get on another repayment plan? This would have to be done all over again and the figures would have to be re-requested. Please advise Thank you!

Bijan,

The fax you sent in looks like it might have been a personal check. They do not accept personal checks for forbearance agreements. Do you want to get on another repayment plan? This would have to be done all over again and the figures would have to be re-requested. Please advise Thank you!

Hi Rebecca,

Thank you for the courtesy notification. TC has not been served and was not aware of the filing. Is this the same Terry Thomas we previously dealt with? Matt is out of the office today. After he's had a chance to review the Complaint we will be sending this over to Rick Reynolds to represent TC. Can you tell us the status of your eviction action? Rick will ask that we

include this information in our referral to his office.

Harmony: Please note there is now a litigation action affecting the property.

Subject: Bijan Laghaei Litigation
Importance: High

Good morning Trustee Corps.,

Our office is handing the eviction for the property located at 25 Winterberry Court, Reno, NV, f/k/a 25 Snowberry Circle, Reno, NV. Mr. Bijan filed an Answer and Counterclaim in the justice court eviction action. He has now filed Terry Thomas to represent him. Terry mail served me a Motion to Transfer case to District Court. Attached as an exhibit is a copy of the Complaint he filed in Nevada State District Court. He has named several defendants including TC. See attached. He has also filed a Motion to Consolidate.

I am not sure if any of the defendants have been properly served with the Complaint, but I wanted to get it to you just in case.

We will be forwarding a copy of it to our Freddie Mac litigation paralegal contact to see if she wants us to accept service and remove the district court action to federal court and oppose the motion to consolidate.

In the meantime, I will be filing an Opposition to the Motion to Transfer in Justice Court.

Thanks,

Rebecca

FYI: I found the County Commissioner's minutes, wherein the commission formally changed the street name from Snowberry to Winterberry. See attached Minutes: page 28, entry 05-668.

Hi there,

Trustee Corps had placed borrower in a forbearance agreement back in August with a good faith deposit of $8,500.00. Funds and the original forbearance agreement were sent to your office via fed ex tracking 7868-6707-1640 in the amount of $8,500.00 - per our accounting department, the $8,500.00 check was never cashed and applied. Besides, borrower's September payment was returned to him.

BORROWER COMMUNICATION AND COMPLAINT POLICY

Trustee Corps takes borrower calls and complaints very seriously in order to protect our clients' reputation and interest. Our *Borrower Communication and Complaint Policy* addresses the importance of escalation of specified matters and proper documentation of all borrower communication.

Borrower Communication Requirements

All incoming callers will hear the automated recording of the mini-Miranda warning prior to speaking with the operator to direct their call. This message cannot be bypassed by any caller.

Proper documentation of the communication is critical. Employees must take detailed notes of the complaint and document all communication within our internal system.

Our firm maintains Complaint Logs which are saved by month and maintained as needed to track Complaints. Our internal system, CaseAware, allows us to tag Complaint documentation as such which allows us to pull Complaint reports directly from our system.

Borrower Identification Procedures

When accepting incoming calls from individuals claiming to be the borrower of a loan, standardized procedures must be taken to verify the identity of the caller prior to providing any authorized file-related information as well as when receiving complaints:

- Caller must verify the borrower's Social Security Number in addition to being able to provide basic file information (i.e. property address, Trustee Sale number, etc.)
- If there is a question as to the identity of an individual claiming to be the borrower, we may request that the caller send their request in writing with a signature via fax, email, or US mail.
- If the request is coming from a third party claiming to be contacting us on behalf of the borrower, we require that a written, signed authorization from the borrower be provided to us via fax, email, or US mail verifying that the third party has approval to obtain information on the borrower's behalf.

Escalated Matters

Staff is required to immediately escalate matters described below by (1) following the necessary client escalation procedures (e.g. opening an issue in client's system) and (2) notifying a Supervisor and/or General Counsel, upon discovery of the matter. The Supervisor or Manager, if a Supervisor is unavailable, shall communicate promptly with the client's escalation contact and take immediate action to contain or suspend activity that would cause further harm to the client. The issue shall be documented with both the client's system as well as our internal system upon discovery and tracked by management through resolution.

Events described in this section must be immediately escalated to a Supervisor. If the Supervisor is unable to reach resolution in a timely manner, he/she shall further escalate the matter to Management for further escalation to the client's management.

- Civil suits
- Complaint Filings
- Claims of unlawful or non-compliant foreclosure actions
- Request for loan modification, short sale, deed-in-lieu or other foreclosure prevention alternative

Critical Matters

Staff must immediately report events described in this section directly to Management, and General Counsel. Together, this matter shall immediately be reported pursuant to the client's escalation policy, if specified for the matter in question, and/or the client's management, for urgent attention.

- Borrower's active military status
- Alleged violations of Bankruptcy stay
- Threats of litigation against the Firm or client by any party
- Actions that seek monetary damages or injunctive relief against the Firm or client
- Media inquiry or press-related issue regarding the client
- Inquiry by the OCC, OIG, Attorney General or other regulatory or enforcement entity regarding the client
- Threatened or discovered sanctions against the Firm or client
- Personal threats related to the Firm's representation of the client
- Borrower criticism of Firm or client that may be potentially damaging to the Firm or client's reputation
- Borrower's threat to contact the media regarding the Firm or client

- Any matters that are not expected to arise in the regular course of a foreclosure action, which can be suspected to cause damage or threat to the client's reputation and/or legal or financial interest

Timeline Expectations

- Complaints or above-referenced urgent matters are expected to be escalated to a Supervisor or Manager within two (2) hours of receipt of the Complaint.
- Once escalated, the Supervisor or Manager must notify the client's escalation contact on the same day the Complaint was received; no more than eight (8) hours from receipt of the Complaint. At the same time, the Complaint must be brought to the attention of General Counsel for review. Systems must be documented thoroughly, both internal and client system.
- If a response is not received from the client within 24 hours confirming the Complaint was received, the Manger or General Counsel must follow-up with the client's designated contact by both telephone and email. Systems must be documented thoroughly, both internal and client system.

CALL ACCOMMODATION PROCEDURES

Trustee Corps is equipped to accommodate calls from individuals who may require additional assistance for a variety of reasons. We strive to implement procedures to facilitate a cooperative and effective interaction with all who call our offices for assistance.

The Receptionist is trained to accept and handle relay calls for hearing-impaired callers. These calls are processed as high-priority and are escalated to the supervisor of the relevant unit for immediate assistance. All unit supervisors are trained to assist relay callers. System documentation is paramount in this situation to ensure staff is aware that the borrower or authorized party on the file in question is hearing-impaired and communicates via a relay calling system.

Our office frequently receives calls from non-English speaking individuals. As such, the company strives to employ individuals who are fluent in the major languages spoken in our states.

Our company has created an automated message which is played to incoming callers. This message instructs Spanish-speaking callers to dial an extension to immediately reach a Spanish-speaking Foreclosure Specialist in our office who will assist.

Upon receiving a telephone call from any non-English speaking individual, our company receptionist is instructed to transfer the call to an employee designated for that specific language. The employee will then detail the nature of the call in the internal system notes for the file in question. In the notes, the employee will identify the caller, their relationship to the property in question, the nature of the call, and indicate the language spoken by the individual.

Once this information has been documented, future calls from the individual may be directed to the same employee who spoke with the individual or to another employee fluent in the caller's native language.

Call Monitoring and Recording Policy and Acknowledgment

To demonstrate MTC Financial Inc. dba Trustee Corps' commitment to providing excellence in service, the Company has an established practice of recording and monitoring employees' external phone calls both inbound and outbound. All external calls are recorded and monitored at all company locations.

During Company business hours, Executive Management, Human Resources, and IT are authorized to monitor employees' calls in order to ensure employees are adhering to Trustee Corps' Code and Ethics Policy, Client guidelines, and State Statutes that mandate recorded calls by a debt collector. Additionally, employees' calls are recorded and monitored for training purposes in order to provide employee feedback and adherence to Company Policy.

The purpose of this form is to ensure the employee has acknowledged they have been informed their calls are monitored and recorded. Each employee will be provided with written notification upon his/her commencing employment. A signed copy of this guideline will be placed in the employee's personnel file.

In addition, employee understands the importance of following state statute and the protection of consumer's rights. Each employee will be held to the Fair Debt Collections Practice Act (FDCPA). Therefore, all employees are required to notify the borrower, customer, representative, and any new callers joining an existing call/conversation that the call will be monitored and recorded through the provision of ***"Please be advised that this call may be recorded per company policy"*** and recite the Mini-Miranda Warning. Further, any employee accepting a transferred call must also recite the call recording disclosure at the time the call is transferred and any time a new caller joins the call thereafter. Employees also acknowledge that the call recording disclosure is included in the automated message heard by all incoming callers.

If a caller questions why the call is being recorded, employee will advise that "Calls are recorded per company policy". In the event a caller disputes the call recording, they are advised that at this time we are unable to disable the call recording feature on a call by call basis and if they prefer, they may send in their request in writing.

If a personal call is identified, the monitoring will immediately be suspended. However, non-business related phone calls can be a basis for disciplinary action.

This form acknowledges that you understand and agree to MTC Financial Inc. dba Trustee Corps' guidelines regarding call monitoring and recordings.

FAIR DEBT COLLECTIONS PRACTICES ACT PROCEDURE

The portion of the Fair Debt Collection Practices Act (FDCPA) which pertains to foreclosure processes conducted by Trustee Corps has been implemented into our procedures. Our firm identifies ourselves as a debt collector via the automated telephone system. All incoming callers hear the recorded Mini-Miranda disclaimer that Trustee Corps is a debt collector and that all information obtained may be used for this purpose. This recording cannot be bypassed by any caller.

All outgoing communication to borrowers or a borrower's authorized representative must be prefaced with a verbal mini-Miranda warning. The mini-Miranda disclosure must identify Trustee Corps as a debt collector and that the purpose of the call is to collect a debt. Below is the required script to be ready by staff on all outgoing calls:

"Hello, my name is (Name) from Trustee Corps. Trustee Corps is a debt collector representing (Bank/Servicer). This is an attempt to collect a debt by a debt collector and any information we obtain will be used for that purpose."

The Fair Debt Collection Practices Act letter is sent with all required foreclosure notices made via mail. This letter provides the required disclaimers as well as provides the borrower with pertinent information regarding their rights under the FDCPA.

Memorandum of Training

Topic: Handling Reinstatement/Payoff Calls

Date: March 2016

Overview: The information below is to be used as a guide for how to properly process incoming reinstatement/payoff request phone calls.

States: All

It is common for the foreclosure teams to receive phone calls from borrowers, attorneys, and other interested third-parties requesting payoff and reinstatement figures. It is important to keep the following items in mind when handling these calls:

1) Always request that the inquiry be made in writing. This will help our accounting department track requests for the purposes of oversight and compliance with client audits. These do not have to be very formal requests, but they should specifically state what the request is and include basic information such as: borrower(s) name(s), TS#, loan number, and property address. Written requests are accepted via the following:
    a. Fax
        i. *Payoff/Reinstatement Department Fax* – (949) 752-7091
        ii. *General Trustee Corps (Irvine Office) Fax* – (949) 752-0320
    b. Email – rorequests@trusteecorps.com
    c. Mail – 17100 Gillette Avenue, Irvine, CA 92614 – Attn: Payoff/Reinstatement Dept.
    d. In-Person/Hand Delivery – we do accept hand-delivered requests to be made at any of our offices. These should be forwarded to the department inbox above.

2) If the request is made by someone other than the borrower – a junior lien holder, a trust, borrower's counsel – you should make sure to request proof of relevance and/or authority to be making the request. Some examples include:
    a. Jr. Lien Holder – a copy of their Deed of Trust
    b. Trust – probate documents
    c. Borrower's Counsel – third-party authorization

3) If you transfer a call to the Payoff/Reinstatement line, make sure to stay on the line and provide the Accounting Department representative with the file number. No blind transfers!

4) It should always be your goal to try to satisfy your caller by providing the fax number or email address. The fewer phone calls the Payoff/Reinstatement group has to take makes their process faster and more efficient.

5) All escalations should be sent to Mike Henry. This would also include any threats or complaints of someone going to the media or the government.

The State of Nevada has created a mediation program for homeowners whose owner occupied, primary residence is subject to foreclosure. Mediation is a process through which you and the lender meet with a neutral mediator to determine whether an agreement can be reached to cure any defaults in the loan or modify the terms of the loan to enable you to remain in your home. The mediator will be appointed by the Foreclosure Mediation Program Administrator. The mediator will not provide legal advice to either party. If you feel the need for legal representation, it is recommended that you retain an attorney to assist you in the mediation. [Use additional paper if needed.]

ELECTION/WAIVER OF MEDIATION FORM
Instructions

To the Trustee:
You must fill out the top box on the Form including the Property Address and the Assessor's Parcel Number [APN]

To the Homeowner:
You are not eligible to participate in this program if you filed bankruptcy on or after July 1, 2009, unless you have been discharged from the bankruptcy, or the court has entered an order allowing you to be part of the Nevada Foreclosure Mediation Program. If you have an open bankruptcy, please fill in the date on which the bankruptcy was filed on the attached form.

The ELECTION/WAIVER OF MEDIATION form has been provided to you by the Trustee. (You may make additional copies if needed.) You must fill out the two copies of the form so that the same information is included on both copies of the form. You must fill in the blanks on both forms and make your election to either request mediation or waive mediation.

Print your name and address in the spaces provided. Include your telephone numbers and your email address. If you have a co-owner, their name, address, phone numbers and email address should be included. This information will only be used for the mediation process.

In the designated location, you must select (with a check mark or "X") one of two choices. You may only select one of the two options. Either select:

OR

2. "___ WAIVER OF MEDIATION" if you do not want to participate in the foreclosure Mediation Program.

> You must then sign and date each form. NOTE that by signing the form you are certifying under penalty of perjury that you own and occupy the subject property as your primary residence.

One copy of the form must be mailed to the Trustee of the deed of trust by certified mail, return receip requested, an one copy of the form must be mailed to the Mediation Administrator. The envelopes provided are pre-addressed to the Trustee and Mediation Administrator. You must mail the envelope to the ADMINISTRATOR no later then thirty (30) days after the date the Trustee mailed you the form and the Notice of Default. You will need to pay the postage for mailings.

If you elect mediation, you must include the $200.00 mediation fee along with the form in the envelope addressed to the Administrator. The $200.00 mediation fee must be paid in the form of a money order or cashiers check and made payable to: "State of Nevada Foreclosure Mediation Program".

If you choose to forego or waive mediation, there is no need to send the $200.00 mediation fee. However, whether you elect to enter into the mediation program or elect not to participate in mediation, both forms should be mailed. If you do not mail the forms to the Trustee and the Mediation Administrator, you will not be allowed to participate in the mediation program and the foreclosure will proceed. This is your only opportunity to elect to participate in the foreclosure mediation process.

NOTE

January 27, 2004 (Date) | Henderson (City) | NV (State)

1559 Ward Frontier Lane, Henderson, NV 89015

[Property Address]

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. $ 128,800.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is CH Mortgage Company I, Ltd., Limited Partnership

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 6.000 %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the 1st day of each month beginning on March 1, 2004 . I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on February 1, 2034 , I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at P. O. Box 204150, Austin, TX 78720-4150 or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. $ 772.83

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

0002686B0.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of Fifteen calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000% of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

JEFFREY BENKO, Plaintiff, vs. QUALITY LOAN SERVICE CORPORATION, Defendant. AND OTHER PARTIES	CASE NO. A-11-649857-C DEPT NO. XIX **TRANSCRIPT OF PROCEEDINGS**

BEFORE THE HONORABLE BONNIE BULLA, DISCOVERY COMMISSIONER

RE: NOTICE OF PLAINTIFF'S MOTION TO COMPEL AND FOR SANCTIONS AGAINST DEFENDANTS NDSC, QLS, CRC, AND MTC

WEDNESDAY, JANUARY 11, 2017

APPEARANCES:

FOR THE PLAINTIFF: NICHOLAS A. BOYLAN, ESQ.
SHAWN CHRISTOPHER, ESQ.

FOR QLS: THOMAS N. BECKOM, ESQ.

(SEE ADDITIONAL APPEARANCES ON THE NEXT PAGE)

RECORDED BY: FRANCESCA HAAK, COURT RECORDER
TRANSCRIBED BY: JD REPORTING, INC.

ADDITIONAL APPEARANCES

FOR NDSC:	GREGORY L. WILDE, ESQ. KEVIN S. SODERSTROM, ESQ.
FOR CRC:	LAWRENCE SCARBOROUGH, ESQ. JESSICA R. MAZIARZ, ESQ. PRESTON MATTHEWS, ESQ.
FOR MTC:	ALLEN CERAN, ESQ. MICHAEL R. BROOKS, ESQ.

answered my question.

MR. CERAN: There are more grounds, Your Honor.

THE DISCOVERY COMMISSIONER: Well, I'm sure Judge Kephart will enjoy listening to all of that, but from my perspective the first ground, the primary ground is what's important, which is determining whether or not you're debt collectors. If you're not, then you don't have to be licensed, case over, as I understand it.

MR. CERAN: Right.

THE DISCOVERY COMMISSIONER: So --

MR. CERAN: So let me ask this.

THE DISCOVERY COMMISSIONER: -- so what you do in Nevada --

MR. CERAN: Right.

THE DISCOVERY COMMISSIONER: -- becomes relevant even if it may not be in relation to one of these particular plaintiffs because what you do becomes relevant because I suspect that there may be some plaintiffs if you expanded your services for other lenders that may ultimately be identified.

MR. CERAN: So I hear the Court. I'm not arguing with the Court. I just wanted to get some clarification on what the Court means by redaction because my sense of -- I mean, what we're talking about is Request No. 8, which talks about price list. It doesn't talk about everything else that Mr. Boylan has, you know, regaled us, you know, with, right? I

MR. CERAN: Right.

THE DISCOVERY COMMISSIONER: Okay.

MR. BOYLAN: The caveat that we have on that -- and I don't think we can do much about it today, Your Honor, based on his representations, but the problem that we have is the sworn testimony that at least according to our perception that we're getting from the witnesses are different from what Mr. Ceran is telling us, and, for example --

THE DISCOVERY COMMISSIONER: Why don't you finish all of the depositions, and then we can talk further about it because you do have some depositions you have to take. So let's see where we're at, and if there is a discrepancy, then have your 2.34 before you come back and see me February 10th.

No. 3, the Request to Produce No. 3 is again this internal documentation to show whether or not you had any discussions. Do you need to be licensed? Did you get a legal opinion on that? If you're going to rely on that legal opinion, then it needs to be produced.

MR. CERAN: Nope, Your Honor. We produced everything we have. There were no internal memos. The decision was made at the very top, and it was actually made for a completely different reason having nothing to do with what we're here about, which is the client was considering doing foreclosures for homeowners associations, and they thought they would need a loan collector's license for that.

THE DISCOVERY COMMISSIONER: For that.

MR. CERAN: And then they determined that there would be a conflict of interest with their lender clients. So they just threw their hands up and said we're not going to do that. In the meantime, they got their license, and they kept it. So there's no -- our representation is we produced everything that there is in response to this request. If we find anything else, we'll produce it.

THE DISCOVERY COMMISSIONER: So the first discussion your client had with respect to obtaining a debt collector's license was when?

MR. CERAN: Well, the discussions may have happened as early as 2009, 2010, but as far as any writings, in a small company you don't necessarily create a writing every time you talk to someone about an idea, and that, apparently what the situation was here. So the only record we had are the records of our applications and of the licenses --

THE DISCOVERY COMMISSIONER: And you've turned all those over?

MR. CERAN: -- and we produced those. Pardon?

THE DISCOVERY COMMISSIONER: You've turned those over?

MR. CERAN: Yes, Your Honor.

MR. BOYLAN: According to the sworn testimony there were four or five meetings of the highest levels, the senior

ATTORNEYS: Thank you, Your Honor.

THE DISCOVERY COMMISSIONER: Have safe travels --

UNIDENTIFIED ATTORNEY: Thank you very much, Your Honor. Thanks for your time.

THE DISCOVERY COMMISSIONER: -- back home. Safe travels.

For this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, the following described property located in the County [Type of Recording Jurisdiction] of Clark [Name of Recording Jurisdiction]:

See Exhibit A attached hereto and made a part hereof

Parcel ID Number: 179-34-614-164

which currently has the address of [Street]
[City], Nevada 89015 [Zip Code]

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property." Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee for Lender and Lender's successors and assigns) has the right: to exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action required of Lender including, but not limited to, releasing and canceling this Security Instrument.

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances

of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives

Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the

lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with

the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable

attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be

one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option, and without further demand, may invoke the power of sale, including the right to accelerate full payment of the Note, and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold, and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender shall mail copies of this notice as prescribed by Applicable Law to Borrower and to the persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

PLANNED UNIT DEVELOPMENT RIDER

THIS PLANNED UNIT DEVELOPMENT RIDER is made this 27th day of January, 2004, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date, given by the undersigned (the "Borrower") to secure Borrower's Note to CH Mortgage Company I, Ltd., Limited Partnership (the "Lender") of the same date and covering the Property described in the Security Instrument and located at:

3559 Wood Frontier Lane, Henderson, NV 89015

(Property Address)

The Property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels and certain common areas and facilities, as described in Covenants, Conditions and Restrictions (the "Declaration"). The Property is a part of a planned unit development known as OLD VEGAS RANCH

(Name of Planned Unit Development)

(the "PUD"). The Property also includes Borrower's interest in the homeowners association or equivalent entity owning or managing the common areas and facilities of the PUD (the "Owners Association") and the uses, benefits and proceeds of Borrower's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. PUD Obligations. Borrower shall perform all of Borrower's obligations under the PUD's Constituent Documents. The "Constituent Documents" are the (i) Declaration; (ii) articles of incorporation, trust instrument or any equivalent document which creates the Owners Association; and (iii) any by-laws or other rules or regulations of the Owners Association. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

0002686B0

TC000016

B. Property Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Property which is satisfactory to Lender and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, for which Lender requires insurance, then: (i) Lender waives the provision in Section 3 for the Periodic Payment to Lender of the yearly premium installments for property insurance on the Property; and (ii) Borrower's obligation under Section 5 to maintain property insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Lender requires as a condition of this waiver can change during the term of the loan.

Borrower shall give Lender prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy.

In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender. Lender shall apply the proceeds to the sums secured by the Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Section 11.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to: (i) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; (ii) any amendment to any provision of the "Constituent Documents" if the provision is for the express benefit of Lender; (iii) termination of professional management and assumption of self-management of the Owners Association; or (iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

F. Remedies. If Borrower does not pay PUD dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

(b) "land": the land described or referred to in Schedule (A), (C)or in Part 2, and improvements affixed thereto which by law constitute real property. (c) "mortgage": mortgage, deed of trust, trust deed, or other security instrument

(d) "public records" records established under state statutes at Date of Guarantee for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without knowledge.

(e) "date" the effective date

3. Notice of Claim to be Given by Assured Claimant.

An Assured shall notify the Company promptly in writing in case knowledge shall come to an Assured hereunder of any claim of title or interest which is adverse to the title to the estate or interest, as stated herein, and which might cause loss or damage for which the Company may be liable by virtue of this Guarantee. If prompt notice shall not be given to the Company, then all liability of the Company shall terminate with regard to the matter or matters for which prompt notice is required; provided, however, that failure to notify the Company shall in no case prejudice the rights of any Assured under this Guarantee unless the Company shall be prejudiced by the failure and then only to the extent of the prejudice.

3. No Duty to Defend or Prosecute.

The Company shall have no duty to defend or prosecute any action or proceeding to which the Assured is a party, notwithstanding the nature of any allegation in such action or proceeding.

4. Company's Option to Defend or Prosecute Actions; Duty of Assured Claimant to Cooperate.

Even though the Company has no duty to defend or prosecute as set forth in Paragraph 3 above.

(a) The Company shall have the right, at its sole option and cost, to institute and prosecute any action or proceeding, interpose a defense, as limited in (b), or to do any other act which in its opinion may be necessary or desirable to establish the title to the estate or interest as stated herein, or to establish the lien rights of the Assured, or to prevent or reduce loss or damage to the Assured. The Company may take any appropriate action under the terms of this Guarantee, whether or not it shall be liable hereunder, and shall not thereby concede liability or waive any provision of this Guarantee. If the Company shall exercise its rights under this paragraph, it shall do so diligently

(b) If the Company elects to exercise its options as stated in Paragraph 4(a) the Company shall have the right to select counsel of its choice (subject to the right of such Assured to object for reasonable cause) to represent the Assured and shall not be liable for and will not pay the fees of any other counsel, nor will the Company pay any fees, costs or expenses incurred by an Assured in the

defense of those causes of action which allege matters not covered by this Guarantee

(c) Whenever the Company shall have brought an action or interposed a defense as permitted by the provisions of this Guarantee, the Company may pursue any litigation to final determination by a court of competent jurisdiction and expressly reserves the right, in its sole discretion, to appeal from an adverse judgment or order

(d) In all cases where this Guarantee permits the Company to prosecute or provide for the defense of any action or proceeding, an Assured shall secure to the Company the right to so prosecute or provide for the defense of any action or proceeding, and all appeals therein, and permit the Company to use, at its option, the name of such Assured for this purpose. Whenever requested by the Company, an Assured, at the Company's expense, shall give the Company all reasonable aid in any action or proceeding, securing evidence, obtaining witnesses, prosecuting or defending the action or lawful act which in the opinion of the Company may be necessary or desirable to establish the title to the estate or interest as stated herein, or to establish the lien rights of the Assured. If the Company is prejudiced by the failure of the Assured to furnish the required cooperation, the Company's obligations to the Assured under the Guarantee shall terminate.

5. Proof of Loss or Damage

In addition to and after the notices required under Section 2 of these Conditions and Stipulations have been provided to the Company, a proof of loss or damage signed and sworn to by the Assured shall be furnished to the Company within ninety (90) days after the Assured shall ascertain the facts giving rise to the loss or damage. The proof of loss or damage shall describe the matters covered by this Guarantee which constitute the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage. If the Company is prejudiced by the failure of the Assured to provide the required proof of loss or damage, the Company's obligation to such Assured under the Guarantee shall terminate. In addition, the Assured may reasonably be required to submit to examination under oath by any authorized representative of the Company and shall produce for examination, inspection and copying, at such reasonable times and places as may be designated by any authorized representative of the Company, all records, books, ledgers, checks, correspondence and memoranda, whether bearing a date before or after Date of Guarantee, which reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Assured shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect and copy all records, books, ledgers, checks, correspondence and memoranda in the custody or control of a third party which reasonably pertain to the loss or damage. All information designated as confidential by the Assured provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Assured to submit for examination under oath, produce other reasonably requested information or grant permission to secure reasonably necessary information from third parties as required in the above paragraph, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this Guarantee to the Assured for that claim.

6. Options to Pay or Otherwise Settle Claims; Termination of Liability.

In the case of a claim under this Guarantee, the Company shall have the following additional options:

(a) To Pay or Tender Payment of the Amount of Liability or to Purchase the Indebtedness

The Company shall have the option to pay or settle or compromise for or in the name of the Assured any claim which could result in loss to the Assured within the coverage of this Guarantee, or to pay the full amount of this Guarantee or, if this Guarantee is issued for the benefit of a holder of a mortgage or a lienholder, the Company shall have the option to purchase the indebtedness secured by said mortgage or said lien for the amount owing thereon, together with any costs, reasonable attorneys' fees and expenses incurred by the Assured claimant which were authorized by the Company up to the time of purchase.

Such purchase, payment or tender of payment of the full amount of the Guarantee shall terminate all liability of the Company hereunder. In the event after notice of claim has been given to the Company by the Assured the Company offers to purchase said indebtedness, the owner of such indebtedness shall transfer and assign said indebtedness, together with any collateral security, to the Company upon payment of the purchase price.

Upon the exercise by the Company of the option provided for in Paragraph (a) the Company's obligation to the Assured under this Guarantee for the claimed loss or damage, other than to make the payment required in that paragraph, shall terminate, including any obligation to continue the defense or prosecution of any litigation for which the Company has exercised its options under Paragraph 4, and the Guarantee shall be surrendered to the Company for cancellation.

(b) To Pay or Otherwise Settle With Parties Other Than the Assured or With the Assured Claimant

To pay or otherwise settle with other parties for or in the name of an Assured claimant any claim insured against under this Guarantee, together with any costs, attorneys' fees and expenses incurred by the Assured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay.

Upon the exercise by the Company of the option provided for in Paragraph (b) the Company's obligation to the Assured under this Guarantee for the claimed loss or damage, other than to make the payment required in that paragraph, shall terminate, including any obligation to continue the defense or prosecution of any litigation for which the Company has exercised its options under Paragraph 4.

7. Determination and Extent of Liability

This Guarantee is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Assured claimant who has suffered loss or damage by reason of reliance upon the assurances set forth in this Guarantee and only to the extent herein described, and subject to the Exclusions From Coverage of This Guarantee.

The liability of the Company under this Guarantee to the Assured shall not exceed the least of:

(a) the amount of liability stated in Schedule A or in Part 2;

(b) the amount of the unpaid principal indebtedness secured by the mortgage of an Assured mortgagee, as limited or provided under Section 8 of these Conditions and Stipulations or as reduced under Section 9 of these Conditions and Stipulations, at the time the loss or damage secured against by this Guarantee occurs, together with interest thereon, or

(c) the difference between the value of the estate or interest covered hereby as stated herein and the value of the estate or interest subject to any defect, lien or encumbrance insured against by this Guarantee.

8. Limitation of Liability.

(a) If the Company establishes the title, or removes the alleged defect, lien or encumbrance, or cures any other matter insured against by this Guarantee in a reasonably diligent manner by any method, including litigation and the completion of any appeals therefrom, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused thereby.

(b) In the event of any litigation by the Company or with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals therefrom, adverse to the title, as stated herein.

(c) The Company shall not be liable for loss or damage to any Assured for liability voluntarily assumed by the Assured in settling any claim or suit without the prior written consent of the Company.

9. Reduction of Liability or Termination of Liability.

All payments under this Guarantee, except payments made for costs, attorneys' fees and expenses pursuant to Paragraph 4 shall reduce the amount of liability pro tanto.

10. Payment of Loss.

(a) No payment shall be made without producing this Guarantee for endorsement of the payment unless the Guarantee has been lost or destroyed, in which case proof of loss or destruction shall be furnished to the satisfaction of the Company.

(b) When liability and the extent of loss or damage has been definitely fixed in accordance with these Conditions and Stipulations, the loss or damage shall be payable within thirty (30) days thereafter.

11. Subrogation Upon Payment or Settlement.

Whenever the Company shall have settled and paid a claim under this Guarantee, all right of subrogation shall vest in the Company unaffected by any act of the Assured claimant.

The Company shall be subrogated to and be entitled to all rights and remedies which the Assured would have had against any person or property in respect to the claim had this Guarantee not been issued. If requested by the Company, the Assured shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect this right of subrogation. The Assured shall permit the Company to sue, compromise or settle in the name of the Assured and to use the name of the Assured in any transaction or litigation involving these rights or remedies.

If a payment on account of a claim does not fully cover the loss of the Assured the Company shall be subrogated to all rights and remedies of the Assured after the Assured shall have recovered its principal, interest, and costs of collection.

12. Arbitration.

Unless prohibited by applicable law, either the Company or the Assured may demand arbitration pursuant to the Title Insurance Arbitration Rules of the American Arbitration Association.

Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Assured arising out of or relating to this Guarantee, any service of the Company in connection with its issuance or the breach of a Guarantee provision or other obligation. All arbitrable matters when the Amount of Liability is $1,000,000 or less shall be arbitrated at the option of either the Company or the Assured. All arbitrable matters when the amount of liability is in excess of $1,000,000 shall be arbitrated only when agreed to by both the Company and the Assured. The Rules in effect at Date of Guarantee shall be binding upon the parties. The award may include attorneys' fees only if the laws of the state in which the land is located permit a court to award attorneys' fees to a prevailing party. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

The law of the situs of the land shall apply to an arbitration under the Title Insurance Arbitration Rules.

A copy of the Rules may be obtained from the Company upon request.

13. Liability Limited to This Guarantee; Guarantee Entire Contract.

(a) This Guarantee together with all endorsements, if any, attached hereto by the Company is the entire Guarantee and contract between the Assured and the Company. In interpreting any provision of this Guarantee, this Guarantee shall be construed as a whole.

(b) Any claim of loss or damage, whether or not based on negligence, or any action asserting such claim, shall be restricted to this Guarantee.

(c) No amendment of or endorsement to this Guarantee can be made except by a writing endorsed hereon or attached hereto signed by either the President, a Vice President, the Secretary, an Assistant Secretary, or validating officer or authorized signatory of the Company.

Q Where ma'am?
A In Irvine.
Q At your current office location?
A Yes.
Q What was discussed at the meeting?
A Whatever was on the agenda, and I don't remember.
Q There was a written agenda, correct?
A No. It's more like a verbal, just kind of like --
Q Do you deny, under oath, ma'am -- just for clarity, do you deny, under oath that there was a written agenda?
A There could have been, but I don't remember. This was several years ago, sir.
Q What was on the agenda with respect to debt collection license?
A I don't remember.
Q What was said at the meeting about the debt collection license?
A I don't remember.
Q Who said that they wanted to obtain a debt collection license in Nevada, which participants at the meeting?
A There was just whoever was there participate --

just talking about it.

Q And everyone agreed to do that?

A I don't remember. I may have stepped out of the room.

Q What were some of the reasons given at that time to obtain a debt collection license in Nevada at that meeting?

A I don't recall.

Q Was there, at that meeting, a review or any discussion of the activities, the actual business activities that MTC was performing in Nevada at that time?

A I don't remember.

Q Was there any major expanse of the business that occurred in Nevada at that time?

A I don't remember.

Q When was the last major expanse of the scope of the business performed in Nevada by the company?

MR. REYNOLDS: Assumes -- objection. Assumes facts not in evidence.

You can answer.

THE WITNESS: I don't know. I don't remember.

BY MR. BOYLAN:

Q Has there been any such major expanse or has the business essentially been the same in Nevada since you began in 2000?

A No.
Q What kind of computer software does the company utilize today for its data?
A I have no idea.
Q Who has responsibility for that?
A Management team.
Q What person by name?
A I wouldn't know. It's group of them.
Q What are all their names, then?
A Cathy Cole Sherborn, Gloria Juarez, Victor Hutchins.
Q Victor did you say?
A Uh-huh.
Q What are each of their titles, please?
A They're all vice presidents of the company.
Q Are there any other vice presidents other than those you named and yourself?
A Robert Ruelas.
Q Spell the last name, please.
A R-u-e-l-a-s.
Q And what is his responsibility?
A He does all of our marketing.
Q What else, anything?
A No.
Q And what about Victor, what is his

responsibility?
A I'm not quite sure.
Q What would you estimate it to be, based on your observations?
A I don't know. Maybe mailings or something. I don't really know.
Q You have a vice president in charge of mailings?
A Well, I'm not quite sure what his title is.
Q And Gloria Juarez, what is her responsibility area?
A She has human resources.
Q And what else?
A And some of our accounting.
Q And Cathy, what -- what's her areas of responsibility? Kathy --
A She is our oper- -- she takes care of the operations.
Q And what else?
A That's all I know.
Q Is she in charge of operations for Nevada as well?
A I don't know.
Q Is there a limit on her authority with respect to operations, that you know of?
A No.

money for the company?
A No.
Q Have you ever done so?
A No.
Q I'll hand you what's been marked as Exhibit 1, your counsel provided to me this morning and indicated to me it's a corrected version of a document previously produced to us.
(Exhibit 1 was so marked.)
BY MR. BOYLAN:
Q Take a look at Exhibit 1, please, ma'am, and tell us, is that your signature on the document?
A Yes.
Q Now, you just said that you have any involvement with outgoing or incoming money for the company and never have; do you recall that testimony?
MR. REYNOLDS: Objection. That misstates her testimony.
BY MR. BOYLAN:
Q Do you recall that testimony, ma'am?
A Okay.
Q Would you like to correct that testimony?
MR. REYNOLDS: Objection. Mischaracterizes what she said.
You can answer.

Q If those individuals send in money to MTC corporation, for various reasons, reinstatement, forbearance, whatever the reason may be or to pay off the loan, that money -- you're involved with that for approximately two hours a day that you spend on that activity?

MS. MAZIARZ: Form.

(Reporter clarification.)

MS. MAZIARZ: Form.

MR. REYNOLDS: Objection to the form of the question. Vague and ambiguous. Compound.

You can answer.

THE WITNESS: Not necessarily.

BY MR. BOYLAN:

Q Sometimes, though?

A Maybe.

Q How often?

A As needed.

Q Well, how often on average per week?

A I thought I answered before.

Q You said hours per day. But you didn't say how often you handle the money that's coming in as I described.

A I don't handle the money that comes in.

Q All right. Let's say, this is handling money.

See where you put your signature on that, you were wire transferring money that came in, correct?

A Yes.

Q Okay. Well, how often, do you do that?

A As needed.

Q How often give me your best estimate, under your oath, to swear to tell the truth?

MR. REYNOLDS: Objection. You're badgering the witness. Keep it up. We'll stop now.

BY MR. BOYLAN:

Q Okay. How often do you do it, ma'am?

A As needed.

Q Give me an estimate of the number of times per day?

A Maybe once.

Q All right. Let's try to make it easy for your memory function. How about --

MR. REYNOLDS: Objection. Now you're badgering again.

BY MR. BOYLAN:

Q Okay. How about yesterday? How many times were you involved in handling receiving or transferring money yesterday?

A None.

Q And the day before?

A Maybe once.

Q Okay. And how did that money come in?
A Don't know.
Q What did you do with it? How were you involved?
A I just signed the wires. I just wire. That was it. Just signed it. My scope is as good as my penmanship. That's it.
Q Then why is your signature needed, then?
A As a -- because as an owner, I sign.
Q I see. Does anyone else other than you or your husband have signature authority over the bank accounts?
A No.
Q Has that always been true?
A Yes.
Q So -- pardon me, I don't mean this to be repetitive, but you're saying that has not prompted me.

So on average -- let's say on a weekly basis, on average, how many times do you and/or your husband sign papers for the transfer of money that has come in from debtors?

MR. REYNOLDS: If you know.

THE WITNESS: If I know, maybe once, twice. I don't --

BY MR. BOYLAN:
Q You and your husband together?
A Depends on the day of the week.

MR. BOYLAN: That's because you've been talking too much.

MR. REYNOLDS: Actually you have.

MR. BOYLAN: That's because I'm taking the deposition.

MR. REYNOLDS: Well you're not going to take it exactly the way you want.

MR. BOYLAN: Well, the judge is going to have to decide that, so...

MR. REYNOLDS: That's right.

BY MR. BOYLAN:

Q All right. So let's go back, ma'am. With respect to money paid, related to an underlying debt, regardless of the source of the money, back between 2007 and 2012, on average, how many times did you or your husband sign documents similar to Exhibit 1, for the transfer or receipt of money?

A I don't remember.

Q What's your best estimate, under oath?

A I don't have an estimate. I don't remember.

Q Was it about the same during those years as what you described, more recently?

A Don't know.

Q Did it change at any time?

A I'm not -- don't know.

Q What is Exhibit 1?

A Piece of paper.
Q Can you be more specific?
A It's a piece of paper that just says, domestic or international U.S. funds only. That's what it says.
Q That is your signature?
A Yes.
Q Why did you sign it?
A Because it's my job as an owner. I signed that piece of paper.
Q What was the purpose of your signature?
A So this could -- this piece of paper could be given to the bank.
Q And then what was going to happen?
A Whatever the bank does.
Q You have no understanding of the document beyond what you've sworn to just now?
A Well, it says who it's from, who it's going to, and that's all -- and the amount, that's it.
Q And this is money that your company collected and was forwarding to the bank, Wells Fargo, correct?
A Well, that's what the paper says.
Q And that's correct, right?
A Well that's what it says on paper.
Q Well, when you signed it, you weren't doing anything false or criminal or untrue; were you?

A No.
Q And you see there where it says, "apply funds to the loan of Raymond Sansota," do you see that?
A Okay.
Q Did you put that there?
A No.
Q Did you read that before you signed it?
A I looked at the document.
Q What does that phrase mean, can you explain?
A That just tells me that that's what Wells Fargo put on the piece of paper and that's what's on the piece of paper.
Q You're claiming that Wells Fargo created it, rather than MTC; is that your --
A No.
Q -- sworn testimony?
A What I'm saying is that, it just -- like what it says right there, it says "beneficiary's bank," which says the name and that's what they're supposed to do it with it. I don't know. That's what it says on the piece of paper. That's it.
Q This document was created by MTC, correct, Exhibit 1?
A Yeah.
Q Okay. So what's your understanding of what that

or any of the years, 2007 to 2012?

MR. REYNOLDS: Objection. Calls for legal conclusion.

MR. BOYLAN: We're actually leaving all that open.

MR. JOHNSEN: Oh, I'm sorry. I'll open it up.

MR. REYNOLDS: Okay. Objection. Calls for legal conclusion. Assumes facts not in evidence. Vague.

MS. MAZIARZ: Form.

BY MR. BOYLAN:

Q Your answer, ma'am?

A I don't remember.

Q What is your best estimate? Are you able to estimate?

A No.

Q What is your best ballpark number? Can you tell us that?

A I don't know.

Q Can you tell us, for example -- I'll try to give you more clarity -- whether each -- whether during each or any one of those years, 2007 to 2012, your company collected on behalf of its lender clients and related to defaulted debtors amounts of money over $10 million?

MR. REYNOLDS: I'll have the same objection that I had before.

MS. MAZIARZ: Form. Vague.

BY MR. BOYLAN:

Q Your answer, ma'am?
A I don't know.
Q What is your best estimate whether it's over or under $10 million during those years?
A I don't know.
Q Are you able to estimate whether it's more or less than $10?
A Yes.
Q And it was more than $10, each of those years?
A Yes.
Q Can you tell us whether it was more than $10,000 during each of those years?
A Yes.
Q Can you tell us whether it was more than a hundred thousand dollars each of those years?
A Yes.
Q All right. Can you tell us whether during each of those years it was more than $200,000?
A Yes.
Q Can you tell us whether during each of those years it was more than $300,000?
A Yes.
Q Can you tell us whether during each of those years it was more than $500,000?
A Yes.

Q Can you tell us whether during each of those years it was more than $700,000?
A Yes.
Q Can you tell us whether during each of those years it was more than $900,000?
A Yes.
Q Can you tell us whether during each of those years it was more than a million dollars?
A Yes.
Q Can you tell us whether during each of those years it was more than $2 million?
A Yes.
Q Can you tell us whether during each of those years it was more than $5 million?
A Yes.
Q Can you tell us whether during each of those years it was more than $7 million?
A Yes.
MR. BOYLAN: Don't -- please don't coach the witness.
MR. REYNOLDS: No, I'm not.
MR. BOYLAN: She's looking at you.
MR. REYNOLDS: She's looking and then --
MR. BOYLAN: There's no question pending.
MR. REYNOLDS: -- look on her face.
MR. BOYLAN: Well, she's under oath, so that's up to

don't know what "okay," means.

THE WITNESS: Yes.

MR. BOYLAN: Okay. Well, she'll give you a yes or no. That's progress.

BY MR. BOYLAN:

Q So a bank of phones where a bunch of people operate the phones. Where is that located at for MTC?

A In each of our offices.

Q And how many offices do you have?

A Four.

Q Is one of those offices dedicated to the state of Nevada, or do they all do work in relation to all five or six of the states your company operates?

A There's specific -- the -- often we have an office in Nevada.

Q And does it do all the Nevada-related work?

A I don't know.

Q How long have you had the office in Nevada?

A 2000, I don't recall.

Q What's the address of the office that you had in Nevada since 2000?

A I don't know. I know it's on Red Rock.

Q Okay. How many people are there in the phone bank in that office?

MR. REYNOLDS: Objection. I -- I -- I'm really not

trying to make us change the testimony. I'm just going to object under grounds that it assumes facts not in evidence, i.e., that she said that there is a phone bank.

BY MR. BOYLAN:

Q How many, ma'am, would you estimate?

A I don't know.

Q Is it more than a hundred?

A No.

Q Is it less than a hundred?

A Yes.

Q Is it less than 20?

A I'm not sure.

Q Is it more than ten?

A Yes.

Q And how long has that been true that you've had approximately ten people or more during that phone bank work in Nevada?

MR. REYNOLDS: Objection. Same objection. Assumes facts not in evidence.

THE WITNESS: I don't know.

BY MR. BOYLAN:

Q Since 2000, though, right? Since you've had that office?

A Yes.

Q Do you supervise those people?

A Yes.
Q All right. That's it. What is your best estimate of whether the number of calls made from the group of employees handling the phone work in Nevada, on a monthly basis, is more or less than a hundred calls a month?
A More.
Q Okay. And what are they doing in these phone calls, do you know?
A That, I do not know.
Q What's the purpose of the calls?
A I don't know.
Q But you do know that they're -- they're making calls that include communications with debtors who are in default on their loans, correct?
A I guess.
Q That's what they do?
A Yes.
Q Right?
MR. REYNOLDS: Objection. Now you're telling the witness what they do and she answered again with "guess" which has been a problem in this deposition.
MR. BOYLAN: Well, we don't have a videotape. But it's very clear to me that that's her way of answering "yes," because she's just scared to say the word yes. But

Q Is she in charge of accounts receivable?
A Yes.
Q I want you to take a look, please, at what's been marked as Exhibit 4.
(Exhibit 4 was so marked.)
BY MR. BOYLAN:
Q These were produced by your company in this case, ma'am, through your counsel. It's called the initial disclosures. It also has a number of documents in which have been redacted, that are attached.
We are very fortunate, ma'am, in doing our work here together today that the pages are numbered by your counsel in the lower right-hand corner.
Do you see if you -- open it up to any page. You'll see in the lower-hand corner -- no, no. Go back further to the documents that are being produced.
You see in the lower right-hand corner where it says TC, Trustee Corporation, and then it has numbers?
A Yes.
Q Okay. So that's doing it easy. In many cases I'm going to refer you to the number in the lower right-hand corner so you can flip -- quickly flip to the number. Do you follow me?
A Yes.
Q First, I want to ask you some quick questions:

Q You never heard that term before?
A No.
Q 69, do you recognize that 69 has any relationship to Exhibit 1, which bears your signature?
A It has the same name and the same loan number.
Q It's called a funds remittance cover sheet. What does that mean?
A I don't know.
Q What does remittance mean, do you know?
A Not really, no.
Q What does funds mean?
A It usually means money.
Q Okay. All right. But can you look at the content of the document and maybe give us your best estimate of what you believe remittance might mean from the content of the document?
A It has to do with money.
Q Yeah. It's a way of passing money to your lender -- your clients, right, your company's clients?
A Yes.
Q And this is money that you've collected. In this case, it involves my client, the Sansotas and the loan number shown there, correct?
A Yes.
Q And there are various options here for money

that's been conveyed to your company; sometimes it's for reinstatement; sometimes it's just a payoff. And there are different itemizations there; and sometimes the money's collected and passed on when the property is sold and that's the box that's checked here at the bottom, correct?

A Yes.

Q But all these options are things that your company would sometimes do and remit the funds, right, all the boxes?

MR. REYNOLDS: Objection. Lack of foundation. Assumes facts not in evidence.

MS. MAZIARZ: Join.

THE WITNESS: Yes.

BY MR. BOYLAN:

Q And you would, personally, be involved in that, right, if you received funds; for example, for reinstatement or payoff or refund, you would frequently -- not always -- but you would frequently be involved, as shown on Exhibit 1, where you would wire that money to the client lender who was collecting it, correct?

A No.

Q Well, isn't that exactly what you did here, ma'am? You see the box and then here on Exhibit 1, you -- you sent the money that was collected.

you can just stipulate to that.

MR. REYNOLDS: We stipulate to that.

MR. BOYLAN: Okay. Very good. Thank you.

BY MR. BOYLAN:

Q Okay. Look at page 71. You see those total -- those two cashier checks which total the $51,000?

A Yes.

Q And you see Exhibit 1, with your signature, the $51,000?

A Yes.

Q Okay. So this is the money -- the cashier's check reflected on Exhibit 71, is the money you collected, put into your trust account in March of 2011, and then you transferred that money to your lender client Wells Fargo a few days later -- you did that personally -- excuse me -- by your signature, you authorized it -- those monies to be transferred to your client lender on -- on March 14th, 2011, as shown in Exhibit 1, correct?

A Yes.

Q Let's look at page 72. This is an MTC company -- your company's invoice, correct?

A I've never seen it, but yes.

Q But you recognize it as an MTC invoice, correct?

A Yes.

Q And you see it relates to the Sansotas and the
