## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

16 I, Gloria Juarez, declare:

17 1. I have been employed by MTC Financial Inc., dba Trustee Corps ("Trustee

19 Corps and continued in that position until 2016 when I became the Senior Vice-President of  
20 Accounting and Human Resources. In my capacity as Accounting Manager between 2006 and  
21 2016, I oversaw accounts payable and was familiar with the telephone services and telephone  
22 numbers used by Trustee Corps in its business. Based on my review of Trustee Corps' business  
23 records, during the 2010 to 2011 time frame, Trustee Corps' telephone provider was AT&T, and  
24 the telephone numbers used by Trustee Corps were (949) 252-8300, (800) 201-1622, (800) 845-  
25 2178, and (800) 995-8688. These numbers were displayed when calls emanated from them  
26 inasmuch as Trustee Corps did not choose, or direct AT&T to utilize, any "blocking" feature in  
27 order to prevent the display of its telephone numbers on the telephones to which the calls from  
28 those numbers were directed.

I declare under penalty of perjury under the laws of the State of California and the State of  
Nevada that the foregoing is true and correct and that this declaration is executed on March \_\_,

8 and incorporated by reference herein.

9           5.       Raymond Sansota served his "Plaintiff Raymond Sansota's Responses to Defendant  
10 MTC Financial Inc.'s First Set of Requests for Admissions" (RFA Responses") on August 30,  
11 2016. In response to Request for Admission No. 1, Raymond Sansota stated "Denied at this time."  
12 In response to Request for Admission No. 7, Raymond Sansota stated "Denied at this time." A true  
13 and correct copy of the RFA Responses is attached hereto as Exhibit B and incorporated by  
14 reference herein.

15           6.       On July 12, 2016 Trustee Corps served "MTC Financial Inc. dba Trustee Corps'

23 support YOUR response." A true and correct copy of Interrogatories, Set One is attached hereto as  
24 Exhibit C, and incorporated by reference herein.

25           7.       Raymond Sansota served his "Plaintiff Raymond Sansota's Supplemental Responses  
26 to Defendant MTC Financial Inc.'s Interrogatories, Set One" ("Supplemental Responses") on  
27 Trustee Corps on or about November 16, 2016. In response to Interrogatory No. 1, Raymond  
28 Sansota stated: **"Responding Party cannot recall or identify at this time specific calls with**

1 anyone known by Responding Party to be employed by requesting party during the specified  
2 period." In response to Interrogatory No. 13, Raymond Sansota stated: "Responding Party  
3 cannot recall or otherwise identify at this time any phone call with someone employed by  
4 requesting party in which a request for payment of Responding Party's debt was made  
5 during the relevant period." A true and correct copy of the Supplemental Responses and the  
6 Verification thereto served on Trustee Corps on November 17, 2016 at the conclusion of the  
7 deposition of Francine Sansota (along with Mr. Boylan's confirmatory email) are attached hereto as  
8 Exhibit D and incorporated by reference herein.

9 8. As set forth in the Declaration of Gloria Juarez, filed concurrently herewith, during  
10 the period that the Transaction File was active, *i.e.*, July 14, 2010 to March 14, 2011, Trustee  
11 Corps' telephone provider was AT&T, and the telephone numbers used by Trustee Corps were  
12 (949) 252-8300, (800) 201-1622, (800) 845-2178, and (800) 995-8688 (collectively "Trustee  
13 Corps' Numbers"). Declaration of Gloria Juarez in Support of Defendant MTC Financial Inc. dba  
14 Trustee Corps': (1) Cross-Motion for Summary Judgment or, in the Alternative, Partial Summary  
15 Judgment Against Plaintiffs Raymond Sansota and Francine Sansota; and (2) Opposition to Motion  
16 for Partial Summary Judgment of Plaintiffs Raymond Sansota and Francine Sansota, ¶ 1. These  
17 numbers were displayed when calls emanated from them inasmuch as Trustee Corps did not  
18 choose, or direct AT&T to utilize, any "blocking" feature in order to prevent the display of its  
19 telephone numbers on the telephones to which the calls from those numbers were directed. *Id.*

20 9. In his responses to Trustee Corps' written discovery, Raymond Sansota stated that  
21 from 2007 to present Verizon was his telephone service provider and that his telephone number was  
22 (702) 249-7894. Plaintiff Raymond Sansota's Responses to Defendant MTC Financial Inc.'s  
23 Interrogatories, Set Two, Response to Interrogatory No. 23. A true and correct copy of Raymond  
24 Sansota's responses to Defendant MTC Financial Inc.'s Interrogatories, Set Two are attached hereto  
25 as Exhibit E and incorporated by reference herein.

26 10. In his responses to Trustee Corps' written discovery, Francine Sansota stated that  
27 from 2007 to present Verizon was her telephone service provider and that her telephone number  
28 was (702) 539-5811. Plaintiff Francine Sansota's Responses to Defendant MTC Financial Inc.'s

1 Interrogatories, Set Two, Response to Interrogatory No. 23. A true and correct copy of Francine  
2 Sansota's responses to Defendant MTC Financial Inc.'s Interrogatories, Set Two, are attached  
3 hereto as Exhibit F and incorporated by reference herein.

4 11. On January 30, 2017, Trustee Corps served a subpoena duces tecum upon Celco  
5 Partnership dba Verizon Wireless ("Verizon") on January 30, 2017 ("Subpoena"). The Subpoena  
6 sought "[a]ny and all cellular telephone logs, including but not limited to, incoming and outgoing  
7 logs, call duration, missed call logs and/or blocked number requests and information for Plaintiffs,  
8 RAYMOND SANSOTA and FRANCINE SANSOTA" from January 1, 2007 through December  
9 31, 2012. A true and correct copy of the Subpoena is attached hereto as Exhibit G and incorporated  
10 by reference herein.

11 12. On March 2, 2017, Trustee Corps received Verizon's response to the Subpoena. It  
12 included a declaration from George Martin, custodian of records for Verizon, certifying that the  
13 records Verizon disclosed in response to the Subpoena are true and accurate copies of records  
14 created from the information maintained by Verizon in the actual course of business, that it is  
15 Verizon's ordinary practice to maintain such records, and that the records were made within a  
16 reasonable time of the transactions stated therein (the "Verizon Records"). A true and correct copy  
17 of Mr. Martin's Declaration is attached hereto as Exhibit H, bearing control number VzW00001,  
18 and incorporated by reference herein.

19 13. In order to determine whether Trustee Corps made any telephone calls to either  
20 Raymon Sansota or Francine Sansota during the time that the Transaction File remained open, I  
21 reviewed the Verizon Records for the period June 16, 2010 to March 15, 2011 (the "Verizon  
22 Records Excerpts"). A true and correct copy of the Verizon Records Excerpts, listing all incoming  
23 and outgoing calls from (702) 249-7894 and (702) 539-5811 (collectively, the "Sansota Numbers")  
24 from June 16, 2010 to March 15, 2011, is attached hereto as Exhibit I, bearing control number  
25 VzW000453 to VzW000650 and incorporated by reference herein.

26 14. I have reviewed the Verizon Records Excerpts, and there are no incoming calls from  
27 any of the Trustee Corps Numbers to the Sansota Numbers or outgoing calls from the Sansota  
28 Numbers to the Trustee Corps Numbers from June 16, 2010 to March 15, 2011.

1           15.     After reviewing the transcript of his deposition taken on November 17, 2016,  
2 Raymond Sansota made no changes to the transcript and certified that it was true and correct.  
3 Attached hereto as Exhibit J and incorporated by reference herein is the Raymond Sansota's  
4 certification.

5           I declare under penalty of perjury under the laws of Nevada that the foregoing is true and  
6 correct and that this declaration is executed this 10<sup>th</sup> day of March, 2017 at Oakland, California.

PROPOUNDING PARTY: DEFENDANT MTC FINANCIAL INC.  
RESPONDING PARTY: PLAINTIFF RAYMOND SANSOTA  
SET NUMBER: ONE

## GENERAL OBJECTIONS

Each and every request for admission is generally objected to by Responding Party for the reasons set forth herein. Unless otherwise noted, these general objections form a part of the response, as though fully set forth therein, to each and every request for admission and are set forth herein to avoid duplication and repetition by restating them in the response to each request. Failure to incorporate any of these general objections specifically should not be construed as a waiver of the objection and is not a waiver of any objection. Responding Party incorporates the following General Objections into the responses to each and every request:

PLAINTIFF RAYMOND SANSOTA'S RESPONSES TO DEFENDANT MTC FINANCIAL, INC.'S  
REQUESTS FOR ADMISSIONS, SET ONE

1 privilege, Responding Party objects on that ground. No such information, if  
2 any, will be provided.

- 3 2. Attorney Work Product Protection: To the extent that the requesting party  
4 interprets any of the interrogatories to call for information protected as  
5 attorney work product, the Responding Party objects on that ground. No such  
6 information, if any, will be provided.

7 Subject to these foregoing objections, Responding Party responds to all  
8 these interrogatories as follows:

9  
10 **INTERROGATORY NO. 1:**

11 If YOUR (YOU or YOUR refers to Francine Sansota) response to request for  
12 admission no. 1 of TRUSTEE CORPS' First Set of Requests for Admission is  
13 anything other than an unqualified admission, state all facts which support YOUR  
14 response.

15 **SUPPLEMENTAL RESPONSE TO INTERROGATORY NO. 1:**

16 Responding Party denied the request at this time because further investigation,  
17 including through discovery, and analysis is needed before Responding Party can  
18 admit or deny this request. Many phone calls occurred over a period of time, related  
19 to the debt and/or foreclosure. The period of time at issue in the request is between 5  
20 and 6 years ago. During that time, memories fade, and records or other documents  
21 (including those that were not in Responding Party's possession, custody, or control)  
22 may be lost or become unavailable. It is therefore possible that Responding Party  
23 may no longer recall a telephone call (or calls) that he may have had with those at  
24 requesting party. Responding Party may also not have realized at the time he spoke  
25 with someone that the person was in fact associated with requesting party.  
26 Responding Party cannot recall or identify at this time specific calls with anyone  
27 known by Responding Party to be employed by requesting party during the specified  
28 period.

- 1 1. Attorney/Client Privilege: To the extent that the requesting party interprets any  
2 of the requests to call for information protected by the attorney/client privilege,  
3 Responding Party objects on that ground. No such information, if any, will be  
4 provided.
- 5 2. Attorney Work Product Protection: To the extent that the requesting party  
6 interprets any of the requests to call for information protected as attorney work  
7 product, the Responding Party objects on that ground. No such information, if  
8 any, will be provided.
- 9

10 Subject to these foregoing objections, Responding Party responds to all  
11 these requests as follows:

12 **REQUEST FOR ADMISSION NO. 1:**

13 Admit that YOU (YOU or YOUR refers to Raymond Sansota) did not have  
14 any telephone calls with anyone at TRUSTEE CORPS from July 14, 2010 through  
15 March 15, 2011.

16

17 **RESPONSE TO REQUEST FOR ADMISSION NO.1:**

18 Denied at this time.

19

20 **REQUEST FOR ADMISSION NO. 2:**

22 CORPS from July 14, 2010 through March 15, 2011.

23

24 **RESPONSE TO REQUEST FOR ADMISSION NO.2:**

26

1 **INTERROGATORY NO. 13:**

2 If YOUR response to request for admission no. 7 of TRUSTEE CORPS' First  
3 Set of Requests for Admission is anything other than an unqualified admission, state  
4 all facts which support YOUR response.

5 **SUPPLEMENTAL RESPONSE TO INTERROGATORY NO. 13:**

6 Responding Party denied the request at this time because further investigation,  
7 including through discovery, and analysis is needed before Responding Party can  
8 admit or deny this request. Many phone calls occurred over a period of years, related  
9 to the debt and/or foreclosure. The period of time at issue in the request includes time  
10 over 6 years ago. During that time, memories fade, and records or other documents  
11 (including those that were not in Responding Party's possession, custody, or control)  
12 may be lost or become unavailable. It is therefore possible that Responding Party  
13 may no longer recall a telephone call (or calls) that he may have had with those at  
14 requesting party. Responding Party may also no longer recall being asked by  
15 requesting party in a telephone call for payment of a debt. Responding Party may also  
16 not have realized at the time he spoke with someone that the person was in fact  
17 associated with requesting party. Responding Party cannot recall or otherwise  
18 identify at this time any phone call with someone employed by requesting party in  
19 which a request for payment of Responding Party's debt was made during the  
20 relevant period.

21  
22 **INTERROGATORY NO. 14:**

24 Set of Requests for Admission is anything other than an unqualified admission,  
25 identify all PERSONS with knowledge regarding YOUR response.

1 **INTERROGATORY NO. 19:**

2 If YOUR response to request for admission no. 10 of TRUSTEE CORPS' First  
3 Set of Requests for Admission is anything other than an unqualified admission, state  
4 all facts which support YOUR response.

5 **SUPPLEMENTAL RESPONSE TO INTERROGATORY NO. 19:**

6 At a minimum, Responding Party's damages include all fees and costs that  
7 requesting party charged and/or received for illicit collection agency services in  
8 Nevada without the required license; any and all non-economic damages suffered by  
9 Responding Party, including emotional distress, as a result of requesting party's  
10 unlicensed collection agency activities in Nevada; attorney's fees and costs incurred  
11 by Responding Party; and all forms of unjust enrichment or benefit received by MTC  
12 as a result of its unlicensed debt collection activities. At this time, the full amount of  
13 fees and costs that requesting party has charged or received in connection with  
14 Responding Party's debt is not certain to Responding Party. Based on discovery so  
15 far, however, it appears that requesting party received at a minimum, \$1889.41 in  
16 fees and costs in connection with Requesting Party's debt. (This amount is reflected  
17 in the document previously produced by requesting party with the Bates number  
18 TC000072.) At this time, the full amount of Responding Party's non-economic  
19 damages, including for his emotional distress, are estimated to exceed \$10,000.  
20 Responding Party and his wife's symptoms of emotional distress during the relevant  
21 period, included, at a minimum, anxiety, stress, irritability, headaches, palpitations,  
22 trouble sleeping (insomnia), and loss of appetite. In addition, Responding Party's  
23 wife suffered from nausea and loss of vision (due to or associated with her  
24 headaches). Responding Party may have also lost at least one job during the relevant  
25 period because of his emotional distress-related irritability. The emotional distress  
26 caused by requesting party also compounded emotional trauma that Responding  
27 Party and his wife suffered due to their son's troubles and, ultimately, death, during  
28 the relevant period.

At this time, the full amount of attorney's fees and costs incurred by Responding Party in this action are not known and will not be known in full until time of judgment. They will be determined and awarded by the Court, but are not part of Responding Party's prima facie case.

**INTERROGATORY NO. 20:**

23   **GENERAL OBJECTIONS**

24                  Each and every interrogatory is generally objected to by Responding Party for  
25                  the reasons set forth herein. Unless otherwise noted, these general objections form a  
26                  part of the response, as though fully set forth therein, to each and every interrogatory  
27                  and are set forth herein to avoid duplication and repetition by restating them in the  
28                  response to each interrogatory. Failure to incorporate any of these general objections  
29                  specifically should not be construed as a waiver of the objection and is not a waiver  
30                  of any objection. Responding Party incorporates the following General Objections  
31                  into the responses to each and every interrogatory:

- 32                  1. Attorney/Client Privilege: To the extent that the requesting party interprets any  
33   of the interrogatories to call for information protected by the attorney/client

1 privilege, Responding Party objects on that ground. No such information, if  
2 any, will be provided.

3 2. Attorney Work Product Protection: To the extent that the requesting party  
4 interprets any of the interrogatories to call for information protected as  
5 attorney work product, Responding Party objects on that ground. No such  
6 information, if any, will be provided.

7 3. Responding Party objects to the Definitions and Instructions (and the  
8 interrogatories following them) to the extent that they are inconsistent with  
9 Nevada law, including the Nevada Rules of Civil Procedure ("NRCP"), and  
10 seek to impose obligations on him beyond those imposed by Nevada law.  
11 Responding Party will comply with Nevada law.

12 4. Responding Party objects to the extent that the undefined terms "YOU" and  
13 "YOUR" used throughout the interrogatories may be interpreted by requesting  
14 party as including anyone other—including attorneys, agents, or  
15 representatives—than Responding Party individually. Responding Party will  
16 respond to the interrogatories with these terms interpreted as meaning  
17 Responding Party alone.

18 5. Responding Party objects to the interrogatories to the extent that they contain  
19 no relevant time period and the requesting parties have not limited the scope of the  
20 requests to a reasonable time period.

21 Subject to these foregoing objections, Responding Party responds to all these  
22 interrogatories as follows:

23 **INTERROGATORY NO. 23:**

24 Identify by name, address and telephone number each of YOUR (YOUR refers  
25 to Raymond Sansota) telephone service providers for the period 2007 to the present.

26 **RESPONSE TO INTERROGATORY NO. 23:**

27 Responding Party objects to this interrogatory on each of the grounds set forth  
28 in the General Objections above, each of which is incorporated by this reference.

1        Responding Party objects similarly to the extent the interrogatory calls for  
2 some information that is beyond the scope of discovery because not relevant to the  
3 subject matter or not reasonably calculated to lead to the discovery of admissible  
4 evidence.

5        Responding Party specifically objects to this request as it invades the privacy  
6 of Plaintiffs and non-parties as this inspection demand seek phone records outside of  
7 the time period from 2009 to 2010 during which MTC handled the foreclosure file  
8 of Responding Party. Based on Responding Party's present recollection,  
9 Responding Party used Verizon as their telephone service provider, 1351 W. Sunset  
10 Rd, Henderson, NV 89014 cell phone number (702.249.7894) .

23 **GENERAL OBJECTIONS**

24 Each and every interrogatory is generally objected to by Responding Party for  
25 the reasons set forth herein. Unless otherwise noted, these general objections form a  
26 part of the response, as though fully set forth therein, to each and every interrogatory  
27 and are set forth herein to avoid duplication and repetition by restating them in the  
28 response to each interrogatory. Failure to incorporate any of these general objections  
specifically should not be construed as a waiver of the objection and is not a waiver  
of any objection. Responding Party incorporates the following General Objections  
into the responses to each and every interrogatory:

1. Attorney/Client Privilege: To the extent that the requesting party interprets any

PLAINTIFF FRANCINE SANSOTA'S RESPONSES TO DEFENDANT MTC FINANCIAL INC.'S

1 of the interrogatories to call for information protected by the attorney/client  
2 privilege, Responding Party objects on that ground. No such information, if  
3 any, will be provided.

4 2. Attorney Work Product Protection: To the extent that the requesting party  
5 interprets any of the interrogatories to call for information protected as  
6 attorney work product, Responding Party objects on that ground. No such  
7 information, if any, will be provided.

8 3. Responding Party objects to the Definitions and Instructions (and the  
9 interrogatories following them) to the extent that they are inconsistent with  
10 Nevada law, including the Nevada Rules of Civil Procedure ("NRCPP"), and  
11 seek to impose obligations on him beyond those imposed by Nevada law.  
12 Responding Party will comply with Nevada law.

13 4. Responding Party objects to the extent that the undefined terms "YOU" and  
14 "YOUR" used throughout the interrogatories may be interpreted by requesting  
15 party as including anyone other—including attorneys, agents, or  
16 representatives—than Responding Party individually. Responding Party will  
17 respond to the interrogatories with these terms interpreted as meaning  
18 Responding Party alone.

19 5. Responding Party objects to the interrogatories to the extent that they contain  
20 no relevant time period and the requesting parties have not limited the scope of the  
21 requests to a reasonable time period.

22 Subject to these foregoing objections, Responding Party responds to all these  
23 interrogatories as follows:

24 **INTERROGATORY NO. 23:**

26 to Francine Sansota) telephone service providers for the period 2007 to the present.

Nevada Rules of Civil Procedure

**Rule 45**

**(c) Protection of Persons Subject to Subpoena.**

(1) A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

(2) (A) A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

(B) Subject to paragraph (d)(2) of this rule, a person commanded to produce and permit inspection and copying may, within 14 days after service of the subpoena or before the time specified for compliance if such time is less than 14 days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

(3) (A) On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:

(i) fails to allow reasonable time for compliance;

(ii) requires a person who is not a party or an officer of a party to travel to a place more than 100 miles from the place where that person resides, is

1 employed or regularly transacts business in person, except that such a person  
2 may in order to attend trial be commanded to travel from any such place within  
3 the state in which the trial is held, or

4 (iii) requires disclosure of privileged or other protected matter and no  
5 exception or waiver applies, or

6 (iv) subjects a person to undue burden.

7 (B) If a subpoena

8 (i) requires disclosure of a trade secret or other confidential research,  
9 development, or commercial information, or

10 (ii) requires disclosure of an unretained expert's opinion or information  
11 not describing specific events or occurrences in dispute and resulting from the  
12 expert's study made not at the request of any party, the court may, to protect a  
13 person subject to or affected by the subpoena, quash or modify the subpoena  
14 or, if the party in whose behalf the subpoena is issued shows a substantial need  
15 for the testimony or material that cannot be otherwise met without undue  
16 hardship and assures that the person to whom the subpoena is addressed will be  
17 reasonably compensated, the court may order appearance or production only  
18 upon specified conditions.

19 **(d) Duties in Responding to Subpoena.**

20 (1) A person responding to a subpoena to produce documents shall produce them as  
21 they are kept in the usual course of business or shall organize and label them to correspond  
22 with the categories in the demand.

23 (2) When information subject to a subpoena is withheld on a claim that it is privileged  
or subject to protection as trial preparation materials, the claim shall be made expressly and  
shall be supported by a description of the nature of the documents, communications, or  
things not produced that is sufficient to enable the demanding party to contest the claim.

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including a Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including a Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.
