## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including a Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

**QUALITY LOAN SERVICE  
CORPORATION'S MOTION FOR  
SUMMARY JUDGMENT ON AMENDED  
COMPLAINT**

COMES NOW QUALITY LOAN SERVICE CORPORATION ("QLS"), by and through its attorneys of record Thomas N. Beckom, Esq. and Kristin Schuler Hintz, Esq. of the law firm McCarthy & Holthus, LLP, and hereby files this Motion for Summary Judgment against all of the named Plaintiffs who have sued QLS.

**NOTICE OF MOTION**

PLEASE TAKE NOTICE that the undersigned will bring MOTION FOR SUMMARY JUDGMENT on for a hearing on the 16 day of MAY, 2017 at 9:00A m, in Department XIX of the above-entitled Court, or as soon thereafter as counsel may be heard.

By: /s/ Thomas N. Beckom Esq  
Thomas N. Beckom, Esq  
Nevada Bar No. 12554

**INTRODUCTION**

QLS is a California Corporation, which acts a foreclosure trustee that processes nonjudicial foreclosure sales on properties located in the State of Nevada. In 2010, the Nevada Department of Business and Industry, Financial Institutions Division ("FID"), in response to a letter received from counsel in relation to a pending lawsuit, issued a Cease and Desist Order prohibiting QLS from conducting nonjudicial foreclosures until it obtained a debt collector's license under NRS 649.075. The Nevada Commissioner of Financial Institutions took the position – as Plaintiffs argue here – that a trustee's exercise of the power of sale through nonjudicial foreclosure constitutes the collection of a debt, and therefore QLS was required to be licensed as a debt collection agency. That position was expressly rejected and overturned by the District Court hearing QLS's appeal of the FID decision. As a result of that administrative proceeding, QLS is not required to hold a debt collection license as a matter of law. Despite the fact that the FID cannot compel QLS to obtain a license, Plaintiffs seek to hold QLS liable for

1 monetary damages for foreclosing without a collection license. As QLS's actions have already  
2 been adjudicated and found not to constitute debt collection under Nevada, law, Quality is entitled  
3 to summary judgment in this action. Moreover, even assuming *arguendo* that the prior  
4 administrative proceeding never happened, the Plaintiffs' claims for unjust enrichment and  
5 deceptive trade practices also fail as a matter of law. Judgment should be entered for QLS.

## 6 **II. FACTUAL BACKGROUND**

### 7 **A. THE PLAINTIFFS**

8 Plaintiffs each owned real property in Nevada that was subject to nonjudicial foreclosure  
9 due to the Plaintiffs' defaults on their respective loans. QLS acted as foreclosure trustee for the

2 5. QLS recorded a Notice of Sale. (TAC p.5 ¶27-28).

3 **b. Undisputed Facts**

4 Hjorth was the trustor under a Deed of Trust recorded with the Clark County Recorder in  
5 2006. (Ex. 22). On October 9, 2008, Hjorth filed for Chapter 7 Bankruptcy protection and  
6 received a Chapter 7 discharge on January 20, 2009. On April 30, 2009, Quality Loan Service  
7 recorded a Notice of Breach and Default and of Election to Cause Sale of Real Property pursuant  
8 to NRS 107.080. (Ex. 23). Quality subsequently recorded a Notice of Trustee's Sale on August  
9 4, 2009. (Ex. 24). The property was sold at public auction on August 24, 2009, and a Trustee's  
10 Deed Upon Sale to the property's purchaser recorded on September 2, 2009. (Ex. 25).

11 **5. Patricia Tagliamonte, aka Patty Segura**

12 **a. Allegations in the Complaint**

13 1. Tagliamonte was the subject of illegal collection activity. (TAC p.13 ¶13-17).

14 2. QLS recorded a Notice of Sale against Tagliamonte's property. (TAC p.13 ¶16-18).

15 3. In this Notice of Sale, QLS stated "THIS OFFICE IS ATTEMPTING TO COLLECT A  
16 DEBT AND ANY INFORMATION WILL BE USED FOR THAT PURPOSE". (TAC  
17 p.13 ¶22-26).

18 **b. Undisputed Facts**

19 Tagliamonte was the trustor under a Deed of Trust recorded with the Clark County  
20 Recorder in 2005. (Ex. 26). On August 22, 2007, Quality Loan Service recorded a Notice of  
21 Breach and Default and of Election to Cause Sale of Real Property pursuant to NRS 107.080. (Ex.  
22 27) Tagliamonte filed for Chapter 13 Bankruptcy protection on December 17, 2007, said case  
23 was subsequently dismissed and Tagliamonte filed again for Chapter 13 Bankruptcy protection on  
24 August 20, 2008. Said case was dismissed on June 21, 2010. Quality recorded Notices of  
25 Trustee's Sale on November 28, 2007 (Ex. 28), July 31, 2008 (Ex. 29), and June 26, 2009 (Ex.

30). Quality then sold the property at public auction on August 7, 2009 and recorded a Trustee's Deed Upon Sale to the property's purchaser. (Ex. 31)

### **B. THE PRIOR ADMINISTRATIVE PROCEEDING**

On October 14, 2010, the FID issued a Cease and Desist Order to Quality Loan Service Corporation, based on a complaint made by counsel in relation to a lawsuit pending in the Second Judicial District Court, contending that Quality was improperly conducting foreclosures in Nevada without a debt collection license. (Ex. 1 *Order to Cease and Desist*). Quality timely appealed the Cease and Desist Order. (Ex. 2 *Notice of Appeal*). On February 14, 2012, the Commissioner issued his decision, in which he concluded that a trustee's exercise of a power of sale through nonjudicial foreclosure constitutes the collection of a debt, and therefore Quality was required to be licensed as a debt collection agency. (Ex. 3 *Order from FID hearing*) Quality appealed pursuant to NRS 233B.130. (Ex. 4 *Petition for Judicial Review*). This matter was heavily litigated, with briefs being filed by QLS (Ex. 5), the Nevada Attorney General (Ex. 6), the United Trustees Association (Ex. 7), and even an attempted intervention by a homeowner in Washoe County (Ex. 8). On January 3, 2013 and after hearing extensive argument from multiple parties on this matter, the Nevada District Court for Clark County issued a lengthy Decision and Order reversing the Commissioner's determination that Quality must be licensed as a debt collector. (Ex. 9 *Order of Judge Williams*). Instead, the court found that the activities related to the exercise of a power of sale through nonjudicial foreclosure as outlined in NRS Chapter 107 was not "doing business" in Nevada and did not constitute "debt collection" under NRS Chapter 649. *Id.* Therefore, the state court concluded, as a matter of law, that Quality Loan Service was not required to have a debt collection license in order to conduct foreclosure activities under NRS Chapter 107. *Id.* No party appealed the decision to the Nevada Supreme Court, and accordingly the Order constitutes a final determination of the issue as to Quality Loan Service.

1 **III. LEGAL STANDARD**

2 Nev. R. Civ P. 12(b)(5) allows a Defendant to bring a motion to dismiss for failure to state  
3 a claim on which relief can be granted. Thereafter, the Court should analyze the complaint to  
4 determine if all allegations and inferences were true, would the complaint state a claim for which  
5 relief could be granted. *Buzz Stew, LLC v. City of N. Las Vegas* 124 Nev. 224 (2008). A  
6 complaint shall be dismissed when it appears beyond a doubt that the plaintiff can prove no set of  
7 facts which, if true, would entitle the plaintiff to relief. *Stubbs v. Strickland* 297 P.3d 326 (Nev.  
8 2013).

9 When matters are presented outside of the pleadings then the motion can be treated as one  
10 for Summary Judgment. Nev. R. Civ Pro. 56 provides that a party may move for Summary  
11 Judgment based on the evidence on file in the record. Summary Judgment is appropriate when  
12 the moving party is entitled to judgment as a matter of law and no genuine issue remains for trial.  
13 *Shepard v. Harrison* 100 Nev. 178 (1984). The party moving for summary judgment bears the  
14 initial burden of production to show the absence of a genuine issue of material fact. *Cuzze v.*  
15 *Univ. & Cmty Collegee Sys.*, 123 Nev. 598 (2007). Once the movant has satisfied their burden of  
16 production, then it is incumbent on the non-moving party to assume the burden of production to  
17 show the existence of a genuine issue of material fact. *Id*

18 As outlined *infra*, the instant matter fails to state a cause of action against QLS for  
19 multiple reasons.

20 **IV. ARGUMENT**

21 **A. QLS WAS IN COMPLIANCE WITH THE APPLICABLE ORDER OF A**  
22 **GOVERNMENT AGENCY AND ACCORDINGLY, COULD NOT COMMIT A**  
**DECEPTIVE TRADE PRACTICE BY OPERATION OF NRS §598.0955**

23 QLS complied with the order of the applicable government agency (as delineated *supra*  
24 with the FID) and accordingly did not commit a deceptive trade practice by operation of Nevada's  
25

1 Deceptive Trade Practices Statute and the prior administrative proceeding. NRS §598.0955,  
2 entitled “Applicability of NRS 598.0903 to 598.0999 inclusive” states in pertinent part:

3 “1. The provisions of NRS 598.0903 to NRS 598.0999 inclusive do not apply  
4 to:

5 **a. Conduct in compliance with the orders or rules of, or a statute**  
6 **administered by, a federal, state or local governmental agency”**  
(Emphasis Added)

7 Under similar statutes, Courts in other jurisdictions have noted that these types of  
8 provisions are intended to establish uniformity of requirements. Thus, a complaint in a Deceptive  
9 Trade Practices Act such, which does not allege that the Defendant was noncompliant with some  
10 type of state requirement, will be dismissed. *Mario’s Butcher Shop & Food Center Inc. v.*  
11 *Armour & Co.*, 574 F.Supp. 653 (N.D. Ill 1983).

12 Here QLS is in compliance with the licensing requirements of the State of Nevada as seen  
13 by the order of Judge Williams in the prior proceeding. (Ex. 9 *Order of Judge Williams*). QLS  
14 complied with the FID when QLS was served with a cease and desist order. (Ex. 1). QLS  
15 engaged in the appropriate contested administrative process as laid out in Nevada administrative  
16 procedures act. NRS § 233B.121 *et seq.* QLS moved for judicial review of the adverse FID  
17 decision pursuant to NRS § 233B.130. Pursuant to NRS § 233B.135(2), the finding of the FID  
18 was invalid upon entry of the District Court determination that QLS was NOT required to hold a  
19 debt collector’s license. Said holding of the District Court is a final Order, which the FID did not  
20 appeal. NRS § 233B.135(2); *see also* NRS § 233B.150. As it stands today, QLS is not required  
21 by the FID to be licensed, was never required to be licensed, and is in compliance with “the orders  
22 or rule of Conduct in compliance with the orders or rules of, or a statute administered by, a  
23 federal, state or local governmental agency.” NRS § 598.0955.

24 On this point alone, QLS expressly cannot have committed a deceptive trade practice.  
25 QLS is compliant with the statute. NRS § 598.0955 expressly states that “the provisions of NRS

1 598.0903 to NRS 598.0999 inclusive do not apply” if QLS is compliant, which they are (Ex. 9),  
2 and the Plaintiffs here have sued QLS for a deceptive trade practice under NRS § 598.0923(1)  
3 which is clearly contained with the provisions of NRS § 598.0903 to NRS § 598.0999. QLS is  
4 exempt from having committed a deceptive trade practice by operation of the Deceptive Trade  
5 Practices Act. This alone should result in a dismissal of claims against QLS.

6 **B. PLAINTIFFS ARE BARRED BY THE DOCTRINE OF *RES JUDICATA* FROM**  
7 **RE-LITIGATING THIS ISSUE**

8 Assuming *arguendo* there was an exemption from the language of NRS § 598.0955, the  
9 Plaintiffs are in privity with the FID litigation by way of Nevada’s *parens patrea* doctrine which  
10 is codified in NRS § 649.400. The Attorney General is allowed in the discharge of its duties to  
11 represent all the citizens and property owners of Nevada in actions involving collection licensing.  
12 On this basis, the order of Judge Williams is *res judicata* and cannot be overturned.

13 The doctrine of *res judicata*, and its twin doctrines of claim preclusion and issue preclusion  
14 requires this Court give full effect to Judge Williams’ order, and prevents any requirement that  
15 QLS hold a debt collection license from the FID. The issue, for the purpose of this motion, is  
16 whether there is sufficient privity between the FID and the Plaintiffs herein to apply the doctrines  
17 of claim preclusion and issue preclusion to Plaintiffs’ claims that they are damaged by QLS’s lack  
18 of a debt collector’s license, (despite Judge Williams’ order and the FID’s consent to such order)  
19 specifically hold that QLS is not a debt collector and is not required to hold a debt collector’s  
20 license.

21 Claim preclusion (barring parties from litigating claims that were or could have been  
22 brought in prior litigation) applies if (1) the same parties *or their privies* are involved in both  
23 cases, (2) a valid final judgment has been entered, and (3) the subsequent action is based upon the  
24 same claims or any part of them that were or could have been brought in the first case. *Alcantara*  
25 *v. Wal-Mart Stores, Inc.*, 321 P.3d 912, 915 (Nev. 2014) (emphasis added). Issue preclusion is an

1 equitable doctrine employed to conserve judicial resources, maintain consistency, and avoid  
2 harassment of oppression of a party in serial litigation. *Id.* at 916. Issue preclusion requires that:  
3 (1) the issue decided in the prior litigation must be identical to the issue presented in the current  
4 action; (2) the initial ruling must have been on the merits and have become final; (3) the party  
5 against whom the judgment is asserted must have been a party *or in privity* with a party to the  
6 prior litigation; and (4) the issue was actually and necessarily litigated. *Id.* (citing *Five Star*  
7 *Capital Corp. v. Rudy*, 124 Nev. 1048, 1055, 194 P.3d 709, 713 (2008) (emphasis added).

8 **1. The Elements of Issue and Claim Preclusion Are Present.**

9 The FID is the Nevada state agency charged with licensing debt collection. In 2010, the  
10 FID took the position that foreclosing deeds of trust by a trustee's exercise of the power of sale set  
11 forth in NRS chapter 107 was the collection of a debt, requiring the trustee to obtain a debt  
12 collector's license. For the first time ever, the FID issued a cease and desist order against a  
13 foreclosure trustee, in this instance QLS, requiring QLS to cease any actions to foreclose deeds of  
14 trust unless and until QLS obtained a debt collectors' license. QLS challenged the order and  
15 sought judicial review of the agency decision before Eighth Judicial District Court Judge Timothy  
16 Williams. In his decision reversing the FID, Judge Williams specifically found that the activities  
17 related to foreclosure of deeds of trust, as set forth in NRS chapter 107, was beyond the regulatory  
18 jurisdiction of the FID, and was governed only by the oversight of the Nevada Judiciary. The  
19 District Court expressly ruled that the finding by the FID that QLS was required to be a licensed  
20 debt collector was ""void ab initio due to legal error by the FID." (Ex. 9.)

21 Judge Williams specifically found that QLS did not need a debt collector's license to  
22 exercise the trustee's power of sale pursuant to NRS 107 et seq., and in keeping with applicable  
23 precedent, he ruled that such foreclosure of deeds of trust was NOT the collection of a debt. (Ex.  
24 9.) Judge Williams' final order was never appealed by the FID, and is now binding law between  
25 FID and QLS. NRS §233B.150. Therefore the second element of both the issue and claim

1 preclusion tests have been satisfied as this order is final. *Alcantara v. Wal-Mart Stores, Inc.*, 321  
2 P.3d 912, 915 (Nev. 2014)

3 Second, the FID administrative review action directly involved the question of whether  
4 QLS needed to be licensed pursuant to Nevada law. “Issue preclusion may apply ‘even though  
5 the causes of action are substantially different, if the same fact issue is presented.’” *LaForge v.*  
6 *State ex rel. Univ. & Cmty. College Sys.*, 116 Nev. 415, 420 (2000) (quoting *Clark v. Clark*, 80  
7 Nev. 52, 56 (1964)). “Issue preclusion cannot be avoided by attempting to raise a new legal or  
8 factual argument that involves the same ultimate issue previously decided in the prior case.”  
9 *Alcantara*, 321 P.3d at 916-17. Here the Plaintiffs assert that failure to hold a license is a  
10 deceptive trade practice. This is the same claim that was brought in the FID administrative review  
11 case. This satisfies the third prong of the claim preclusion test as well as the first prong of the  
12 issue preclusion test. *Alcantara v. Wal-Mart Stores, Inc.*, 321 P.3d 912, 915 (Nev. 2014).

13 Third, given the voluminous record of the administrative appeal, it is clearly apparent that  
14 the FID administrative petition was actually and necessarily litigated. This satisfied the fourth  
15 prong of the issue preclusion test. *Alcantara v. Wal-Mart Stores, Inc.*, 321 P.3d 912, 915 (Nev.  
16 2014)

17 This leaves one final issue to be determined here. The class plaintiffs were not parties to  
18 the first FID administrative review proceeding. Therefore the Plaintiffs must be found to be in  
19 privity with the FID in order for issue and claim preclusion to apply. The Plaintiffs herein are in  
20 privity with the FID under the doctrine of *parens patriae* because the State of Nevada acted on  
21 behalf of all property owners in Nevada in the FID administrative review litigation.

22 **2. The Plaintiffs are in privity with the State of Nevada under the Doctrine of**  
23 ***Parens Patriae.***

24 When the FID ordered QLS to cease and desist from foreclosure activity until it obtained a  
25 debt collection license, and the Attorney General moved to defend the administrative order

1 requiring that QLS be licensed, Catherin Cortez Masto acted on behalf of all property owners in  
2 Nevada in her capacity as *parens patriae*. This includes the named Plaintiffs. As such “all  
3 Nevadans” included all parties to this action; as they are in privity with the attorney general and  
4 the order from that proceeding is *res judicata*.

5 The Nevada Supreme Court has specifically adopted the Restatement (2d) of Judgments  
6 section 41 as it applies to privity between a regulatory agency and the public. *See Alcantara v.*  
7 *Wal-Mart Stores, Inc.*, 321 P.3d at 917-18. Section 41 provides in relevant part: “(1) A person  
8 who is not a party to an action but who is represented by a party is bound by ... a judgment as  
9 though he were a party. A person is represented by a party who is: ... (d) *An official of or agency*  
10 *invested by law with authority to represent the person’s interests; ...*” (Emphasis added).

11 “State governments may act in *parens patriae* capacity as representatives for all their  
12 citizens in a suit to recover damages for injury to a sovereign interest. *Alaska Sport Fishing Ass’n*  
13 *v. Exxon Corp* 34 F.3d 769 (9<sup>th</sup> Cir 1994). It is extremely well settled law that the licensing and  
14 regulation of entities involved in the foreclosure industry has *always* involved a Sovereign interest  
15 of the state of Nevada. *Nevada v. Bank of Am. Corp* 672 F.3d 661 (9<sup>th</sup> Cir 2012) (finding that  
16 Nevada had a sovereign interest in regulating bank foreclosures). In this instant case, when the  
17 FID moved to defend the petition for judicial review, it acted within its sovereign interest to  
18 enforce the laws on behalf of the citizens of Nevada. (Ex. 5.) This generated the necessary  
19 element of privity to bar this action as to QLS. In fact all enforcement actions are litigated by the  
20 State of Nevada, as expressly authorized by statute, in Nevada’s capacity as *parens patrea*. NRS  
21 §649.400.

22 “Under the *parens patriae* doctrine “a state that is a party to a suit involving a matter of  
23 sovereign interest is presumed to represent the interest of all its citizens.” *Alaska Sport Fishing*  
24 *Ass’n v. Exxon Corp* 34 F.3d 769 (9<sup>th</sup> Cir 1994). In fact, it is presumed that the state will  
25 adequately represent the position of its citizens. *Id.* The U.S. Supreme Court has noted that

1 citizens of a State are in privity with the State when they litigate a matter as *parens patriae*.  
2 *Washington v. Washington State Commercial Passenger Fishing Vessel Ass'n* 443 U.S. 658 at FN  
3 32 (1979) (discussing that when “individuals and groups are citizens of the State..., which was a  
4 party to the relevant proceeding...’they, in their common public rights as citizens of the State  
5 were represented by the State in those proceedings, and, like it, were bound by the judgment.”).  
6 In fact there is a wealth of U.S. Supreme Court precedent for the proposition that the State’s  
7 representation of its citizens in a proceeding creates privity for *res judicata* purposes and its  
8 citizens are bound by the actions of the State. *City of Tacoma v. Taxpayers of Tacoma* 357 U.S.  
9 320 (1958); *Wyoming v. Colorado* 286 U.S. 494 (1932); *Mo v. Illinois* 180 U.S. 208 (1901);  
10 *Georgia v. Tennessee Copper Co.* 206 U.S. 230 (1907).

11 This result makes common sense. Currently QLS holds an order stating it is not required  
12 to hold a debt collection license, and the FID cannot compel QLS to get a debt collection license.  
13 Yet now, QLS is sued on a legal theory that the Plaintiffs are entitled to damages due to QLS not  
14 holding a license. This is tantamount to one parent telling a child to act a certain way and the  
15 other parent giving the opposite instructions. Yet as *parens patriae* the State of Nevada simply  
16 does not inconsistently parent but instead has a streamlined and consistent set of rules. QLS  
17 cannot be told to act one way and then told to act a different way based on a change in  
18 departments on a fully litigated matter. As a matter of law Judge Williams is not “dad” and this  
19 Court “other dad.”

20 The *Exxon* case out of the 9<sup>th</sup> Circuit is directly on point for this issue. After the infamous  
21 *Exxon Valdez* oil spill, Exxon was sued in 1989 by the Alaska Sport Fishing Association for  
22 remediation of the environmental damage caused by the spill. *Alaska Sport Fishing Ass'n v.*  
23 *Exxon Corp* 34 F.3d 769 (9<sup>th</sup> Cir 1994). Afterwards, Exxon was sued by the state of Alaska for  
24 the exact same thing. *Id.* Exxon entered into a consent judgment with Alaska to remediate the  
25 environmental damage and immediately thereafter, Exxon moved for summary judgment in the

1 first case arguing that Alaska acted as *parens patriae* for the first set of Plaintiffs and therefore  
2 they were in privity with Alaska and that the consent judgment was *res judicata*. *Id.* The trial  
3 court dismissed the case on *res judicata* grounds and on appeal, in a very short written opinion, the  
4 9<sup>th</sup> Circuit held that when a state acts in its capacity as *parens patriae*, its citizenry cannot  
5 maintain an action on the same grounds because it's citizenry is in privity for *res judicata*  
6 purposes and therefore the judgment is binding. *Id.*

7 The same result was reached in in California case, *Rynsburger v. Dairymen's Fertilizer*  
8 *Co-op. Inc.* That case involved homeowners' claims that a fertilizer plant was creating a public  
9 nuisance. *Rynsburger v. Dairymen's Fertilizer Co-op. Inc.*, 266 Cal. App. 2d 269, 271-72 (1968).  
10 The cities impacted by the plant filed an action for injunction to prevent private nuisance. *Id.* at  
11 272-73. The cities' action proceeded to trial and judgment was entered that allowed the fertilizer  
12 plant to continue operating. *Id.* at 273. The homeowners then sought to revive their own claims  
13 against the company, arguing that the judgment in the cities' nuisance action was not *res judicata*  
14 to their claims. *Id.* at 274. The court disagreed, and found the homeowners were in privity with  
15 the city plaintiffs because all property owners similarly injured by a nuisance constitute a class,  
16 and that class was well represented in the cities' nuisance abatement action. *Id.* at 277-78.

17 Here, as in *Exxon* and *Ryansburger*, the issue of licensing was litigated in an ancillary  
18 proceeding with the administrative body that is responsible for issuing licenses based on a finding  
19 by that administrative body that QLS needed to be licensed. The State of Nevada issued a "Cease  
20 and Desist" Order based on its *parens patriea* status as enforcer of Nevada law. (Ex. 1). NRS  
21 §649.400. QLS appealed the administrative action and received an order from the hearing in  
22 which the FID of the State of Nevada was represented by the attorney general during the  
23 proceeding. (Ex. 2 & 3). As is its statutory right, QLS appealed the order to the District Court  
24 and the Attorney General for the State of Nevada, on behalf of all property owners in Nevada,  
25 appeared to defend the ruling and the statute. (Ex. 4 & 5). The Attorney General lost and did not

1 appeal. (Ex. 9). Again, under the statutory scheme, the Attorney General is empowered to defend  
2 the laws of this state and/ or refer the matter to the District Attorney for prosecution. NRS §  
3 649.400. All of these individuals, as property owners in Nevada, were properly represented by  
4 the Attorney General of the State of Nevada in its *parens patriae* status. Just as in *Exxon*, whether  
5 or not the action was filed before or after is irrelevant, what matters is that this matter was fully  
6 litigated and the Plaintiffs were represented by the attorney general. On this basis, there is privity  
7 between the parties. Accordingly, the only issue in this case – whether the actions taken by  
8 Quality Loan require a debt collector’s license – has been conclusively determined in the earlier  
9 action, and this Court should grant summary judgment for Defendant.

10 **C. THE COURT SHOULD ABSTAIN FROM RENDERING A RULING**  
11 **CONTRARY TO THE FID’S ORDER**

12 Even if this action were not barred by res judicata, the Court should nevertheless abstain  
13 from rendering a decision against QLS in this case because to do so would interfere with the  
14 FID’s authority to enforce licensing statutes. Plaintiffs base their entire action on the trustees’  
15 failure to obtain debt collection licenses. (*See generally Third (and Second) Am. Compl.*) But  
16 the FID is *expressly prohibited* from requiring QLS to obtain a collection agency license. This  
17 Court should not punish QLS for not having a license that the licensing agency is legally  
18 prohibited from requiring QLS to obtain.

19 Under the doctrine of judicial abstention, courts must abstain from adjudicating suits  
20 where “granting the requested relief would require a trial court to assume the functions of an  
21 administrative agency, or to interfere with the functions of an administrative agency.” *Alvarado*  
22 *v. Selma Convalescent Hosp.*, 153 Cal.App.4th 1292, 1298 (2007). The court may also abstain  
23 where the suit involves determinations of policy that are best left to the administrative agency. *Id.*

24 The Legislature has charged the Commissioner of Financial Institutions with  
25 administering and enforcing the licensing requirements. NRS § 649.051. This includes adopting

1 regulations, investigating violations, and taking action against offenders. NRS §§ 649.053-  
2 649.057, 649.385-649.410. The Commissioner is legally prohibited from requiring QLS to hold a  
3 debt collection license in order to conduct nonjudicial foreclosures in Nevada. Rendering a  
4 contrary decision in this case would be directly inconsistent with the outcome of the prior  
5 administrative proceedings, to which the licensing agency is bound, and will directly interfere  
6 with the Commissioner's conduct of its duties in enforcing licensing requirements. How is the  
7 FID to act in the face of conflicting District Court orders finding that QLS both is, and is not,  
8 required to hold a collection agency license? It is for this very reason that Nevada's  
9 Administrative Procedures Act prescribes the requirements and limitations of judicial review of  
10 agency decisions. *See Washoe County v. Otto*, 282 P.d3d 719, 724-725 (Nev. 2012.)

11 The Restatement (Second) section 63 specifically provides that a "person who is not  
12 precluded by the rules of res judicata from litigating a claim or issue determined by a judgment  
13 *may nevertheless have a duty to refrain from obstructing compliance with the judgment.*" The  
14 Restatement (Second) of Judgments § 63 (1982) (emphasis added). "[A]n obligation to recognize  
15 the judgment for limited purposes can exist on the part of a person who is not a party to the  
16 judgment or in privity with such a party. That is, a judgment creates rights and obligations a third  
17 party may have a duty to recognize before they have an opportunity to litigate the validity of the  
18 judgment or the claims and issues upon which the judgment is based." *Id.* at Comment (a).

19 This duty is similar to, but distinct from, the concept of res judicata. "Where such a duty is  
20 imposed, it rests upon the proposition that the law may require a person to conduct himself in  
21 deference to obligations among persons already established by legal process....*The right of such a*  
22 *person to bring new litigation concerning matters litigated between others, however, does not*  
23 *also imply freedom to disregard the obligations that the judgment imposed on the parties to the*  
24 *judgment.* Thus, the third party's obligation with regard to the judgment restricts the time and

1 means by which he may contest the matters adjudicated, even if he has standing to do so.” *Id.* at  
2 Comment (b). (emphasis added).

3 This doctrine is especially applicable to the instant situation. QLS already has effectively  
4 precluded the FID from requiring it to obtain a debt collector’s license, given that Judge Williams  
5 has ruled that foreclosing a deed of trust is not the collection of a debt. Plaintiffs seek to attack  
6 that ruling collaterally, and place both the FID and QLS in a situation where they must disregard a  
7 valid and binding judgment between those two parties. To avoid inconsistent decisions that  
8 would interfere with the FID’s administration of its licensing scheme, the Court should abstain  
9 from rendering any decision against QLS in this case that would run counter to the decision from  
10 the administrative proceedings. The interpretation to which the FID is legally bound is that QLS  
11 has not and does not engage in debt collection when it engages in nonjudicial foreclosures  
12 activities prescribed by NRS 107.080 et seq. on properties secured by deeds of trust.

13 **D. AS PREVIOUSLY ARGUED, NONE OF QLS’S ACTION FALL OUTSIDE OF**  
14 **THE SCOPE OF A TRUSTEE UNDER A DEED OF TRUST**

15 As delineated above and more fully in the Opposition to the Sansota’s Motion for Partial  
16 Summary Judgment, all the Plaintiffs granted to the Trustee on their Deeds of Trust the power of  
17 sale in trust. The Plaintiffs agreed that if they failed to make payments on their home loans, a  
18 Trustee under the Deed of Trust would be allowed to foreclose in compliance with applicable  
19 Nevada Law. QLS will not repeat the entirety of its opposition filed on February 24, 2017;  
20 however they do incorporate this document by reference. Collecting to stop a pending foreclosure  
21 sale, collecting money after the completion of a foreclosure sale, conveying title after the  
22 foreclosure sale, providing notices of borrowers rights to pursue alternatives to foreclosure,  
23 monitoring other foreclosure activities that may impact the deed of trust that QLS serves as the  
24 Trustee for, are all required under either NRS Chapter 107 or Nevada’s Foreclosure Mediation  
25 Rules, and the applicable Deed of Trust. QLS is a proper trustee under NRS § 107.028 as it is a

1 “domestic or foreign entity which holds a current state business registration issued by the  
2 Secretary of State” which is one of 10 different categories of entities which may function as a  
3 foreclosure trustee. *Id.* Only one of these categories of potential trustees is a collection agency  
4 licensed under NRS Chapter 649, which is what the Plaintiffs seek to invoke. QLS incorporates  
5 those arguments here and moreover this is another reason why this Complaint should be  
6 dismissed and judgment should be entered for QLS in this matter.

7 **E. THE PLAINTIFF’S WILL NEVER BE ABLE TO PROVE THE REQUISITE**  
8 **MENS REA OF “KNOWINGLY” AS TO QLS.**

9 Plaintiffs skirt the fact that the licensure of foreclosure trustees as debt collectors has no  
10 less than 13 times been litigated in this state and every single time, including 7 involving QLS, the  
11 Court has held that QLS is not required to be licensed as a debt collector. Generally the purpose of  
12 any Deceptive Trade Practices action is to provide consumers a cause of action for deceptive trade  
13 practices without having to engage in the burdensome litigation of issues and numerous defenses  
14 encountered in the prior common law causes of action for fraud and breach of warranty. *Smith v.*  
15 *Baldwin* 611 S.W.2d 611 (Tx 1980). QLS has not breached any type of warranty or committed  
16 any type of fraud. As such the defense of “intent” under Nevada’s statutory scheme comes into  
17 play. It is unequivocally clear however, based on the case law alone, that none of the intended  
18 intent will ever be able to be imputed to QLS.

19 NRS 598.0923 provides that a person only engages in a “deceptive trade practice” when  
20 he “*knowingly* . . . [c]onducts the business or occupation without all required state, county or city  
21 licenses.” NRS 598.0923(1) (emphasis added). The “knowing” requirement requires the  
22 defendant to have acted intentionally in violation of its legal requirements. *Sobel v. Hertz. Corp.*,  
23 698 F. Supp. 2d 1218, 1230 (D. Nev. 2010). For example in *Sobel*, the court refused to find the  
24 defendant had engaged in deceptive trade practices where there was “substantial uncertainty”  
25 regarding what obligations were imposed upon it by the applicable statute, and as a result, the

1 defendant could not be found to have intentionally circumvented the statutory requirements.  
2 *Sobel*, 698 F. Supp. 2d at 1230. Here, as set forth above, the weight of substantial authority  
3 confirms that nonjudicial foreclosure is not the same as debt collection, and thus a trustee such as  
4 QLS is not required to hold a debt collector's license. Further, QLS has a binding decision from  
5 the District Court to that effect. (Ex. 9.) Accordingly, the Court cannot find that QLS  
6 "knowingly" violated the licensing statute.

7 Nevada's Deceptive Trade Practices Act does not define "knowingly." Black's Law  
8 Dictionary defines "knowingly" as an act which is done and is "the product of conscious design,  
9 intent, or plan that it be done, and is done with awareness of probable consequences and is done  
10 with awareness of probable consequences." *Blacks Law Dictionary* 6<sup>th</sup> Ed. P. 872 (1990). Texas  
11 has a statutory definition in their own deceptive trade practices act and states that "knowingly"  
12 means "actual awareness of the falsity, deception, or unfairness of the act or practice giving rise to  
13 the consumer's claim." *Gulf Ins. Co. v. Burns Motors*, 22 S.W.3d 417 (Tx 2000). The Alabama  
14 Supreme Court has noted that their own Deceptive Trade Practices was intended to replace  
15 common law and statutory causes for fraud and on that basis Deceptive Trade Practices require  
16 knowledge of the wrongdoing in question. *Sam v. Beaird*, 685 So.2d 742 (Al. 1996). The  
17 Colorado Deceptive Trade Practices act creates an "absolute defense" to actions which result from  
18 negligence or an honest mistake. *Crowe v. Tull* 126 P.3d 196(2006). Even District Courts in  
19 Nevada have noted the intent requirement of our deceptive trade practices act numerous times.  
20 *Sobel v. Hertz. Corp.*, 698 F. Supp. 2d 1218, 1230 (D. Nev. 2010); *Phillips v. Dignified Transition*  
21 *Solutions* 2014 U.S. Dist. LEXIS 120221 (D.Nev. 2014).

22 QLS believes there can be no uncertainty as to QLS's status, to wit, it is not a debt  
23 collector and is not required to be licensed as such. Even the Ninth Circuit Court of Appeals ruled  
24 that foreclosure trustees are not debt collectors for purposes of the Fair Debt Collection Practices  
25 Act. *Vien-Phuon Ho. v. Recontrust Co. N.A.* 840 F.3d 618 (2016). The *Ho* ruling follows a 2002

1 ruling from Oregon, holding that foreclosure trustees are not debt collectors. *Hulse v. Ocwen*  
2 *Federal Bank* 195 F.Supp.2d 11, 1204 (D. Or. 2002).

3 And Federal Courts in Nevada have consistently held that a foreclosure trustee does not  
4 have to be licensed as a Debt Collector. Judge Navarro in 2010 ruled that a foreclosure trustee is  
5 not a debt collector. *Charov v. Perry*, 2010 U.S. Dist. LEXIS 65798 (D.Nev. 2010). Judge  
6 Hicks later that same year specifically ruled that QLS did not commit a deceptive trade practice  
7 on the licensing grounds because QLS is simply not a Debt Collector. *Maves v. First First*  
8 *Horizon Home Loans*, 2010 U.S. Dist. LEXIS 973878 (D.Nev. 2010) ("QLS acted as the  
9 foreclosure trustee in this matter. A foreclosure trustee does not have to be licensed to record a  
10 notice of default because a foreclosure trustee is not a debt collector."). In fact Judge Hicks ruled  
11 the very same way, as to QLS, later that same year. *Contreras v. Master Fin. Inc.*, 2010 U.S.  
12 Dist. LEXIS 118017 (D.Nev. 2010). Judge Hicks ruled the exact same way the very next year in  
13 again dismissing another NUFDTA complaint. *Barlow v. BNC Mort. Inc.*, 2011 U.S. Dist.  
14 LEXIS 96327 (D.Nev. 2011) Judge Mahan has ruled this way. *Gillespie v. Countrywide Bank*  
15 *FSB*, 2011 U.S. Dist. LEXIS 93118 (D.Nev. 2011) ("a foreclosure trustee does not have to be a  
16 licensed debt collector in the state of Nevada"). In 2010, prior to this case being filed, Judge  
17 Jones ruled that QLS "is not a debt collector and does not have to be licensed as a debt collector  
18 in Nevada to act as a foreclosure trustee." *Martinez v. Bank of Am. Nat'l Ass'n*, 2010 U.S. Dist  
19 LEXIS 113378 (D.Nev. 2010). Judge Jones has in fact ruled this way twice. *March v. Pinnacle*  
20 *Mortg. of Nev.*, 2011 U.S. Dist. LEXIS 117185 (D.Nev. 2011).

21 This writer is loath to string cite, but there are so many cases in which foreclosure trustee  
22 have been held not to be debt collectors for purposes of state licensing law that it should make the  
23 Court's head spin. See, e.g., *Rinehold v. Indymac Bank FSB*, 2011 U.S. Dist. LEXIS 896 (D.Nev.  
24 2011) (expressly finding that QLS is not required to be licensed by the state as a debt collector);  
25 *Kenneweg v. Indymac Bank*, 2011 U.S. Dist. LEXIS 661 (D.Nev. 2011) expressly finding that

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

## Need-to-Know Information

### Limiting Notations on Payments

Written notations included with or on your payment cannot be reviewed when bills are processed and will not be honored. Please send such notated payment and any accompanying correspondence to the Correspondence Address on Page 2 of your bill.

### Electronic Fund Transfer (EFT)

Your check authorizes us either to make a one-time electronic funds transfer (EFT) from your account or process as a check. An EFT may be withdrawn from your account the same day you make your payment and your check is not returned to you. If you want to be excluded from EFT, please call 1-866-544-0401. If payment is returned unpaid, you authorized us to collect an additional \$25 fee through EFT from your account.

### Experiencing A Problem With Your Verizon Wireless Device?

Just contact us toll-free at 1-866-406-5154 from a landline phone. If we can't resolve the problem and the problem is caused by a manufacturing defect within the first year you own the device, we'll send you a Certified Like-New Replacement (either a like unit or one of comparable quality) right to your door.

### Important Information About Verizon Wireless Data Plans And Features

As part of our continuing efforts to provide the best experience to our more than 94 million customers, Verizon Wireless is introducing new network management practices.

We are implementing optimization and transcoding technologies in our network to transmit data files in a more efficient manner to allow available network capacity to benefit the greatest number of users. These techniques include caching less data, using less capacity, and sizing the video more appropriately for the device. The optimization process is agnostic to the content itself and to the website that provides it. While we invest much effort to avoid changing text, image, and video files in the compression process and while any change to the file is likely to be indiscernible, the optimization process may minimally impact the appearance of the file as displayed on your device. For a further, more detailed explanation of these techniques, please visit [www.verizonwireless.com/vzwoptimization](http://www.verizonwireless.com/vzwoptimization).

### Don't Let Your Kids Play With Old Cell Phones

Because old cell phones are still able to call 9-1-1 even if they are not active with a wireless carrier, they should not be used as a toy. If you have an old cell phone, please consider donating it to the Hopeline by Verizon program, where no longer used phones are safely recycled and the proceeds used to help prevent domestic violence.

### Coverage Reminder

To help ensure you're getting the full advantage of America's Largest and Most Reliable Wireless Network, be sure to update your phone's roaming capabilities every 3 to 4 months. It's fast, easy and free. Just dial \*228 and SEND from your Rate and Coverage Area and press option 2 when prompted. You'll hear, and will receive a confirmation message on your phone screen once the update is complete.

### Save Time - Pay Your Bill Online

It's fast, easy and secure! Best of all, you can do it from your home, office or any computer with an Internet connection. Go to [www.vzw.com/myverizon](http://www.vzw.com/myverizon).

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.

## Explanation of Charges

### Verizon Wireless Surcharges

Verizon Wireless Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless Other Charges and Credits

Includes charges for products and services, and credits owing.
