ORDER DENYING MOTION

On October 12, 2017, this court denied appellant's motion for the appointment of counsel. Appellant seeks reconsideration of the decision, proposing that this court misapprehended the scope of his petition for a writ of habeas corpus. We disagree. Appellant does not demonstrate that this court overlooked or misapprehended any material fact or legal authority. No good cause appearing, the motion is denied.

It is so ORDERED.¹
