**UNOPPOSED MOTION FOR EXTENSION OF TIME  
TO FILE OPENING BRIEF AND APPENDIX**

Appellant Clark County School District requests 32 days, through April 23, 2018, to file its opening brief and appendix. NRAP 31(b)(3). This is the first such motion. (The parties previously stipulated to extend the deadline pursuant to NRAP 31(b)(2).) The brief was originally due February 20, and without the extension, would be due March 22. No requests for extension have been denied or denied in part.

Although counsel have completed a substantial draft of the brief, additional time is necessary. Over the last month, counsel have had to deal with multiple, significant motions in the district court and this Court that were heard on an emergency basis or shortened time, which could not have been reasonably anticipated. This is in addition to coun-

sel heavy involvement in a jury trial that is in its fifth week. The additional time will also enable counsel to address the impact of recently decided cases and ensure a streamlined presentation of the legal issues.

We have conferred with counsel for respondents, who represents that he does not oppose this request. His courtesy is appreciated.

Dated this 20th day of March, 2018.
