23 **STATEMENT OF FACTS**

24 Appellants counsel suffered a ransom-ware attack wherein all of his data
25 was encrypted until the payment of the equivalent of \$8,000.00 in bitcoins were
26 submitted to the hackers. McAfee believes the hackers are located in either
27 Pakistan or England. To date, all data remains encrypted. Appellant attempted
28

1 to file his docketing statement on September 27, 2017 but the same was denied
2 as untimely. Appellant was advised by the Clerk of this Court to file this request
3 for an extension of time.
4

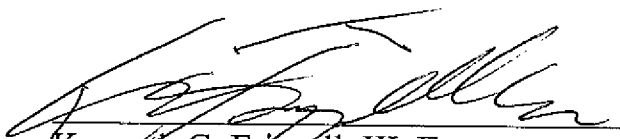

5 **POINTS & AUTHORITIES**

6 NRAP 14(4)(d) allows this Court to extend time for docketing
7 statements. The rule states:
8

9 (d) **Extensions of Time.** A motion for an
10 extension of time within which to file the
11 docketing statement will be granted for good
12 cause. Counsel's caseload generally will not
13 provide grounds for an extension.
14
15

16 Based on the cyber-attack and Counsel's inability to recover his data, the
17 docketing statement was filed eight (8) days late. As of this writing, the
18 docketing statement is ready for filing, as such, a five or ten calendar day
19 extension is adequate.
20

21 Dated this 28 day of September, 2017.
